Question of the Querent: When I will have an ownership of flat?
Horary Number: 95 (out of 249).
Time of Judgment: 26-09-2014, 16:40:52 Hrs. (IST).
Place of Judgment: Park Street (Long/Lat: 22N33, 88E21), Kolkata, West Bengal

Moon reveals the nature of query.
Moon (Libra 04-18-23) is in the star of Mars and sub of Venus. Planet Moon is the occupant of 2, owner of 12. Moon is having stellar (positional) strength i.e. untenanted (there is no planet in stars of Moon) and CSL of 1-5. Starlord Mars is the occupant of 3, owner of 4 and 9. Sublord Venus is the occupant of 1, owner of 3 and 10. Venus is having stellar (positional) strength i.e. untenanted (there is no planet in stars of Venus) and CSL of 7-9-11. Moon signifies and is in connection with relevant houses (4-9-11-12), hence query or urge is genuine.

Land and Building
Consider the houses 4, 11 and 12 for purchase of land or building or construction of building (4th is the prime house of land and building; 11th for gain, success, fulfillment of desire and 12th for payment to seller of the land or building or investment of money in property).
6th house indicates tenant. The 4th and 11th counted from 6th (i.e. 9 and 4), denotes the occupation of house. Thus, the 9th house indicates ownership flat wherein we have to pay maintenance charges to our Building's Society or Association which may treat also a type of tenancy charges.
Mars is the natural significator of Building and Saturn is that of Land, Mines and Estates.

Hints:
If the cuspal sub lord of 4th be the significator of 4 (Land & Building), 9 (Ownership Flat), 11 (Gain, Success, Fulfillment of desire) or 12 (Investment), one will have his own flat ownership during the joint period (DBA) of significators 4, 9, 11 and 12.

Cuspal analysis
4th Cusp (Scorpio 16-08-07): The sublord of the 4th cusp Jupiter is in star of Mercury and sub of Venus. Planet Jupiter is the occupant of 12, owner of 5 and 8. Star lord Mercury is the occupant of 2, owner of 2 and 11. Sublord Venus is the occupant of 1, owner of 3 and 10. Venus is having stellar (positional) strength i.e. untenanted (there is no planet in stars of Venus) and CSL of 7-9-11. 4th CSL Jupiter signifies 11-12 and is in connection with 9-11. 4th cusp falls in sign of Mars (Scorpio) and in star of Saturn (Anuradha-4).

Significators of 4, 9, 11 and 12: Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu, Ketu.

Ruling Planets at the time of judgment	
Lagna/ Ascendant	Saturn – Jupiter – Mercury
Moon	Venus – Mars – Venus
Day Lord	Venus
Nodes	Rahu – Ketu

Ruling Planets: Mars, Mercury, Jupiter, Venus, Saturn, Rahu, Ketu.

Fruitful (Common) Planets in respect to Significators of 4-9-11-12 and Ruling Planets are: Mars, Mercury, Jupiter, Venus, Saturn, Rahu, Ketu.

Joint period (DBA: Dasha-Bhukti-Anthra)

Present Dasha Lord: Mars (from DOJ to 23-12-2015)
Mars is the fruitful (common) planet; hence Mars Dasha is taken into consideration.

Present Bhukti Lord: Venus (from DOJ to 17-01-2015)
Though Venus is appeared as a significator of grade E, but Venus in actually is a strong significator of 9 and 11. This is because Venus is having stellar (positional) strength i.e. untenanted (there is no planet in stars of Venus) and CSL of 7-9-11. Also Venus is strongly appeared under ruling planets. Hence Venus is treated as a fruitful (common) planet and accordingly Venus Bhukti is taken into consideration.

Now in Dasha-Bhukti of Mars-Venus (from DOJ to 17-01-2015)

Present Anthra Lord: Saturn (from DOJ to 25-10-2014)
Saturn is a fruitful (common) planet, but it is not the significator of 11th house. Further, Saturn and Moon posited in same sign (Libra) forms PUNARPHOO which indicates delay. Hence, Saturn Anthra is not taken into consideration).

Next Anthra Lord: Mercury (from 25-10-2014 to 24-12-2014)
Mercury is a fruitful (common) planet and signifies the houses 4-9-11. Mercury is also appeared as the CSL of 12th house. Hence, Mercury Anthra is highly favorable and accordingly Mercury Anthra is taken into consideration.

Transit
During the DBA period (from 25-10-2014 to 24-12-2014) fixed towards fructification of event, we have to check the transit of Sun according to DBA level or RP level of the following combinations:

DBA Level : Mars-Venus-Mercury (in any manner of Sign-Star-Sub)
RP Level : Mars-Mercury-Jupiter (in any manner of Sign-Star-Sub)

◊ On 16th November 2014, Sun will start transiting in the Sign-Star of Mars-Jupiter (Scorpio 00°00'00" to 03°20'00").

◊ On 5th December 2014, Sun will start transiting in the Sign-Star-Sub of Mars-Mercury-Venus (Scorpio 19°20'00" to 21°33'20").

◊ On 12th December 2014, Sun will start transiting in the Sign-Star-Sub of Mars-Mercury -Jupiter (Scorpio 26°06'40" to 27°53'20").

My Opinion: Purchase of flat ownership is assured during the DBA of Mars-Venus-Mercury between the period from 16.11.2014 to 12.12.2014.

Actual Fact: Prediction comes true. The querent finalized the flat ownership during the middle of November 2014 and finally paid the token money at the first week of December 2014.

World Chess Champion Magnus Carlsen and Chess Astrology

By: Tin Win
Email: tw853@yahoo.com

This article is to study astrological configurations that influence chess talent and skill on the basis of world chess champion Magnus Carlsen's chart.

Basic Chart
Magnus Carlsen, 30 November 1990, 03:04 AM, h1e, Tønsberg, Norway, 59n17, 10e25, KP New Ayanamsa 23:38:24, Ascendant Virgo 19:00:57, Balance Dasa: Ketu 0Y, 7M, 5D, calculated by KPAstro 4.1

Biography
http://en.wikipedia.org/wiki/Magnus_Carlsen#Results_2

Cuspal Analysis
1) 1st (self), 5th (games, play, sports) and 10th (profession, reputation) cuspal sub lord (CSL) Mercury is in house 3 (sports and athletic ability), owner of houses 1 (self effort), 10 (success, reputation, name, fame), in the star of Ketu and sub of Moon. 1, 5 (creative talent) and 10 are deemed to be connected by being in the same CSL. Star lord Ketu is conjunct with Jupiter in house 10, owner of houses 4,7, and Jupiter is the CSL of house 9 (creative higher mind, fortune) having no planet in its stars. Sub lord Moon is in house 7.

2) 3rd (sports) CSL Rahu is in house 4 and the strong significator of house 3 (sports and athletic ability), having no planet in its stars. Rahu is in Capricorn sign, representing Saturn in house 4, owner of houses 5 (games, play, sports), 6 (winning in competition, gain). Rahu is in the star of Sun and sub of Ketu. Star lord Sun is in house 2 (money income), owner of houses 11 (gain, fulfillment of desire),12 (unknown innovation) Sub lord Ketu is in house 10, conjunct with Jupiter in house 10, owner of houses 4,7, and Jupiter is the CSL of house 9 (creative higher mind) having no planet in its stars.

Planetary Positions Analysis
1) The most striking planetary position is the concentration of four planets, namely Mercury (intelligence, good thinking), Saturn (intellectual leveler, sense of control), Uranus (higher intellect) and Neptune (imagination, intuition) in super intelligenent Sagittarius sign, aspected by Mars (boldness with strength). Mercury is in 3 (arthletic ability), owner of 1 (self effort), 10 (profession, success) and the CSL of 1, 2 (money income), 4, 5 (creative talent), 8 (unknown innovation), 10 having no planet in its stars. 1,2,4,5,8 and 10 are deemed to be connected by being in the same CSL. Saturn in 4, owner of 5, 6 (win in competition). Mars is in 8, owner of 3, 8 and the CSL of 12 (unknown innovation) having no planet in its stars. Such combination of Mercury, Mars, Neptune and Uranus is perfect for a chess player to have analytical, intellectual abilities, adequate precision thinking and tactics, taking into account the different combinations of moves of the opponent in this intellectual sport. Other two great chess players also have an important role of Mercury and Neptune, namely Bobby Fisher: conjunction of Sun, Mercury and Ketu is aspected by Jupiter and Saturn, and Neptune is opposing Venus; Garry Kasparov: Mercury is opposing Neptune aspected by Mars.
2) In addition Sun (creative abilities) and Venus (artistic talent) are conjunct in Scorpio (power) sign, opposed by Mars (boldness with srength). Sun is in 2, owner of 11,12. Venus is in 3, owner of 2,9 and the CSL of 11. In Fisher's chart Sun is conjoined with Mercury in Aquarius sign. For Kasparov Sun and Jupiter are conjoined in Pisces sign.

3) Moreover in the 8th house (unknown innovation), there are Mars (boldness with strength) and Moon (imaginative faculty) in warrior Aries exactly on the 8th cusp. In addition Mars is owner of 3 (athletic ability), 8 (unknown innovation) and the CSL of 12 (unknown innovation) having no planet in its stars. This shows innovative ways of penetrative thinking, great for professional chess playing. Such kind of fearless and super quick Moon gives Carlsen creative mind and mental strength in tough tournament situation. Other two greatest players also have an 8th house emphasis, namely, Bobby Fischer: Mercury and Ketu representing Sun, Mercury, Jupiter and Saturn in the 8th, Mars aspecting Moon; Kasparov: Mars, Rahu, Uranus and Fortuna in the 8th.

Dasa Analysis

1. Carlsen became new world chess chapion on 22 November 2013 (Sun Dasa- Jupiter Bhukti- Mercury Antra) after defeating Viswanathan Anand.

Dasa lord Sun is in 2 (money, income), owner of 11 (gain, fulfillment of desire), 12 (unknown innovation), and in the star of Saturn in 4, owner of 5 (games, play, intelligence, 6 (win over opponent) and in sub of Rahu in house 4 and the CSL of house 3 (sports and athletic ability), having no planet in its stars; in Capricorn sign, representing Saturn in house 4, owner of houses 5 (games, play, intelligence), 6 (winning in competition, gain).

Bhukti lord Jupiter is in 10 (reputation, name, fame) owner of 4,7, and the CSL of 9 (higher mind for innovation) having no planet in its stars. Jupiter is in the star of Mercury in 3 (ability), owner of 1 (self effort), 3 and in sub of Venus in 3, owner of 2 (money, income), 9. (higher mind for innovation), and the CSL of 11 (gain, fulfillment of desire) having no planet in its stars.

Antra lord Mercury is already discussed above as the CSL of 1st, 5th and 10th houses.

2. He successfully defended his world champion title in November 2014 (Sun Dasa- Saturn Bhukti- Sun Antra) by defeating Viswanathan Anand.

Dasa and Antra lord Sun is as already discussed above.

Bhukti lord Saturn is 4, owner of 5 (games, play, intelligence), 6 (winning in competition, gain) in the star of Sun in 2 (money, income), owner of 11 (gain, fulfillment of desire), 12 (unknown innovation), and in sub of Mars in 8 (unknown innovation), owner of 3 (ability), 8 and the CSL of 12 having no planet in its stars.

3. Carlsen is also expected to defend his world champion title sucssfully again in late 2015 (Sun Dasa- Mercury Bhukti) as Sun and Mercury are favorable for him as discussed abobe.

At the end of the 2013, a lady brought me the horoscope of her mother and wanted me to read the same to know about the present health condition of her mother, who was hospitalized at that time for treatment for a pain in throat and difficulties of swallowing food. Further she said that the doctors had conducted several investigations, but neither conclusion nor diagnosis not yet been made.

Birth details are as below:
Mrs. Sriyani, 28 Feb. 1960, 06.09 am, Mirigama Govt. Hospital, Western Province, Sri Lanka, 07N15, 80E08, Asc. Aquarius 10:17:35, Jupiter Vimshttari Mahadasa Balance 02Y, 06M, 13D, KP New Ayanamsa 23° 12' 38" , calculated by KPAstro 4.1

As the request is for bad health, I started the chart reading from the Lagna Sub Lord, by taking into account the health rule of Sri C. R. Bhatt in his "Horoscope and Diseases", page 81.
"If the sub lord of the Asc. be the significator (i.e. in the star of the occupant or owner) of the house 6 (sickness) or 8 (danger to life) or 12 (hospitalization), it is not good for health."

As per the attached natal chart, the Ascendant sub lord is Jupiter, the lord of houses 2 & 11, located in 10th house, in Sagittarius a sign of its own, in the star of Kethu and in the sub of Rahu. Neither sub lord Jupiter itself nor its star Kethu or sub Rahu are direct significators of the said houses 6, 8, 12 as in the above rule. Since Rahu and Kethu are shadowy planets, it is a must to scrutinize the behavior of these nodes to come to a conclusion of Lagna sub lord Jupiter.

Being having no rulership for any sign, nodes firstly act as the representatives of the conjoined planets and secondly for the aspecting planets and next act for the owner of the signs which they are placed, according to KP rules for Nodes.

Here in this natal chart, Kethu is very closely conjoined with Mercury, the lord of 5 & 8 and with Moon, the lord of 6 and acts as agent for Jupiter (1-10,2,11) the sign lord. The sub lord Rahu has any conjunction but aspected by the depositor of opposite sign Moon and Mercury who are connected with Kethu, and also by Saturn (11-12,1-5,7). Thus the Lagna sub lord Jupiter is connected with 6, 8, & 12 and also doubly effected by the nodes, which directly signify 2 & 7 (Maraka houses) as well as life saving house 11 by Kethu.

The sub lord of the 6th cusp is Venus, the lord of 9 (Badhaka) and 4 (End of Life) is in the star of Moon, lord of 6 (sickness) in Lagna (Self). Sub of Venus is Saturn, the lord of Lagna and 12th house. In KP, if the sub lord of the 6th cusp is a significator (i.e. in the star of the occupant or owner) for 6 or 8 or 12 and connected with 1, the native may suffer from diseases during the sub period of the sub lord of 6th. So the fundamental rules of KP are agreed with the chart under study for a disease in all aspects.

The sub lord of 6th cusp is connected with Saturn, making the native's health condition chronic. Further its sub Venus is closely conjoined with Mars, which shows the condition is acute. Lord of 5 & 8 Mercury in the Lagna Bhawa is closely conjoined with the lord of 6 Moon, which is the star lord of the sub lord of 6, indicating the condition of illness is compli-

cated. As well Kethu is conjoined with above Moon and Mercury and hence the disease remains undiagnosed. So I had to go for further steps to find out any hint about the nature of the disease.

Maraka and Badhaka
(a) Lord of 2 (Maraka) is Jupiter in 10th house, under the rules of Kethu and Rahu as star and sub. Jupiter is also conjoined with Saturn, significator of Maraka, Badhaka and 12th houses. Kethu is similar to Mars and has become a disease maker, in conjoining with Moon. Rahu, being an agent for Mercury is connected with 7 and 8 and aspected by the 6th lord Moon.
(b) Lord of 7 (Maraka) is Sun in Lagna, in the star of above said Rahu and in the sub of Venus in 12, lord of Badhaka 9. So Lagna is adversely influenced by the Sun by occupation and 12th and Maraka, Badhaka significator Saturn by 3rd aspect.
(c) Badhaka house for Aquarius sign Lagna is 9th, Libra owned by Venus, the decider of the sickness.

It was clearly indicated that Venus is connected in any way with Maraka and Badhaka. Further in addition to the 6th, Venus is lord of 4 (breast).

Houses 6, 8, 12
6th - Co-rulers: Moon (1o-1-2,11- 6) Aspects 8, Saturn+ (12-11-4,9-1,12) Aspects 1, 5, 8 Venus (1-12-6-4,9) Aspects 6
6th Sub lord's star: Moon (1o-1-2,11- 6) Aspects 8, Sub Lord: Saturn+ (12-11-4,9-1,12) Aspects 1, 5, 8

8th - Co-rulers: Mercury+ (10-1-2,11-5,8) Aspects 8, Moon (1o-1-2,11- 6) Aspects 8 , Jupiter (1-10--2,11) Aspects 3, 5, 7
8th Sub Lord's star : Kethu (10-1-2,11--), Sub Lord: Rahu(1-7-7--)
12th - Co-Rulers: Saturn+ (12-11-4,9-1,12) Aspects 1, 5, 8 Sun (7-1--7) Aspects 7, Venus (1-12-6-4,9) Aspects 6
12th Sub Lord's star: Moon (1o-1-2,11- 6) Aspects 8, Sub Lord: Saturn+ (12-11-4,9-1,12) Aspects 1, 5, 8

6th cusp Sub Lord Venus is connected with 6,8,12 and 1.
8th cusp Sub Lord Jupiter is connected with 6, 8, 12 and 1 by way of Rahu and Kethu .
12th cusp Sub Lord Venus is connected with 6,8,12 and 1.

"According to KP, the 6th house denotes the disease, the 8th house indicates fatal disease like Cancer and the 12th house indicates the hospitalization or isolation"
- "Medical Astrology for all" by K.Subramaniam, page 138

"If the sub lord of the 8th or 12th cusp be the significator of 6 or 8 or 12 and connected with 1, the native suffers from serious sickness and chronic disease or the disease which might bring some permanent defect."
- "Further Lights on Nakshatra Chintamani" by Sri C.R. Bhatta page 63

Further more in this study I found that the planets responsible for the illness of this native are connected with Cardinal houses i.e. Aries, Cancer, Libra and Capricorn. First cardinal house Aries, where the 3rd house located is under the rule of Mars, Venus & Moon. The Moon is the lord of next cardinal house Cancer (6th cusp) and connected with Venus. Libra the third cardinal house is ruled by Venus as the owner and 6th sub lord. The last cardinal house Capricorn is the place for 12th, where two cardinal lords Venus and Mars are tenanted. According to these configurations I could see a clue about the disease as a malignant and cancerous.

Again when scanning the chart the depositors of 12th, Venus and Mars, which represent cardinal houses, are the lords of 3 & 4 which denote the breast of the native. Both Venus and Mars are connected with Moon, another cardinal lord and the governor of the breast.

The 3rd is under Mars, Venus, Moon and 4th is under Venus, Moon, and Jupiter. Jupiter is responsible for malignant growth with disease makers Moon and Venus. Also Uranus in Cancer, produces ulcers in breasts and abnormal growth. Finally, on the basis of the following findings, I came to a conclusion that the native was suffering from breast cancer, and informed the situation to the lady on the 13 Dec. 2013.

The KP disease finder 6th cusp sub lord Venus (breast) signifies 6 (disease), 12 (hospitalization), 7 (Maraka), 9 (Badhaka) and 4 (breast);

6th cusp and 6th cusp sub lord are connected with Moon (4th sign Cancer ruler) and Saturn (painful, mostly lethal disease) by their rulers of sign, star and sub;

In addition 12th and Maraka, Badhaka significator Saturn is conjoined with 2nd Maraka lord Jupiter (expansion of growth) in 10 (ineffective medication) in Jupiter sign Sagittarius; 6th lord Moon (breast cancer karaka) is conjoined with serious disease 8th lord Mercury in Jupiter sign Pisces, opposing Rahu (malignant type of growth like cancer) in Maraka 7th, and Venus (breast) is also conjunct with Mars (karaka for breast gland, malignant growth causing serious disease like cancer) in 12th house.

Longevity

1st & 8th Sub Lord Jupiter (10--2,11); Aspected by Moon (1-6); Star Kethu (10-1-2,11--); Sub Rahu (1-7-7--)

1st cuspal sub lord signification of favorable house 1, 11 along with unfavorable house 2,10,6,7 indicated the longevity of middle age. The native was passing her 53rd year of age. According to the death rule of KP, when the longevity is at its end, Maraka and Badhaka significators are come to effect during the last period.

At the time of the analysis, the native was under Venus Maha Dasa (1-Self. 12 - Hospitalization/Moksha/ Renunciation, 6 - Diseases, 4 - End of Life, 9 - Badhaka, 8 (Aspect - Danger to Life) and in the sub period of Rahu (1 - Self, 7 - Maraka). Since period rulers are indicators of life threat, I concluded that the disease would be incurable and life of the native is in danger.

After 4 days of my analysis, by a scanning the doctors had found that she was suffering from a breast cancer, which was spread up to stomach and attacked Esophageal too. According to medical surgeons there had not been any chance even for a surgery to remove damaged areas.

It was too sad to hear her demise on the 15th Jan. 2014. On the day of her death the main period ruler Venus was transiting over the star of Kethu in 2 Maraksthana and in the sub of the natal 8th lord Mercury. Sub ruler Rahu was transiting in 8th house over the star of Moon and sub of Venus, main period ruler. The luminary Sun was transiting over Mercury star and Moon was transiting over Sun's star in 7 Maraka.

In addition to the analysis above, one more point to ponder is that this chart can be considered as a Kala Sarpa Yoga horoscope with all the planets posited between Rahu and Kethu, according to some schools of astrology. Some can say that the reason for such a tragedy faced by the native is due to evil effects of such Kala Sarpa Yoga. But it is worth to note that unless and until one makes an overall assessment of all planets and cusp, he cannot come to such a conclusion only through single yoga. On the other hand, no reference of KSY can be found in any classical text even from very olden days in the history of Astrology. This unproven KSY cannot be considered as a rule of thumb, similar to any other rules and hence in KP, it is not considered at all.

KP is the correct way of diagnosis of any ill-health condition.

My pranam to honourable Guruji Sri KSK.

Name: Female
Question: I love a person named AV, and I believe he feels the same for me. However, he does not keep connection with me any longer, (It's been more than a month now.) for some reasons unknown to me. This person had promised to marry me, but the situation is like. My question is: Will Mr. AV, son of SRV (Father) and SV (Mother), marry me ever?
Number: 21 (out of 249),

Place of judgment: Kankariya-Ahmedabad, Long/Lat: 23° N 00', 72° E 36
Aynamsha: 23.56.43

Hints

- If the cuspal sub lord of the 7th be the significator of house 2, 7 or 11, marriage takes place during the joint period of the significators of house 2, 7 and 11.
- If the sub lord of the 5th cusp (Love) be the significator (in the star of the occupant or owner) of 7 or 11, the native has love marriage.
- If the sub lord of the 5th cusp (Love) be the significator (in the star of the occupant or owner) of 6 or 12 the native will not have love marriage.
- If 5th sub lord signifies 6, then his/her lover breaks relation and if signifies 12 native him/herself breaks relation.
- If 5th cusp sub lord signifies 2 or 11, one falls in love.
- If the sub lord of the 7th cusp (marriage) be the significator (in the star of the occupant or owner) of 5 or 11, marriage is promised with whom he/she likes.

Cuspal Sub Lord for love marriage:
7th Cusp (Libra 28°.26'.40") & 5th Cusp (Leo 15°.10'.54"): The sub lord of the 5th & 7th cusp is Venus. Venus is in the star of own and sub of Moon. Star lord Venus is occupant of 5, owner of 2, 7. Sub lord Moon is occupant of 5, owner of 4. Thus 5th & 7th cusp sub lord Venus signifies 5, 2, 7 and is connected with 5, 4. Hence the marriage is promised. 7th cusp sub lord signifies 5th, and 5th cusp sub lord also signifies 7, hence love marriage with choice of particular boy is sure.

My opinion: Yes, there is sure chance of marriage with Mr. AV.

Outcome: Prediction comes correct as she married Mr. AV in July 2014.

Name & Sex of Querent : Mr. K. Sharma, Male.
Question of Querent : When I will change for a new job? *(Question asked through SMS)*
Horary (Seed) No. : 109 (out of 249).
Date & Time of Judgment : 15-04-2013, 00:37:24 Hrs. (IST).
Place of Judgment : Hind Motor (22N41, 88E20), Hooghly, West Bengal, India.

Change in job or service
For Job or Service, we check for 2 (Money), 6 (Job or Service, Daily Income through hard-ship like Service), 10 (Position, Business & Profession). 12th bhava or cusp indicates Loss of any nature. The cusp 1, 5, 9 are negative cusp for 2, 6, 10. In change of job or service, one will loose of his present status of job or service by leaving it and join a new activity related to job or service based. So, success is always required which is seen from 11 (Gains, Profits, Fulfillment of desire) Hence, in change of job or service, both 2-6-10-11 and 1-5-9 cusp will operate and 6th cusp is the guide.

Hints:
- 6th CSL should signifies 2, 6, 10 or 11 to join new job or profession;
- 6th CSL should signifies 1, 5 or 9 to leave the present job or service;
- (Note: The above rule can be cross-verified with 10th CSL also, if required)

Moon reveals the nature of query.

Moon (Taurus 20-25-12) is in self-star and sub of Ketu. Planet & Starlord Moon is the occupant of 9, owner of 11. Sublord Ketu is the occupant of 8. Joint period (Dasha-Bhukti-Anthra)

Present Dasha Lord: Moon (from DOJ to 22-06-2015)
Moon is a fruitful (common) planet; hence Moon Dasha is taken into consideration.

Present Bhukti Lord: Venus (22-04-2013 to 21-12-2014)
Venus is a fruitful planet; hence Venus Bhukti is taken into consideration.

Now in Dasha-Bhukti of Moon-Venus (from DOJ to 21-12-2014), I prefer to select Moon Anthra (from 01-09-2013 to 21-10-2013) due to the following reasons:

◊ Moon is a fruitful (common) planet;

◊ Moon is strongest among ruling planets as because it is in self-star and deposited in sign-sub of other ruling planets i.e. Venus & Ketu;

◊ Moon is the significator of 11th house and capable to give success towards the fructification of event.

My Opinion: Change in job or service is assured during the DBA of Moon-Venus-Moon (from 01-09-2013 to 21-10-2013).

Actual Fact: Prediction comes true. After getting the joining letter from new organization to join the company within 20th October 2013, the native had given resignation from the present job in the month of July 2013 when Sun was transiting in the Sign-Star of Moon-Saturn (Cancer 07°20'00" to 16°40'00").

Learning astrology is very much like learning a new language. First basic factors should be understood systematically and with consistent practice one will become fluent in the subject of learning. But Astrology is not a simple subject to deal. Most of the KP followers know what is KP System and most importantly Ruling Planets which is the master piece in KP Astrology. The moment we think of Ruling Planets means it is only 5 components and this becomes the primary ruling planets and they are:

Lord of the day
Moon Sing Lord
Moon Star Lord
Lagna Lord
Lagna Star Lord.

Nodes Rahu/Ketu acts as an agent. If any planet in close conjunction becomes a secondary Ruling Planet.

Note : The aspect of another planet on ruling planets is not considered.

Regarding Moon Sub and Lagna Sub as ruling planets:

They are considered as a option only and they come under Secondary Ruling Planets. If we consider these two ruling planets, then there will be several planets appearing as ruling planets and selection of fruitful significators will become a difficult task. So more emphasis has to be given to 5 ruling planets only. Also we have to apply the ruling planets properly while judging and fixing final selection of the ruling planets. So I will not deal elaborately on this subject and our subject matter is how ruling planets play a very important rule in selecting the favourable Dasa, Bhukthi and Antara for the materialization of the life event under consideration. Here I am taking a marriage case to see how ruling planets help in fixing the favourabe Dasa, Bhukthi and Antara for the marriage timing.

Query Regarding Marriage:

Principle: If the 7th cuspal sublord signifies either house 2-7-11, then marriage is promised. Some KP followers has also considered house 5 and 8 but in my opinion 5 and 8 alone will not give marriage without support of either 2 or 7 or 11.

We shall analysis the following chart step by step and come to a conclusion whether marriage is promised or not. If so then we can see which are favourable Dasa/Bhukthi/Antara to be considered for timing of marriage.

Step-I
Analysis of the Chart:

Here we have to consider the principle 7th cusp and most required houses for marriage and we should see how the cuspal sublord of the 7th house plays a very important role.

Suppose if you take any cusp from 1st to 12th, there are three components.

Sign Lord ----- Star Lord ----- Sub Lord

In KP system we know very well that sublord plays a significant role for deciding the matter whether it is a cuspal sublord or planetary sublord.

In the example chart the seventh house starts in Simha Rasi at 12-51-47 and ends in Kanya Rasi at 18-25-57. So 7th cusp has fallen into Sun sign/Ketu star/Mercury sub.

The cuspal sub lord (CSL) of 7th cusp is Mercury, a deciding factor, located in house 12, owner of houses 5,8. No planet is in the star of Mercury, and this Mercury is the CSL of 1-2-4-5-7-8-10. Mercury is in the star of Mars in 12, owner of 3,10, and in the sub of Jupiter in 6, owner of 2, 11 houses. So Mercury is promising marriage at both planet and sub level by signifying 2,7 and 2,11 respectively.

Step-2
Consider the fourfold planetary significators of houses 2-7-11 as follows:-

1. Planet/planets in the star of occupants of the houses.
2. Occupants of the houses.
3. Planets placed in the star of owners of the houses.
4. Owner of the houses

Also consider the planets deposited in the sub of a planet who are significators of 2-7-11.

Significators of houses 2-7-11

Houses	Planets in the star of occupant	Occupant	Planet in the star of owner	Owner
II	–	–	Moon Ketu	Jupiter
VII	Jupiter	Saturn Rahu	–	Sun
XI	–	–	Moon Ketu	Jupiter

Step 2A:
Remaining planets deposited in the sub who happens to be a significator of 2-7-11.

Venus is in the sub of Saturn, who is a significator of 7.
Mercury is in the sub of Jupiter, who signifies 2, 11.
Total significators of 2,7,11 are Sun, Moon, Rahu, Jupiter, Saturn, Mercury, Ketu and Venus.

Step-3
Selection of fruitful significators

Select the common planets between ruling planets at the time of judgment and total significators for 2-7-11 (Marriage).

Ruling Planets at the time of Judgment at 5 pm on 29-11-2014
Lagna sign lord – Venus
Lagna star lord – Sun
Moon sign lord – Saturn
Moon star lord – Rahu
Daylord - Saturn
Mercury is in conjunction with Sun.

Option : Moon sublord is Mercury.
So common significators between total significators and ruling planets are:
Saturn, Rahu, Sun, Mercury and Venus.
These planets are favourable to offer marriage.

Step-4
Selection of fruitful Dasa/Bhukthi/Antara

At the time of judgment the native of the chart is running Mercury Dasa from 22-10-2009 till 22-10-2026, and current Bhukthi is Venus Bhukthi – from 13-03-2013 till 12-01-2016.

At the time of judgment it is Jupiter Antara till 06-1-2015. In Venus Bhukthi remaining Antaras are Saturn, Mercury, and Ketu. Event will not occur during Venus Bhukthi since Sun is stronger than Venus in the RPs.

Next Bhukthi is Sun in Mercury Dasa which runs from 12-01-2016 to 17-11-2016. Sun Bhukthi is selected for the eventbto occur since it is strong in the ruling planets and also in the significators of 2-7-11. Under Sun Bhukthi two possible Antras are Rahu and Saturn.

Sensitive D/B/A

A) Mercury Dasa, Sun Bhukthi, Rahu Antara is from 11-3-2016 to 27-04-2016
B) Mercury Dasa – Sun Bhukthi and Saturn Antara which start from 07-06-2016 till 26-07-2016

Step-5 – Transit

At the end of March. 2016:
Dasa lord Mercury will be transiting in Pisces sign, in Mercury star and Rahu sub;
Bhukthi lord Sun in Pisces sign, in Mercury star and sub;
Antara lord Rahu in Leo sign, in Sun star and sub;
Moon in Sagittarius sign, in Ketu star and Mercury sub.

As the Dasa, Bhukthi and Antara lords and Luminaries Sun, Moon will be transiting in the star or sub of these DBA lords or significators of 2,7,11, and node Rahu is generally stronger than planet Saturn, Rahu Antara from 11-3-2016 to 27-04-2016 is chosen for timing of marriage.

Conclusion:

(1) Native's marriage is promised.
(2) Period of marriage will be during Mercury Dasa/Sun Bhukti/Rahu Antara between 11-3-2016 and 27-04-2016.
(3) There is a delay in marriage due to Punarphoo dosha and Saturn an/ Rahu in 7th house.

Name: Male
Question: I am on leave for 5 years from Government of AP and presently working in a private company. My leave expires on 17.01.2014. Will I go back to Government job or private sector is only best?.
Date of birth. 14/11/1973, Wednesday; Time of birth. 08:24:25 A.M. I.S.T. (Corrected by me)
Place of Birth: Warangal-AP, Lon/Lat: 18° N 00', 79° E 35'. Aynamsha 23.24.07

Hints
If the cuspal sub lord of 6th and 10th houses be the significator (in the star of the occupant or owner) of 1, 5, 9, the querent if in service, will change the present job to another job.

Cusp 6th. (Taurus 00^0.58'.30"): The sub lord of the 6th cusp is Rahu. Rahu is in the star of Ketu and sub of own. Rahu is occupant of 1. Rahu is conjoined with Venus and Venus is occupant of 1, owner of 6, 7, 11. Star lord Ketu is occupant of 7. Ketu is conjoined with Moon and Saturn. Moon is occupant of 7, owner of 9. Saturn is occupant of 7, owner of 3. No planet is in the star of Saturn, and Saturn is the CSL of 3, 9. Thus 6th CSL signifies 9 and is connected with 1. Hence change in job is promised.

Joint period:

On 17.01.2014 you will be running dasa of Mercury from 27-8-2013 to 27-8-2030.

Mercury is in the star and sub of Jupiter. Mercury is occupant of 11, owner of 8, 10. Star and sub lord Jupiter is occupant of 2, owner of 2, 4. Thus dasa lord does not signify 1, 5, 9 at all, so no chance to change job. So in my opinion you will not change job and again joint Govt. job. It is not possible to predict sector of job, at least for me.

Actual outcome: Prediction comes correct.

Very short longevity- a KP analysis

In this article I shall analyze below a chart of very short longevity by KP system. The native was born on 05 March 1975 at 10:43 AM at Guntur.

The native was born in Vrishabha Lagna in a fixed sign. So the 9th house will be Badakasthana and 2, 7th houses will be Markasthanas.

Hence if the Lagna cusp sublord is linked with houses 2,7 and 9, then there will be short longevity. The Lagna cusp sublord is Mercury, where Mercury is lord of 2,3 houses. Mercury is posited in the star and sub of of Mars. Mars is the lord of houses 7 (Marakadhipathi),12 (Moksha, end of life) and is posited in the 9th house (Badakasthana).

From the above it is very clear that the Lagna cusp sublord is a strong significator of houses 2, 7 and 9, denoting a short longevity.

In addition the 3rd and 8th cuspal sublord is Venus. Venus is posited in 11th house and is lord of houses 1, 6, in the star of Mercury, lord of 2, 3 houses. Venus is in thr sub of Ketu where Ketu is agent of Venus (1, 6). Having no planet in its stars, Venus is the cuspal sub lord (CSL) of houses 2,3,8,12. Hence Venus is well connected to houses 2 (Marakasthana), 6 (sickness), 8 (serious disease, danger to life),12 (Moksha).

The native was infected with jaundice at the age of 1 year 6 months and it had continued. The running Dasa- Bhukti- Antra was Mer-Jup-Jup.

The Dasa lord Mercury is the significator of houses 2, 7, 9 and 8, 12.

Bhukti lord Jupiter, which is natural significator of lever, is lord of 8th and 9th posited in 11th house in the star of own. Jupiter's sub lord Rahu is in 7, conjoined with Moon in 7.

Since the 6th CSL is Mercury and posited in the star of Mars in Badakasthana, the native died on 09 Feb 1979 due to disease and complications. The DBA was Mer-Sat-Sat.

As mentioned above the Dasa lord is a strong significator of houses 2, 7, 9.
The Bhukti and Antara lord Saturn is posited in 2nd house and lord of 10, 11th houses. Saturn is posited in Rahu star where Rah is posited in 7th house. Rahu acts as an agent of Mars where Mars is lord of 7, 12 houses, and posited in Badhaka house (9th house). Saturn is in sub of Moon where Moon is posited in Marakasthana 7thhouse. Hence Bhukti and Antara lord Saturn is a strong significator of houses 2, 7, 9, 12.

The table below shows that almost all the planets are well connected to houses 2, 7, 9 (Maraka, Badhaka sthanas) at planet, star and sub levels, denoting a short longevity.

Question-Answer

Question – 1: Death House (8th)
plz discuss about death house(8th).....

Answer – 1:
Double Role of the 8th House in Judgment of Longevity
The 8th house plays the confusing double role as the 'house of longevity' in judgment of longevity or life span and as the 'house of death' by its signification. The houses 1, 3, 8 are examined as the houses of longevity in judging one's longevity. However the significators of the 8th and 3rd houses by the 1st and 8th cusp sub lords or the running DBAS lords or transit are undesirable malefics for one's health and longevity due to chronic diseases, serious accidents, suicide, murders, assassinations etc., as presented below:

1) In the judgment of longevity, the Ascendant sub lord is mainly examined as the Ascendant sub lord shows one's health, vitality, immunity and longevity. Among the significators of the Ascendant sub lord, the houses 1,5,9,10 support the longer longevity and the houses 6,8,12 cut the longevity short. *(KP Reader III, pages 159, 165/ 1971 edition Practical part, pp 12,18; KP Reader VI, pp 155-159); C.R. Bhatt's Nakshatra Chintamani, p 30; Further Lights on Nakshatra Chintamani pp, 24-25; P.V.K. Punneswara Rao's Theory and Practice of Stellar Astrology, p 45)*

2) To the longevity of father, the houses 2 and 3 counted from the 9th house is evil. (*KP Reader VI, p 85*) The marakasthanas and bhadakasthanas and the planets signifying them according to the method taught in "*Krishnamurti Padhdhati Readers*" are the strongest death influences, followed by houses 12 (mokshasthana or libration), 8 and 3. (*K. Ganapathi: Your Doubt Resolved, Astrology & Athrishta, July 1976 issue, p 43*)

3) The 8th house denotes longevity or span of life, 'house of death', suicide, danger, incidents. *(KP Reader VI, pp 118, 155, 258, 308; KP Reader III, p 165/ 1971 edition, Practical part, p 12, KP Reader II, p 20; KP Reader IV, p 249)*

4) The 8th house is known as the house of death in the Western astrology. *(Rulership Book by Rex Bills, p 33;* Encyclopedia of Medical Astrology, by H. L. Cornell, *p 142; A Student's Text-Book of Astrology by Vivian E Robson, 2010, p 16)*

5) The 8th house is called the house of "longevity". Therefore planets in the constellation of evil planets in the 8th house, except Saturn, occupants of the 8th house, planets in the constellation or in the sub of lord of 8, lord of the 8th cusp and planets in any manner connected with them indicate "(a) danger to one's life", (b) the cause of death and (c) the place of death. *(KP Reader III, pp 160-161)*

6) The 4,8,12 houses are called trigonal houses causing fatal incidents (*Astrosecrets & KP Part II, pp 94-97 /4-8-12 and Accidents by Kundanthai Nathan/, and K.M. Subramanian's Sublord Speaks- 3 by p 66*) In the Western astrology the 4,8,12 triangle houses are called terminal houses which concern the end of life and death of physical body. (*Encyclopedia of Medical Astrology, by H. L. Cornell, p 857; Explore the Power Of Astrology by A. P. Parashar, V.K. Parashar, p 52*)

7) Danger to life is indicated during the conjoined period of the lord of the sign, the lord of the star, the lord of the sub and the lord of constellation where the 8th house was deposited. *(KP Reader III, p 169/ 1971 edition Practical part, p 16*)

8) Out of the twins born in the same Lagna and in the same constellation, the child with the Lagna sub governed by lord of 8 or 6 suffers and dies early. (*KP Reader III, p 175/ 1971 edition Practical part, p 22*)

9) The influence of 8th house could be seen in the majority of unnatural death cases. *(Dr. B.V. Raman's How to Judge a Horoscope Vol. Two, pp 71, 153)*

10) The 8th house represents longevity of the native, but "whether it denotes death as well?" is a mute question. (*Lt. Col. Raj Kumar's Longevity, Prologue)*

11) The 8th house of longevity is also called the house of death because the end of longevity is the death after having lived the allotted span of life. (*KP Reader II, p 205*)

12) The 2nd house being 8th from 7th house signifying the 'death' of first spouse (7th house) or the 'end' of 7th house matters (eg. partnership) is referred for the 2nd spouse; 9th house being 8th from 2nd is referred for 3rd spouse and so on. (*Kalidasa's Utara Kalamrita, translated by Dr. D.S. Sastri, 2001, p 107; KP Reader II, p 189; KP Reader IV, pp 83, 181, 184; O.S. Agarwal's Practical Vedic Astrology, 2002, p 89; Sanjay Rath's Crux of Vedic Astrology, p 291 and Vimsottari & Udu Dasas, p 138-144*)

13) The 8th house, 12th to 9th (fortune), could also deprive the fortune, becoming misfortune, calamity.

14) The 8th house significator by the Ascendant sub lord, dasa period lords and transit can be found undesirable for health and longevity in the following solved examples:

- Example chart 1 (*KP Reader III, pp 159-161/ 1971 edtion Practical part, pp 7-8*)
- Example chart 2 *(KP Reader III, pp 164-166/ 1971 edition Practical part, pp 12-14)*
- Air Accident - Example chart *(KP Reader III, pp 170--172/ 1971 edition Practical part, pp 17-19)*
- Escape from an Accident - Example *chart (KP Reader III, pp 173-174/ 1971 edit Practical part, pp 20-21)*
- Longevity Example *(KP Reader VI, pp 156-157)*
- Longevity Example (*C.R. Bhatt's Nakshatra Chintamani, pp 107-108)*
- Disease Example (*C.R. Bhatt's Nakshatra Chintamani, pp 109-111)*
- Disease Example chart 3 (*P.V.K. Punneswara Rao's Theory and Practice of Stellar Astrology, pp 92-93)*
- Longevity Example (*K. Hariharan's How to Judge Longevity?, pp 91-95*)

15) The 8th house significator by the Ascendant sub lord and the lords of DBAS at death can be found cutting the native's life short, along with the death ausing Badhaka, Maraka, Moksha etc. in the charts below:

- Kurt Cobain (Club 27)
- Jimi Hendrix (Club 27)
- Adolf Hitler
- Whitney Houston *(KP-Ezine March 2012 issue)*

Question -2: Vimshottari Dasa: 365 vs 360 days/year
I have a question about the 360-vs-365-day year for the Vimshottari calculation. What do most Hindu astrologers feel? I know that in the West, the 365 day/ year has taken over. First of all I want to ask which has been the traditional year used for Vimshottari?

Answer – 2:
As far as my study goes, the 365 days/year Vimshottari dasa starting from Moon has been used by all well known astrologers, like Dr. B V Raman, Prof. K S Krishnamurti, Prof. P. S. Sastri, J.N. Basin, Bepin Behari, K N Rao, Sajay Rath, V. K. Choudhry, Dr. K.S. Charak, P.V.R. Rayudu.
https://groups.yahoo.com/neo/groups/k_p_system/conversations/messages/37522

The reasons for prefering 365 days/year are as follows:

1) The 360 day year doesn't refer to the length of a Solar year (365.25 days) or Lunar year (360 tithis, about 354.36 solar days) and is called a Savan year or the civil year. Nowadays it is not in use in any part of the world except for sacrificial purposes particularly for the Soma-yajna.
2) In Surya Siddhanta, the Solar month is said to have 30.4382266 days (30. gh 26.17.37) and the Lunar month has 29.5305833 days (29. gh 31.50.6). The difference of 0.907643 days (gh 54.27.31) gets corrected by one intercalary month after every 32 months and 15.246 days. For the pure Lunar year of about 340 days, the panchangs in India are corrected to be in line with the solar year by adding one adhika masa every 3 years or so.
3) By taking a month of 30 days and a year of 360 days, one cannot go by the universally used Gregorian calendar. If the 360 day year rather than the 365 day year is used for the mahadasa calculation, the gap between them would become more divergent with the dasa period, i.e. 6.25 days (365.25-360) after 1 year, 31.5 days (6.25x6) after 5 years, about 6 months after 35 years, a whole year after 70 years, and a native may have to celebrate his 72 birthday even while he has yet to complete his 71st year under Vimshottari dasa of the 365 day year.
4) The simplicity of calculation by dividing the year into months by multiplying by 12 and further converting into days by multiplying of 30 in the calculation of the dasa balance at birth and sub sub (Dasa-Bhukti-Antra-Sookshma) dasa periods (in Brihat Parasara Hora Sastra, *Phala Deepika,* Tables of Bhukti and Anthara etc) cannot be understood as taking a 360 day year - 12 months x 30 days per month. The year is taken as 365.25 days. The actual dates computed by rigorous calculations by taking actual days of the months and by this simple method differ only by a few days; accurate practically for all astrological purposes.
5) By taking a month of 30 days and a year of 360 days, one cannot go by the universally used Gregorian calendar. If the 360 day year rather than the 365 day year is used for the mahadasa calculation, the gap between them would become more divergent with the dasa period, i.e. 6.25 days (365.25-360) after 1 year, 31.5 days (6.25x6) after 5 years, about 6 months after 35 years, a whole year after 70 years, and a native may have to celebrate his 72 birthday even while he has yet to complete his 71st year under Vimshottari dasa of the 365 day/year.

Question -3: Mean or True Rahu/Ketu
Mean motion of nodes mean their daily average retrograde motion. Hence normally we take mean motion of NODES if their speed is not stationary like what is delineated from the chart of Guruji KSK. Sir your opinion for clarity on this point is solicited.

Answer -3:
Mean Rahu/Ketu is used in KP particular and Vedic in general with some exceptions like Cuspal Interlinks and System Analysis.

The main reason is that "True" position is somewhat illusory, since the "True" Rahu/Ketu is true " only twice" a month when the Moon crosses the ecliptic. Other positions provided for the times in between those two points are just a hypothesis.

Dear Readers,

With this February issue we are entering into 9th year of the World's first astrological e-magazine KPEzine. This great journey happens only due to your love, suggestions and support. Many thanks for your support and blessing.

After this long journey of eight years, KPEzine is now widely read by 4000+ subscribed members in 63 countries, showing how popular is this e-magazine. These figures are actually year by year accumulated numbers without any exaggeration to an unbelievable level.

KPEzine has been free of charge to download from www.kpastrolger.com . But we are very strict on approving members by registration at this web site due to our past bad experience. If anyone wants to be a member to download KPEzine current and old issues, the person has to follow our rules in making registration.

KPEzine has been published to properly propagate KP only. So whatever article received cannot be straightly published in this magazine. In order to maintain the standard of magazine and quality of articles, it is unavoidable to review all received articles with respect to consistency between the chart and write-up, validity of applied rules and logical rationale of presentation etc. In doing so, some points of irregularities have been pointed out sometimes to authors and some improvements or corrections have been sincerely made other times, which may make some authors unhappy and send article to another magazine for publication without any review. It is up to the free choice of author whether to be proud of whatever published article or reviewed article with standard.

We don't use any more page for editor's note other than articles to criticize others with special agenda. We don't also waste time in answering such critics. Instead we wordlessly do our job for the sake of KP learning by writing more own articles. Readers know who is who in KP by one's activity.

Thanks to all readers and authors for support and love, which are hopefully to be continued in the next coming years too.

Special thanks to Sri Tin Win ji for supporting me always, Sri K.S. Narayanan ji for doing very good design and composition of KPEzine, but due to his poor health he is not with us at this time, but soon whenever he feels better, would be back with us again, and Sri Dr. Rangarajan Krishnamoorthy who gave me idea to start e-magazine and also for support behind the scenes.

With love,

Kanak Bosmia, Editor

TUESDAY 13 JANUARY 2015
M.I.A.: Sri Lanka has 'same government with different face'

Rapper M.I.A. tells Channel 4 News that though she still wants former Sri Lankan president Mahinda Rajapaksa to face a war crimes trial, the priority is getting the country's Tamils their basic needs.
Maya Arulpragasam, the Sri Lankan Tamil recording artist, spoke to Channel 4 News following the defeat of Rajapaksa, a man accused of presiding over war crimes at the end of Sri Lanka's civil war, in Sri Lanka's election.
Mahinda Rajapaksa was in charge of Sri Lanka at the end of the war against terror group the Tamil Tigers. In the closing weeks of the war in May 2009 the Sri Lankan army is accused of deliberately shelling civilians, and the UN estimates that around 40,000 died.
For their part, the Tamil Tigers were a brutal organisation also accused of war crimes - including the use of child soldiers, human shields and suicide bombings.
The UN is currently investigating alleged war crimes committed at the end of Sri Lankan civil war and in the years following, but it is an inquiry that Rajapaksa had refused to cooperate with.
Rajapaksa has been replaced as Sri Lankan president by Maithripala Sirisena Rajapaksa's one-time ally and also the acting defence minister at the end of the civil war.
'Basic needs'
Sirisena has also refused to cooperate with the international inquiry, and Arulpragasam told Channel 4 News that Sri Lanka's new government has the "same face" as it includes politicians who have been involved in government for the last 30 years.
She said the Tamil community had embraced democracy and peace - the Tamil vote was largely responsible for Sirisena's election - and that now the government had to restore "basic needs" to the community.
She told Channel 4 News that reconciliation can only come if the Sri Lankan government undoes some of the Rajapaksa regime's actions, such as his militarisation of Tamil areas in the country's north.
On the UN inquiry, Arulpragasam said "we still want Rajapaksa to go to the Hague", but that peace in Sri Lanka's post-war period was a priority for Tamils. In the years since the war there have been continued allegations of ongoing abuses such as "enforced disappe arances" of Tamils and government opponents.
Channel 4 News has been banned from Sri lanka since 2009 except for a brief trip there

when the Prime Minister, David Cameron, visited last year for the CHOGM meeting. The PM had made the free entry of the Channel 4 News team a condition of his visit. Repeated requests before and since to visit and be accredited as journalists have been refused, and a request for an interview with the Sri Lankan high commissioner about the new governemt has gone unanswered.

Hint: Criminal Proceedings
If the sub lord of the 10th cusp (status) be the significator (in the star of the occupant or owner) of 7 (court proceedings), 8 (infamy) or 12 (crimes), the native will be involved in court proceedings relating to crimes, will be ill-reputed and will be inflicted with punishment, during the joint period of the significators of 7, 8 and 12.

Cuspal Sub lord (Criminal Proceedings):
10th Cusp (Gemini 26^0.16'.23"): The sub lord of the 10th cusp is Ketu. Ketu is in the star of Mercury and sub of Venus. Ketu is occupant of 6. No planet in the star of Ketu and Ketu is CSL of 4-10. Ketu is aspected by Jupiter. Jupiter is occupant of 11, owner of 4-7. No planet in the star of Jupiter and Jupiter is CSL of 1-5-7-11. Star lord Mercury is occupant of 4, owner 1-10. Sub lord Venus is occupant of 4, owner 2-9. No planet in the star of Venus and Venus is CSL of 6. Thus 10th cusp sub lord Ketu is significator of 1-4-10 and connected with 6-4-10-11-7-1-5-2-9. Hence will be involved in court proceedings relating to crimes, will be ill-reputed and will be inflicted with punishment is sure.

Joint period:
At the time of horary, Mercury dasa continue up to 24-11-2026. Joint period at the time of horary is Mercury-Venus-Jupiter is up to 11-02-2015.

Dasa lord Mercury is in the star of Moon and sub of Venus. Mercury is occupant of 4, owner of 1-10. Star lord Moon is occupant of 2, owner 11. Sub lord Venus is occupant of 4, owner 2-9. No planet in the star of Venus and Venus is CSL of 6. Thus 10th cusp sub lord Mercury is significator of 2-11 and connected with 4-1-10-2-9-6.

My opinion: 10th sub lord indicate court proceedings but dasa lord Mercury does not signifies 7 or 8 or 12 at all, hence he will not face any court proceedings.

Kiram Bedi's Entry into Delhi Politics

By: Tin Win
Email: tw853@yahoo.com

Political power grows out of the barrel of a gun.- Mao Zedong

Political power grows out of the 10th house.- Astrology

Short Background

1. Ahead of 7 February 2015 Delhi Assembly elections, 65-year-old Kiran Bedi, former Indian Police Service top officer, a social activist and close aide of anti-graft crusader Anna Hazare, joined Delhi Politics on 15 January 2015, by formally joining the Bharatiya Janata Party (BJP) dialing a toll-free number established for the party's nationwide membership drive and declaring at a press conference in New Delhi in the presence of party chief Amit Shah.

2. During the press conference Shah downplayed media queries whether she would be the BJP's chief ministerial candidate in Delhi. He said that a decision in this regard would be taken by the BJP parliamentary board. On 19 January 2015 the BJP named new entrant Kiran Bedi as its chief ministerial candidate for the February 7 Delhi assembly elections. She will contest from the Krishna Nagar seat in East Delhi, considered a BJP stronghold.

Birth Chart Details

3. Madam Kiram Bedi, Thursday, 09/Jun/1949, 02:10 PM IST, SID: 06:49:17, Lat: 31:34 N, Lon: 74:56 E, AMRITSAR, PUNJAB, India, KP New Ayanamsa: 23° 3' 40", Star: Anuradha, Pada 1, Lagna: Virgo 17:31:59, Bal. Dasa: Saturn 17 Y, 0 M, 7 D, calculated by KPAstro 4.1.

Cuspal Sub Lord Analysis

4. 10th cuspal sub lord (CSL) Moon is in house 2, owner of houses 11, in the star and sub of Saturn in house 11, owner of houses 5,6, signifying only house 6,11, out of desired house 1 (self effort), 6 (service, gain in competition), 9 (fortune), 10 (political power, reputation, profession), 11 (gain, fulfillment of desire). 10th CSL Moon's star and sub Saturn is aspecting Mercury-Mars-Sun conjunction that is again aspected by Jupiter. Success in service is clearly promised by signification of houses 6,11 but 10th house signification for getting political power is missing.

5. 11th CSL Venus+ is in 9, owner of 2,9, in the star of Rahu in 7, in Pisces representing Jupiter+ in 4, owner of 4,7, being the CSL of 3,6,12 having no planet in its stars, and in sub of Jupiter+ in 4, owner of 4,7, being the CSL of 3,6,12 having no planet in its stars, signifying only 6,9, out of 1,6,9,10,11. Again success in service is clearly indicated by signification of 6,11 but 10th signification for getting political power is missing.

Dasa Analysis

6. On the February 7, 2015 Delhi assembly election day, Sun-Mercury-Saturn-Jupiter joint dasa sequence will be running. The running Dasa lord Sun is in 9, owner of 12, in the star of Mars in 8, owner of 3,8, and in sub of Rahu in 7, in Pisces representing Jupiter+ in 4, owner of 4,7, being the CSL of 3,6,12 having no planet in its stars, signifying favorable 6,9,

along with unfavorable 4,8,12. Success in competition is clearly indicated by signification of 6,9 but 10th signification for getting political power is missing.

7. Dasa lord is the final authority to give the ultimate result, and no Bhukti lord can offer a result if Dasa lord does not permit. So further analysis of lower level dasa period lords is not necessary.

Transit Analysis

8. On the February 7, 2015 Delhi assembly election day at noon, the running Dasa lord Sun will be transiting in the star of Mars and sub of Rahu, as discussed above, success in competition is clearly indicated by signification of 6,9 but 10th signification for getting political power is missing.

Conclusion

9. Since the strong signification of 10th (political power) house for getting political power is missing in the above analysis, any chance is not astrologically seen for her to become the Chief Minister of Delhi, although winning her seat in the 2015 Delhi assembly elections is so assured by choice of constituency that there is no need for astrological analysis.

Good Luck!

NOTE: In India there will be again a state election fever in month of Feb.-2015 at Delhi. I have read from the newspapers that the Delhi state assembly election will be held on Feb- 7th, question come in my mind who will win this Election, so I cast Horary chart with random no. generated by the software itself.

Question: Will B.J.P win Delhi state election to be held on 7th February 2015?
Horary No. : 153/249.
Date: 27/01/2015; Time: 13:08:47
Place: C. T. M Ahmedabad. 23 N 00, 72 E 38; Ayanamsha: 23.58.38.

Rule: If 10th cusp Sub lord Signifies 3, 10, 11 one can win the election in the DBAS of the significators of 3,10,11.

Cuspal sub Lord of B.J.P Party:
Cusp 10th (Leo16:12:47): The cusp sub lord of the 10th cusp is Sun. Sun is in the star of Moon and sub of Rahu. Sun is occupant of 3, owner of 10. No planets in the star of Sun and Sun is CSL of 1,6,10. Star lord Moon is occupant of 6 and owner of 9. Sub lord Rahu is occupant of 11 and agent of Mars and Mars is occupant of 4 and owner of 1, 6. So 10th cusp sub lord indicate 3, 10 and 11. Hence Chance of win is sure.

Cuspal sub Lord of Opposite Party:
Cusp 10th (Aquarius 16:12:47): Cusp lord of 10th is Venus. Venus is in the star of Mars and sub of Moon. Venus is occupant of 9 owner of 1, 6. Star lord Mars is occupant of 10 and owner of 7, 12. Sub lord Moon is occupant of 12 and owner of 3. So 10th cusp sub lord indicates 3, 10 and hence chance of win in Election is Sure.

Joint Period for B.J.P Party: On the day of election (7th February 2015) running dasa is Venus-Venus –Jupiter- Mercury.

The Dasa and bhukti lord Venus is in the Star of Mars and Sub of Moon. The Venus is occupant of 3 owner of 7, 12. Star Lord Mars is occupant of 4 and owner of 1, 6. Sub lord Moon is occupant of 6 and owner of 9. So Dasa and Bhukti lord Venus indicates 3.

Antra lord Jupiter is in the star of Mercury and sub of Rahu. Jupiter is occupant of 9 and owner of 2, 5. No Planets in the star Jupiter & Jupiter is CSL of 8. Star lord Mercury is occupant of 3 and owner of 8, 11. Sub lord Rahu is occupant of 11. Rahu is agent of Mars and Mars is occupant of 4 and owner of 1, 6 Hence Antra lord signifies 11.

Sookshma lord Mercury is in the star of Moon and the sub of Ketu. Mercury is occupant of 3 and the owner of 8, 11. Star lord Moon is occupant of 6 owner of 9. Sub lord Ketu is occupant of 5. Ketu is agent of Jupiter and Jupiter is occupant of 9 and owner of 2, 5. No Planets in the star Jupiter & Jupiter is CSL of 8. Hence Sookshma lord signifies 3, 11.

Joint Period For opoosite Party:
On the day of election (7th February 2015) running Dasa is Venus-Venus Jupiter Mercury.

Dasa and Bhukti lord Venus is in the Star of Mars and Sub of Moon. Venus is occupant of 9 owner of 1, 6. Star lord Mars is occupant of 10 and owner of 7, 12. Sub lord Moon is occupant of 12 and owner of 3. So dasa and bhukti lord indicates 3, 10.

Antra lord Jupiter is in the star of Mercury and sub of Rahu. Jupiter is occupant of 3 and owner of 8, 11. No Planets in the star Jupiter & Jupiter is CSL of 2. Star lord Mercury is occupant of 9 and owner of 2, 5 Sub lord Rahu is occupant of 5. Rahu is agent of Mars and Mars is occupant of 10 and owner of 7,12 Hence antra lord signifies 3,10, 11.

Sookshma lord Mercury is in the star of Moon and the sub of Ketu. Mercury is occupant of 9 and the owner of 2, 5. Star lord Moon is occupant of 12 owner of 3. Sub lord Ketu is occupant of 11. Ketu is agent of Jupiter and Jupiter is occupant of 3 and owner of 8, 11. No Planets in the star Jupiter & Jupiter is CSL of 2. Hence Sookshma lord signifies 3, 11.

Opinion: Cuspal sub Lord of 10th signifies in the B.J.P. is 3, 10, 11 and 3 only for the opponent. So I think B.J.P. will win the election.

Medicine business – Whether profitable or not?

By: Dr. Nirmal Kothari

Background Note: I wish to start a Medicine Shop. It almost all formalities has been completed and soon I will start the same. But astrologically I want to know whether medicine business will be fruitful for me in terms of profitability?

Question: Whether Medicine Shop will be profitable business for me or not?
Horary Number: 167 (out of 249).
Time of Judgment: 27-03-2012, 18:31:06 Hrs. (IST).
Place of Judgment: Park Street (Long/Lat: 22N33, 88E21), Kolkata, West Bengal.

Moon reveals the nature of query

Moon (Taurus 07-11-31) is in the star of Sun and sub of Ketu. Planet Moon is the occupant of 6, owner of 8. Starlord Sun is the occupant of 4, owner of 9. Sublord Ketu is the occupant of 6. Ketu represents Moon as Ketu conjoined to Moon. Moon is the occupant of 6, owner of 8. Moon signifies and/or in connection with the relevant houses, hence query or urge is genuine.

Hints:
If the sublord of the 11 cusp signifies 2 (Money), 6 (Daily income, Income from hardships) or 11 (Success, fulfillment of desire, Profits, Gains) and connected with 7 (Business) or 10 (Business & Profession) without 5 (being 12th from 6th, Profits/Gains of Opponent), 8 (Money blockage, hindrances, difficulties, obstacles) or 12 (Loss or expenses), one will get success in business according his/her desire during the joint period (DBAS) of significators of 2, 6, 10 and 11.

Cuspal analysis
11th Cusp (Libra 10-11-42): The sublord of 11th cusp Jupiter is in star of Venus and sub of Rahu. Planet Jupiter is the occupant of 5, owner of 1 and 4. Starlord Venus is the occupant of 5, owner of 6 and 11. Sublord Rahu is the occupant of 12. Rahu is having stellar (positional) strength I.e. untenanted (there is no planet in stars of Rahu) and CSL of 8-9. Rahu in Scorpio and aspected by Mars and thus represents Mars. Mars, being retrograde, is the occupant of 9, owner of 5 and 12.

- ◊ 11th CSL Jupiter feebly signifies 6-11 without connection of 2, 6 or 11.
- ◊ 11th CSL Jupiter strongly signifies 5 and in connection with 5-8-12.
- ◊ 11th CSL Jupiter is not connected with 7 or 10.

My Opinion: 11th CSL Jupiter strongly signifies and in connection with 5-8-12 and not connected to 7 or 10 and further 7th CSL Mercury is retrograde at the time of judgment. This all indicates that the native will not able to attain profits or gains in medicine business (shop).

Actual Fact: Predictions comes correct. The native started medicine shop as he completed all the formalities in this regards. But soon within a year, the native closed his business (medicine shop) due to losses incurred in it and thus he was unable to attain profits or gains.

TUESDAY 13 JANUARY 2015
M.I.A.: Sri Lanka has 'same government with different face'

Rapper M.I.A. tells Channel 4 News that though she still wants former Sri Lankan president Mahinda Rajapaksa to face a war crimes trial, the priority is getting the country's Tamils their basic needs.
Maya Arulpragasam, the Sri Lankan Tamil recording artist, spoke to Channel 4 News following the defeat of Rajapaksa, a man accused of presiding over war crimes at the end of Sri Lanka's civil war, in Sri Lanka's election.
Mahinda Rajapaksa was in charge of Sri Lanka at the end of the war against terror group the Tamil Tigers. In the closing weeks of the war in May 2009 the Sri Lankan army is accused of deliberately shelling civilians, and the UN estimates that around 40,000 died.
For their part, the Tamil Tigers were a brutal organisation also accused of war crimes - including the use of child soldiers, human shields and suicide bombings.
The UN is currently investigating alleged war crimes committed at the end of Sri Lankan civil war and in the years following, but it is an inquiry that Rajapaksa had refused to cooperate with.
Rajapaksa has been replaced as Sri Lankan president by Maithripala Sirisena - Rajapaksa's one-time ally and also the acting defence minister at the end of the civil war.
'Basic needs'
Sirisena has also refused to cooperate with the international inquiry, and Arulpragasam told Channel 4 News that Sri Lanka's new government has the "same face" as it includes politicians who have been involved in government for the last 30 years.
She said the Tamil community had embraced democracy and peace - the Tamil vote was largely responsible for Sirisena's election - and that now the government had to restore "basic needs" to the community.
She told Channel 4 News that reconciliation can only come if the Sri Lankan government undoes some of the Rajapaksa regime's actions, such as his militarisation of Tamil areas in the country's north.
On the UN inquiry, Arulpragasam said "we still want Rajapaksa to go to the Hague", but that peace in Sri Lanka's post-war period was a priority for Tamils. In the years since the war there have been continued allegations of ongoing abuses such as "enforced disappearances" of Tamils and government opponents.
Channel 4 News has been banned from Sri lanka since 2009 except for a brief trip there when the Prime Minister, David Cameron, visited last year for the CHOGM meeting. The PM

Hint: Criminal Proceedings
If the sub lord of the 10th cusp (status) be the significator (in the star of the occupant or owner) of 7 (court proceedings), 8 (infamy) or 12 (crimes), the native will be involved in court proceedings relating to crimes, will be ill-reputed and will be inflicted with punishment, during the joint period of the significators of 7, 8 and 12.

Cuspal Sub lord (Criminal Proceedings):
10th Cusp (Libra 21°.15'.54"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Mercury and sub of own. Jupiter is occupant of 7, owner of 3-12. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Star lord Mercury is occupant of 1, owner 6-9. Thus 10th cusp sub lord Jupiter is significator of 1-6-9 and connected with 7-3-12-4-10. Hence will be involved in court proceedings relating to crimes, will be ill-reputed and will be inflicted with punishment is sure.

Ruling Planets
At the time of judgment, ruling planets are as under.

	Day lord	Sign lord	Star lord	Sub lord
Day Saturday	Saturn	—	—	—
Asc. Gemini 00°.36'.49”	—	Mercury	Mars	Mercury
Moon. Scorpio 20°.53'.11”	—	Mars	Mercury	Venus

Rahu is aspected by Mars, hence represent Mars. Thus ruling planets are Saturn, Mercury, Mars, Venus and Rahu.

Joint period:
At the time of horary, Mercury dasa continue up to 30-08-2026. Joint period at the time of horary is Mercury-Venus-Saturn is up to 01-05-2015.

Dasa lord Mercury is in the star of Moon and sub of Venus. Mercury is occupant of 1, owner of 6-9. Star lord Moon is occupant of 11, owner 7. Sub lord Venus is occupant of 1, owner 5-10. No planet in the star of Venus and Venus is CSL of 1-3-8-9. Thus dasa lord Mercury is significator of 7-11 and connected with 1-6-9-5-10-3-8. Mercury is in RP

Bhukti lord Venus is in the star of Moon and sub of Sun. Venus is occupant of 1, owner 5-10. No planet in the star of Venus and Venus is CSL of 1-3-8-9. Star lord Moon is occupant of 11, owner 7. Sub lord Sun is occupant of 12, owner 8. Thus bhukti lord Venus is significator of 7-11 and connected with 1-5-10-1-3-8-9-12. Venus is in RP

Antra lord Saturn is in the star of own and sub of Venus. Saturn is occupant of 10, owner 1-2. Sub lord Venus is occupant of 1, owner 5-10. No planet in the star of Venus and Venus is CSL of 1-3-8-9. Thus bhukti lord Venus is significator of 1-2-10 and connected with 1-2-10-5-3-8-9. Saturn is in RP

My opinion: he will face court proceedings sure before 01-05-2015.

The KP Horary Astrology, also called Prashna Sastra, is the very potent tool of the KP system, invented by our great Guruji Sothida Mannan JyothishMarthanad late Sri K. S. Krishnamurti ji. It is a unique system applicable any where of the globe by any individual for any type of question at any time.

As an evidence for the perfectness and incredibility of this goldentechnique of Horary, I would like to draw esteemed readers attention to recent incident of astrological predictions done by two astrologers from two countries in two separate dates and times. As readers are aware, the residential Election of Sri Lanka held on 8th Jan. 2015 was a very hard and keen competition between the former president and a member of his owned government, who left the government and his post as a cabinet minister, and it was unthinkable for the opponent to win, as the former president was credited by most of the country men for ending the 30 years of ethnic war of Tamil Tigers. It is my personal notice that no famous astrologer in Sri Lanka forward to forecast the winning of the opponent. But three astrologers including myself had forecasted the victory of the opponent, where other two come from traditional astrology.

In the meantime Kanak Kumar Bosmia ji, the editor of KPEzine, who has given advance election predictions with successful rate of around 75%, had given his verdict through Horary in this magazine, and it is an eye opener foremost astrologers not only in Sri Lanka but also all over the world. My horary prediction which also revealed the victory of Mr. Maithripala Sirisena was refused to publish in local Sinhalese astrological tabloids as they all were under the threat of the past government. Finally I had decided to issue the same to a Sinhalese Web site only for information of Sri Lankan Sinhalese readers.

What I want to bring the notice of esteemed readers of KPEZine and KP enthusiasts is the unique format of the Horary astrology in getting the same verdict for the same question predicted by two different astrologers at different places and times, as follows:
Question: (same as for both astrologers)

Will Maithripala Sirisena win Sri Lankan Presidential Election 2015?

KP rule applied: (same as for both astrologers) If 10th (one's position in politics) cusp sub lord (CSL) signifies house10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of houses 3, 10, 11, then success is assured. ⟹

Actual out come - Mr. Maithripala Sirisena won the presidential election.

All the basic data of above two calculations are differing from eachother. But the final result or the conclusion is the same. This is the maindifference between KP and other systems of astrology. KP the divine scienceis universally applicable irrespective of the date, time, place, country orconsultant with its concrete rules for ever.

"By the grace of God, I evolved certain methods which are most convincing, very clear and pin pointing to the time of event and explaining, the nature of event to the entire satisfaction of the querist and the Astrologer. It guides properly. So this method is the best and is very useful to the querists, as the prediction comes out correctly; also it brings name and fame to the Astrologers"

The mother of the native approached me in the month of Nov 2011, with an enquiry about the possibilities of second marriage for the native. On seeing Dasha period running at that time and taking the other factors into consideration, I predicted that there is a possibility for the marriage to take place in the last week of Feb 2012. On 9 august 2012 I was informed about the actual facts of the marriage by the native's mother expressing thanks to me.
Name: Miss Anamika. DOB: 6 April 1980; TOB: 08.35.02 PM; POB: Ambattur (TN).

What are the K.P. rules for second marriage:
For second marriage, K.P. rules say:
Second marriage is indicated in the following cases -
1. Rule- Note the 7th cusp sub lord
(A) If it is deposited in dual sign (Gemini, Sagittarius and Pisces) or
(B) In a star of a planet in or owning a dual sign or
(C) If 7th cusp sub lord is Mercury
(D) If the 7th cusp sub lord is also significator of houses 2 or11,
2. Rule- If 2nd cusp sub lord is connected to house 7th, second marriage is promised.
3. Rule- If 9th cusp sub lord signifies 2, 9, 11 houses, second marriage will take place. (as per Sri Kanak Bosmia).

Analysis of the chart:
As per rule no.1—(A) Seventh cusp sub lord is Ketu. Ketu is deposited in 4th cusp Aquarius sign. This sign is not a dual sign.
(B) Ketu is the star of Mars owning Aries and Scorpio, is deposited in Leo. Neither Mars is a dual planet nor are the signs dual signs.
(C) The seventh cusp sub lord Ketu signifies 2 and 7.
Apart from this the 7th cusp sub lord Ketu is conjoined with Mercury. Mercury owns 9 and 12 (Gemini and Virgo) and as such Mercury is the dual planet which owns dual signs which are relevant factors for second marriage.
The first rule is partly satisfied.

As per rule no. 2--- second cusp sub lord is Rahu + which is conjoined with Mars-Jupiter and Saturn. Mars is lord of 7. The second rule is satisfied.

As per rule no. 3--- 9th cusp sub lord is Mercury. Mercury is the owner of 9 and 12 placed in 5th bhava. Mercury is in Jupiter star and Ketu sub. The star lord Jupiter is the owner of 3 and 6 is placed in 10th bhava. The sub lord Ketu is deposited in 4th bhava in conjunction with Mercury. Thus the 9th cusp sub lord signifies 12 (bed comforts), 5 (love and romance) and 2, 3, 4, 5, 6, 7, 9, 10, 11 and 12 at its sub lord Ketu level. Thus the third rule is satisfied.

So we can say second marriage is assured for this native.
Now we have to see when it will get materialized.
The significators of the relevant houses (2, 9 and 11) are –
2nd house- Moon, Ketu, Mars and Rahu +.
9th house- Sun and Mercury

+ These planets do not have any planets in their stars.

11th house- Sat, Ven, Sun and Moon+. (Rahu represents, Mars, Jup and Sat)

The running dasa at the time of judgment is Sun (up to 31 Oct 2012). Sun is in Mercury star and Mars sub. Sun signifies 9 and 11 and so Sun dasa should give marriage before it ends.

The running bhukti is Venus. Venus signifies 11, 7 and 5th.

The running anthara is Venus; I have selected Venus as bhukti lord so the next anthara is Sun, but Sun is also selected as dasa lord thus I select Mars anthara. The Mars anthara lis running from 18 Feb 2012 to 11 Mar 2012. Mars signifies 2 and 7.

Sun transits in Aquarius sign on Rahu star from 19 Feb to 4 March, and Rahu represents Mars.
The sookshma running at the time from 23 Feb 2012 to 26 Feb 2012 is Jupiter. Jupiter signifies 2, 7, 9 and 11.

Basing on all the above factors it was predicted that the marriage would be materialized on 23rd Feb 2012.

The actual fact is that the second marriage of this native took place on 24 Feb 2012.

The supremacy of the K.P sub lord theory of Sri K.S. Krishnamurthy garu gets proved beyond doubt. My head bows with all the reverence at the lotus feet of such a great master who carved out an unforgettable name in the annals of history of astrology. I also express my sincere thanks to Sri Kanak ji for this opportunity.

Strong	-	Kiran Bedi	Kiran Bedi	Kiran Bedi	

The Comparison (Analysis) Table between Kiran Bedi and Opponent has been judged keeping in mind the following Golden Rules of KP Astrology, mainly KP Stellar Theory of Starlord versus Sublord.

- Planet is the source of a result, Constellation is the nature of the result and Sub is the final deciding factor of a result.

- If Starlord is benefic (favorable) and Sublord is also benefic (favorable), then the native enjoys.

- If Starlord is malefic (unfavorable) and Sublord is also malefic (unfavorable), then the native suffers.

- If Starlord is benefic (favorable) and Sublord is malefic (unfavorable), then apparently it may seem that the event is going to take place, but eventually it will hold.

- If Starlord is malefic (unfavorable) and Sublord is benefic (favorable), then after some obstacles or hindrances, the event will take place.

My Opinion: After deep careful consideration of the above mentioned elaborated astrological analysis and further to the positive indication from GULBERGA THEORY (in our case Lagna CSL of Kiran Bedi and RP Moon Starlord are the same planet i.e. Moon) and FORTUNA (for Kiran Bedi Fortuna falls in 9th house) and TSP, it is clear that Kiran Bedi, with the support of NDA (BJP & Alliances) and luck, will be the next CM of Delhi.

Swearing - in Chart of New President of Sri Lanka

By: Sumanadasa Namarathna
(Sunaparantha Kalyan)
Ex-Accountant, Justice of Peace
No.22/1, Udugampola Road, Marapola, Veyangoda,
SRI LANKA
Email: sunaparantha@gmail.com

Mr. Maithripala Sirisena, who had been the Minister of Health in Mahinda Rajapaksa's government, fought with his incumbent President in the Presidential Election of Sri Lanka held on 8th January 2015 and was declared the winner after receiving a shocking 51.28% of all votes caste. Mr. Sirisena was sworn in as Sri Lanka's 6th executive president on 9th Jan 2015.

Chart Details

President Mr. Maithripala Sirisena's Swearing-in Chart, Friday, 09/Jan/2015, 06:22:55 PM, h5:30 east, (starting time 06.21.22 pm and ending at 06.22.55 pm, according to Live Telecast of Sirasa TV channel) SID: 01:27:22, Colombo, Independence Square, Sri Lanka, Lat: 06:54N, Lon: 79:52E, KP New Ayanamsa: 23° 58' 36", 5 years compressed Vimshottari Dasa balance: Ketu 0 Y, 0 M, 3 D, calculated by KPAstro 4.1.

Longevity Analysis

The Lagna of the swearing-in chart is Gemini 28° 47' 10", and the 1st cuspal sub lord (CSL) is Sun, owner of house 3, placed in house 6, and also the CSL of houses 1, 3 having no planets in its stars. The Sun is in the star of Venus, the lord of house 11 located in house 7 (Maraka & Badhaka), and in the sub of Mercury, the lord of 1, 12 & 4. Hence the main longevity indicator 1st CSL Sun signifies inauspicious houses 7 (Maraka & Badhaka), 6 (sickness), 12 (renunciation, misfortune) and 4(end of life/ office term), along with the favorable houses 1 & 11 as a most detrimental indicator for the longevity of the term in office.

For confirmation the supporting longevity indicators of 3rd and 8th CSLs are further analyzed.

The 3rd CSL is Sun, the same as the 1st CSL, as discussed above.

The 8th cusp for longevity is under the co-rulers of Saturn - Mars - Jupiter. The 8th CSL Jupiter+ is lord of 6, 7 & 10 placed in 2 (Maraka), the CSL of 2,8 having no planet in its stars. This Jupiter is in the star of Mercury, a significator for 7, 1, 4, 12, and in the sub of own Jupiter. So 8th CSL Jupiter signifies unfavorable 2 (Maraka),7 (Maraka & Badhaka), 12 (Moksha), 6 (sickness), 8 (danger to life/ term of office), 4 (end of everything), along with favorable 1 only.

According to the above analysis of the 1st, 3rd and 8th CSLs, it doesn't indicate a long and good term of presidency.

Authority

The authority of the President is denoted by the 10th house of swearing - in chart. The sub lord of 10th cusp Saturn is the lord of 8, 9, located in 5, in the star of own Saturn, and in the sub of Ketu in 9, in Pisces sign representing Jupiter lord of 6,7,10, placed in 2, being the CSL of 2,8 having no planet in its stars. So for strong authority, positive houses 2, 6, 10 are indicated with some failure by signification of 5, 8, including government changes.

Dealing with Partners and Public

In the President's swearing-in chart, the 7th house of the chart indicates the matters of alliances of the government or political partners and general public. The sub lord of 7th cusp is Mars lord of 5 and tenanted in the 8(disharmony), in its owned star Mars and in the sub of Venus lord of 11 located in 7, indicating favorable houses 5,7,11, along with problematic 8.

The 11th cusp sub lord Rahu+ is in the 3rd,in the sign of Virgo representing Mercury lord of 12, 1, 4, placed in 7, aspected by Ma (8, 5). It is in the star of Mo (2, 2) and in the Sub of Ve (2, 7, 11). Thus Rahu+ indicates favorable 2, 5, 7, 11, along with unfavorable 8 (disharmony) & 12.

Here 2 and 7 are favorable houes, and they are bad for health and longevity only.

Budget condition

The 2nd house of the swearing-in chart has special relation to the financial condition of the government. In this chart the sub lord of 2nd house is money planet Jupiter+ with its signification of 2, 6 -7 -10& 8 by its CSL-ship, in the star of Mercury (7,1 -4 -12) and in the owned sub, indicating favorable houses 2, 6, 10 for good financial position of the government, along with some waste and troubles by signification of houses 8 & 12.

Dealing with religious affairs

Mr. Maithirpala Sirisena the newly elected President came to the battle of election as a common opposition candidate through an alliance composed with the members of multi national and multi religions. So his liability towards all the religions cannot be considered as a simple matter. He has to win the good will of his owned followers, where the majority of them are Buddhist and minority of other religions like Catholic, Muslim and Hindu.

The ruling house of the religious affairs of the swearing-in chart is 9th house. The sub lord of the 9th cusp is Venus the lord of 11 placed in 7, in the star of Moon lord of 2 located in 2. Venus is in the sub of Rahu+ in the 3rd,in the sign of Virgo representing Mercury lord of 12, 1, 4, placed in 7, aspected by Mars lord of 5 placed 8, indicating a bit mixed results.

At the same time the 9th CSL also indicates not so smooth foreign relations.

Dasa Analysis

Opening 6 years compressed Vimshottari Dasa balance of Kethu for 4 days had already expired. The current running 6 years compressed Vimshottari Dasa from 14 January 2015 up to 14 January 2016 is Venus. Current running Dasa lord Venus is the lord of 11 placed in 7, in the star of Moon lord of 2 located in 2. Venus is in the sub of Rahu+ in the 3rd, in the sign of Virgo representing Mercury lord of 12, 1, 4, placed in 7, aspected by Mars lord of 5 placed in 8, indicating a bit mixed results.

Since Dasa lord Venus signifies all life saving houses of 1, 5, 11, the new President is expected to survive this Venus Dasa with difficulties as a result of signification of unfavorable houses 2 & 7 (Maraka and Badhaka for longevity), 8 (danger to life/ office term, sudden troubles, disappointments), 12 (end of life/ office term), renunciation).

The next Dasa periods from Sun to Rahu up to 01 February 2018 appear to be survived with their significations of both favorable and unfavorable houses that may not so end of presidential term.

But Jupiter Dasa from 01 February 2018 to 20 November 2018 would be critical for survival of presidency because Dasa lord Jupiter signifies all deadly houses 2 (Maraka), 7 (Maraka & Badhaka), 12 (Moksha), 6 (sickness), 8 (danger to life/ term of office), 4 (end

of everything), 10 (retirement from this world/ end of life), along with life saving house 1 only, as already discussed above in the case of 8th CSL Jupiter.

We wish the new President Mr. Maithripala Sirisena Good Luck in his endeavor for a better future of Sri Lanka!

My Pranams to Honorable Guruji Prof. KSK ji.

Note: *Nowadays congress- I is very week in all over India. Only AAP (Aam Aadmi Party) is strong to fight with BJP in Delhi, hence in this horary chart I have considered AAP as an opposition.*

I have predicted 84 advance predictions by my rule below and get 61 correct that means it is 72.62% and not 50-50 in election prediction at all as some KP astrologers has said about this rule. This is first time in history of KP astrology that someone has done 83 advance predictions by using the same rule.

Hint:
If 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Thus 10th cusp sub lord Mercury is the significator of 7-11 and connected with 1-6-9-5-10-4-11. Hence, the wining in election is sure.

Cuspal Sub lord for opponent AAP:

Venus is CSL of 5-10-12. Star lord Moon is occupant of 5 owner of 1. Sub lord Sun is occupant of 7 owner of 2. Thus 10th cusp sub lord Venus is the significator of 1-5 and connected with 4-7-11-5-10-12. Hence, the wining in election is sure.

Antra lord Rahu is in the star of Moon and sub of Ketu. Rahu is occupant of 9. Rahu is aspected by Mars. Mars is occupant of 2 owner of 4-11. No planet in the star of Mars and Mars is CSL of 3. Star lord Moon is occupant of 11, owner of 7. Sub lord Ketu is occupant of 3. Ketu is aspected by Jupiter. Jupiter is occupant of 7, owner of 3-12. Thus antra lord Rahu is the significator of 7-11 and connected with 2-4-11-3-7-12. Hence, the wining in election is sure.

Sookshma lord Jupiter is in the star of Mercury and sub of own. Jupiter is occupant of 7, owner of 3-12. Star lord Mercury is occupant of 1 owner of 6-9. Thus Sookshma dasa lord Jupiter is the significator of 1-6-9 and connected with 3-7-12. Hence, the wining in election is sure.

Joint period for AAP:

On the day of election, (7th February 2015) the running joint period dasa is Mercury-Venus -Rahu-Jupiter

Dasa lord Mercury is in the star of Moon and sub of Venus. Mercury is occupant of 7 owner of 3-12. Star lord Moon is occupant of 5 owner of 1. Sub lord Venus is occupant of 7 owner of 4-11. No planet in the star of Venus and Venus is CSL of 5-10-12. Thus 10th cusp sub lord Mercury is the significator of 1-5 and connected with 3-7-12-4-11-5-10. Hence, the wining in election is sure.

Bhukti lord Venus is in the star of Moon and sub of Sun. Venus is occupant of 7 owner of 4-11. No planet in the star of Venus and Venus is CSL of 5-10-12. Star lord Moon is occupant of 5 owner of 1. Sub lord Sun is occupant of 7 owner of 2. Thus 10th cusp sub lord Venus is the significator of 1-5 and connected with 4-7-11-5-10-12. Hence, the wining in election is sure.

Antra lord Rahu is in the star of Moon and sub of Ketu. Rahu is occupant of 3. Rahu is aspected by Mars. Mars is occupant of 8 owner of 5-10. No planet in the star of Mars and Mars is CSL of 9. Star lord Moon is occupant of 5, owner of 1. Sub lord Ketu is occupant of 9. Ketu is aspected by Jupiter. Jupiter is occupant of 1, owner of 6-9. Thus antra lord Rahu is the significator of 1-5 and connected with 3-8-5-10-9-1-6. Hence, the wining in election is sure.

Sookshma lord Jupiter is in the star of Mercury and sub of own. Jupiter is occupant of 1, owner of 6-9. Star lord Mercury is occupant of 7 owner of 3-12. Thus Sookshma dasa lord Jupiter is the significator of 3-7-12 and connected with 1-6-9. Hence, the wining in election is sure.

My opinion: The cuspal sub lords of 10th for BJP & AAP signify winning houses. Antra lord indicate 3-11 for BJP and 3-10 for AAP, so chance of winning for BJP is possible. Fight will be neck to neck.

Let me try to predict the total seat to be won by the BJP. The total seat in Delhi Vidhan Sabha is 70. I am not much success in predicting seat of party in election but this exercise will help me to improve my work in future. Gaining the seats is wealth for any political party.

Hint:
Level of wealth:
No wealth
If 2nd (money) signifies 5 (12th from 6th daily income), 8 (financial loss, income of opponent) ,12 (loss).

Some Wealth
If 2nd (money/income) signifies 5(12th from 6th daily income), 8(financial Loss, income of opponent), 12(loss) along with 2(Income), 6 (daily income), 11 (gain).

Enormous Wealth
If 2nd (income) signifies 2(income), 6 (daily income), 10 (profession/status), 11 (gain). AND NOT CONNECTED TO 5 (12th from 6th daily income), 8(financial Loss, income to opponent), 12(loss).

*2nd cusp (Aquarius 06*0.01'.59"): The sub lord of the 2nd cusp is Moon. Moon is in the star of Mercury and sub of Venus. Moon is occupant of 11, owner of 7. Star lord Mercury is occupant of 1, owner of 6-9. Sub lord Venus is occupant of 1 owner of 5-10. No planet in the star of Veus and Venus is CSL of 4-6-11. Thus Moon signifies 1-6-9 and is connected with 7-11-1-5-10-4-6.

2nd CSL does not signifies only 5,12,8. So the condition of no wealth is not applicable in this case.
2nd CSL signifies 6-11 and connected with 6. So the condition of some wealth is applicable in this case.
2nd CSL does not signify only 6-2-10 and is not connected with 5-8-12. So enormous wealth condition is not applicable in this case.

The total seat is 70, so I guess that BJP would get 50% of the total seat because we have only positive bhavas. Thus in my opinion BJP will get 35 to 40 seats.

Question-Answer

Question- 1: Difference between Umang Taneja's Nadi Astrology and KP
Sir,what is the difference between nadi astrology thought by mr umanj taneja and kp system? Pl explain sir if possible for the benefit of students.

Answer- 1:
The so-called nadi astrology by Umang Taneja is in fact all about KP astrology.

The main difference is Umang Taneja's nadi astrology does not look at the cuspal sub lord of the respective house for a given event in order to check firstly whether the event is promised or not. It checks whether the Dasa- Bhukti- Antra lords signify the required houses, for marriage 2,7,11, at the planet, its star lord and sub lord levels.

The reason of not taking into consideration of the cuspal sub lord is that it is difficult to handle the cuspal degree of houses in natal horoscope because it is practically very difficult to correct the degree of Ascendant of a native to minutes. In other words, the cuspal sub lords of houses keep changing in every few minutes and they are not reliable as most people do not have accurate birth times.

In KP, firstly the cuspal sub lord of a house should be checked whether the matter of that house is promised or not. Promise is not a guarantee for materialization event. Only if the matter is promised, it will happen during the joint dasa period DBA of the significators of required houses.
https://groups.yahoo.com/neo/groups/k_p_system/conversations/messages/30707

For example of marriage, first we have to check whether the 7th cuspal sub lord (CSL) signifies any of marriage houses 2,7 and 11. If so, marriage is promised; on the other hand if not so, marriage is not promised. If the 7th CSL signifies 2,7 or 11, marriage is promised to take place during the joint dasa period (DBA) of significators of 2,7 and 11. The promise of marriage is not a guarantee to get married, and marriage will take place only during the joint dasa period that signifies 2,7 and 11. If the 7th CSL does not signify 2,7 or 11 or negates marriage, it does not need further analysis of the joint dasa period as the marriage cannot take place even during the joint dasa period signifying 2,7 and 11.

The bottom line is to use the cuspal sub lord of concerned houses in KP analysis. How the birth time is accurate, no body knows since astrology is divine science.

Only if the birth time is doubtful, especially by the consultant himself or herself, the birth time rectification is to be done by the help of "ruling planets", only then mysteriously God will help the astrologer. It should also be verified with major life events..
https://groups.yahoo.com/neo/groups/k_p_system/conversations/messages/28698

Question- 2: To consider planet and its star only or to go up to sub in KP?
Dear Sir! I have a small question. please help me to understand it.. It is clear that 7th cuspal sub lord has to be checked to identify whether marriage is promised or not.
What I do not understand whether it is necessary to check houses signified by sublord of 7th cuspal sub lord (CSL) also or only houses signified by 7CSL and its star lord?

For example, if 7th CSL is Mercury and it signifies 1,3,4 houses. Mercury is in Jupiter star and it signifies 5,6,8 houses. Mercury is in sub of sun and it signifies 2, 7 houses. In planet and star level mercury denies marriage but it is located in a sub of Sun which promises marriage. In such a case can we say that marriage is promised? Having gone through your latest post (number 4) I understood that we have to check houses signified by the sublord of 7 CSL too!
I have seen some KP astrologers checking only up to star level when it comes check whether some event is promised or not. Sir ! Please be kind be kind enough to explain this. Thanks!

Answer- 2:
As KP is the sub lord theory, the sub lord of CSL and DBAS lords are to be considered. Considering planet and its star (2-step) is stellar theory, and planet, it's star and sub (3-step) is KP system. Without considering sub it is not KP.

Question- 3:
Dear Sir, it is said that KP astrology is based on the cuspal chart which is casted according to Raphael's ephemeris. In that book cuspal degrees are given only to cities located up to 60 N latitude. There are many large cities in Russia, Finland , Norway, Canada which are located above 60N latitude. We can't cast charts manually with Raphael's ephemeris for those people born in locations above 60N, but all these softwares do it without any hesitation. I have lot of friends and relatives born at locations above 60N. Can we rely on charts given by those softwares? I would like to seek your advice on this. Thank you.

Answer- 3:
Yes, we can rely on charts given by accurate softwares using the Swiss ephemeris, as explained below:

Raphael's Ephemeris and Table of Houses ruled the astrological world during the period when Guruji KSK was doing research and writing KP. Nowadays the highly accurate Swiss ephemeris dominates the current astrological SWs like KPAstro 3.5, Jagannatha Hora, Astro-Kundli, Jyotishya Deepika, Astracadabra, KPStarOne.

Raphael's Table of Houses for Northern Latitudes
from the Equator to 50 Degrees N.O' Also for Leningrad 59 Degrees N. 56'
W. Foulsham & Co., LTD. 104 pages
Raphael's Astronomical Ephemeris of the Planets' Places for 2010
W. Foulsham & Co., LTD. 49 pages

The drawback of the Raphael's Tables of Houses (first published in 1821) is that only ascendant position is given to the degree and minute and other cuspal positions to the nearest degree only. The current Universal Table of Houses, Michelsen Tables of Houses and AFA Tables of Houses give the cuspal positions up to the degree and minute and Krishman KP Tables of Houses up to the second. The manual calculation by using these Tables of Houses provides the cuspal positions very close to the SW results. In the new era of high precision drive by SWs like Astrodienst/KPAstro 4.1, the Raphael's Table of Houses looks like a historical record only without any more practical publication.

Question- 4:
I would appreciate if you could share what you have read about the invention and the history of KP. I have read a lot of confusing details about this and especially most of them say Guruji copied it from Meena. I have read all details included in KP readers and most of Astrology and Athrishta magazines. Hence no need to bother to share them. But If you know any other details please share them when you have spare time.

Answer- 4:
One can easily see six KP Readers are not a copy from "Nadi Jyotisha or The Stellar System of Astrology", (1st Edition of Part I & II by "Meena" on Jan 1, 1945 by Modi Printing Press; 2nd Edition of 3 Vols by "R. Gopalakrishna Row", on Jan 1, 1951 ; and 3rd Edition in 1954 by Ranjan Publication).

In a swearing-in chart, as per my understanding, we have to consider as under:

The time when the chief minister takes oath means to be a birth of government. Each bhava indicates each portfolio. For example tenth cusp indicates CM, second cusp indicate finance minister, third cusp indicate transport minister etc. This is my pure open idea and maybe I am wrong in this thinking, time will tell us what will be the outcome and how my thinking works. In this article I have used 5 year compressed Vimshotarri dasa using 360 days.
Before I analyze the chart, I want to give some basic information.

Bhava 1:
Longevity of government, identity of state/country, civil violence, corporate position, interior affairs, ministers of government,

Bhava 2:
Assets of the people, business finance, earning capacity, revenue, finance ministry,

Bhava 3:
Business forms, Road/Transport ministry, attitude of public,

technology acceptance, political atmosphere, political election, power minister

Bhava 12:
Fall from power, secret organization, and welfare minister.

Now I will try to analyze the Sri Lankan precedent Maithripala Sirisena's swearing-in chart.

Swearing date: 09-01-2015; Swearing in time: 06.22.30 PM,
Swearing place: Independence Square – Colombo-Sri Lanka,
Long/Lat: 06^0 N, 54'; 79^0 E 52', Aynamsha: 23^0.58'.57"

First we check the longevity of this government.

Hints
Rule 1: If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12 the life is short (about 33 years). If the cuspal sub lord of the Asc. be the significator of the house 1 or 5 or 9 or 10 the life is long (about more than 66 years). If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12 and 1 or 5 or 9 or 10, the life is medium (about 66 years). But if the cuspal sub lord of the Asc. be the significator of the Badhaka and Maraka houses with the above mentioned houses, it is not good for the longevity. If the cuspal joint rulers (the sign lord, star lord and sub lord) of the Asc. or the 8th cusp be the significators of the Badhaka and Maraka houses, their joint period is very critical for life. In the short life case within 33 years, in the medium life case within 66 years and in the long life case above 66 years, also check the 3^{rd} and 8^{th} cusps too.
Badhaka bhava is more danger than Maraka bhava. So when we are checking about the longevity first check the Badhaka bhava and then Maraka bhava.

Rule 2: If the cuspal sub lord of the Asc. be the significator of the Badhaka and Maraka houses, the life is short. If the cuspal joint rulers (the sign lord, star lord and sub lord) of the Asc. or the 8th cusp be the significators of the Badhaka and Maraka houses, their joint period is very critical for life.

1st cusp (Gemini 28^0.41'.22"): The sub lord of the 1^{st} cusp is Venus. Venus is in the star of Moon and sub of Rahu. Venus is occupant of 7, owner of 11. Star lord Moon is occupant of 2, owner of 2. Sub lord Rahu is occupant of 3. No planet is in the star of Rahu and Rau is CSL of 11. Rahu is aspected by Mars. Mars is occupant of 8, owner of 5. Thus 1^{st} cusp sub lord Venus signifies 2(Maraka) and is connected with 7(Badhaka)-11-3-8-5. The indication of medium longevity is found by 2(Maraka), 7(Badhaka) and positive bhavas 3-5-11.

My opinion: Longevity of this Government is Medium, say about 4 years.

Joint Period
At the time of judgment the Maithripala Sirisena's government is running Dasa of Ketu till 14-01-2015. Today is 28-01-2015, so we will check next dasa Venus from 14-01-2015 to 14 -01-2016.

We have discussed about Venus above which indicates more positive bhavas.
Next dasa will be Sun from 14-01-2016 to 02-05-2016.

Ascendant cusp sub lord indicates about 4 years longevity, so we will check dasa during 2019.
At that time dasa running will be Saturn and Mercury.

Dasa Saturn runs from 20-11-2018 to 01-11-2019.
Saturn is in the star of own and sub of Ketu. Saturn is occupant of 5, owner of 8-9. Sub lord Ketu is occupant of 9. Ketu is aspected by Jupiter. Jupiter is occupant of 2(Maraka),

owner of 6-7(Badhaka)-10. Thus Dasa lord Saturn signifies 5-8-9 and is connected with 9-2-6-7-10. Negative bhavas are 2-7, and positive bhavas are 5-9.

Next dasa Mercury runs from 01-11-2019 to 08-01-2020.
Mercury is in the star of Moon and sub of Rahu. Mercury is occupant of 7, owner of 1-4-12. Star lord Moon is occupant of 2, owner of 2. Sub lord Rahu is occupant of 3. No planet is in the star of Rahu and Rau is CSL of 11. Rahu is aspected by Mars. Mars is occupant of 8, owner of 5. Thus Dasa lord Mercury signifies 2(Maraka) and is connected with 7-1-4-12-3-11-8-5. 2-7 are negative bhavas and positive bhavas are 1-5-11.

My opinion: If Maithripala Sirisena's government survives during the period of 20-11-2018 to 01-11-2019, he will complete his term, otherwise during this time end of his government is sure.

2nd house:
Maithripala Sirisena's government's financial improvement.

Hint:

Level of wealth:
1) No wealth
If 2nd (Money), signifies 5(12th from 6th Daily income), 8(Financial Loss, income of opponent) ,12(Loss).

2) Some Wealth
If 2nd (Money/Income), signifies 5(12th from 6th Daily income), 8(Financial Loss, income of opponent) ,12(Loss) along with 2(Income), 6 (Daily income), 11 (Gain).

3) Enormous Wealth
If 2nd (Income), Signifies 2(Income), 6 (Daily income), 10 (Profession/Status), 11 (Gain). AND NOT CONNECTED TO 5 (12th from 6th Daily income), 8(Financial Loss, income to opponent), 12(Loss).

2nd cusp (Cancer 26^0.34'.13"): The sub lord of the 2nd cusp is Jupiter. Jupiter is in the star of Mercury and sub of own. Jupiter is occupant of 2, owner of 6-7-10. No planet is in the stars of Jupiter and Jupiter is CSL of 2-8. Star lord Mercury is occupant of 7, owner of 1-4-12. Thus 2nd cusp sub lord Jupiter signifies 7-1-4-12 and connected with 2-6-7-10-8 .

1) 2nd CSL does not signify only 5,12,8. Thus condition of no wealth is not applied in this case.
2) 2nd CSL signifies only 2, 6 and 8, 12 indicate some wealth.
3) 2nd CSL does not signify only 6 and is connected with 5. So enormous wealth condition is not applied in this case.

My Opinion: As people have a great hope from Maithripala Sirisena, but we have not found the 2nd cusp sub lord indication of good financial condition/improvement, as per this swearing chart, so he will do his best but not get success.

10th house:
Maithripala Sirisena's government's success as a president.

Hint:
If 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal Sub lord:
10th Cusp (Pisces 29°.30'.36"): The sub lord of the 10th cusp is Saturn. Saturn is in the star of own and sub of Ketu. Saturn is occupant of 5, owner of 8-9. Sub lord Ketu is occupant of 9. Ketu is aspected by Jupiter. Jupiter is occupant of 2(Maraka), owner of 6-7 (Badhaka)-10. Thus 10th CSL lord Saturn signifies 5-8-9 and is connected with 9-2-6-7-10. Here positive bhava is 10.

My Opinion: 10th cusp sub lord indicates success as a president for Maithripala Sirisena.

First Time

Based on Arvind Kejriwal's Swearing-in Chart on 28 Dec 2013, 11:59:22 am IST (ending time), Ramlila Ground, New Delhi, where the 1st cuspal sub lord (CSL) indicating short life by signification of positive houses 1,11 and negative houses 2(Maraka),7 (Badhaka),6,8,12, it was predicted astrologically doubtful to survive the 5-yr compressed Vimshottari Rahu Dasa period ending 02 April 2014 (Arvind Kejriwal's Swearing-in Chart, KP-Ezine Jan 2014 issue), and he resigned on 14 February 2014.

+ having no planet in its stars
CSL = cuspal sub lord
House 9 = Badhaka
Sgl = sign lord where Rahu/Ketu is located

Longevity
This is Arvind Kejriwal's swearing-in chart as Delhi Chief Minister, and Consequently Arvind Kejriwal's longevity as Delhi CM is indicated by mainly the 1st cuspal sub lord (CSL) of this chart. The representation of 1st house here is not the same like in other mundane charts in general.

1st CSL Rahu signifies positive houses 1,5 and negative houses 2,7,9 (Badhaka), indicating medium life up to 4 years.

It is supported by 3rd CSL Mars' signification of positive houses 1,5,11 and negative houses 2,7,8,9 (Badhaka),12, and 8th CSL Jupiter's signification of only negative houses 2,7,8,9 (Badhaka).

Critical Period
Rahu Dasa (11-May-2017 to 11-Feb-2018) would be critical for survival by signification of negative houses 2,4,7,9 (Badhaka), along with positive houses 1,5.

Authority
10th CSL Jupiter signifies positive houses 3 and negative houses 4,8, not indicating strong authority in governance.

Finance Position
2nd CSL Rahu signifies positive house 2 (out of relevant 2,6,10,11) and negative house 5 (out of unfavorable 5,8,12), not indicating to be sufficient finance position for full implementation of welfare programs as promised in election campaign.

Communal and Religious Harmony
7th & 9th CSL Rahu signifies positive houses 2,5,7,9 and negative houses 1,4, indicating to have good communal and religious harmony.

Conclusion
This swearing-in chart is interesting to see how Arvind Kejriwal can survive the 5-yearr compressed Rahu Dasa (11-May-2017 to 11-Feb-2018) with a comfortable majority, winning 67 out of 70 assembly seats.

Good luck!

Question of the Querent: Will be I able to go to New Zealand within 2 months or not?
Horary Number: 129 (out of 249).
Time of Judgment: 30-10-2014 (Thursday), 06:49:22 PM (IST).
Place of Judgment: Raipur, Chhattisgarh – 21N14, 81E41
Aynamsha: KP Straight line

Hints: Foreign Travel
12th cuspal sub lord (CSL) is the guide.
Moon is the chief karaka of journey and Rahu is the chief karaka of foreign / foreign stay/foreigners.

If the 12th cuspal sub lord be the significator of house 3 (absence of the present residence, 3rd is 12th from 4th, change of place), 9th (long journey, foreign travels) or 12th (foreign, foreign stay, life in completely unfamiliar atmosphere i.e. in new environment) and/or is in connection with 3, 9 or 12, foreign travel is promised during the joint period of the significators of 3, 9 or 12.

Note: The above said rule can be crossed verified with 9th CSL also as a supportive indication of someone leaving home or running away.

Moon reveals the nature of query.
Moon is in the star of Sun and sub of Mer. Moon is the occupant of 3rd, owner of 10th. Star lord Sun is the occupant of 1st, owner of 11th. Sub load Mercury is the occupant of 12th, owner of 9th & 12th. Thus Moon signifies the relevant 3rd, 9th & 12th houses. Hence query is genuine.

Cuspal analysis
12th Cusp: The sub lord of 12th cusp Venus is in the star of Rahu and sub of Mercury. Venus is the occupant of 1st, owner of 1-8th. No planet is in the star of Venus and Venus is the CSL of 9-12. Star lord Rahu is the occupant of 12th. Rahu is conjoined with Mercury. Mercury is occupant 12th, owner of 9-12th. Sub load Mercury is occupant 12th, owner of 9-12th. Thus 12th CSL Venus signifies and is in connection with 9, 12, hence foreign travel is promised. But connection with 8th house indicates delay.

Cross verification
9th Cusp: The sub lord of 9th cusp Venus is in the star of Rahu and sub of Mercury. As explained above, Venus signifies houses 9th and 12th, hence foreign travel is promised.

2nd house denotes increase in the number of the members of family due to birth of a child. 5th house considered for child birth. It indicates first conception or pregnancy, progeny or child.
8th house signify sexual urge. 10th house indicates achievement of any undertakings. Being 10th from 8th is 5th house which indicates result of sex. Thus 5th house stands for child or child birth.
11th house indicates fulfillment of desire. 11th is 5th from 7th. The 5th for female and 11th for male is important. Thus, in a female chart 5th cuspal sublord is the guide and in a male chart 11th cuspal sublord is the guide for child birth.

Hints:
Consider the houses 2, 5 and 11 for child birth. Cancer, Scorpio and Pieces are the fruitful signs and important for assessment for child birth matters. Jupiter is the natural significator (Karaka) of child birth.
Considerer the houses 1, 4 and 10 for absence of children or for separation from children (being 1th from 2, 5 and 11 respectively). Aries, Gemini, Leo and Virgo are the barren signs. Saturn, Rahu and Ketu are the natural malefic planets for child birth.

In a female chart,

- If the cuspal sublord of 5th signifies 2, 5 or 11 and/or in connection with 2, 5 or 11 & fruitful sign;
- If the cuspal sublord of 5th is posited in 7th house without any connection with 2 or 5 or 11, then no child birth is promised at all;
- If the cuspal sublord of 5th be signifies 1 or 4 or 10 without any connection with 2 or 5 or 11, the no child birth is promised at all.
- If the 5th cuspal sublord as a planet and through its starlord does not signify 2 or 5 or 11, then for child birth, 5th cuspal sublord must be posited in sub of that planet who is the significator of 2 or 5 or 11 and in connection with fruitful sign.

In a male chart,

- If the cuspal sublord of 11th signifies 5, 8 or 11 and/or in connection with 5, 8 or 11 (which is 2nd.5th and 11th from 7th i.e. wife) & fruitful sign;
- If the cuspal sublord of 11th is posited in Lagna (7th from 7th) without any connection with 5 or 8 or 11, the no child birth is promised at all;
- If the cuspal sublord of 11th be signifies 7 or 10 or 4 without any connection with 8 or 5 or 11, the no child birth is promised at all.
  If the 11th cuspal sublord as a planet and through its starlord does not signify 5 or 8 or 11, then for child birth, 11h cuspal sublord must be posited in sub of that planet who is the significator of 5 or 8 or 11 and in connection with fruitful sign.

Moon reveals the nature of query

Moon (Scorpio 05-33-17) is in star of Saturn and sub of Mercury. Planet Moon is the occupant of 10, owner of 7. Star lord Saturn is the occupant of 10, owner of 1. Sublord Mercury is the occupant of 12, owner of 6 and 8.

Moon clearly indicates what the querent carries herself in its mind. Here the significance of 1-10 negates the houses 2-11 which are required for a child birth and the significance of 6-8-12 is not good for a normal delivery. As Moon is connected with 2 by Jupiter's aspect the querent herself possesses a feeble chance towards the birth of a child.

Cuspal analysis

5th Cusp (Taurus 29-35-59): The 5th CSL Saturn is in star of Self (Saturn) and sub of Venus. Planet Saturn is the occupant of 10, owner of 1. Starlord Saturn is the occupant of 10, owner of 1. Sublord Venus is the occupant of 12, owner of 4-5-9.

Thus, 5th CSL Saturn is posited in sub of a planet i.e. Venus that feebly signifies 5. It indicates child birth is promised. But in fact only a feeble chance is indicated due to the following reasons:

- 5th CSL and its starlord – both is Saturn. Saturn is a termed as delayed & restricted planet as well as a natural malefic planet for child birth. Saturn signifies the houses 1-10 and therefore negates the houses 2-11 which is required for a child birth.

- 5th CSL Saturn is in sub of Venus. Venus is in Capricorn – neither fruitful nor barren. Venus signifies the houses 12 which is not good for a safe and normal delivery. Venus is untenanted and the owner of 5th cusp. Venus is aspected by Jupiter (karaka for child birth) who is the lord of 2nd cusp. A feeble chance of child birth is indicated but it should turns to be negative as Jupiter is retrograde in chart. Moreover Venus is aspected by Saturn who signifies the houses 1-10 and therefore negates the houses 2-11 which is required for a child birth.

- 5th CSL Saturn is in sub of Venus. Venus is aspected by Saturn and signifies the houses 12. It indicates there may be complication in case of a child birth. There may a chance of abortion or miscarriage.

The Dasha Lord is Saturn (up to 16-11-2030). As discussed, Saturn is not favorable for a child birth. Bhukti Lord is Mercury (up to 29-07-2017). Mercury signifies the houses 6-8-10 -4 and not favorable for child birth. Moreover due to 6-8 in Mercury Bhukti, no chance is indicated for a normal and safe delivery.

My Opinion: There is a feeble chance of caesarean child birth without a normal delivery but also a chance of abortion or miscarriage.

Actual Fact: Prediction comes true. On 27-01-2014, miscarriage happened.

Question: I have read on one of gambling website of UK that gambler's favorite is no overall majority in UK general election 2015, (I don't like to support this kind of gambling activity, thus not given name of site) is true?
Number. 165 (out of 249).

Hints
If the cuspal sub lord of 3 (in the star of the occupant or owner) happen to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter it is true. And if the lord happen to be planet connected with Saturn in any manner the report false; but connected with Jupiter, the report will be correct. This is the way to find out a rumor is believable or not.

Cusp 3rd. (Aquarius 01^0.30'.34"): The sub lord of the 3rd cusp is Mercury. Mercury is in the star and sub of Moon. Here 3rd sub lord not connected with Mars and Saturn, hence rumor/message is true.

My opinion: Yes, what I have read on one of gambling website of UK that gambler's favorite is no overall majority in UK general election 2015, is true.

Rule - 1:
Note down sub sub lord of Asc sub sub lord. (Horary sub sub lord A is in the sub sub of planet B, in this case B is deciding factor). Now tally Planet B with Moon star lord or sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is YES. If not, check with Asc star lord and sub sub lord, if tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
Sub Sub lord of Ascendant Sub Sub lord is Mercury.
Mercury is ASC star lord.
Rule SATISFIED.

Rule - 2:
Note down F-1, star lord if Asc sub sub lord. (Planet A is in the star of B, Please read detailed article by the same author in Feb-Mar 2007 KP Ezine issue). Now tally planet B with the Moon star lord or sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is in YES. If not, check with Asc star lord and sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is in YES.

Analysis:
Star lord of Ascendant Sub Sub lord is Mercury.
Mercury is ASC star lord.
Rule SATISFIED.

Rule - 3:
Lastly check with F-3, (Planet A—sub sub lord of Asc—is in the sub sub of planet B. Planet B is in the star of Planet C. In this case, Planet C is the deciding factor). Now tally Planet C with Moon star lord or sub sub lord. If tallies (in other words, if C is star lord or sub sub lord of MOON) the answer is YES. If not, tally with Asc star lord and sub sub lord. If tallies (in other words, if C is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
Star lord of Sub Sub lord of Ascendant Sub Sub lord is Moon.
Rule NOT Satisfied.

My opinion:
2 out of 3 rules satisfied. Hence according to TSP, the answer is YES what I have read on one of gambling website of UK that gambler's favorite is no overall majority in UK general election 2015, is true.

Bogyoke Aung San of Myanmar

By: Tin Win
Email: tw853@yahoo.com

Myanmar people affectionately call him "Bogyoke", which means "General" in Myanmar term. They are proud to tell their children that such a selfless, educated, intelligent patriot had lived on the Myanmar soil without having any valuable personal possessions. This is our astrological tribute on the100th birthday anniversary of independence hero, Bogyoke Aung San. .

Longevity
1st CSL Saturn+ is in house 5, lord of houses 1,2 (Maraka), being the CSL of houses 1,2,3,8 (danger to life, accident), 9 having no planet in its stars. Saturn+ is in the star of Mars in house 1, lord of houses 4,11 (Badhaka), and in sub of Venus in house 11 (Badhaka), lord of houses 5,10.
3rd CSL is also Saturn+ as discussed above.
8th CSL is also Saturn+ as discussed above.
On the analysis of 1st, 3rd and 8th CSL, short life to 33 years is indicated by signification of Maraka, Badhaka and unnatural death by house 8 and planet Mars.

Connection of eighth house and eighth lord with Mars and Rahu, here eighth house aspected by Mars and eighth lord Sun conjoined by Rahu, is the planetary combination mostly found in the charts of unnatural death.

Another experience is that Ascendant, Moon and Sun are adversely effected by unfavorable planets, here Ascendant and Maraka 7th lord Moon in conjunction with Badhaka 11th lord Mars, Sun in conjunction with Rahu (significator of 2,6,7,8) and Badhaka 11th lord Mars

aspecting 8th house, also indicate short life. Such Ascendant-Mars conjunction indicates bloodshed at a time when transiting Mars has adverse effect on Ascendant or eighth house of death.

Rebellion Trait

Bogyoke Aung San was interested in astrology as hobby since his 9th CSL Saturn signifies houses 8 (mystery), 9 (astrology) and 12 (mystery), and eighth lord Sun, ninth lord Mercury and twelfth lord Jupiter are conjoined. In his self written autobiography, he wrote that he was born in early morning of 13th February 1935, Saturday. And as per famous astrologer Cheiro's prediction the 13th February born were those who can destroy the throne of a country. At that time no body didn't seriously consider that he was born on that day as a future small rebel. He also portrayed his career as number13 owner according to numerology.

Humility is a Saturn trait, which would include 1st CSL Saturn and Capricorn rising, where a close Moon (mind)-Mars (energy, bravery, rebellion)-Uranus (rebellion, libration @ 19° 43' 2" in Capricorn) conjunction in mutual aspect with Neptune (energy @ 5° 50' 9" in Cancer) makes him a very brave, rebellion but short tempered personality with a simple life, forging personal possessions by Saturn's aspect on second house.

Rahu-Sun conjunction especially in the unpredictable rebellious Aquarius always favors some sort of rebellion. This conjunction gives him a lot of courage in life to move forward.. Ketu, in opposition of Rahu-Sun conjunction, is in the Magha star which is regarded as the king of rebellion.

Sun in the Ascendant adds nobleness to the figure and a sense of self-esteem to the personality, and also denotes an ethical and upright disposition.

Higher Education

9th CSL Saturn+ is in 5, lord of 1,2, being the CSL of 1,2,3,8,9 having no planet in its stars. Saturn+ is in the star of Mars is in 1, lord of 4,11, and in sub of Venus in 11, lord of 5,10, signifying relevant houses 4,9,11 to have higher education and higher mind.

Effective Speaker, Skilful Writer and Successful Negotiator

The following planetary positions provide him the great ability to be an effective speaker, good writer and successful negotiator:

- The 2nd (speech) and 3rd (writing, negotiation) CSL Saturn (deep thinking and analysis signifies relevant houses 2,3,5 (intelligence), 9 (negotiation, higher mind), 10 (vocation, name, fame),11 (success);
- Exhange of the second lord Saturn with ninth lord Mercury (negotiation, intellect, writing skills);

Jupiter of expansion and creativity inflames the above quality by conjunction with Mercury and aspecting Saturn.

That is why most of his admirers were swayed as much by eloquence and straightforwardness of his speech as they were by the content of his talks.

Bogyoke Aung San had to go through rigorous negotiations with the British who still wanted to control Burma. He emerged as a strong leader and an able statesman who had the confidence as well as the love of the people. During the prolonged negotiation process, he asked the people to be patient with him. He said:

"At this time I am a person who is very popular with the public. But I am not a god, wizard or magician. Only a man.... I am very young. The responsibility I now bear is that of standing at the very head to carry the burdens of the whole country. I do not consider that I have all the qualifications necessary to bear that burden. Also many people know that I am short

tempered. That is my nature.... I shall try to correct that as much as possible. But you must also be patient.... I would like to ask the people once more to stand firm and resolute."

Leadership Ability, Political Power, and Fame
The leadership abilities, political power and fame are to be judged primarily by the 1st and 10th houses.

1st CSL lord Saturn, as discussed above signifies 1 (self effort), 3 (ability, courage), 5 (intelligence), 10 (authority, honor, fame), 11 (success).

10th CSL Venus in 11, lord of 5,10, in the star and sub of own, signifying relevant houses 5 (intelligence), 10 (authority, honor, fame), 11 (success). The strong signification of 10 (authority, fame) gives him the great name, fame and honor.

The 10th lord Venus and Ascendant lord Saturn in mutual aspect and Jupiter aspecting the 10th house and Ascendant lord Saturn indicate fame, achievement in any undertaking and public support. It is confirmed by the 10th lord Venus deposited in 3rd from the 10th house. But the 10th lord Venus deposited closely to 12th cusp shows that he may not enjoy the fruits of his achievements in his life period. In other words, Myanmar regained independence after his death.

Moon and Mars combination generally indicates bravery, good luck and fame. Here Mars for bravery, energy, enthusiasm and the fourth lord - mind, the eleventh lord - success) in close conjunction with Moon (mind, the seventh lord - public) in Ascendant indicate his enthusiasm, magnanimity and success in dealing with people.

Marriage
7th CSL Jupiter+ is in 1, lord of 3,12, being the CSL of 7 having no planet in its stars. Since the 7th CSL Jupiter signifies house 5 and 5th CSL Mars also signifies house 7, it was love marriage.

On 6th September 1942 (Rahu Dasa- Sun Bhukti- Mars Antra- Mercury Sookshma), Bogyoke married with nurse Daw Khin Kyi. Dasa lord Rah signifies relevant houses 2,7,11; Bhukti lord Sun 11; Antra lord Mars 7,11; and Sookshma lord Mercury 2,7,11.

For male, 11th and 5th CSL Mars is in 1, lord of 4,11, in the star of Moon in 12, lord of 7, and sub of Mercury+ in 1, lord of 6,9, signifying relevant house 11 and, houses 5 and 11 to get children are deemed connected by being in the same CSL. Here house 11 is house 5 counting from wife of house 7.

On 19th June 1945 (Ra-Ma-Me-Me), his daughter Aung San Suu Kyi was born. Dasa lord Rahu signifies relevant houses 2,5,8,9.11; Antra Mars 9,11; and Antra and Sookshma lord Mercury 2,5,8,911. Here house 8 is house 2 by counting from wife of house 7; House 9 is for third child.

12th CSL Rahu is in 1, conjoined with Mercury+ in 1, lord of 6,9, Jupiter+ in 1, lord of 3,12, sign lord Saturn+ in 5, lord of 1,2, being the CSL of 1,2,3,8,9 having no planet in its stars; Rahu is in the star of Mars in 1, lord of 4,11, and in sub of Venus in 11, lord of 5,10, signifying relevant houses 3,9 for foreign going.
In going to Japan in 1940-1941, Dasa lord Rahu signifies relevant houses 3,9; Bhukti lord

Venus 3,9 by Saturn in mutual aspect by taking weak grade E significator as a last resort; Antra Mars 9,12; Antra Jupiter 3,9,12.

Jupiter+ is in the star of Rahu in 1, conjoined Sun+ in 1, lord of 8, Mercury+ in 1, lord of 6,9, Jupiter+ in 1, lord of 3,12, sign lord Saturn+ in 5, lord of 1,2, being the CSL of 1,2,3,8,9 having no planet in its stars, and in sub of own, signifying death inflicting Maraka houses 2,7, and fatal incidental houses 6,8,12. Antra lord Rahu
signifies Badhaka house 11, Maraka houses 2,7, fatal incidental houses 4,6,8 and 10 for retirement from this world.

At the time of death at 10:30 am, DBS lord Jupiter was transiting in the star of own Jupiter (significator of 7,12) and in sub Mercury (6). Antra lord Rahu was transiting in the star of Sun (8) and sub of Mercury (6). Luminary Sun was transiting in the star of DBS lord Jupiter and sub of Antra lord Rahu. Luminary Moon was transiting in the star and sub of Mercury (6). In addition transit Jupiter @ 24° 40' 24" in Libra was aspecting natal Jupiter in Aquarius. 19:35:52 Transit Mars @ 19° 35' 52" in Taurus was closely aspecting natal 8th cusp in Leo. Transit Uranus @ 0° 54' 30" was closely passing Ascendant lord Saturn in Gemini. Transit generally agrees with dasa.

The 8th CSL Saturn+ is in 5, lord of 1,2, being the CSL of 1,2,3,8,9 having no planet in its stars. Saturn+ is in the star of Mars in 1, lord of 4,11, and in sub of Venus in 11, lord of 5,10, signifying the relevant houses 1,10 for his name and fame to be remained forever even though he left this world.

Bogyoke Aung San is widely admired and fondly remembered in Myanmar, because of his honesty and straightforwardness and his campaign for independence.
His legacy will live forever among the Myanmar people!

Short Background
A report by Tim Surette (TV Guide), appeared at the website below:
https://tv.yahoo.com/news/report-bobbi-kristina-browns-doctors-theres-little-save-011526967.html

On 05th Feb. 2015:
"The prognosis does not look good for Bobbi Kristina Brown. The daughter of Bobby Brown and the late Whitney Houston was found unconscious and face down in a bathtub on Saturday, and doctors have allegedly told family members that there's little they can do to save her life.

Fox News *reports: Bobby Brown requests privacy while his daughter is in the hospital*
"It's now a matter of when the family wants to let go and accept that she's pretty much not going to make it," a source told Fox News. "[Doctors] have left it up to the family as to how long they want to keep her alive."

Bobby Kristina Brown comes from a noted American family, who is the daughter of Bobby Brown and Whitney Elizabeth Houston (August 9, 1963 – February 11, 2012) an American singer, actress, producer, and model. In 2009, Guinness World Records cited her as the most awarded female actress of all time. She was found unconscious and face down in a bathtub on Saturday the 31st Jan. 2015 and doctors have allegedly told family members that there's little they can do to save her life. This tragedy is same as her mother's end, who died by falling and submerged in a bathtub at the Beverly Hilton Hotel on 11 Feb. 2012.
The issue is of course about a struggle for life and death. With the blessing for the survival of this girl, I had tried to see her longevity and survival through horary and natal analysis as described below.

2. If the cuspal sub lord of the Ascendant be the significator (in the star of the occupant or owner) of the house 6, 8 or 12 and 1, 5, 11 (if not Badhaka), life is medium (about 66 years).
3. If the cuspal sub lord of the Ascendant be the significator (in the star of the occupant or owner) of the house 1, 5, 11 (if not Badhaka), life is long (up to 100 years)

4. If the cuspal sub lord of the Ascendant or the 8th house be the significator (in the star of the occupant or owner) of the Badhaka, Maraka and 8th houses their joint dasa period is very critical for life.

Cuspal Analysis:
Horary Ascendant is Cancer 12° 53' 20", and the Ascendant cusp sub lord is Rahu tenanted in the 3rd house, in Virgo owned by Mercury the lord of 3, 12 deposited in 6th, close to 7th cusp. Rahu is aspected by Mars+ (planet of sudden death), no planet in its stars, the lord of 5 and 10 deposited in 8 (Unnatural death/Accident). Rahu is in the star of Moon the lord of 1 (Ascendant), deposited in 1, very close to 2. The sub lord of Rahu is Mercury the lord of 3, 12 (Hospitalization/Renunciation/Moksha/Terminal), deposited in 7.

3rd CSL
The 3rd cuspal sub lord is also Rahu as discussed above.

8th CSL
Saturn the lord of 7 (Maraka), 8 (Danger to Life/Unnatural death/Accident) and located in 4 (End of Life), is in its own star and in the sub of Venus, no planet in its stars, the lord of 4, 11 (Badhakasthana) deposited in 8, being the CSL of 4,6,10.

Dasa Analysis
At the time of this judgment and also at the time of the accident of Bobbi the main Dasa lord is Ketu deposited in 9th, in Pisces representing Jupiter lord of 6, 9 located in 1, in the star of Mercury lord of 3, 12 located in 7, and sub of own.

Bhukti lord is Saturn (4-7-8) in sub Venus (8-4-11). Anthara lord is Ketu, as discussed above, and the Sookshma lord on the day of her accident 31.01.2015 is Saturn as discussed above and as on today Sookshma lord is Mercury (7-2-3-12) in sub Venus (8-4-11).

KP Death Rule
KP literature and most practical examples denote that the death comes primarily during the conjoined dasa period - DBAS of significators of Badhaka (11 or 9 or 7), Maraka (2,7), Moksha (12) (and in some cases, 8 = accident, 4 = end of everything including life, 10 = retirement from this world or life; 4,8,12 terminal, trigonal houses of serious accidents or unnatural death; also 6 = injury in accident).

Conclusion of Horary Analysis
The planets concerned for the longevity as well as DBAS lords of the horary chart do not show her survival.

Now let us see what her natal chart indicates for her longevity.

RPs - Mercury, Sun, Ketu, Jupiter

Longevity Analysis:
Ascendant sub lord is Moon lord of 3 (Away from Home) in 2 (Maraka), in the star of Jupiter lord of 7 (Maraka/Badhaka) and 8(Accident/Unnatural death/Danger to Life), and in sub Venus lord of 6 located in 11.

The 3rd CSL is Mercury lord of Lagna, 2(Maraka) and 5(Life saving), in the star of Jupiter lord of 7(Maraka/Badhaka), 8 (Accident/Unnatural death/Danger to Life), 11 (Life Saving) deposited in 5, and in sub Sun lord of 4 located in 10, being the CSL of 12 having no planet in its stars.

The 8th CSL is Ketu in 12th (Hospitalization/ Renunciation/ Moksha/ Terminal), aspected by Jupiter the lord of 7, 8, 11 deposited in 5, in the star and sub of Mars the lord of 12 deposited in Lagna.

The cusp sub lord of 11th, the house of safety, Jupiter, in the star of Moon, signifies 2, 7 (Maraka & Badhaka), 8 (Accident/Unnatural death/Danger to Life), 3 (Longevity) along with life saving houses 5 & 11. Also 11th house is occupied by Venus the lord of 6 (Injury) with no planets in its stars. Mars in Lagna or the head of the native in the star of Rahu in 6, a house of Mars clearly indicates the fatal injuries to head.

Dasa Analysis
As of today (05.02.2015) she is under the DBAS of Saturn, Rahu, Moon and Jupiter. On the day of her accident Sookshma lord was Rahu.

Main Dasa lord Saturn is lord of 9, 10 displaced in 9, in the star of Mars lord of 12 in 1, and in own sub.

Bhukti lord Rahu is placed in 6, in Scorpio representing Mars lord of 12 in 1. Rahu is in star Mercury lord of 1, 2, 5 deposited in 10, and in sub Mars lord of 12 located in 1.

Anthara lord Moon is a significator for 5, 11 (life saving) but adversely effected by star Jupiter lord of 7 & 8.

Sookshma lord for today is Jupiter as discussed above, and the Sookshma lord on the day of her accident is Rahu detrimentally signifying injury to head.

Connections of DBAS with RPs
Saturn - RP Sign Lord Mercury in the sign of Saturn
Rahu - Rahu is in the star of RP Mercury
Moon - Moon is in the sign of RP Mercury.
Jupiter - RP Sign Lord Mercury in the Star of Jupiter
RP Lagna Star and Moon Sign Lord Sun is in the star and sub of Jupiter.

Conclusion of Natal Analysis
As per the hints given in no. 1 above, Ascendant sub lord Moon, though its connections with 5 & 11, doesn't indicate a long life to the native.

Anyway I pray for her survival.

My deepest Namaskar to Guruji Sri KSK ji, for his inventing these solid rules, with no murmuring of various verses (slokas), to identify the final result of a question.

Marriage Denial in KP System

Whenever any individual referring to the natal chart asks about his or her marriage, we will be checking the 7th cusp sub lord and its connection with 2, 7 and 11th houses.
2nd house speaks about one's family, 7th house denotes marriage bonding and 11th house indicates permanent friendship between the couple. And in this regard K.P. rule says that if the 7th cusp sub lord is the significator of houses of 2 or 7 or 11, we say that the marriage is promised for the said individual.
Sometimes one may be denied of marriage in spite of the one's willingness. In such cases we may have to check the connections to the negative houses of the event marriage that is 1, 6 and 10. And the K.P. rule for denial of marriage says that-

(1) If a planet is the significator of the 7th house and happens to be the strong and sole significator of 6th house, it will not give marriage. Even if marriage takes place in such conditions, the couple will not stay together.
(2)if the 7th cusp sub lord is not at all connected with 2,7 or 11 houses either directly or through the stars of the significator and is connected with 1 or 6 or 10 houses- then the marriage may not take place at all and it is considered as marriage denial.
With these above rules of K.P on marriage denial, I would like to discuss the chart of an individual who is denied of marriage in spite of the native's interest.

Name – Miss Denial. DOB- 15 NOV 1969. TOB-9.46.40 P.M.
POB-SALUR. (A.P).

Analysis of the chart:
7th cusp sub lord is Saturn+. No planet is deposited in Saturn's stars and so Saturn signifies 7th house.
Saturn is the lord of 7-8 and 9 placed in 10. It is in the star of Ketu and sub of Saturn.
The star lord Ketu is placed in house 2. Ketu represents Sun and Mars. Sun is the lord of 3 placed in 4, and Mars is the lord of 5 and 10 placed in 7. So the 7th cusp sub lord Saturn signifies 2, 7, 8, 9 and 10 at both levels.

Hence as per K.P. rule the 7th cusp sub lord Saturn+ signifies 2-7 the relevant houses for marriage and we will be tempted to conclude that the native will be promised of the marriage.
But the actual fact is that the native remained unmarried till date and also took to the path of spirituality.
Then a doubt will arise in our mind as to why it is so and what are the factors that lead to negation of the fructification of the event marriage.
The best and suitable answer for this could be found in the careful study of the K.P. system and its rules.
Basically K.P. system is the K.P. Sub lord theory.
In the words of Sri K.S.K. —".....therefore constellation lord shows whom or which matter it refers. But the deciding factor – good or bad and success or failure is shown by the SUB-LORD occupied by the significator".(see K.P Reader III of 1971 edition- page 144 and page 81 of K.P Reader VI) (see K.P ezine Sept 2014 issue).

References for consideration of the SUB—"when the majority of the planets are connected with the houses 2, 7 & 11- select the useful significator who agree with the ruling planets at the time of judgment. If a planet is in such a position that its sub lord is connected with the houses 2, 7 & 11, then the planet is useful. But if the SUBLORD is the lord of the negative houses 1, 6 & 10 and is the significator of 12 houses, then the marriage can not take place." (K.P Reader IV page 118).
"Hence the planet is the SOURCE, constellation indicates the nature of the result and SUB LORD is the deciding factor whether the matter is favorable or not."- This is the ultimate rule of the K.P SUB LORD theory.

Further it is said by Sri TIN WIN in his article on "DOUBLE ROLE OF THE SUB AS THE DECIDER AS WELL AS INDICATOR" in our K.P E zine (Sep 2014 – page 10)-"as mentioned in the above points 8, 9, the star lord significator of 2, 7, or 11 does not mean favorable outcome of the marriage matter depending on the positive or negative significator of the SUB." As a conclusive proof He said " it is to consider the significator of a planet, whether a cusp sub lord or a D/B/A/S lord at a three step of a planet, its star and sub cautiously keeping in mind that the sub lord plays the double role of a decider in choosing fruit full significator as well as event indicator, which can make the event happen without the signification of the required houses by the planet and star lord."

Keeping in mind of the above rules, now let me look afresh at the significator of the 7th cusp sub lord Saturn in the given chart.
The sub lord of the 7th cusp who is also Saturn+ strongly signifies 1 and 10 – negative houses for 2 and 11 and also signifies 12 another negative house by its 3rd aspect. From this negative signification of the sub lord, it has become clear as to why the event did not materialize. Apart from this, Saturn+ is also the sub lord of the 2nd, 11th and 1st cusps (other relevant houses for marriage) and added their support to the negation of the individual's marriage.

When we look at the Dasa analysis the Dasa lords also did not cooperate.
Dasa lord Rahu extends from Aug 1981 to Aug 1999(prime period for marriage). Rahu a separative planet is placed in 8th house. Rahu is in Saturn sign, Jupiter star and Mercury sub. The STL Jupiter signifies 6 and 4 and the SBL Mercury signifies 12 and 4. As such the Dasa lord Rahu at all levels did not cooperate to give the event and denied the marriage to the native.

The next Dasa lord Jupiter extending from Aug1999 to Aug 2015 also will not cooperate. Jupiter is in the sign of Venus, Star of Mars and Sub of Mercury. STL Mars is the lord of 5 and 10 in 7th and SBL Mercury is the lord of 12 in 4th. Hence the Dasa lord Jupiter even though at its star level (Mars) signifies 7 and 5, as its sub lord Mercury+ (decider of the event) signifies 4 and 12 and thus negates the marriage. Apart from this, the final Bukthi lord of Rahu in Jupiter Dasa which extends from March 2013 to August 2015 also strongly signifies negative houses only and thus it will not cooperate.

How nice is the sub lord theory of K.P system which helps to unearth the secrets of the astrological chart, when an important issue like marriage poses a problem of dilemma for an astrologer in answering it to an individual who comes with a fond hope. My head bows with all the regard at the feet of an astrology king Sri K. S. Krishnamurthy who propounded such a wonderful theory of K.P sub lord. My thanks to Sri Kanak ji for his unstinted support by publishing my articles in our esteemed magazine K.P E zine.

Question: When I will be discharged from hospital?
Name of Querent: Sh. Dharam Chand
Date of Birth: 7 June 1954; Time of Birth: 07:55 PM
Place of Birth: Jaipur (Chand pole Gate), Rajasthan.

Rule
4th cusp should signify 2, 4 and 11 and DBA of 2, 4 and11 for discharge from hospital.

Analysis of 4th cusp:
The sub lord of 4th cusp Jupiter is in star of Rahu and sub of own. Planet Jupiter is occupant of 7 and owner of 1 and 4. Starlord Rahu is occupant of 1, conjoined with Mars. Thus Rahu represents Mars. Mars is occupant of 1 and owner of 5-12. So 4th cusp sub lord is connected with 1,4,5,7 that means connection to 4 shows that he will be discharged from hospital and returned to home.

Significators of 2, 4 and 11 houses:

House	Planet in the star of occupant	Occupant Planet	Planet star in the owner	Owner
2	–	–	–	Saturn
4	–	–	Venus, Ketu	Jupiter
11	–	–	Moon, Mars, Rahu	Venus

So significators of 2, 4 and 11 are Saturn, Venus, Ketu, Jupiter, Moon, Rahu and Mars.

Conclusion: -
Running DBA is related to common significator planets Jupiter and Venus. That shows that he will be discharged before 06-02-2015, as indicated in Sookshma period. To find exact date Moon transit is checked.
Moon transit will be going through in star, sub and sub sub of Ruling Planets, common significator planet and Sookshma lord.

Transit of Moon:
25.1.2015 Moon transit through Saturn star.
26.1.2015 Moon transit through Mercury star.
27.1.2015 Moon transit through Ketu star and from 11.00.32 AM Moon enter in Venus star.

Prediction: He will be discharged from hospital on 27-1.2015 after 11AM.

Outcome: I came to know that he got discharged on 27.1.15 at 12.40 pm and went home.

Hints:
Consider houses 4, 6, 9 and 11 for having success in higher education of ICAI (The Institute of Chartered Accountants of India).

If the joint period- DBA rulers (at the time period when result of IPCC Final Exam will be possibly declared or announced) be the significator (in the star of occupant or owner) of house 4 (education, preparation for examinations), 6 (competitive exam), 9 (higher education) or 11 (success in higher education, fulfillment of desire) and/or in connection with 4, 6, 9 or 11, one will get success in higher education of profession with competitive nature.

If the sublord of 9th cusp be Mercury or Jupiter; or if it be the significator (in the star of the occupant or owner) house 4 (education, preparation for examination, academic qualification), 6 (competitive exam), 9 (deep study and higher education) or 11 (success, fulfillment of desire) and in connection with 4, 6, 9 or 11 and Mercury and/or Jupiter (especially if its starlord be connected with Mercury or Jupiter), the native will get professional qualification of competitive nature during the joint period of the significators of 4, 9, 6 and 11.

Moon reveals the nature of query.
Moon (Libra 07-51-19) is in the star and sub of Rahu. Planet Moon is the occupant of 5, owner of 3. Starlord & Sublord Rahu is the occupant of 5. Rahu is conjoined with Moon & Saturn and thus acts as an agent of Moon & Saturn. Saturn, being untenanted, is the occupant of 6, owner of 9-10 and the CSL of 5-6-12. Moon signifies and is in connection with 6, 9, hence query or urge is genuine.

5-6-12. Sublord Moon is the occupant of 5, owner of 3.
9th & 11th CSL Jupiter® signifies 6-9-11 and is in connection with 9.
Joint-period (DBA) Rulers
Running DBA lords are Rahu-Rahu-Ketu (up to 10-03-2014).

Dasha & Bhukti lord Rahu is in self-star. Rahu is the occupant of 5. Rahu is conjoined with Moon & Saturn and thus acts as an agent of Moon & Saturn. Moon is the occupant of 5, owner of 3. Saturn, being untenanted, is the occupant of 6, owner of 9-10 and the CSL of 5-6-12. Rahu is in the sub of Jupiter. Jupiter® is the occupant of 1, very close to 2nd cusp, owner of 8-11. Dasha lord Rahu is connected with Jupiter and signifies 6-9 and is in connection with 11. Rahu is present under the 5 direct RP's at the time of judgment. Thus Rahu is a fruitful significator planet.

Anthra Lord Ketu is in self-star and sub of Jupiter. Ketu is the occupant of 11. Ketu acts as an agent of Moon, Mars and Saturn. About Moon, Saturn and Jupiter we have discussed above. Thus Ketu is connected with Jupiter and signifies all the relevant houses i.e. 4-6-9-11 and is also in connection with 11.

My Opinion: You will get success in the IPCC Exam of ICAI. Good Luck.

Timing of overseas trip through KP system

In this article I would like to share with our readers a case of a person who wanted to know if there is any chance for him to go to overseas. He handed over his birth chart in the month of October 2007 with the following birth details:

Name: Mr.Prasad
Birth details:
DOB: 26 MARCH 1971, TOB:14:58 Hrs ,POB:TENALI (16 N 15, 80 E 35)

Before going into analysis of the chart, let us examine the Rules in KP System for a foreign travel as follows:

A. The houses which indicate Foreign Travel are 12, 3, 9. 12th house indicates foreign travel or living in a foreign country. 3rd house indicates change of place ie,12th to 4th house. 9th house indicates long journey and far off place.

B. According to KP, 12th Cusp Sublord should signify houses 3 or 9 or 12 for a foreign travel.

C. If the 12th Cusp Sublord or its star lord is posited in a movable sign it indicates that one will go abroad and settle there and move on to other countries, but will not return to native country.

D. If the 12th Cusp Sublord or its star lord is posited in a fixed sign, he will go there and settle down there permanently; he will not come back to his native country.

E. If the 12th Cusp Sublord or its star lord is posited in dual or common sign, he will go there, stay there for some time and comes back to his native country and settles down finally.

Mr.Prasad was working for a private company as a software professional. His Lagna is Karkataka ie, Cancer. In the month of October 2007 when he asked the question about foreign travel he was running the DBA of KET-JUP-JUP.

Foreign Travel Promise: check from 12th Cusp Sublord:
In his chart it was found that the 10th and 12th Cusp Sublord was Mercury. Mercury is lord of 3, 12 houses and is posited in 9th house in its own star, in a common sign Pisces. Hence it can be said there is promise of foreign travel. Moreover 10th Cusp Sublord is Mercury and its connection to 3,9,12 houses indicates that Mr. Prasad will go for foreign visit on professional matters. Mercury is aspected by Jupiter who is lord of 6,9th houses. Mercury is also aspected by Mars the 10th lord.

RAHU(7-8,10)	MARS(5-10,5)	SAT(10-7,8)

The present Dasa Lord is Ketu. Ketu is posited in 1st house in the sign of Moon who is posited in 8th house being the lord of 1st house. Ketu is in star of Mercury (9-3,12). Ketu is posited in sub of Saturn, the lord of 8th house. Hence Ketu is well connected to houses 3, 9,12 and 1, 8.

The Bhukti and Antara Lord Jupiter is posited in 4th house and is lord of houses 6, 9. Jupiter is posited in the star of Saturn who is posited in 10th houses being the lord of houses 7, 8. Jupiter is in sub of Rahu, where Rahu is posited in7th house. Hence the Bhukti lord Jupiter is a significator of houses 4, 6, 9, 10, 7, 8. Jupiter at the same time is the strong significator of 4th house because there are no planets in the stars of Jupiter. Hence the bhukti of Jupiter was weak to give a foreign travel.

The next Bhukti is of Saturn. Saturn is posited in 10th house and is lord of 7, 8 houses. Saturn is posited in the star of Venus where Venus is lord of houses 4, 11, Hence Saturn which is a significator of houses 4, 11, 10, 7, 8 is weak to give a foreign travel.

The next Bhukti is of Mercury. Mercury as mentioned above is a very strong significator of houses 3, 9, 12. Mercury is in sub of Saturn. Saturn is lord of 8th house.

Timing the Foreign Travel:
Hence it was decided that in the conjoined period of Ketu Dasa, Mercury Bhukti there shall be foreign travel. Jupiter being 6th and 9th lord and aspecting Mercury can bring foreign travel in its Antara. The planets Sun and Moon have positional status in 8th house, hence these are detrimental for a staying in abroad. The planet Mars is not a strong significator of 3, 9, 12 houses because Mars being 5, 10th lord is in 5th house in the star of Venus the 4, 11th lord. Hence Mars is a weak significator of houses 3, 9, 12. Rahu is having positional status in 7th house and represents the 8th house and hence Rahu is also weak to give a foreign travel. Thus planet Jupiter is selected for Antara because it is lord of 9th house. Hence it was told to Mr Prasad that foreign travel will materialize in the DBA of KETU-MERC-JUP during 23rd May 2010 and 10th July 2010, and as Antara lord Jupiter the lord of 6th house aspecting the 12th cusp sublord Mercury, it was also told to him that purpose of visit will be due to professional matters. Also it was told to him that the foreign stay will be with hardships as both the Dasa lord Ketu and Bhukti lord Mercury are in the sub of Saturn where Saturn the lord of 10, 8 is detrimental to 9th house.

TRANSIT:
The DBA of KETU-MERC-MERC was not selected because Ketu during its Transit was still in the sign of Moon and has not yet reached the sign of Mercury as on 1st November 2009 on which date the Antara of Mercury will be over. The Foreign travel took place on the night

of 29th May 2010 when Ketu was in Mercury sign, Mars the 10th lord was in Ketu star, Moon the 1st lord was in Ketu star.

ACTUAL OUTCOME:

As the Dasa lord Ketu was also a significator of houses 1,8 as well it was told to the native that there shall be hard ships in abroad because 8th house is a negation house to 9th house which represents far off place. The native went to abroad on the night of 29 May 2010 (for professional purpose) and faced hardships at foreign place and returned back in July 2010 when Saturn the 8th lord's Antara was operating. Also the 12th cusp sublord Mercury during its bhukti period made the native to return back because it was in a dual sign. The following Dasa from September 2010 onwards was of Venus who is lord of 4,11 and hence the native remained in the mother land.

Sthoola and sookshma significators in KP

By: VSN. Murthy, (K.P. Astro Consultant)
Sri Datta Sai Ram Astro Centre,
#404, Teja Garden Apartments, Prakashnagar,
KURNOOL- 4. (AP) Mobile:- 09440220874.
E-mail:- vsnm_vdl@yahoo.co.in; Vsnm.vdl@gmail.com

A friend of mine named Sri. S. Sreenivasulu, M.A. L.Lb.,M.A.(Astrology), Retired Chief Accounts Officer of A.P., Hyderabad, came to me with a printed Telugu Astrological monthly magazine in his hand. He showed it to me. The horoscope erected in traditional method along with analysis is published in it. The birth particulars are as follows:-

Male; D.O.B. = 07-08-1920; Saturday; T.O.B. = 07-10-00 AM.(LMT);
P.O.B. = 22-00-00 N; 73-16-00 E; Time of birth in IST is 07-46-56 A.M.

This native got his first job during the period of Sun/Venus/Jupiter (in December 1941). My friend asked me, "Can you justify/tally the native's entry into job by Krishnamurthy Paddhathi?" I said to him, "Why not? I can justify and prove the K.P. is correct." The chart is erected in K. P. method for applying the K. P. rules. It is also herewith enclosed at the end of this article for the benefit of the readers.

Rule for Earning:- If the cuspal sub lord of the 6th (Service) or 10th (profession, vocation, occupation) be the significator of 2, 6 or 10 service or earning is promised during the joint period of the significators of 2, 6 and 10.

2nd = bank balance, self-acquisition, 6th = service rendered, day to day attendance on duty and thereby earning, 10th =profession, either in independent vocation or in service.

In this natal chart, Rahu is not only the cuspal sub lord of 6th but also the cuspal sub lord of 10th. Rahu (3) is in the star of Rahu(3) and in the sub of Moon(9-12). My friend (S. Sreenivasulu) told immediately that there is no signification of 2, 6 or 10. So your K.P. failed in this matter. Then I asked him to wait for some time tilI I will explain every thing to him. Then he said, O.K.

"Nodes offer CASH" my dear friend you have forgotten this rule.
C=Conjoined;
A=Aspecting
S=Star
H=House owner
Rahu and Ketu are nodes. They are always stronger than the planets represented by them. They give firstly the results of the planet or planets with which they are conjoined, then the results of the planets aspecting them, then that of the planets in whose constellation they are deposited, and then the results of the owner of the sign occupied by them.

In this natal chart, Rahu is conjoined with Mars (3-4,9). Immediately my friend pointed out that there is no signification of 2,6,10. Then I replied, *"Please observe the Sookshma (weak) significators, i.e. aspects of Mars. Every one of us immediately concentrate only on sthoola (strong) significators. It is our duty to have a look on Sookshma significators also while judging a matter".*
Mars is aspecting 6th and 10th with his 4th and 8th special aspects. This is sookshma. Next Rahu is aspected by Moon and Saturn. Moon, having no planets in its stars holding the sub lordship of 2nd cusp is a strong significator for 2nd house. Saturn is the lord of 6th. Thus 2, 6, 10 are signified by Rahu. So K.P. rule is cent percent implemented in this case.

Table of Significators – House View.

House No.	A	B	C	D
II	–	–	Sun	Mercury
VI	–	–	Mercury	Saturn.
X	–	–	Moon, Ketu, Saturn,	Venus.

After seeing the above mentioned table my friend questioned me, "It is written in the astrological magazine that the native of this horoscope got the job during the period of Sun/ Venus/Jupiter. (1) Sun, the dasanatha and (2) Venus, the bhukthinatha are only appearing in the above table of significators. But (3) Jupiter, the Anthranatha is not seen in the above table of significators. Then how did you justify/tally the Dasanatha, Bhukthinatha, and Anthranatha?"

Then I asked him to observe once again the *SOOKSHMA significators (weak significators)* in this regard also. Jupiter closely conjoined with Venus lord of 10 is clearly visible/ seen as the significators of X. Thus it is tallied in Krishnamurthy Paddhathi.

NOTE: - Every one of us should consider SOOKSHMA significators (weak significators) by aspect/ conjunction along with STHOOLA significators (strong significators) while judging a matter to get the accurate results in K. P.

Question-Answer

Question – 1: Planet near the House Cusp
Sir, In your series on KP For Beginners it is written that ORB for planet conjunction with a cusp is 3degrees 20 min and it was also said if the planet is behind the Cusp by 1or 2degrees and if in the next cusp if there is no planet(Vacant) then this planet will give the next Cusp results. What I understand is the ORB duration is taken as 3degrees 20min and in KP Reader-1,Guruji KSK has mentioned the ORB for conjunction of any planet with the cusp is 8 degrees .Can you please explain this ? Can we take 8degrees as ORB?

Answer – 1:
Regarding a planet near the house cusp, the KP had experienced the results of the next house when a planet is located very close to the next cusp, as given by the following two examples:

- As Moon @ 21° 30" Gemini is very near the 12th cusp, it indicates life in a foreign place, and Moon is considered as posited in the 12th house, although it is physically posited in 11th house. (Krishnamurti Padhdhati Vol. 2, 1965, Sagar Publications, p 281)
- Rahu @ Libra 13° 09" posited in 10th house physically but very near the 11th cusp @ 15° 39" Libra within 2° 30"orb gives marriage, which is the result of 11th house, although Rahu is physically located in 10th house. (KP Reader IV, 1971 Edition, page 108)
-

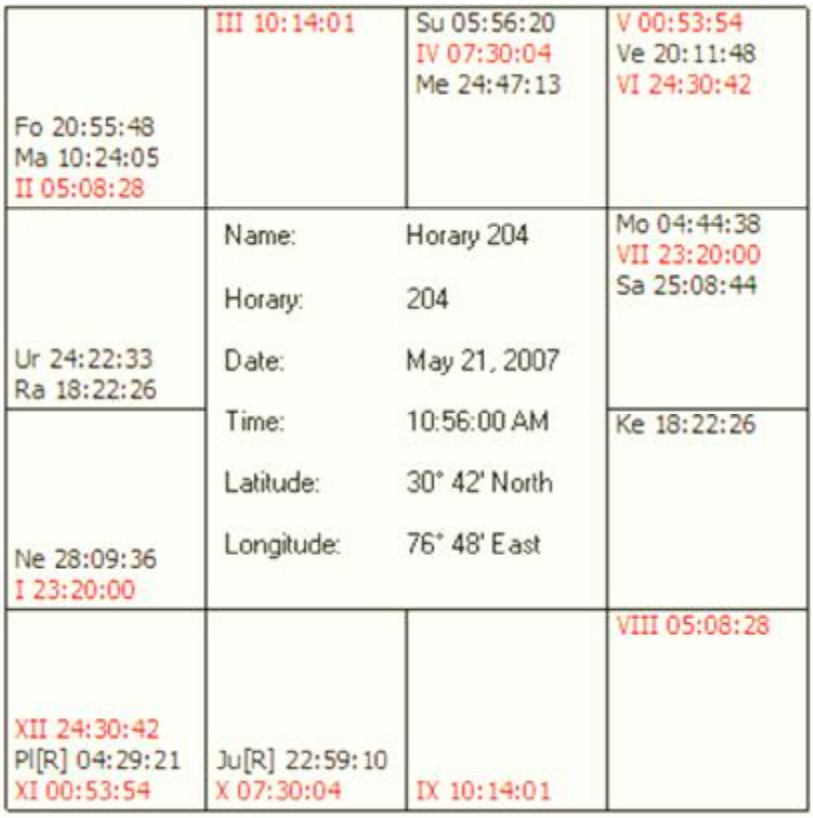
"If a planet within 1° or 2° behind the cusp of a house and no other planet in the following house, gains the significance of the following house, e.g. Jupiter gains significance of the 6th house and loses signification of the 5th house where Jupiter actually located since there is no planet in the 6th house." This is T. Rajendra Kumar's experience found in "KP & Astrology Year Book 2000 & 2003 and The Times of Astrology".
The closer an orb is, the stronger the result will be. For instance, "a planet within 5° or 6° of the next cusp may signify the previous cusp. If the planet within 1° or 2°, having the same sub-lord of the next cusp, may signify the next cusp". (K. Subramanium; Astrology for Beginner, Vol. 3)
Please see different views compiled at the link below;
https://groups.yahoo.com/neo/groups/k_p_system/conversations/messages/35987

"For conjunction of Sun, Moon and other planets with the cusp of a house, an orb of 8 degrees is to be uniformly applied." (KP Reader I, page 116). This is a general statement of orb in explaining the Western aspects.
According to Claudius Ptolemy (Tetrabiblos) and William Lilly (Christian Astrology), when a planet is within 5 degrees of the next cusp, the planet is supposed already in the next house.
The 3° 20" is mostly applied orb in conjunction of a planet with the next house cusp.

Question – 2: Placidus House System
Sir, if suppose a cusp starts in Aries and ends in Taurus (placidus system) why the Venus does not have lordship of the cusp if CUSP ON ARIES Starts at 29degrees and 30 Min? Why Guruji KSK has taken Placidus system which is a western method and integrated it with Hindu Zodiac? Are there any charts in which Placidus House system works for Higher latitudes like 50degrees North? Please clarify my doubt.

Answer – 2:

Rasi chart and cusp chart: As shown in the following KP example chart, the South Indian 'rasi chart' gives the relative rasi positions with boundary lines of 'rasi after rasi' of Hindu zodiac for correct use of rasi-based Hindu aspects. By inserting the Placidus cusps and placing the planets in the houses, the house-based chart denotes the correct occupation and lordship of planets in finding KP significators.



The lord of a cusp is the lord of rasi where the cusp falls. In the above example chart, both the 5th and 6th cusps fall in Sagittarius rasi whose lord is Jupiter. So the lord of both the 5th and 6th cusps is Jupiter. The 7th cusp's lord is Moon as this cusp falls in Cancer rasi. No cusp falls in Leo rasi, and so its lord Sun is not the lord of any cusp. The blank Leo sign without any cusp falling is called the intercepted sign.

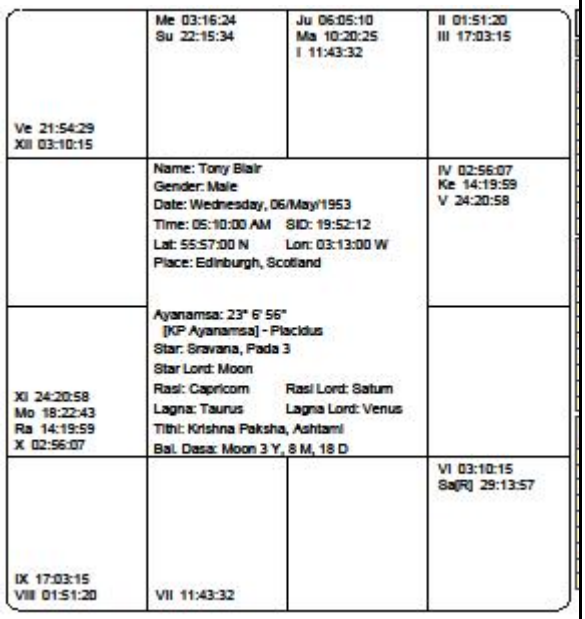
If a cusp starts in Aries @ 29° 30' and ends in Taurus, the lord of the cusp is Mars. Because the cusp falls in Aries whose lord is Mars. Venus does not have lordship of the cusp as the cusp does not fall in Taurus whose lord is Venus. This is the result of applying the unequal Placidus house system.

Three pillars of KP system are the Hindu zodiac, Western Placidus house system and Vimshottari dasa. Placidus house system had been applied because it was the most popular Western house system at the time when KP was invented as Placidus works.

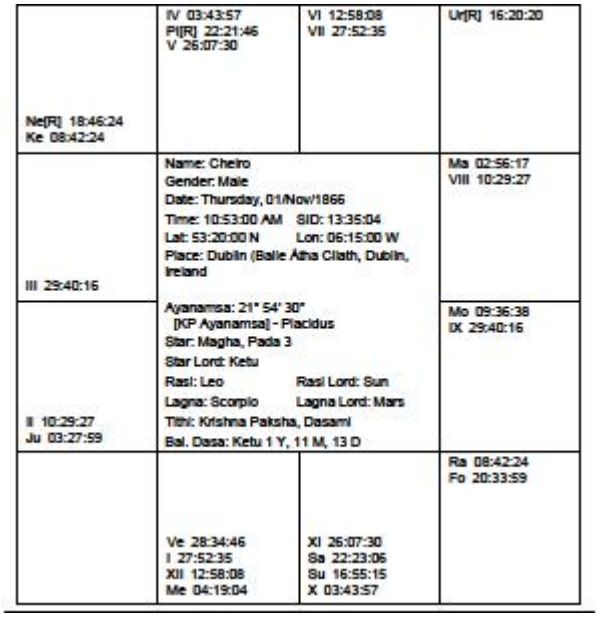
According to "Recent Advances in Natal Astrology", compiled by Geoffrey Dean, p 168, in the USA about 80% of individuals who seek help from astrologers show a preference for the system of Placidus. . .In addition, 90% of individuals who refer to online horoscopes prefer the system of Placidus.

Regarding the polar charts, there are two views. As the system be applicable anywhere on Earth, Placidus is unsatisfactory, for example, at 70 N it is possible to have some houses spread across 3 or 4 signs while others are only 2-3 degree wide. The other accepts the shortcomings, as Davison has said, you can play many good tunes on a piano whose top is defective; hence Placidus is satisfactory. If one has a client out of about one million people living in polar regions, the Topocentric house system seems to provide a solution.

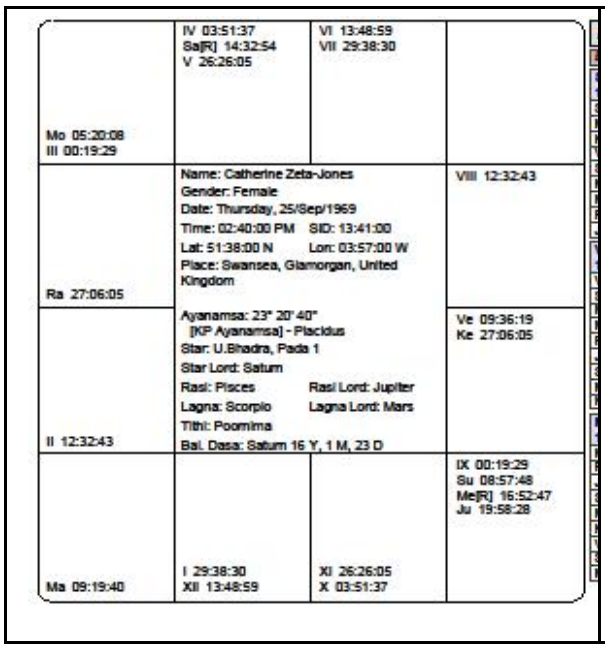
The practical KP example charts at the higher latitude are provided below:

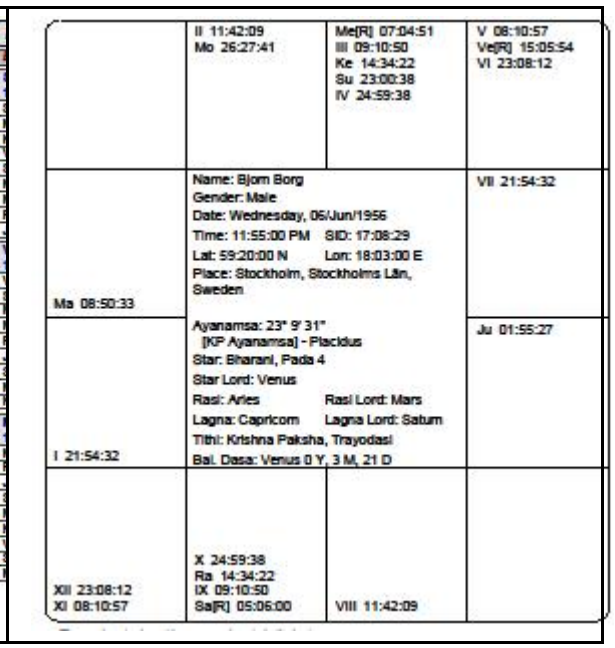


Tony Blair, 55n57, Edinburgh Scotland



:Cheiro, 53n20, Dublin, Ireland





Question – 3:

Sir, Please clarify my doubt.

1. For example, in a horoscope of Makara lagna, the XIth & XIIth bhavas fallen in Dhanu rasi and Xth bhava fallen in Vrischika rasi. For a Chara lagna (Movable asc), XIth stana & its lord become badhaka stana & badhaka lord. In this example which is badhaka stana – XI th rasi or XIth bhava (Mars or Jupiter)?
2. In a horary chart, for a particular question to be fulfilled, the conditions are- the Sub Lord of the related house & its Star Lords are not to be in retrograde motion and the Sub Lord should be significator of at least any one of the concerned houses. Is this rule is applicable to Natal charts? If a particular question related Sub Lord or its Star Lord is retrograde in natal chart, what is the result?

Answer – 3:

The lord of a cusp is the lord of rasi where the cusp falls. Since the XIth & XIIth cusps fall in Dhanu rasi and Xth cusp falls in Vrischika rasi, the lord of both the XIth & XIIth cusps is Jupiter and Xth cusp's lord is Mars.

In a horoscope of Makara lagna, the XIth bhava and XIth lord Jupiter are Badhaka sthana. Retrogression rule is not applicable in natal charts. “In a Natal chart, do not worry whether a planet is in direct motion or retrograde. There is no difference.” (KP Reader VI, page 145)

Question – 4: Why is KP up to sub only, not further up to sub sub?
Sir, Twins birth logic attracts every one and the astrology student start studying KP System .Now a days on the same logic, one question comes in mind why k p system says to study sub lord only instead of sub sub lord which change faster than sub lord.

Answer – 4:
KP goes with rationale. The planet is the source, the star nature of the result, and sub a deciding factor, according to the KP fundamental rule:
"The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favourable or not."
(Krishnamurti Padhdhati, Vol. 2, 1966, Sagar Publications, p 41/ KP Reader III, p 136 / 1971 Edition, p 129/ KP Reader V p 136, 1971 Edition p 129/ KP Reader VI p 91),

The rationale of sub sub cannot be exapalined. However, if a cuspal sub lord is the same in the twin birth, the sub sub can be taken into consideration for differentiation of the nature of a matter.

Question- 5: Dasa Analysis
Sir, how to dasha analyze stepwise if this is a detail-
A woman is doing job as a coordinator in pvt. school her dasha lord signify mer 11,4,7 in star mar 11,2,9 in sub ket 2 and mer aspect 6. Antara lord saturn 4,11,12 in star rahu 8 in sub moon 12,5 saturn aspect 6,10,1

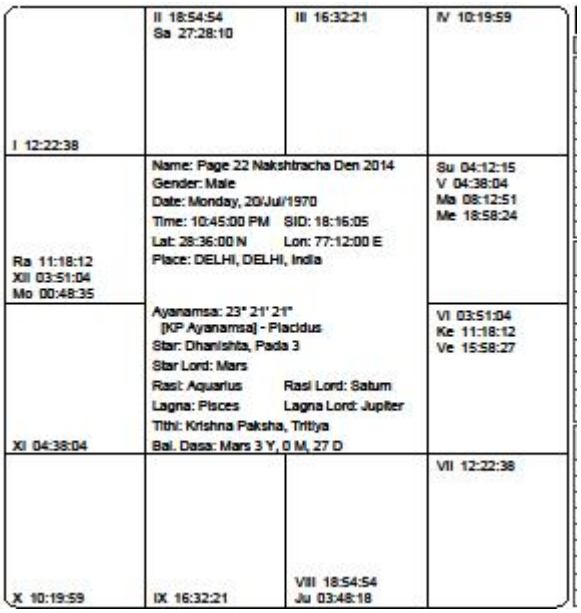
Birth detail 13/03/1975, 7:55 am, ludhiana. Punjab, India

Answer – 5:
Female, 13/03/1975, 7:55 AM IST, Ludhiana, Punjab, 30n54, 75e53, KP New Ayanamsa 23:25:14, Ascendant Pisces 24:25:27, Bal. Dasa Jupiter 4Y, 4M, 25D, calculated by KPRastro 4.1

Running 1st level Dasa lord Mercury in house 11, lord of houses 4,7 is in star of Mars in 11, lord of 2,7, and in sub of Ketu in 2, in Taurus representing Venus in 1, lord of 3,8, being the cuspal sub lord of 6 having no planet in its stars. Thus Dasa lord signifies favorable houses 2,6,11 and unfavorable 1,3,8 for job.
2nd level Bhukti lord Saturn in 4, lord of 11,12 is in star Rahu in 8, aspected by Jupiter in 12, lord of 1,10, in Scorpio representing Mars in 11, lord of 2,9; Saturn is in the sub Moon in 12, lord of 5. Bhukti lord signifies favorable 2,10,11 and unfavorable 1,5,8,9,12.
3rd level Antra lord Rahu in 8, aspected by Jupiter in 12, lord of 1,10, in Scorpio representing Mars in 11, lord of 2,9; Rahu is in star Saturn in 4, lord of 11,12, and in sub Moon in 12, lord of 5. Antra lord signifies favorable 2,10,11 and unfavorable 1,5,8,9,12.
Conclusion: Current job is no more for her and she may get another job.

Question – 6: Hindu Aspect with Orb in 4-Step Method
Does Saturn aspect Moon by 3° 20’ orb in the following chart?
If so, it will be necessary to make correction in the 4-step significators provided by KPAstro 4.1.
Because Saturn’s aspect on Moon by 3° 20’ orb is not shown in the 4th step of 4-step primary significators for the 12th cuspal sub lord Venus as shown under:
Planet Ve*: 6; 3-8
Starlord of Ve is Ve*: 6; 3-8
Sublord of Ve is Su: Cnj 5
Starlord of Su is Sa: 2

Male, Monday, 20/Jul/1970, 10:45:00 PM, Lat: 28:36 N, Lon: 77:12 E, DELHI, India, KP New Ayanamsa: 23° 21' 21", Lagna: Pisces 12° 22' 38", Bal. Dasa: Mars 3 Y, 0 M, 27 D, calculated by KPAstro 4.1.



Answer – 6:
The Hindu aspects (Drishtis) are counted 'from rasi to rasi', irrespective of the positions of the planets in the rasis and the relative distance between the two planets i.e. not 'from degree to degree' like in the Western aspects. Planets aspect the entire rasis with or without any planet or cusp there, and the closer an aspect on any located planet or cusp is, the stronger the result would be. All planets, Sun to Saturn, aspect the 7th (180°) from the rasi occupied by them. In addition, Saturn aspects the 3rd (60°) and 10th (270°) from the rasi occupied by it.

The Western aspects are counted 'from degree to degree', not from rasi to rasi as in the Hindus aspects. There are five basic, most important aspects, used by Ptolemy:
1) Conjunction, 0°
2) Sextile, 60°
3) Square, 90°
4) Trine, 120°
5) Opposition, 180°

In the given chart, from Aries rasi @ 23° 28' 10" Saturn aspects Gemini rasi (also 4th cusp located there) by 3rd Hindu aspect, Libra rasi (also 8th cusp and Jupiter located there) by 7th Hindu aspect, and Capricorn rasi (also 11th cusp located there) by 10th Hindu aspect. But Saturn does not aspect 4th cusp, 8th cusp and Jupiter, and 11th cusp by 3° 20' orb.
Saturn does not aspect Aquarius rasi (also Moon located there @ 0° 48' 35") at all. In other words, Saturn does not throw Hindu aspect on Moon without orb or by 3° 20' orb.
That is why KPAstro 4.1 does not show Saturn's aspect on Moon by 3° 20' orb.

In providing the 4-step primary significators, KPAstro 4.1 applies the Hindu aspect with orb as done in the book of 4-step lecture notes.

It is to note that there are two kinds of aspects only, namely Hindu aspects without orb and Western aspect with orb. The 4-step method applies Hindu aspects with orb, generally 3° 20' orb.

Question – 7:
Sir, after going through the article written by you in kp Ezine feb issue on madam Kiran Bedi birth chart's KP analysis , a curiosity comes in mind is that whether all other advance methods of prediction based or developed on KP such as KB cuspal interlink and SP Khullar cuspal interlink also give the same result. A comparative analysis from your pen if the magazine rules permit, is required or prayed after the net result comes on 10th February 2015.

Every method is supposed to be improved over the previous one with the idea of sharpening the prediction to the correct result. I request you to guide astrology students by telling the best method of predictions by your book or through KP EZINE if possible.

Sir, For KB and 4- Step articles which issue of KPEzine magazine we should search?

Answer - 7:
The KP based Baskaran KB cuspal interlinks, Khullar cuspal interlinks, 4-step method, so-called Nadi astrology are different from KP. Basically the main difference between Baskaran KB and Khullar KCIL is using sub level cuspal interlinks in the KB and sub sub cuspal interlinks in the KCIL. We follow KP and we don't need to check with these methods which can give different results. The properly written KB and 4-step articles had been published in the KPEzine magazine.

The KB, KCIL, 4-step, Dr. Kar's sub sub theory and other ideas in the over one hundred KP based books in English as well as still in local languages are yet far behind of research and rationale based KP in terms of followers and practitioners and reprinting of books.. Some KP based methods are short lived.

In KP the importance of a matter to be promised by the concerned natal cuspal sub lord can be seen by the total failure of Kiran Bedi in the Delhi elections 2015. The main reason is that she is not promised for political power by her 10th political power) cuspal sub lord as mentioned in my prediction in the last month KPE-zine.

The cuspal sub lord of a house indicates whether the matter of the house is favorable (promised) or not. The significators point the time of event. Both dasa, bhukti and gochara (transit) must agree. Answer –8:
7th (Wife or Husband, Legal Tie) CSL for Marriage, Separation, Divorce and Second Marriage
According to KP Reader IV: Marriage, Married Life & Children, marriage, separation, divorce (pages 191-198) and second marriage are to be judged by 7th cuspal sub lord. If the sub-lord of the 7th cusp is a significator of house 7 or 2 or 11, marriage is promised.
(KP Reader IV, 1971 Edition, page 121) "If the significators of 2,7,11 houses happen to be the significators of 1,6 or 10, then separation will surely happen and it may lead to divorce. (page 192). Divorce is to be seen from one, six and ten... If the sub-lord of 7th is in any manner connected with a dual sign or a, second marriage is shown. (page 153)
Separation: Judge houses 1,6,10 and 12. (page 146)

For married life, planets connected with 6th, i.e. significators of 6th house, bring about separation due to partner's walking out or desertion. 12th house significators denote that the native will seek separation. (page 154)

If one wants to marry, judge the significators of 2,7 and 11; if he wants a divorce, then the significators of the houses 6,10,12,8 will finalize the divorce. (KP Reader V, page 178/ 1971 Edition page 168)

"Husband to return home and to join the wife one is to judge the houses 11, 7 and 6. For separation 12,7 and 6." (KP Reader VI, page 250)

If the sub-lord of the 7th cusp be connected with 2,7 or 11 and 1,6 or 10, the marriage

takes place during the joint period of the significators of 2,7 and 11... If the native be married already, then during the joint period of the significators of 1,6 and 10, there is possibility of separation in married life; it also denotes divorce. (Chandrakant R. Bhatt: Further Lights on Nakshatra Chintamani, pages 147-150 with a solved practical example)

If the 7th cuspal sub lord is connected with houses 2,7,6,12, it indicates separation after marriage. (M.P. Shanmugam: Astrosecrets & K.P. Part 1, Krishman & Co., 2003, page 179)

Divorce: If the sublord of the 7th cusp is connected with house 1 or 6 or 10 and it happens to be Jupiter, there will be legal secretion. (PVK Punneswara Rao: Theory and Practice of Stellar Astrology (K.P. System), Universal Astrological Book Trust, 2008, page 69)

If 7th cuspal sub lord is connected with 6,10,12 houses, then divorce is indicated. (Sharad C. Joshi: Krishnamurti Padhdhati, 2000, page 73)

11th (Permanent Tie of Friendship) CSL for Happy or Unhappy Married Life
In order to ascertain whether the married life will be pleasurable or painful, judge the sub-lord of 11th cusp. No doubt the 7th indicates wife, yet for harmony, happiness, pleasure which are indicated by 11th house, one is to judge the sub lord of the 11th cusp. (KP Reader IV, page 152)

If the sub lord of the 11th cusp is a significator of houses 2,5,7 or 11, perfect harmony and happy matrimonial life is indicated. (K. Subramaniam, Edt: Astrosecrets & K.P. Part 3, Krishman & Co., 2002, page 58)

Some Views in own written and compilation books of refreshing old articles
K. Hariharan: KP's Cusp Sublords and it Significance, Krishnamurti Publications, 2002
If the 7th cuspal sub-lord signifies 6th house, divorce and separation of sickly wife... (page 34) If the 7th cuspal sub-lord signifies 12th house, divorce of sickly wife. (page 35)
If the 11th cuspal sub –lord signifies 5th house, happy family, 7th house – married life always happy, and no divorce is mentioned there. (pages 52-53)

K. Hariharan: Timing of Events, Krishnamurti Publications 2008
The 7th cuspal sub lord's signification of house 7 indicates marriage, and houses 6,12 shows breaking marriage./ divorce (page 93)

K. Hariharan: Vedic & K.P. Astrology, Krishnamurti Publications 2008
The 7th cuspal sub lord Mercury's signification of houses 2,7,11 indicates marriage, and houses 6,12 shows seperation/ divorce (pages 199-200)
In order to ascertain whether the married life will be pleasurable or painful, judge the sub-lord of 11th cusp. No doubt the 7th indicates wife, yet for harmony, happiness, pleasure which are indicated by 11th house, one is to judge the sub lord of the 11th cusp. If the sub-lord of the 11th cusp is in any manner connected with 6, 8 or 12th house , the married life will not be pleasant and there will be difficulties and disharmony with the spouse. (page 151, KP Reader IV) (pages 200-201)

K. Hariharan: Upanakshatra Jyothisha, Krishnamurti Publications, 2008
No doubt, the 7th house represents marital relationship; yet for permanence of relationship and harmony one has to examine the sub lord of 11th cusp, as it is the 11th house that represents permanent relationship and harmony. (Vide page 151 of May 1971 edition of K.P. Reader IV) (page 225).
In horary astrology, if the sub lord of the 11th cusp is a significator of houses 1,5,7 or 11, perfect hamony and happy life is indicated. (page 266)

As far as my reading goes, judging the 11th cuspal sub lord for divorce has not been found in the KP literature except below:

The cuspal sub lords of the 7th and 11th denote separation in married life. (Chandrakant R. Bhatt: Nakshatra Chintamani, page 95)

Conclusion: For divorce, it's more reasonable to consider the 7th (legal tie) cuspal sub lord other than 11th (permanent tie of friendship) cuspal sub lord. Because legal tie of marriage will be broken after divorce but friendship may be carried on. So take 7th CSL only.

Question – 9: Detrimental Houses
Both Primary Houses 4th & 8th indicate
"Returning of Barrowed Money " or " Free from debt "
event Houses = 4, 5, 8, 12
will Houses 3, 4, 7, 11 become " Detrimental Houses " for this event
Please confirm this sir.

Answer – 9:
Houses 3,7,11 become the detrimental houses for this event. But house 4 cannot be a detrimental house to house 4, like house 10 cannot be a detrimental house to house 11 in the house grouping for promotion – houses 2,6,10,11.

Book Review- Upanakshatra Jyothisha

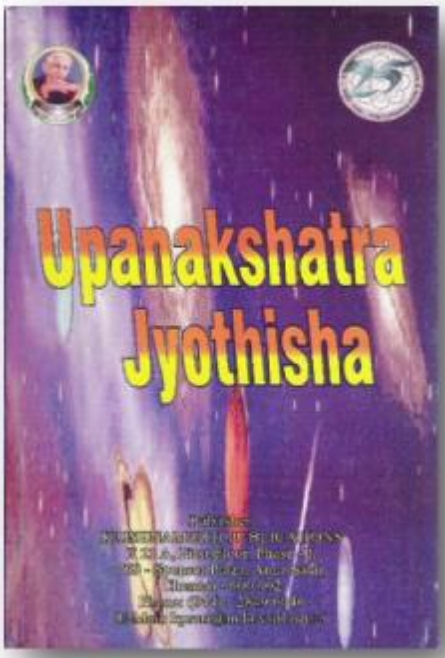
Upanakshatra Jyothisha
by Editor K. Hariharan
Krishnamurti Publications, 2008, 303 pages
http://shop.saptarishisastrology.com/index.php?page=details&prod=2930&cat=74&group=63



This *Upanakshatra Jyothisha* is one more book from the collection series of refreshing old articles compiled by K. Hariharan, which contains 40 articles, as shown in the contents.

In most of the articles, the ruling planets have been used extensively, and it is said, 'According to KP, the ruling planets at birth rule again at the time of death and also at each and every event of life.' (page 155)

Proper consideration of a planet (cuspal sub lord or dasa period lord), it's star and sub is found in some articles as follow:
'Summing up, it is advisable to predict after analyzing the star and sub positions etc. of the planets as well as of the cusps of the horoscope.' (page 88)
'Sub lord of 10th cusp is Mercury. (Mercury's) star lord is Moon and sub lord is Jupiter.' (page 137)
'Venus Dasa, star lord is Kethu and sub lord is Jupiter which is analyzed in above.' (page 138)

However, the sub lord of planet is not considered. 'Here the sub lord of the 6th cusp is Jupiter... Now Jupiter is posited in Venus star.' (page 254) The cuspal sub lord Jupiter's sub is not taken into consideration.

Moreover, in checking whether the concerned matter is promised or not, the cusp co-rulers, star and sub lords of the cusp are considered but the cuspal sub lord, its star and sub are not considered.
'The 11th cusp is governed by Jupiter and Mercury as star lord and sub lord of the cusp.' (page 71) Only the cusp co-rulers Jupiter and Mercury are considered. In order to check whether the concerned matter is promised or not, the 11th cuspal sub lord Mercury as a planet, it's star and sub are to be considered. Similarly 'Interview is governed by the 3rd cusp. 3rd cusp is governed by Jupiter and Mercury as star and sub lords.' (page 72) The 3rd cuspal sub lord Mercury, its star and sub are to be considered in order to check whether success in interview is promised or not.

The sub's star is considered like in 4-step theory. 'Sub lord of Lagna is Venus in the star and sub of Saturn, occupant of Bhadhaka sthana. Sub lord Saturn in the star of Ketu placed in 6th...' (page 208)
For married life the 11th cuspal sub lord is checked. 'No doubt, the 7th house represents marital relationship; yet for permanence of relationship and harmony one has to examine the sub lord of 11th cusp, as it is the 11th house that represents permanent relationship and harmony. (Vide page 151 of May 1971 edition of K.P. Reader IV) (page 225). "In horary astrology, if the sub lord of the 11th cusp is a significator of houses 1,5,7 or 11, perfect hamony and happy life is indicated. (page 266)

The following points are food for thought and for your information:

'In the male chart under discussion, we have to confirm that the sub lord of 5th cusp is a significator of 2,5 and 11 and that the sub lord of the 11th cusp is a significator of 8,11 and 5.' (page 217) 8,11 and 5 are 2,5 and 11 for wife.

'In my opinion the Ascendant is the house which brings all-round success to the querent and as such the Ascendant should not be considered as a house of negation to the 2nd house.' (page 143)

'There is a provision whereby an astrologer can entertain a question from a person whos has a strong urge to know even about anyone, person or organization not directly connected with the questioner. The question in such a case is, as it were, that from the concerned person himself for the purpose of assigning Lagna.In this case I had the urge. I took out the number 181. The resultant Lagna Sagittarius 20-06-40, represented NTR.'

'A planet in a constellation gives the result indicated by the lord of the constellation in its Dasa (i.e. tenant planet's Dasa) in the Bhukti of lord of constellation. Conversely, when the Dasa of a planet is on; planets in the constellation or on the sub of the Dsa lord can give the result.' As such , Rahu in the constellation of Venus will give the result in Venus Dasa and Rahu Bhukti.' (page 279)

Grade 'E' significator: 'planets associated with and aspected by the above (grade A,B,C & D) significators, especially the star lords of the cusps.' (page 237)

In Western astrology, the square aspect has been considered as unfavorable by most of the authorities... The square aspect has been found to excite the events in almost all cases. (page 12)

Striking Feature of his Horoscope
As a result of combination of the connection of Ascendent cuspal sub lord (CSL) Moon and 10th CSL Rahu with houses 1 (self effort), 10 (political power, reputation, profession) and eight planets' connection with 11th house (gain, success and fulfillment of desire), i.e. Sun, Mars, Venus, Saturn, Rahu and Ketu in the stars in hose 11, Moon and Mercury in the subs in house 11, he was the prime minster of Singapore from 3rd June 1959 (Venus- Sun-Mars- Mercury dasa sequence) to 28th November 1990 (Mara-Venus-Saturn-Ketu), making him the longest-serving PM in history, and then cabinet minister till 21st May 2011 (Rahu-Venus- Mars- Rahu). Lee stepped down from his cabinet advisory role when his People's Action Party (PAP) suffered worst ever share in the popular vote although retained power in May 2011 general elections but remained an elected MP.

7th CSL is also Rahu, and so business houses 7 and 10 are deemed connected by being in the same CSL of Rahu.

Intelligence and Ability of Great Economic Visionary

5th (intelligence), 9th (higher mind, creation) and 11th (gain, success) CSL Venus is in 11, lord of 1,8 (financial relation with foreign countries) in the star of Sun in 11, lord of 11 and sub of Rahu in 11, representing conjoined Sun in 11, lord of 11 and Mars in 11, lord of 2 (finance), 7. Houses 5, 9 and 11 are deemed connected by being in the same CSL of Venus.

3rd (ability, boldness) CSL Sun is in 11, lord of 11, in the star of own and sub of Rahu in 11, representing conjoined Sun in 11, lord of 11 and Mars (courage) in 11, lord of 2.7 aspecting Moon (mind). Fortuna is also in the 3rd house.

In addition 10th (business) lord Sun, 2nd (finance) and 7th (business) lord Mars are conjoined in Leo sign opposed by Uranus (unusual business, intuition). 1st and 8th (financial relationship with foreign countries) lord Venus, 9th (international commerce) and 12th (silent business deal) lord Mercury (business, intelligence), 4th and 5th (intelligence) lord Saturn (business) and 1st and 8th lord Venus are conjoined in Virgo sign.

Love Marriage

The 5th (love) CSL Venus is in 11, lord of 1,8, in the star of Sun in 11, lord of 11 and sub of Rahu in 11, representing conjoined Sun in 11, lord of 11 and Mars in 11, lord of 2.7, which indicates love marriage by signification of 2,7,11, leading to Lee's secret marriage on Dec 23, 1947 with Kwa Geok Choo, who was also in UK studying law at College, Cambridge; marriage again in Singapore in September 1950. The secret marriage took place in the Dasa of Mercury signifying 2 by being sub lordship having no planet in its stars, 11 by occupation of its sub Venus, and Bhukti of Saturn signifying 5 by lordship and 11, 2,7 by its star lord Mars' occupation and lordship. Here Dasa- Bhukti lords' simultaneous signification of opposing 1,6,10 (12th to 2,7,11) and secret 8, 12 seems the reason of taking secret marriage.

11th as Badhaka House

This chart is one more evidence that Badhaka is bad only for health and longevity but not deter success and prosperity in one's life.

He passed away on 23rd March 2015 at 3:18 am in the running dasa sequence of Dasa and Sookshma lord Rahu in house 11, in star Venus and sub Mars in 11, Bhukti lord Venus in 11, in star Sun and sub Rahu in 11, and Antra lord Mars in 11, in star Venus in 11.

In addition to the 11th Badhaka signification of the Dasa- Bhukti- Antra- Sookshma lords, Dasa and Sookshma lord Rahu represents conjoined Mars, lord of 2.7 (Maraka). Rahu is the star of Venus, lord of 8 (serious ailment, danger to life, death) and sub of Mars, lord of 2,7 (Maraka).

Bhukti lord Moon is lord of 10 (retirement from this world/ death), in the star of Saturn in 12 (Moksha, end of life), lord of 4 (end of everything/ death).

Antra lord Saturn is in 12 (Moksha), lord of 4 (end of everything/ death). in the star of Mars, lord of 2,7 (Maraka) and sub of Jupiter, lord of 6 (sickness).

Thus the DBAS lords indicate all death inflicting houses of 11 (Badhaka), 2,7 (Maraka), 12 (Moksha), 4 (end of everything/ death), 6 (sickness), 8 (serious ailment/ danger to life/ death) and 10 (retirement from this world/ death).

Transit at Time of Death

Dasa and Sookshma lord Rahu was transiting in the star of Bhukti lord Moon and sub of Antra lord Saturn.

Bhukti lord Moon was transiting in the star of Ketu representing conjoined Sun (2,8), Mars (4,11) and sub of Antra lord Saturn.
Antra lord Saturn was transiting in the star of own and sub of Sun (2,8).
Luminary Sun was transiting in the star of Antra lord Saturn and sub of Ketu (2,8,4,11).

Moreover transit Rahu was passing the 12th cusp exactly and natal Asc. lord Venus in Virgo sign.
Transit Mars was aspecting natal Asc. and Asc. lord Venus in Virgo sign.
Transit Mars and Uranus were also opposing Asc. lord Venus and 12th cusp in Virgo sign.
Transit Saturn was exactly passing natal Moon position in Scorpio sign and also aspecting natal Sun in Leo sign.

Thus transit agrees with the dasa as the DBAS lords and luminaries were transiting in the star and sub of the DBAS lords or significators of death inflicting houses.

Name, Fame after Death
Since the 8th CSL Mercury signifies the relevant houses 1 (self) and 10 (name, fame) by being in the star of Moon in 1, lord of 10, his name and fame will be remained forever even though he left this world.

His soul may rest in peace!

If an astrologer is given 2 or 3 or 4 birth charts of girls for marriage matching to a boy the following mentioned rule may be helpful.

K.P. Rule: - When the Ruling Planets of a girl at birth should be the co-rulers of the 7th cusp of a boy at birth and vice-versa also, then only the marriage will take place among them.

Birth Particulars of the Boy :- DOB = 16-03-1985; Saturday; TOB = 01-04-30PM: POB = Kurnool (15-50N; 78-03E)

Birth Particulars of the Girl:- DOB=30-05-1989; Tuesday; TOB = 10-13-00 PM; POB = Bethamcherla, (Kurnool District, 15-28N-78-09 E.)

The 7th cusp of the boy falls in Sagittarius=17-51-14= Jupiter/Venus/Mars as Sign/Star/Sub-lord respectively. The Ruling Planets of the girl at birth are Sun (Lagna Star lord), Saturn (Lagna Sign lord), Mercury (Moon Star lord), Jupiter (Moon Sign lord) and Mars (Day lord).

Jupiter, the 7th cusp Sign lord of boy is directly reflected as the Moon Sign lord of the girl's Ruling Planets. In the same way, Mars the 7th cusp sub lord of the boy is directly reflecting as the Day lord of the girl's Ruling Planets. Venus holds the constellation lordship of the 7th cusp of the boy. It's co-rulers are Jupiter/Mercury/Saturn. These three Planets are reflecting in the Ruling Planets of the girl as Moon Sign lord (Jupiter), Moon star lord (Mercury) and Lagna lord (Saturn).

The 7th cusp of the girl falls in Cancer=05-25-13= Moon/Saturn/Saturn as Sign/Star/Sub-lord respectively. The Ruling Planets of the boy at birth are Rahu (Lagna Star lord), Mercury (Lagna Sign lord), Sun (Moon Star lord), Saturn (Moon Sign lord) and Saturn as Day lord.

Saturn, the 7th cusp Star lord as well as Sub lord of the girl is directly reflecting as Moon Sign lord & Day lord of the boy. Moon's co-rulers are Jupiter/Mercury/Ketu respectively as Sign lord/Star lord/Sub lord in the girl's chart. The girl's Moon star lord (Mercury) is reflecting as the Sign lord of the Lagna of the boy i.e. Gemini is the Ascendant of the boy.

These two were married.

Child birth
2nd house denotes increase in the number of the members of family due to birth of a child.
5th house considered for child birth. It indicates first conception or pregnancy, progeny or child.
8th house signify sexual urge. 10th house indicates achievement of any undertakings. Being 10th from 8th is 5th house which indicates result of sex. Thus 5th house stands for child or child birth.
11th house indicates fulfillment of desire.
11th is 5th from 7th. The 5th for female and 11th for male is important. Thus, in a female chart 5th cuspal sublord is the guide and in a male chart 11th cuspal sublord is the guide for child birth.

Hints:
Consider the houses 2, 5 and 11 for child birth. Cancer, Scorpio and Pieces are the fruitful signs and important for assessment for child birth matters. Jupiter is the natural significator (Karaka) of child birth.

Considerer the houses 1, 4 and 10 for absence of children or for separation from children (being 12th from 2, 5 and 11 respectively). Aries, Gemini, Leo and Virgo are the barren signs. Saturn and Ketu are the natural malefic planets for child birth.

In a female chart,

- If the cuspal sublord (CSL) of 5th signifies 2, 5 or 11 and/or in connection with 2, 5 or 11 & fruitful sign;
- If the cuspal sublord of 5th is posited in 7th house without any connection with 2 or 5 or 11, the no child birth is promised at all;
- If the cuspal sublord of 5th be signifies 1 or 4 or 10 without any connection with 2 or 5 or 11, the no child birth is promised at all.
- If the 5th cuspal sublord as a planet and through its starlord does not signify 2 or 5 or 11, then for child birth, 5th cuspal sublord must be posited in sub of that planet who is the significator of 2 or 5 or 11 and in connection with fruitful sign.

In a male chart,

- If the cuspal sublord of 11th signifies 5, 8 or 11 and/or in connection with 5, 8 or 11 (which is 2nd.5th and 11th from 7th i.e. wife) & fruitful sign;
- If the cuspal sublord of 11th is posited in Lagna (7th from 7th) without any connection with 5 or 8 or 11, the no child birth is promised at all;
- If the cuspal sublord of 11th be signifies 7 or 10 or 4 without any connection with 8 or 5 or 11, the no child birth is promised at all.
- If the 11th cuspal sublord as a planet and through its starlord does not signify 5 or 8 or 11, then for child birth, 11h cuspal sublord must be posited in sub of that planet who is the significator of 5 or 8 or 11 and in connection with fruitful sign.

Name & Sex of the Querent: Mrs. K. Bothra, Female.
Question of the Querent – Is child birth is promised or not? If yes, when?
Date, Time & Place of Birth: 13-11-1981, 20:20:00 Hrs. (IST), Ratangarh (28N05, 74E36), Rajasthan, India.

Cuspal Analysis

5th Cusp (Virgo 29-33-07): The 5th CSL Saturn is in star and sub of Mars. Planet Saturn is the occupant of 4, owner of 8-9-10. Saturn is having stellar (positional) strength i.e. untenanted (there is no planet in the tars of Saturn) and the CSL of 5-11. Saturn is posited in the barren sign (Virgo). Starlord and Sublord Mars is the occupant of 3, owner of 6. Mars is posited in the barren sign (Leo).

5th CSL Saturn signifies 5-11 without any connection to 2, 5 or 11, which indicates that child birth is not promised due to the following reasons:

* 5th CSL Saturn is a restricted planet as well as a natural malefic planet for child birth. Saturn is posited in barren sign (Virgo);
* 5th CSL is in the star of Mars. Mars is posited in the barren sign (Leo);
* 5th CSL is in the sub of Mars. Mars is posited in the barren sign (Leo).

My Opinion: Child birth is not promised.

Actual Fact: Till date the native is not blessed with children.

Name: female
Given birth details:
Date of birth. 25/12/1975 or 5/01/1976; Given time of birth. 06:00:00 to 08:00:0 PM
Place of Birth: Sardarsahar–Rajasthan Lon/Lat: 28° N 29', 74° E 32',
Aynamsha 23°.25.54"

Note: I don't know my date of birth, but it was between 25th December 1975 and 5 January 1976 during sunset time 6 to 8 PM.

Hint:

When astrologer starts work for BRT the ruling planets at that time should be cast for Asc and Moon position. Moon's position in RP will show the birth Asc position and RP Asc show Moon's position at the time of birth.

When the birth time has no confusion, may be difference of 1 or 2 minutes, we have to follow the following procedure to rectify birth time.

Moon's position in RP indicates Star lord, Sub-lord, Sub-sub lord, Sub-sub-sub lord. Whether it is matched with the Asc is to be found. The Asc sub lord and sub sub lord at the time of birth whether it matches with the RP Moon's sub sub or sub sub sub. If these do not agree within 5 minutes additions or deductions, then leave this and take Asc sub-sub only.

Birth time of the native, if it is found required to have difference of more than 15 to 20 minutes :

At the time of birth Asc sub lord should tally with RP's Moon position of Star-Sub-Sub Sub or anyone from this three. We have to give weightage in order of, Sub is stronger than Star; Sub Sub is more stronger than Sub. We have to adjust it according to availability.

There is doubt in birth time for 1 or 2 hours difference. In this type of situation we have to follow the following procedure to rectify birth time.

First let us take Asc RP. Note the difference of time that required birth Moon tallies with RP Asc. We may find 2 or 3 Moon's positions. To find out within these 2 or 3 positions of Moon we have to check the birth Asc position which will tally with RP Moon. If birth Asc Sub lord or Sub Sub Lord does not tally with RP Moon, we should move the birth time forward or backward within few minutes with the Moon remaining at the same position.

Ruling Planets:
At the time of rectification ruling planets are as under:
RP Date: 30-09-2014 Tuesday; RP Time: 11:36:29 AM IST
RP Place : Kankariya- Ahmedabad Lon/Lat: 23° N 00', 72° E 36'.,
Aynamsha 23⁰.58'.22"

	DL	SigL	StL	SbL	SSL
Day: Saturday	Sat				
Asc: Scorpio $20^0.21'.39"$		Mar	Mer	Ven	Rah
Moon: Scorpio $23^0.16'.27"$		Mar	Mer	Moo	Ven

Rahu is conjoined with Venus, hence represents Venus. Rahu is in Rahu sub and Rahu is in RP, thus we do consider Rahu in RP.

In my opinion, your date of birth is 02-01-1976 Friday.

It was informed that birth time is between 6 and 8 PM, we try to select star lord of birth ascendant.

A lady from a near by town wanted me to analyze the horoscope of her newly married husband and requested for any remedial measures to be done for him, who is bed ridden with a broken leg by an accident. According to her, they have registered their (love) marriage on 02 Jan. 2014 and celebrated on 28 March 2014. After 25 days of the marriage on 23 Apr. 2014, the native met with a serious motorbike accident and is still bed ridden.

In this chart reading the main and important hit in my mind is Kethu, the main Dasa period ruler at the time of these two good and bad events, which simultaneously signifies relevant houses for these events to happen. So I wish to draw the attention of new comers to KP for their good understanding to find out the correct reply for the question "How it happened?".

General Rule

Asc. cusp sub lord (CSL) is Ju in 6, owner of 7 Badhaka, in the star of Sa the owner of 8, and in own sub Ju in 6.

8th CSL is Ke in 6, very close to 7th cusp, aspecting Sa owner of 8, sign lord Ju in 6, owner of 7, in the own star, and in sub Ju in 6, owner of 7.

Asc. and 8th CSLs signify house 6,8 (accident), Maraka, Badhaka, and are connected with Sa, indicating a serious accident.

As per the above revelations the native is destined to have a love marriage and also to meet with a serious accident. According to the KP rules propounded by Guruji Sri KSK, if the DBAS do not signify required houses for the matter concerned, the promised matter may not come to be fruitful. In the chart under discussion, Kethu is the main period ruler during the times of both life events of marriage and accident. In other words Kethu happened to be a significator for 5, 7 for marriage and also 6, 8 for accident in this case.

Before we come to a conclusion in this connection, it is much better to understand the KP rules for Nodes for a comprehensive review.

Behavior of Nodes as described in KP literature

1. Astrology for Beginners, Vol 5, page 668 (Sri K. Subramanium)

"The role played by Rahu and Kethu has to be carefully assessed."

2.1. Ibid - page 669

"In the event of there being a planet in the star of the sign Lord of Rahu or Kethu, please see who is the star lord of the sign lord and in that case, Rahu/Kethu will signify the house occupied by the sign lord, the house occupied by the star lord of the sign lord and the houses owned by the star lord of the sign (provided there are no planets in the houses owned by the star lord of the sign lord. That is how you have to proceed when Nodes are concerned.)"

2.2 Ibid - page 669

"Nodes also will give the effects of the planets with whom they are conjoined or by whom they are aspected. This should also be taken into account, assessing the roles of the nodes."

3. KP Reader III, 1984, Part I, page 123

1. Rahu & Kethu indicates the results of planet which they are conjoined.
2. If no planet in conjunction, the results of planets aspecting them.
3. If neither conjoined nor aspected, the results of the Star lord.
4. Lastly the result of the sign.

4. Nakshatra Chintamani, Sri C.R. Bhatt, pages 18 & 19

" Rahu or Kethu is not allotted the ownership of any sign. It only occupies the sign in a house. So Rahu or Kethu works as an agent or representative of;
(a) The planet with whom it is in conj. or aspected
(b) The owner of the sign in which it is placed."
And also Sri Bhatt has elaborated the same as in above No. 3.

5. Sub Lord Speaks - 1, by K.M. Subramanian, page 23

"As node is in own star or sub, Rahu attains the full significaton of its Rasi Lord"

General Rule

Ffor Rahu/Ketu, the results of the followings are taken in the KP Readers depending on relevance to the matter under consideration regardless of their sequence of order:

1) House occupied,
2) Planet in conjunction,
3) Planet in aspect and
4) Star lord,
5) Sign lord.

Keeping the above rules of Nodes in mind, let us discuss the effects of Node Kethu, the planet concerned for the marriage of this native.

(a) *House occupied by Kethu*

Kethu is located in house 6, very close to 7th cusp.

(b) *Planet aspecting*

Kethu is aspected by Saturn in 5, lord of 8,9.

(c) *Sign lord*

Kethu occupies Sagittarius representing its sign lord Jupiter in 6, lord of 7,10.

(d) *House occupied by the Star Lord Kethu*

Kethu is in own star Kethu in house 6, very close to 7th cusp.

(e) Houses occupied and owned by the Sub Lord Jupiter

Kethu is in the sub of Jupiter in 6, lord of 7,10.

As per rules of nodes, Kethu is conducive to the marriage of the native with its signification / connection for 5,7. On the day of his marriage registration, Kethu was transiting in the sign Aries, where 11th cusp of the natal chart is locsted, in its own star and in the sub of Saturn in 5th in natal chart. On the day of the celebration of the marriage Kethu was transiting over the same 11th cusp, same own star and in the sub of Rahu, a significator of 2 by sign lord Mercury being the CSL of 2 having no planet in its star.

DBAS on the date of registration of marriage (02 Jan. 2014) and their significations
Ke- 5, 7 as discussed above
Me+- 2 by cuspal sub lordship as discussed above
Ke- 5, 7 as discussed above
Me- 2 as discussed above

DBAS on the date of marriage festival (28 Mar 2014) and their significations
Ke- 5, 7 as discussed above
Me+- 2 by cuspal sub lordship as discussed above
Mo+- lord of 2
Ma- lord of 11

Planetary cause for the accident

In connection with the accident, six KP rules for accident have been well satisfied as in the application of rules discussed above. It is not a matter to be surprised with detrimental signification of all the nine planets from Sun to Kethu in the chart i.e. 2, 6, 7 Badhaka, 8 & 12.

DBAS on the date of accident (23 Apr. 2014) and their significations

Ke - being the star lord of cusp 3* , signifies 6 by occupation and 6,7 by sign lord Ju and 8 by aspecting Sa
Me+- 8, lord of 4, aspects 2 Maraka & 3*
Mo+ - 2 Maraka, 3* by Western aspect Bi-Quintile
Su- 6, 12 and 3* for short journey
*Note - The native was riding his motorbike for a short travel from home to near by town.

Shri Kuppu Ganapathi is the only one who applies the Western aspects all the in his articles in the KP & Astrology magazine and late Shri Raichur had to make a special computer program of Western aspects at earlier stage especially for him.

Dasa lord Kethu's signification of house 7, as a marriage house, gives marriage to the native in combination of 5th (love affair) signification. At the same time this Kethu's signification of 7, as a Maraka, Badhaka house, is conducive to the serious accident for the native to be hospitalized for more than six months, in combination of signification of house 6 (injury) and house 8 (accident). "How these were happened?" is the double role of Kethu, good as well as bad at the same time.

In KP no planet is specified as totally benefic or malefic. The influence of a planet should be understood by signification at the planet, star and sub levels. This story is a good example to determine the exact influences of planets in many life events.

My paranam at the feet of Guruji Sri KSK for his inventing this unbeatable scientific Sub Lord theory of KP and my pranam to my honorable Guruji in KP.

French Examination Results

Will my daughter pass her French examination for which she appeared last month? If so, when?

This is the question posed by my wife on 12-12-2014 around 10.45 a.m. She gave me horary number 58.
On the same day at 11.01.51 AM, I started working on this question according to the horary number 58 at Secunderabad.

Since the question is raised by my wife, the chart is rotated for her daughter's house 5th as her lagna- LIBRA- and started working on the rotated chart.

MOON: In the original chart, Moon indicates the status of the querist's mind. Moon is the lord of 2nd in 2nd house (immediate family member). Moon's star lord Kethu is placed in 10 bhava (effort of writing the examination). Moon aspects 9th house (higher study). Kethu indicates that the querist is experiencing some tension or worry about the examination of her daughter. Moon's sub lord Venus as 5th lord (daughter) is in 6th house (facing competitive exams). From this it is clear that the query is genuine.

Ascendant (lagna sub lord indicates the query): In the original chart, ascendant lord Mercury is also the lord of 4th(education) which is placed in 6th (competitive exams). It is in its own star. It is in Saturn sub, lord of 8 (experiencing some tension, apprehensions and curiosity) & 9 (higher education) is placed in 5th (daughter).

From the above analysis of Moon and the Ascendant it is assured that the querist's mind clearly speaks of her intensions and it is a good indication to proceed further in the analysis of the horary chart.

First method:
K.P. rules with regard to success in the examination say that-
If the 4th cusp sub lord is the significator (in the star of the occupant or owner) of the 4 (examination), 6th (competitive examination), 9(higher study) or 11(success), the success is assured in the given examination and it will be materialized during conjoined period of the significators of 4, 6, 9 and 11. All the cusp sub lords and star lords should not be in retrograde motion in horary analysis.

(1)The 4th cusp sub lord is Mercury in the roateted chart. So 4th cusp sub lord should signify 9, 6 and 11 for success in the examination.
Mercury is the lord of 9 and 12, in 2nd. Mercury is in Mercury star and Saturn sub. Saturn is the lord of 4 and 5, in 1st. So Mercury signifies 4, 9.

(2) 9th cusp sub lord is also Mercury. Mercury who is the significator of 4 and 9th cusps is the karaka for languages. 9th cusp co rulers are Sani- Rahu- Venus. The star lord of 9th cusp Rahu signifies foreign languages – French-- for which her daughter has taken an examination.

(3) 6th cusp sub lord is Kethu which signifies 6,9,10 and 11.

(4)11th cusp sub lord is Moon. Moon is in Kethu star and Venus sub. Moon signifies 6 – competitive examination and 9 higher study by its aspect

So success is assured in the French examination. However 11 cusp sub lord Moon is aspected by Saturn which will cause delay in fructification of the event.

Significations of house 4- 6- 9-11:
4th house-Sat
9th house—sun- Merc –Kethu- Jup.
11th house- Sun
6th house—Moon-Ven-Kethu-Jup.

Ruling planets: On 12-12-2014@11-01-51 A.M @ Secunderabad
Lagna: Sat-Mar-Kethu
Moon: Sun-Kethu-Ven
DL: Ven

Moon is taken as additional ruling planet apart from the above regular R.Ps.
(Apart from the above RPs, any planets in conjunction / aspected by the above ruling planets are also considered as ruling planets by some KP astrologers. Moon is aspected by the 10th aspect of Saturn and 8th aspect of Mars.)
So Ruling Planets are –Kethu-Venus-Sat-Sun, Mars and Moon.

Dasa Analysis
The period at the time of judgment is Kethu Dasa (12-12-2014 to 25-4-20210) and Venus bhukthi (22-9-2014 to 22-11-2014).
Kethu is in the R.Ps and signifies 9 and 11. Venus+ is in the R.Ps and signifies 6 (competitive exam).

The anthara period is SUN (2-12-2014 to 23-12-2014). Though Sun is in the R.Ps, it is in Jupiter sub. The sub lord Jupiter which is in retrogression motion gives only negative results and so it is not considered.

The next anthara period is MOON (23-12-2014 to 27-1-2015). Moon is in the R.Ps. Moon, the 11th cusp sub lord, signifies 6(competitive exam) and its star lord Kethu signifies 9.

Sun will be transiting in Venus star from 29-12-2014 to 11-1-2015 and Venus as sub lord of anthara lord Moon is in the R.Ps and significators.

Now we are left with Saturn in the list of Ruling planets.
Moon anthara extends from 22 Dec 2014 to 27 Jan 2015 and Saturn sookshma period extends from 7 Jan 2015 to 13 Jan2015. Sun will be transiting in Sagittarius sign on Venus star from 29 Dec 2014 to 11 Jan 2015. Venus is the sub lord of Moon anthara lord and Bhukthi lord also.

DASA LORD Kethu signifies -6, 9 and 11 and so it is favorable to give successful result.
BUKTHI LORD Venus+ signifies- 6 at both levels and assures success in the exams.
ANTHARA LORD Moon signifies-6, 9 and 11.
All the Dasa, Bhukthi and Anthara lords are connected by the sub lords of the 4, 6, 9 and 11 cusps.

Taking the transits and significators into consideration I thought that the results would be declared on 5th January 2015 Monday when Moon will be transiting on Rahu star. Rahu represents Mercury 9th significator and the day lord Moon signifies 6th.

Facts of the case:
The actual facts of the case is that exam results were declared on 8th January 2015. When I checked up the transits on 8th I observed that Sun will be transiting in Sagittarius – Jupiter sign, Venus star, Saturn sub and Mars sub sub (up to 24.00.00 longitude).
Moon was transiting in Cancer sign on Mercury star Saturn sub and Saturn sub sub when the actual results were communicated by mail.

Second method: (This is post analysis only to see the efficacy of this method)
Fructification of the event by taking only ruling planets with help of sun transit only.
Among the available methods the best method for predicting the timing of the event, I have preferred to choose is the Ruling Planets method and Sun transit.

The ruling planets at the time of judgment are –Kethu-Venus-Sat-Sun-Mars and Moon, as discussed above.

At the time of erection of the horary chart Sun is transiting in Scorpio sign.
In the Scorpio sign there are three stars whose lords are Jupiter- Saturn- Mercury. Sun is transiting on Mercury star up to 16 Dec 2014 and Mercury is not an R.P.
The next sign in which Sun will be transiting is Sagittarius from 16-12-2014 to 14-1-2015.
In this sign there are three stars whose lords are KETHU- VENUS-SUN.
Kethu is in the ruling planets and Sun will be transiting on Kethu star from 16-12-2014 to 29-12-2014. Kethu acts as an agent for Jupiter who is in retrograde motion, and so I have not considered Kethu to give the result.

The next star Poorvashada whose lord is Venus is in the R.Ps. Sun will be transiting on Venus star from 29-12-2014 to 11-1-2015. Venus is reflected twice in the R.Ps. and so I have chosen it for materialization of the event.

Next step is to arrive at the correct Sub lord to give the result. We are left with Saturn, Mars and Sun.

Below is the table of subs on which Sun will be transiting in Jupiter sign and Venus star---

DATE From			SGL	STL	SBL
29-12-2014	TO	31-12-2014	JUP	VEN	VEN
12-2014	TO	2-1-2015	JUP	VEN	MOON, MARS & RAHU
3-1-2015	TO	4-1-2015	JUP	VEN	RAHU
5-1-2015	TO	6-1-2015	JUP	VEN	JUP
7-1-2015	TO	8-1-2015	JUP	VEN	SAT

The institute has declared holidays from 25 Dec 2014 to 02 Jan 2015 and remained closed. Even if it was not the case of holidays the sub lords Rahu and Jupiter are not selected for our consideration as they are not in the Ruling Planets.

Though the sub lord Saturn on 7th January could have been taken for our consideration but yet it is negated, as it is in the sub sub lord of Mercury which is not a Ruling planet.

On 8 January 2015 Sun is transiting on Jupiter sign Venus star Saturn sub and Mars sub sub and I could boldly declare that the results will be announced on 8-1-2015.

The fact is that the results are declared and displayed in their web site 8th January early hours.

My humble pranams to Sri K.S.Krishnamurthy garu founder of the ruling planets and sub lord theory in our K.P System. My sincere thanks to Sri Kayak Ji who has inspired me indirectly by giving enough opportunities to write articles in our esteemed magazine.

Name: Female
Question: Will misunderstanding between the two families make effect on marriage of their daughter and son that is to be materialized on 10 March 2015?
Number: 15 (our of 249)
Date of question: 28-02-2015
Date and time of Judgment: 28-02-2015, 03.45.45 pm (Noon)
Place of Judgment: Jaipur, Gopalpura, Rajasthan

Back Ground: One of my known Mrs. X came to me and asked about a problem regarding a matrimonial matter related to her family. She told that the bridegroom family has got email from an unknown about an affair of bride. Mrs. X belongs to the bride family. The bridegroom family just shared this email with the bride family. The bride family got into anxiety and mental agony too. The bride was not actually in any affair after deciding to marry with the present one. Marriage date was already decided for 10 March 2015. So Mrs. X was worried whether this misunderstanding will cancel the decided marriage ceremony. She had great curiosity about KP astrology answers so she asked question whether marriage will be solemnized or not. Question was related to an event which was to be happened or not happened in a ew days.

My View: I reframed the question that firstly whether both the families will agree or not agree to remain firm on decision of solemnized marriage on 10 March 2015. For that both the families need to talk on the issue and decide before 10 March 2015. I decided to do it with help of ruling planets because this was an event which answers yes or no within a week from the date of question.

Ruling Planets at 15.45.45 on 28-02-15
Asc sign lord– Moon
Asc star lord –Saturn
Moon sign lord –Mercury
Moon star lord–Rahu
Day lord–Saturn
Rahu is agent of Mercury

Analysis: If both the families negotiate and discuss the issue to clear their views on this matter within 4-5 days, then only it could be decided whether marriage will take place or not. I preferred to analyse it as an event of yes or no that is supposed to be decided actually in 7 days. So I took day lord 'Saturn' as the most important deciding factor.

Hints: Event which is to be occurred or not occurred, then on day of Asc sign lord planet from the day of day lord planet, the event will take place. Question was asked on Saturday which is the day of day lord Saturn.
Asc sign lord is Moon. Day lord of Moon is Monday. I guessed on coming Monday means on 2.3.2015 it will be decided about cancel or not cancel the marriage. I also cross checked Sun transit on these dates. Sun is in kumbha (Aqurius) sign of planet Saturn. Presently Sun is going through satabhisha star of Rahu i.e. RP and that will remain there by 4 March 2015. Then Sun will go through star P. Bhadre of Jupiter.

Jupiter is not in the R.P. So I analyzed that negotiation will be successful if it is done in the period before 4 March 2015 and after 2 March 2015. 2 March was also the day of Moon Asc sign lord. So I advised them to sit together on 2.3.15 to get final position for yes.

Final outcome: I came to know on 3.3.15 that both families sat together on 2.3.15 and clarified the issue. Then there was no misunderstanding. Marriage was decided for the same date. I also came to know that the bride family followed my advice not to talk with the bridegroom family on Sunday, 1 March 2015. Despite so much anxiety and agony they preferred 'Monday' to talk. Ruling planets played the charismatic role. I am amazed.

Thank god and Sh. Kanak Bosmia my first teacher of KP who extended his warm blessings upon me to share my experience with readers.

Question 1: When would I get a job?

Hints
If the cuspal sub lord of the 6th or 10th be the significator of 2, 6 or 10 service or earning is promised during the joint period of the significators of 2, 6 and 10.

Cuspal Sub lord

6^{th} Cusp. (Leo $05^0.20'.06"$) : The sub lord of the 6^{th} cusp is Mars. Mars is in the star of Moon and sub of Ketu. Mars is occupant of 11, owner of 2-9. No planet is in the star of Mars and Mars is the CSL of 6. Star lord Moon is occupant of 8, owner of 5. Sub lord Ketu is occupant of 5. Ketu is aspected by Saturn and Jupiter. Saturn is occupant of 3, owner of 11-12. Jupiter is occupant of 8, owner of 1-10. No planet is in the star of Jupiter and Jupiter is the CSL of 4-10. Hence 6^{th} cusp sub lord Mars signifies 5-8 and connected with 2-9-11-6-5-3-12-8-1-10-4. 6^{th} cusp sub lord indicate 2-6-10 along with 1-5-9, which give you less satisfied job as well as frequent change in job.

Joint Period
At the time of judgment, you are running Mercury Dasa from 01-12-2007 to 01-07-2024. Running joint period is Mercury-Sun-Mars from 07-04-2014 to 25-04-2014.

Dasa lord Mercury is in the star of Venus and sub of own. Mercury is occupant of 6, owner of 4-7. Star lord Venus is occupant of 7, owner of 3-8. Thus dasa lord signifies 6.

Bhukti lord Sun is in the star of own and sub of Mercury. Sun is occupant and owner of 6. Sub lord Mercury is occupant of 6, owner of 4-7. This bhukti signifies 6.

Running Antra is Mars, which ends on 25-04-2014, thus I go for next Antra Rahu from 25-4-2014 to 11-6-2014. But 6^{th} cusp sub lord's signification of 8 indicates delay, so I go for next Jupiter antra from 11-6-2014 to 22-7-2014.
Jupiter is in the star of Saturn and sub of Venus. Jupiter is occupant of 8, owner of 1-10. No planet is in the star of Jupiter and Jupiter is the CSL of 4-10. Star lord Saturn is occupant of 3, owner of 11-12. Sub lord Venus is occupant of 7, owner of 3-8. Thus this antra signifies 10.

My opinion: During 11-6-2014 to 22-7-2014, you will get a job which is not satisfied as well as steady job.

Outcome: Prediction comes correct.

Marriage

KURNOOL- 4. (AP) Mobile:- 09440220874.

My Prediction about the Marriage of Chi. G.Sirisha, M.Sc(Maths), MBA(HR);
D/o Sri.Ramana Babu,(9396628883), Retd. RTC Conductor, Kurnool.
D.O.B. = 02-12-1982; Thursday; T.O.J. = 05-45-00AM; P.O.B. = Kurnool, 15-50 N; 78-03 E;

R.P's at the time of judgment (27-12-2013; Friday; 10-03AM; Kurnool) are as follows:-
Lagna Star lord = Mars
Lagna Sign lord = Saturn
Moon Sign lord = Mars
Moon Star lord =Venus
Day lord =Venus
Include Rahu and Ketu also as RP's because Rahu is conjoined with Saturn, the ruling planet and also in the sign of Venus(Tula). Ketu is aspected by Saturn and Mars and Ketu is in the sign of Mars (Mesha sign).
Ketu is aspected by Saturn and Mars. Ketu is in the sign of Mars Mesha). Hence the Ruling Planets are Mars-Saturn-Venus-Rahu & Ketu.

R.P's at the time of birth time are as follows:-
(D.O.B. = 2-12-1982, Thursday; T.O.J . =5-45-00 AM(IST); P.O.B. = Kurnool.)
Astd. Sign lord=Mars,
Astd. Star lord =Saturn.
Astd. Sub lord =Saturn.
Astd. Sub-sub lord= Rahu.
Astd. Sub-sub-sub lord =Moon.
Except Moon, the remaining co-rulers of Ascendant at birth are directly reflected/seen in the list of R.P's at the time of judgment. The sub-sub-sub lord of Ascendant is Moon at birth. This Moon is in the sign of Venus (tula) in the star of Mars and in the sub of Saturn. All the co-rulers of Moon at birth are appearing in R.P's at the time of judgment. So, the given time (5-45 AM) is correct. No need of rectification of birth time.

Moon is in the sub of Saturn. So, Punarphoo Dosha is formed in this natal chart. It is an indication of delay in marriage.

Whether marriage is promised or not?:- If the 7th cusp sub lord signifies 2,7 or 11, marriage is promised.
7th CSL Mercury (1-8,11) is in the star of own Mercury (1-8,11) and in the sub of Moon (7-9). So marriage is promised to this native.

Table of significators of 2-7-11.

II	Ketu, Moon	Ketu, Mars.	Jupiter	Jupiter
VII	–	Moon	–	Venus.
XI	–	–	Mercury, Venus	Mercury.

Selection of fruitful significators is as follows:-

1. Jupiter is the 2nd bhaava significator and it is in the sub of Rahu (8). But it acts as an agent of Mercury (1-8,11). O.K.
2. Mars is in the 2nd bhaava and it is in the sub of Rahu. Rahu(8). But it acts as an agent of Mercury (1-8,11). O.K.
3. Ketu is in the 2nd bhaava and it is in the sub of Mercury(1-8,11). O.K.
4. Venus is the 7th and 11th bhaava significator and it is in the sub of Moon(7-9).O.K.
5. Mercury is the 11th bhaava significator and it is in the sub of Moon(7-9).O.K.
6. Moon is the 2nd and 7th bhaava significator and it is in the sub of Saturn(12-3,4). No signification of 2-7-11 as sub-wise. So delete Moon.

Therefore, the fruitful significators of 2-7-11 are Jupiter, Mars, Ketu, Venus, & Mercury.

Now Jupiter/Venus is running from 22-05-2012 to 21-01-2015.
Jupiter/Venus/Mercury = 10-07-2014 to 25-11-2014.
(We have so far selected only three planets Jupiter, Venus and Mercury as dasanatha, bhukthinatha and anthranatha. Out of the remaining two planets one may be selected as sookshmanatha.)

Therefore, marriage will take place during the following mentioned periods.
1. Jup/Ven/Merc/Ket = 30-07-2014 to 07-08-2014.
2. Jup/Ven/Merc/Mars=17-09-2014 to 25-09-2014.

Actual out-come:- Marriage took place on 11-05-2014, night 11-45 at Kurnool

Note from Editor Kanakkumar Bosmia:

I received a phone call from Murthy ji to add my note in this article, why prediction went wrong?

Joint period:
At the time of horary, Jupiter dasa continues up to 10-07-2020. Joint period at the time of horary judgment is Jupiter-Venus up to 21-01-2015.

Dasa lord Jupiter is lord of 2nd thus OK.
Bhukit lord Venus is lord of 7 thus OK.
For Antra we have running antra Jupiter, we have taken Jupiter as a Dasa lord, next is Saturn and Saturn is in the star and sub of Rahu. Saturn is occupant of 12, owner of 3-4. Star and sub lord Rahu is occupant of 8. Rahu is agent of Mercury, Mercury is occupant of 1, owner of 8-11. Thus Saturn signifies 11 thus OK.

My opinion: Marriage was on 11-05-2014 thus during Jupiter-Venus-Saturn up to 10-07-2014. If we check Sookshma, it was Moon. I never go up to Sookshma, but if we check Moon, Moon is occupant of 7 thus OK.

Important point to be understood:

- If you use 4 fold significator table you can't find Saturn as significator but due to Rahu's agent it signifies 11.

- Strong significator and weak significator are not always useful in advance prediction, personally I never use it. I know great criticizer now publishes scan page, but no matter, only theory never helps, only practical application is useful. Remember one thing to live in present and use new development, not go backward to "Paththar Yuga"

- He uses RP for ratification and to do rectification it will take time and so that RP do not work for selection of DBAS. Thus we have to use RP at the time of selection of RP or without RP. Even it happened so I try without RP as per my understanding.

Name & Sex of the Querent: My astrologer friend.
Question of the Querent: Will my missing mobile be found?
Horary / Seed / Divine No. 65 (out of 249).
Date & Time of judgment: 02-01-2015, 10:47:50 PM
Place of judgment: BHOPAL – 23N16, 77E24, M.P., India.

Consider the houses 2, 6 and 11 for recovery; (2nd - mobile; 6th is 12th to 7 – loss for opponent means gain for native; 11th - fulfillment of desire}
Consider the houses 5, 8, 12 for no recovery.

Hints:
If the cuspal sublord (CSL) of 2nd signifies or is in connection with 2, 6 or 11, recovery will take place during joint period (DBA) of the significators of 2, 6 and 11.
If the 2nd CSL signifies or in connection with 5,8,12, then no recovery.

Moon reveals the nature of query.
Moon (Taurus 19-05-11) is in star of Moon and sub of Mercury. Planet Moon is the occupant of 11, owner of 2. Starlord Moon is the occupant of 11 & owner of 2nd. Sublord Mercury is the occupant of 7, owner of 4 & 12. Moon signifies the relevant houses 2 & 11, hence query or urge is genuine.

Cuspal analysis
2nd Cusp (Cancer 25-43-24): The sublord of 2nd cusp Rahu is in star of Moon and sub of Venus. Rahu is positioned in 3rd house, and in sign of Virgo representing Mercury, occupant of 7 and owner of 12. Starlord Moon is occupant of 11 and owner of 2, Sublord Venus is occupant of 7th and owner of 5th. Rahu signify 3, 7, 12, 2, 11, 5, 7.

Here 2nd CSL Rahu signifies 2, 11, 3, 12, 5, 7; both positive and negative house are there, but desired houses 2, 11 are signified by star lord, indicating recovery there.

Check 11th CSL for cross verification (fulfillment of desire).
11th Cusp (Aries 28-54-33) The Sublord of 11th cusp is Mars in star of Mars and sub of Saturn. Planet Mars is occupant of 8th owner of 11. Starlord Mars is occupant of 8th owner of 11. Sublord Saturn is occupant of 5th owner of 7, 8. It signifies house 11 for recovery.

My Opinion: Both 2nd & 11th CSLs promise recovery.

DBA at time of judgment: Mo-Me-Ra

Dasha lord Moon, is occupant of 11 and owner of 2. Starlord Moon again signifies 2, 11. Sublord is Mercury, occupant of 7 and owner of 4, 12.

Bhukti lord Mercury is occupant of 7 and owner of 4, 12. Starlord Sun is occupant of 6 and owner of 3rd. Sublord Jupiter is occupant of 2 and owner of 6, 10.

Antra lord Rahu is occupant of 3 and in sign of Mercury which is occupant of 7 and owner of 4-12. No planet is in the star of Rahu and Rahu is the CSL of 1-2-4-8-10.

Punerphoo is present in this chart, so event will take time to materialize. We therefore drop Rahu Antra & check next Antra Jupiter who is occupant of 2 and owner of 6,10.

To verify with the help of RPs, and at the time of judgment RPs were:
Asc: Su-Ve-Me; Moon: Ve-Mo-Me; Day: Friday (Venus).

Here Jupiter is not in the RPs but it is occupant of 2nd our desired house and also owner of 6th so we cannot omit Jupiter at any cost.

Sookshma were remaining: Ju, Sa, Me, Ke, Ve, Su, Mo, Ma, Ra
After filtering RPs we found that Me & Ven are very strong in RPs, Venus is karaka as well as repeating 3 times in RPs. So final DBAS selection:
Mo-Me-Ju-Ve (12 Feb to 23 Feb 2015)

Given Prediction: Your mobile will be found before 23 Feb 2015.

Actual Fact: Prediction comes correct; he replied me on 16-Feb-2015 that his mobile was found.

Question: Marriage, when?
Date of birth. 16-04-1989, Sunday; Time of birth. 12-48 PM IST
Place of birth: Saraspur-Ahmedabad; Lat/Long: 23° N 1', 72° E 36',
Ayanamsa: 23.37.2

Hints

1) If the cuspal sub lord of the 7th be the significator of 2, 7 or 11, marriage takes place during the joint period of the significators of house 2, 7 and 11.
2) If the sub lord of the 5th cusp (love) be the significator (in the star of the occupant or owner) of 7 or 11, the native will have love marriage.
3) If the sub lord of the 5th cusp (Love) be the significator (in the star of the occupant or owner) of 6 or 12 the native will not have love marriage.
4) If 5th cusp sub lord signifies 6, then his/her lover breaks relation, and if it signifies 12, native him/her self breaks relation.
5) If 5th cusp sub lord signifies 2 or 11, one will fall in love.
6) If the sub lord of the 7th cusp (marriage) be the significator (in the star of the occupant or owner) of 5 or 11 marriage promises with whom he/she like.

Cusp 7th. (Capricorn $9^0.16'.16"$): The sub lord of the 7th cusp is Venus. Venus is in the star of Ketu and sub of Rahu. Venus is occupant of 10 and owner of 4, 11. Star lord Ketu is occupant of 2 and Ketu is agent of Moon occupant of 2, owner of 1. Sub lord Rahu is occupant of 8 and Rahu is agent of Saturn occupant of 6, owner of 7-8. Hence 7^{th} CSL signifies 2, 7 (marriage), 11, so marriage is promised.

Truth in K.P. after Exhaustive Research

On 09-08-2011 a client came to me exactly at 9-45 AM to obtain the astrological prediction about his second marriage as he got recently a few months back divorce orders through court for his wife. I asked him to give a horary number from 1 to 249. Immediately he uttered 45/249. Then I asked him to come tomorrow morning at 10 or 11 AM for my prediction. On the same day I went to Anantapur on my personal urgent work and arrived my home on 9/10-08-2011 at night 12-55 AM. After refreshing myself, I sat for analyzing the horary chart of my client because he will come for prediction tomorrow from Adoni which is nearly110 K.M. distance from Kurnool. The details of the horary chart are hereunder furnished.

Name of the client:- Mr. Y.H.P.; Question:- Recently I have got the divorce orders for my wife through court. Now I want to marry. Is there second marriage for me? If so, when?
Horary Number given by him is 45/249. D.O.J.= 10-08-2010; T.O.J.= 01-11-00 AM; P.O.J.= Kurnool (A.P.); 15-50N; 78-03E.

Moon indicates the mind of the questioner and the nature of query.
In this horary chart, Moon is in 2 and the lord of 2 & 3.Moon is aspecting 8th & 9th.(8th indicates worries, disappointments, obstructions etc. regarding his second marriage. 9th indicates second wife- as per Kanakji). It is in the sub of Ketu, having no planets in its stars, and the CSL of 11. It is stationed in 1. Thus the mind karaka Moon is well connected either directly or indirectly to the required houses i.e. 2, 8, 9 or11.

Horary Number Ascendant sub lord Sun is in the star of Mercury. Moon is also in the star of Mercury. Both Sun and Moon are in the star of Mercury. So the answer is positive to the querent.

If the cuspal sub lord of the Ascendant or the 11th cusp is posited in the improving houses (1,2,3,6,10 & 11) or it it is in the constellation of the occupant of improving houses, generally the querent gets success in all undertakings.
(1=success in one's effort; 2= gain in money matters; 3= help from others i.e. neighbors as well as from younger brothers and sisters.; 6 = gain to the querent; (loss to the opponent); 10 = profession, name and fame; 11= fulfillment of desire, profits and gains to the querent.)

In this horary chart, the Ascendant sublord Sun is in 2 along with Moon, the 2nd lord and the Sun is in the star of Mercury who is at 3.
The 11th cusp sub lord Ketu is in 1. Thus both the Ascendant sub lord and the 11th sub lord are well connected to the improving houses. So success to the querent is promised.

RULE. (I) for second marriage:- "Second marriage is indicated if the following two conditions are simultaneously satisfied:-

The sub lord of the 7th cusp is deposited in a dual sign or in the constellation of a planet in or owning a dual sign or if the sub lord of the 7th cusp is Mercury ; and
The sub lord of the 7th cusp is also a significator of either of the houses 2 or 11.

If anyone of the above two conditions is not satisfied, then second marriage is denied".....(written in Horary Astrology, Reader VI.. Page no. 165.)

In this horary map, Mars+ the sub lord of the 7th cusp is deposited in a dual sign – Virgo and it is also a strong significator of 2 and 11 houses. (Some of the Astrologers are considering Virgo also as a dual sign). Thus as said above both the conditions are satisfied simultaneously. So the second marriage is promised to this querent.
NOTE:- All the 7th cusp co-rulers (Jupiter/Ketu/Mars) are posited in the dual signs. Jupiter is in Meena sign; Ketu is in Mithuna sign; Mars is in Kanya sign. Moreover Ketu having no planets in its stars is in 1 in the star of Rahu who is in 7.

The 2nd cusp sub lord Moon(2-2,3) is in the star of Mercury(3-1) and in the sub of Ketu(1).

The 7th cusp sub lord Mars+(4-6,11) is in the star of Moon(2-2,3) and in the sub of Rahu(7).

The 11th cusp sub lord Ketu+ at 1 is in the star of Rahu at 7. Thus all the sub lords of 2-7-11 houses signifying the required marital houses. Therefore second marriage may be expected to this querent.

RULE.(II) of second marriage:- Second marriage is indicated if the sub lord of the 2nd cusp is well connected to either of the houses 7 or 11.
In this horary chart the second cusp sub lord Moon (2-2,3) is in the star of Mercury(3-1) and in the sub of Ketu(1). Thus 2nd CSL Moon is not connected to 7th . Therefore, this rule is not satisfied for this querent.

RULE. (III) of second marriage:- As per Kanak Bosmiah Ji:- If the 9th cusp sub lord signifies 2,9 or 11 then the second marriage is promised.
The 9th cusp sub lord Jupiter+(10-7). No planet is in the star of Jupiter and Jupiter is the CSL of 3-9. Jupiter is in the star of Saturn(4-8,9,10) and in the sub of Venus(4-5,12). Jupiter+ is a self- strong significator for 9th cusp. Therefore the second marriage is promised as per this theory.

Ruling Planets in the Descending Order
1) Ascendant Starlord =Moon
2) Ascendant Signlord =Venus
3) Moon Starlord =Mercury
4) Moon Signlord =Moon
5) Daylord =Moon.

Ketu may be included in RP's list as it is in the sign of Mercury (Gemini).Then the Ruling Planets are Moon, Venus, Mercury, and Ketu only.

Common Planets (fruitful Planets) among the House-wise significators and the Ruling

Planets are Moon, Venus and Ketu only.

As per Kanakkji's rule said above, Jupiter having no planets in its stars holding the sub lordship of 9th cusp signifies 9th strongly as it is in the star of Saturn. But Jupiter is in retrograde motion. Jupiter will become direct on 19th November 2011.

"In horary horoscope, planets in retrograde motion, if deposited in the constellation of a planet which is in direct motion indicates that after some obstacles and delay, the matter will materialize, when it is in direct motion and passes beyond the point wherefrom retrograde motion started"--- is written in Horary Astrology VI Reader—Page No.146.

As per this rule, the matter will materialize when Jupiter will become in to direct motion. Jupiter will be in direct motion on 19-11-2011. Thus I predicted that the second marriage will take place during the period from 19-11-2011 to 28-02-2011. But my prediction is utterly failed. How?

After exhaustive research the truth which is mentioned hereunder has been found.
Truth after exhaustive research:- At the time of judgment the querent is running Mercury/Ketu/Moon as D/B/A. (Mercury is appearing in the list of Ruling Planets as well as in the D/B/A. But he is not seen in the list of 2-7-11 significators list). Mercury is not in the Common Planets list.
So we can predict boldly that second marriage will never occur to this querent. Therefore it is found that the Mercury period is not favourable for second marriage which ends on 22-11-2024.
Actual fact: - Even to-day this querent is unmarried after the divorce. Still he is living alone.

We can learn a lesson from this analysis that promise of an event is not a guarantee for materialization; even though the cuspal sub lords favour for an event, if the dasa lords are not found favourable, then the event will not fructify.

Question- 1: Logic Behind Sequence and Allotted Years of Planets in Vimshottari Dasa
In Vimshottari dasa system applied in astrology, different time periods are assigned to planets, like Venus 20 years, Sun 6 years etc.
What is the logic in this allotment?

Answer - 1:
Sage Parashara's Saying
Regarding Vimshottari dasa system, Maharishi Parashara said in his Brihat Parashara Hora Shastra, Vol. II, trans. R. Santhanam, Ranjan Publications, 1984, Ch 46 v12-15, p 507:

"In Kali Yuga the natural life span of a human being is generally taken as 120 years. Therefore, Vimshottari Dasa is considered to be the most appropriate and the best of all. "

"Beginning from Krittika the lords of Dasas (periods) are the Sun, the Moon, Mars, Rahu, Jupiter. Saturn, Mercury, Ketu and Venus in that order."

"The periods of Dasas of the Sun, the Moon, Mars, Rahu, Jupiter, Saturn, Mercury. Ketu and Venus are 6, l0, 7, 18, 16, 19, l1, 7 and 20 in that order."

Earlier Attempts to Solve Mysteries
The sequence and allotted years for planets in the Vimshottari dasa system are so mysterious that in earlier attempts of Dr. Kar of the Sub Sub theory and Krushna of KAS system, the approach in explaining the years allotted to planets is not consistently the same for all planets.

Not First Attempt

2. This is not the first time attempt to solve the mysteries of sequence and years allotted of planets in the Vimshottari dasa system since there are at least two earlier attempts as mentioned above.

Total 120 Years of Vimshotarri Dasa

3. The total 120 years of Vimshotarri dasa is the natural life span of a human being as clearly said by Sage Prashara.

4. So the 120 year Vimshottari dasa may not be applicable for the nation charts whose life can be more than one circle of 120 years like USA.

5. In the case of event charts like oath taking charts of presidents, prime ministers, chief ministers for 4 or 5 year term, launching space mission for a particular period, annual chart or Hindu new year chart for one year, the relevant 4 or 5 year, particular period or one year compressed Vimshottari dasa is to be applied.

Years Alloted to Planets

6. The years allotted to planets [in the order of Sun (6 yrs) - Moon(10 yrs) - Mars (7 yrs) - Rahu (18 yrs) - Jupiter (16 yrs)- Saturn (19 yrs) - Mercury (17 yrs) – Ketu (7 yrs) - Venus (20yrs)] equal to 4 times of "Angulamsha" figures assigned to planets in Singhalese (Sri Lankan) "Samudrik Shastra and Angalakshana" vs 1/4 of planetary years in Vimshottari dasa system equal to "Angulamsha" figures in Singhalese "Samudrik Shastra and Angalakshana" don't explain the rationale of years allotted to planets in both this Singhalese Shastra and Vimshottari dasa. And Singhalese Shastra is without evidence of original manuscript to believe to be the foundation of Sage Prashara's Vimshottari dasa.

Sequence of Dasa Planets

Solar System

7. Moving along the Zodiac, beginning with Sun, next is Mercury, next Venus, then Earth along with Moon, Rahu and Ketu; next to Earth is Mars, next is Jupiter, then Saturn.

8. Such taking Rahu (18 years), Mars (7 years), Saturn (19 years) and Jupiter (16 years) to make a total of 60 years - one half of Vimshottari dasa - in the outer zone of the Earth and similarly, the other group headed by Ketu (7 years), Venus (20 years), Sun (6 years), Moon (10 years) and Mercury (17 years) to make a total of 60 years - the other half of Vimshottari dasa- in the inner zone of Earth, and two groups together making the 120 years of Vimshottari dasa, doesn't explain the rationale of sequence of dasa planets Mars, Rahu, Jupiter and Saturn in the outer zone and also Mercury, Ketu, Venus, Sun and Moon in the inner zone according to:

1) distance from Sun, i.e. Sun, Mercury, Venus, Moon and Ketu in the inner zone, and then Rahu, Mars, Jupiter and Saturn in the outer zone; or

1) speeds of planets from the fastest graha to the slowest graham, i.e. Sun (59.1 m per day), Moon (13 d 10.6 m per day), Mercury (59.1 m per day, Ketu (3.1 m per day) and Venus (59.1 m per day) in the inner zone, and then Mars (31.4 m per day), Jupiter (5 m per day), Ketu (3.1 m per day) and Saturn (2 m per day) in the outer zone.

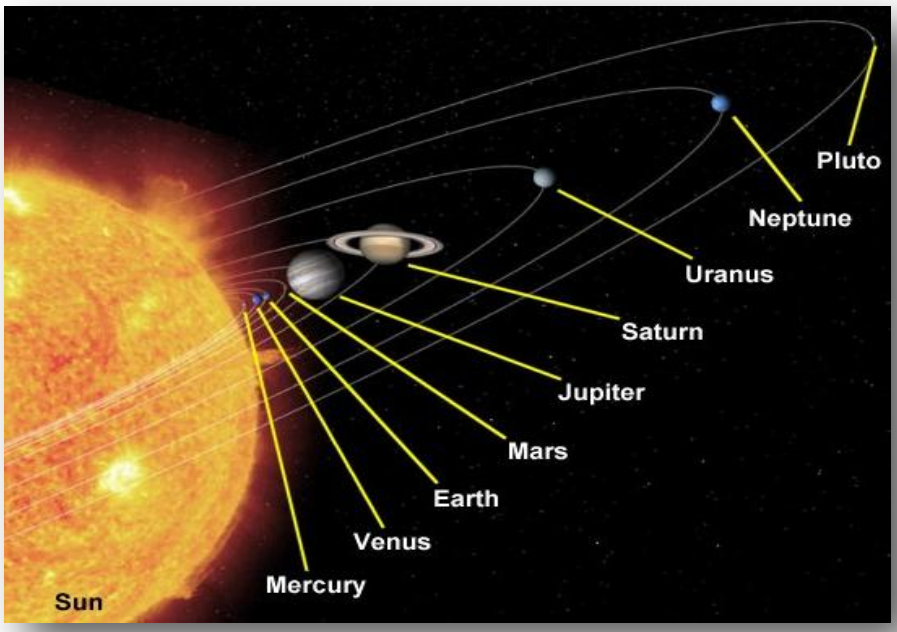
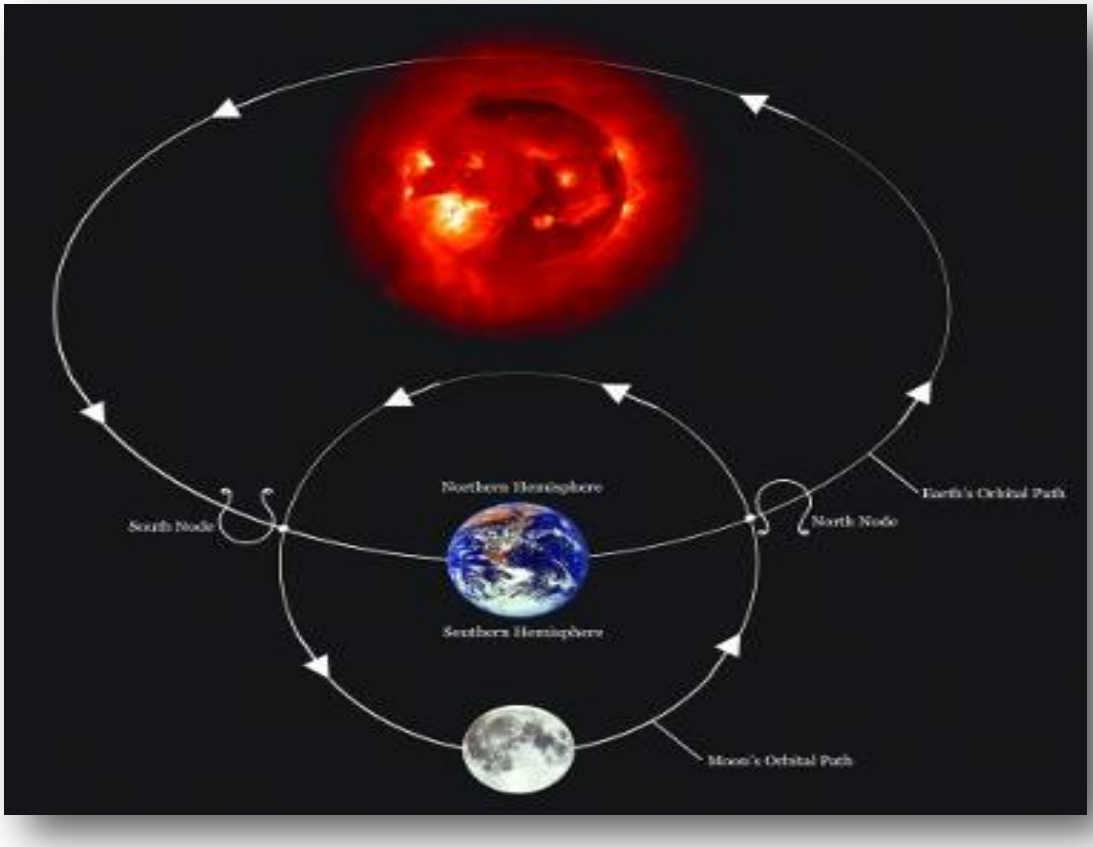
Planets in Solar System



Moon, Rahu & Ketu in Solar System



10. So the sequence of dasa planets, Sun (59.1 m per day)- Moon (13 d 10.6 m per day)- Mars (31.4 m per day) – Rahu (3.1 m per day)- Jupiter (5 m per day)- Saturn (2 m per day)- Mercury (59.1 m per day)- Ketu (3.1 m per day) - Venus (59.1 m per day) in the Vimshottari dasa system is not according to the natural flow of the planetary sequence from the fastest planet to the slowest planet.

11. No rationale can be found to put Ketu - which is along Moon- before Venus stationed before Moon, and to put Rahu - which is also along Moon - after Mars stationed after Moon

in the solar system in order to make two groups of inner and outer planets of 60 years each.

Quantitative Values of Dasa Periods

12. Whether the rationale of sequence and allotted years of planets in the Vimshottari dasa is known or unknown, the timing of the dasa periods is changing quantitatively depending on:

1) starting dasa from Moon or Ascendant,
2) 360 days per year or 365 days per year applied, and
3) ayanamsa used.

13. Results of prediction are not related to known or unknown knowledge of sequence and allotted years of planets in the Vimshottari dasa. The interpretation of dasa period lords may be different depending on the system used, Vedic, KP, KB, KCIL, Sub sub theory, SA, KAS etc.

Time Tested Vimshottari Dasa

14. Without knowing the rationale of sequence and allotted years of planets, the Vimshottari dasa is the most commonly used dasa for timing of events as foreseen by Sage Parashara because it is time tested really working dasa.

Question- 2: Rasi Chart and House Cusp Chart

In the "Astrology and Athrishta" 1964 Oct. issue, Guruji KSK has given very valuable information and made it easy to know the strength of the horoscope at a glance.
Here he has referred "Occupation" of planet for many results.

My confusion is " Should we take Sign for occupation of planet or Cusp-House for occupation ?"

Example :

If Jupiter as lord of 12 occupies lagna , Jupiter will not help Lagna results.
Though Jupiter is in lagna sign, all possibility is there of his occupation of 12th-H.
Similarly lagna lord's occupation of 6, or 8 or 12 means 6,8,12 signs or Cusp-Houses (in KP system , for many results we consider Cusp-House)

Please help me in this regard.

Answer – 2:

Rasi Chart and House Cusp Chart

As shown in the attached example chart of horary no. 237, the South Indian 'rasi chart' gives the relative rasi positions with boundary lines of 'rasi after rasi' of Hindu zodiac for correct use of rasi-based Hindu aspects. By inserting the Placidus cusps and placing the planets in the Placidus houses, the house-based chart denotes the correct occupation and lordship of planets in finding significators.

For "occupation" of a planet, Placidus cusp house should be taken:
In this example chart, the 12th house starts from 12th cusp @Aquarius 4:59:26 and ends at 1st cusp @Pisces 11:00; 1st house starts from 1st cusp @Pisces 11:00 and ends at 2nd cusp @Aries
15:49:56; 2nd house is from 2nd cusp @Aries 15:49:56 to 3rd cusp @ Taurus 14:20:17 and so on.

Fortuna @Pisces 00:39:55 is in the Lagna rasi but in the 12th house between 12th cusp and 1st cusp. Rahu @Pisces 16:10:38 is also in the Lagna rasi, but in the 1st house between 1st cusp and 2nd cusp.

For "lordship" of a house, the lord of the rasi where the cusp falls should be taken:
In this example chart, 1st cusp falls in Pisces rasi and so this rasi lord Jupiter is Lagna lord, which occupies 8th house; similarly 2nd lord is Mars and 3rd lord Venus.

6th cusp falls in Leo rasi, and so this rasi lord Sun is the lord of 6th house; similarly 8th lord is Venus and 12th lord Saturn.

In KP Take always Lagna alone!
"Is Lagna strong or Moon sign strong?" article in "Astrology and Athrishta" 1964 Oct. issue pages 36-39 was written at the early stage of KP evolution. This approach is no more in practice of KP.

In the "Krishnamurti Padhdhati, Vol. 2, 1966, Sagar Publications", in some examples like in pp 82, 118, 255, 261-2, 264, 313, 316, it was ascertained "whether Lagna is strong or the Moon sign", and the Moon sign was taken as the first house in the two examples of pp 118 and 264.

But the further research reveals the correct approach is "to take always Lagna alone", and the correction was made by Guruji KSK in the KP Reader III as quoted below:

KP Reader III, pp 243-4/ 1971 Edition, Practical Part, p 85
Disposal of a House A building is indicated by the 4th house counted from Lagna. Always count from the Lagna. Never consider whether Moon sign is strong or Lagna is strong. In the research after 1967 it was found that we have to take always Lagna alone. We should never Judge which is stronger whether Moon sign or Lagna. The main reason is that in a twin birth, only the cusps of the house including the ascendant change whereas Moon is in the same position. What we had been following in KP printed in 1966, is to be give up.

KP Reader III, pp 432-3/ 1971 Edition, Practical Part, p 259
Why Lagna alone is considered?

Dear Sir,
I find in your Magazine, that since a couple of years, you are not suggesting that the Moon sign should be taken in case the lagna is afflicted and Moon sign is not. Why?

Answer: Sir, I had been following the above method of taking the unafflicted ascendant or Moon sign, in case the lagna is afflicted and Moon sign is not. But in my research only in 1965 end, I understood that when twins are born, Moon does not move a single minute, whereas the lagna alone moves and when the research on the sub-lord, came out successful to read out the diametrically opposite results among the twins, I have given up the idea of taking Moon sign, in case lagna is afflicted. It needed reconsideration. So, we must, whether lagna is afflicted or not, take only the exact position of lagna. If the lagna is afflicted, then the horoscope has certain defect, and simply because there is that defect, we should not jump to Moon sign which is auspicious. After having found out this, I have stopped writing in the above manner, mentioned by you. Therefore, I request all the readers to take only the lagna and never the Moon sign, whether the lagna is afflicted or not.

IS LAGNA STRONG OR MOON SIGN STRONG?

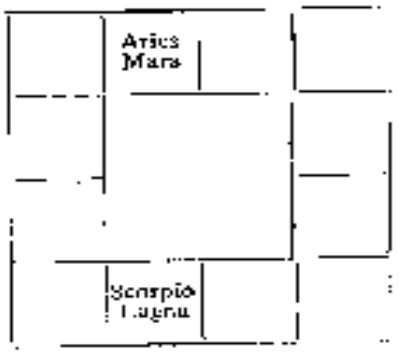
As soon as the lecture in Bharatiya Vidya Bhavan was over on 1-8-64, one of the students asked the editor to explain how the Ascendant Aries (Mesha) of the native, born on 15-10-1916, can be considered as weak, when its lord Mars occupies its own sign, Scorpio, and is strong. Further, the benefic Jupiter occupies the ascendant. The editor replied:

"It is absolutely necessary to note whether the Ascendant is strong, or afflicted and is weak. Then judge the strength of the Moon sign. Before one commences to pass any judgment, this must be determined.

The houses 6, 8 and 12, counted from Lagna and also from Moon are called Dus Sthanas. Planets owning those houses, whether benefic or malefic by nature, become evil. Planets occupying these houses (6, 8 or 12) also lose the strength to offer such favourable results which they can bestow due to their lordship of certain beneficial houses in the horoscope. Also those planets owning the houses, 6, 8 and 12, occupying any other house, weaken the houses occupied by them. These bhavas suffer annihilation even though by nature they are benefics.

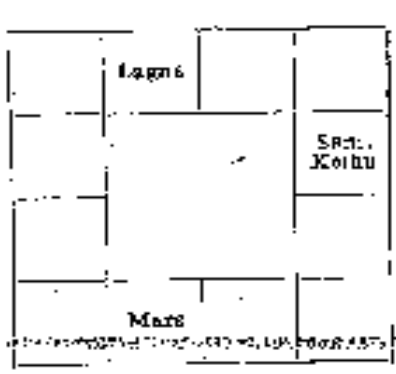
Mantreswara in Paladeepika, Chapter XV, Sloka V, has mentioned: "When a Bhava has its lord in the 6th, the 8th or the 12th house, or if a Bhava is occupied by the lord of any of the three houses, it suffers annihilation, say those who are proficient in Astrology." (Subramanya Sastri's translation, page 183.) He adds in Sloka III in Panchadasa Adhyaya: "*Of the Lagna* and other Bhavas examined in succession, whichever bhava has its lord occupying the 8th place devoid of aspects from benefics, the result is the total destruction of such a bhava."

Aries is owned by Mars. It was in 8 to Scorpio in the chart of the person born on 15-10-16. Therefore, to offer the best of the first house matters as it cannot aspect the Ascendant. The lord of a house should occupy the same house or be posited in houses other than 6, 8, or 12 counted from that house or aspect the house which it owns to strengthen the house. Suppose one is born in Scorpio, and if Mars is in 6, in Aries, as Mars has the 8th house aspect and it can aspect Scorpio by that aspect, Mars will improve the matters of Scorpio by its aspect, even though it occupies the 6th house, counted from Scorpio.



In this case, the lagna will be strengthened by Mars.

Again, it is said that a house gets spoiled if the 4th and 8th houses are occupied by malefics. In the horoscope of the native born on 15-10-16, malefics, Saturn and Ketbu, are found in 4 and Mars is found in 8.



If on the contrary such lord is placed in an inimical house or debilitation or 6, 8, 12 or eclipsed or not related to benefics or related to malefics or occupies debilitated/inimical navamsas or defeated in planetary war becomes weak. (2) If the bhava is aspected by benefics or if its lord occupies the bhava or any planet strong in shadashavarga is posited therein; when malefics do not occupy the bhava or aspected; when kendras/konas and the second house are occupied by benefics or lord of the bhava is posited in kendras/konas/second. Even when no planet is found in these bhavas and malefics do not aspect, the bhava gains strength in order of precedence. (3) If the bhava happens to be the friendly house for the planet occupying the same or its own house or the place of exaltation or if the planet in the bhava is a benefic or if the bhava is occupied by the lord of lagna or if its lord does not occupy dushthanas; or if malefics are posited in 3, 6, 11 houses or if [illegible] the bhava prospers. (5) Either the lord of lagna or the lord of moon rasi devoid of malefic influence occupy the bhava or aspect the same or posited in kendras/konas, to it the bhava is helpful. (6) In case the kendras/konas are unoccupied and if Jupiter or Venus as lords of kendras occupy 3, 6, 8, 11, 12 houses the bhava is good. (7) Lord of the bhava or the planet in the bhava or planet aspecting the bhava should be friendly to each other. (8) When the bhava happens to be a benefic rasi and is occupied by benefics or its lord or friendly planets and aspected by a strong planet or when the lord of the bhava or its karaka are strong then the bhava prospers. (9) If the bhava possesses benefics on either side or when benefics are posited in 4, 5, 8, 9 houses, the bhava is helpful. (10) If the malefic lord of the bhava is weak and occupies the bhava or planet is eclipsed and retrograde and placed in 6, 8, 12 houses, that bhava is helpful. (13) If the lord of the bhava is in his own house of malefic adhipatya, the bhava is good. (14) Exalted malefic planets not having adhipatya of 6, 8, 12 houses render benefic results to the bhava they occupy. (15) Strong Mars when he is not a malefic by adhipatya, prosperity of the bhava he occupies is noticed. (16) Weak Saturn when he is not a malefic by adhipatya is equally helpful to the bhava he occupies. (17) If the bhava is occupied by lord of 9 and aspected by Jupiter; if the lord of 9 occupies 11; if the lord of 9 and the lord of the bhava occupy that Bhava; if the lord of 2 is in 2; the lord of 4 in 4; the lord of 4 in 1; and the lord of 9 aspects 9, they give benefic results to the bhava. (18) Strong malefics when they possess benefic vargas and are aspected by strong benefics in subha vargas. (19) Debilitated lord of bhava or its karaka in eleven confirmed rasis.

[illegible] judging the strength of a horoscope

A horoscope is strong when (1) the lagna, its lord, Sun, Moon and 9th bhava are strong; (2) the more the number of planets in common signs the better; (3) natural malefics as yoga karakas in debilitation or in the 12th house are good; or debilitated natural malefics in the 12th house are better; (4) Varpothama Moon in apoklimas to Sun in a friendly house or aspected by Jupiter; (5) horoscopes with Lagna and Moon adhiyogas; (6) benefics in upachayas to Lagna or Moon; more the better; (7) Planets excluding Sun in 4 and 10 houses; (8) Planets in mutual kendras (benefics) or aspecting each other; (9) More planets in own houses or aspecting their own houses; (10) Horoscopes with sunapha anapha and dhura dhura yogas preferably caused by benefics; (11) Similarly with vesi, vasi or ubhayachari

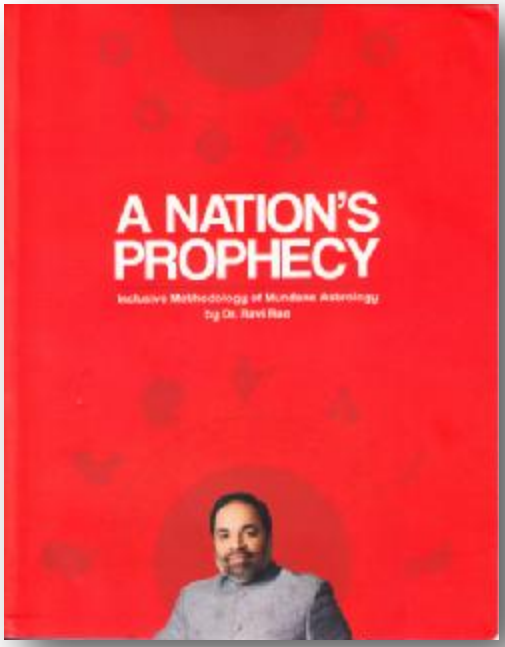
A Nation's Prophecy
Inclusive Methodology of Mundane Astrology
by Dr. Ravi Rao
Star Publication House, 2014, 384 pages



This is one more mundane astrology book written by Indian astrologer, after other already reviewed mundane astrology books in this magazine, i.e. *Practical Mundane Astrology*, by J C Luthra, Sagar Publications, 1990; *Time Tested Techniques of Mundane Astrology*, by M.S. Mehta, A. Radhika, guide KN Rao, Vani Publications, 2009; and *Mundane Astrology (A Book For Astrologers)*, by K.B. Gopalakrishnan, Sagar Publications, 2009.

The first part of this book covers the theoretical aspect of methods of mundane astrology in general and the signification of mundane houses and the nature and signification of planets in details. It also includes case studies of seven leading nations, China, Germany, India, Japan, Russia, United Kingdom and United States of America.

In the case studies, the past events like the 1962 Sino-India war, the 1971 Indo-Pakistan war and 1991 economic liberalization are discussed on the basis of India Independence chart, India Republic chart and P.V. Narasimha Rao's chart in the case of India by using transit charts on the day of events. The Book of World Horoscopes by Nicholas Campion with its exhaustive work regarding the birth time and dates of nations helped the author to perform astrological interpretations and observe whether a nation's date of birth alone was enough to make accurate predictions or to enhance the understanding of past events. (Preface, p 7) According to the author, a study of P.V. Narasimha Rao's chart shows that the country's chart has an overpowering effect on the ruler's chart. (p 146)

The second part of this book covers calculated birth charts of all 202 nations of the world in

three formats - South Indian, North Indian and Western to make prediction for any country of the world. The chart details, birth date, birth time and birth place are also provided for own calculation and study.

Although the author has studied past events to test the methodology, future predictions are beyond the scope of this book. He leaves that task to the many able astrologers who could use the Inclusive Methodology to arrive at predictions in the modern world. (Preface, p 7) However any effective methodology for mundane prediction other than analysis of planetary transits cannot be found clearly demonstrated in this book.

Good wishes Messages

This is the 100th issue of KP-Ezine! How time flies! Since the publication of the first issue in February 2007, the magazine has been steadily growing in terms of the number of subscribers. As of last count, there are over 4000 readers in 63 countries! That is an amazing figure for an Ezine dedicated solely to the Krishnamurti Padhdhati system of astrology. The credit goes to Shri. Kanak Bosmia, Shri. Tin Win and the article contributors.

Astrology is part science and part art. Since the time of our Guruji Shri. KSK, many stalwarts have put in their best to elucidate and elaborate on the KP system to make it easier to understand and follow. Many books and articles have been published. KP Ezine continues this tradition by publishing quality and thought-provoking articles on various dimensions of KP. It is a great platform for beginner as well as experienced astrologers to share their ideas.

The most remarkable aspect of the KP Ezine is that it is free! Even though it is not printed on paper (and hence printing and distribution costs are eliminated), it nevertheless requires several person-hours to edit, format and render in the final PDF form. This is possible only when the editorial team is highly motivated. To say that both Shri. Kanak Bosmia and Shri. Tin Win are quite passionate and highly dedicated in carrying on this work is stating the obvious.

I have a humble suggestion. If it is possible to re-publish some of the articles by eminent students of Shri. KSK from the back issues of Astrology & Athrishta, that would be an eye opener for people starting in KP. Some names that I recall are N.Krishnamurty, S.Balasundaram and M.G.G. Nayar. Of course, this must be done without violating any copyright laws.

My hearty congratulations to the entire team – both editorial and contributors – for their excellent service to KP system! I pray to the Almighty to give them the strength and energy to continue this work for another 100 issues!!

With warm regards,
K.Rangarajan

Dear Kanak Kumar Bosmia ji,
The Editor
KPEZine.

Dear Sir,

First of all please accept my heartily congratulations for your dedication with your heart of Oak to the propagation of Krishnamurthy Padhdhati invented by Sri KSK ji, at this auspicious day of 100th issue of KPEzine.

Of course you are the real example of KP researcher, who complied the guidance of Sri KSK ji to make research and pick more untouched gems of KP for the sake of the new comers as well as stalwarts.

If any one who want to be a skilled astrologer in KP, I unconditionally recommend KPEzine as the theoretical and practical dicta of KP, in addition to six KP readers written by Sri KSK ji.

Further I make this opportunity to Namaskar with my bow down head to Guruji Sri KSK ji and my KP guru Sri Tin win ji, who touches every spell of the magazine to make it priceless cut and polished Gem.

May Lord Buddha and Uchista Maha Ganapathi bless you all for more advancement in propagating KP System.

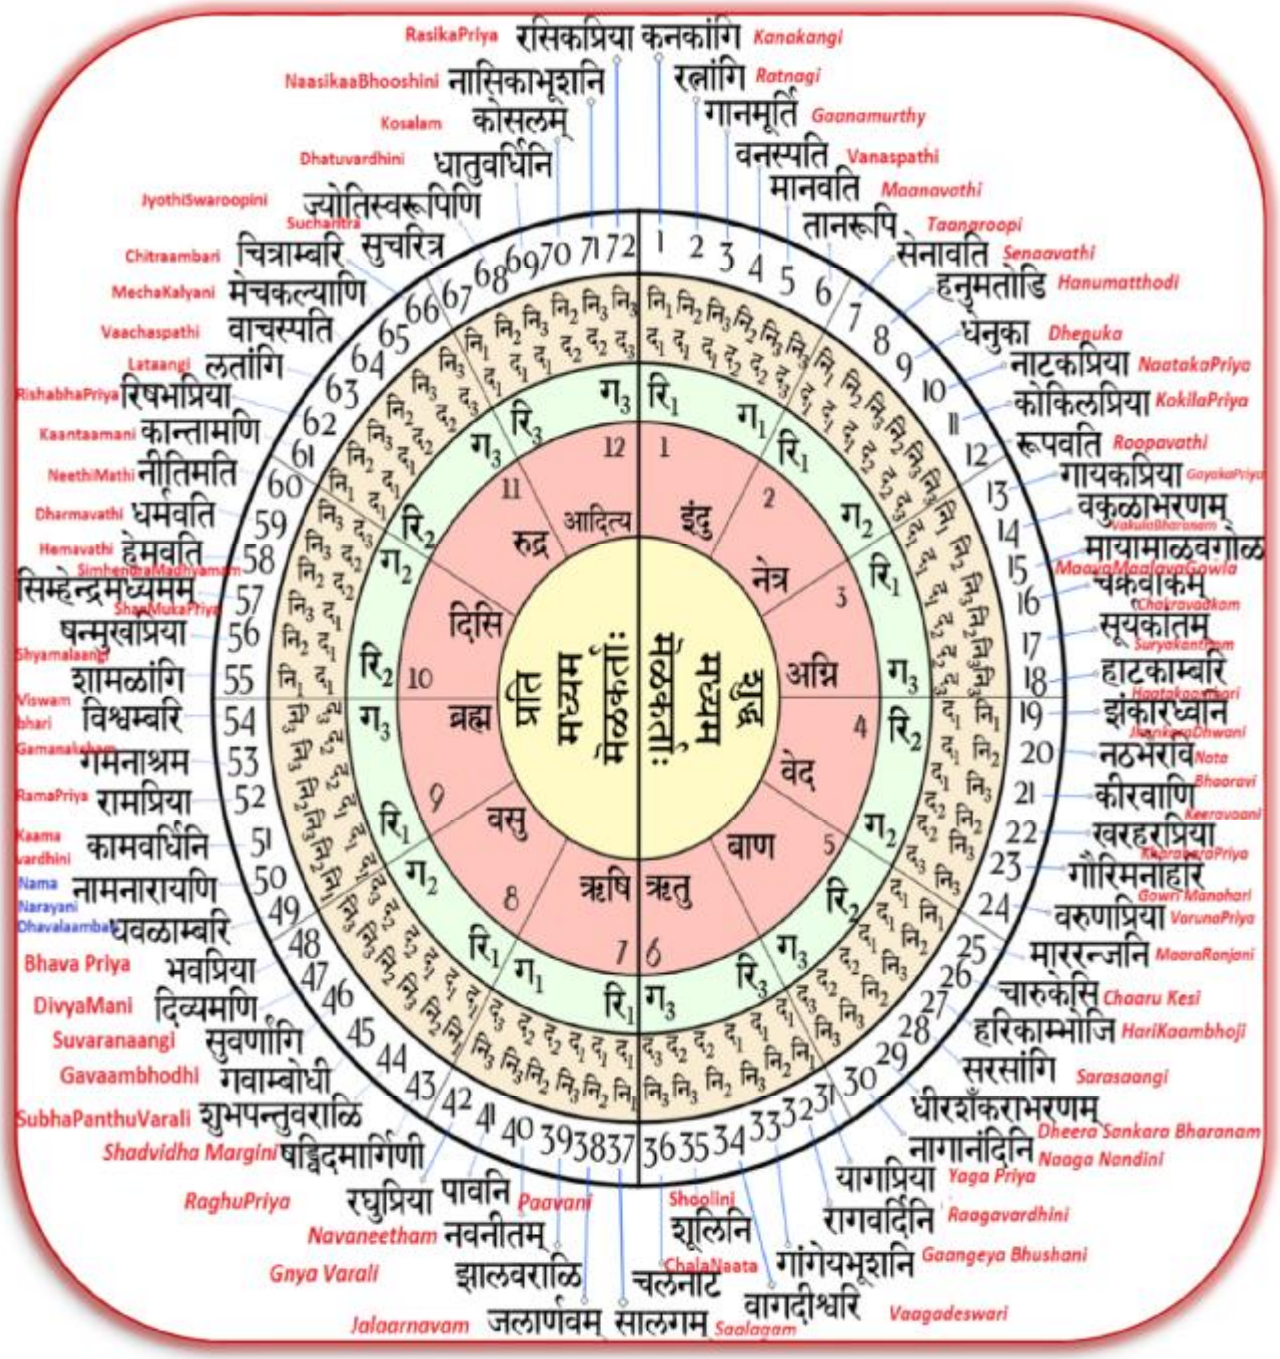
Now a <u>new concept</u> connecting to Medical Astrology basing on 12 Ascendants connecting with Music Therapy is taken up. As Music is divine which is originated from Sama Veda and many exponents like Thyagaraja, Dikshitar and Shyama Sastry have explored Carnatic Classical Music. This music was popular since long time in North and South as Hindustani/ Carnatic Music.

In Carnatic Music basing on Swaras we have got 72 Melakarthas/ Ragas were prevailing. In these 72 Melakartha Ragas we can see 12 Divisions multiplied by 6 Swarms total put together 72 Ragas were generated. Wherein 12 Divisions have connection with 12 Zodiac signs and the swarms 6.

72 MELAKARTHAS RAGAS PICTURE:



The power of musical vibrations connects in some manner all things and all beings and all beings in the universe on all plants of existence. The human body has 72,000 astral nerves (Nadis) which incessantly vibrate in a specific rhythmic pattern. Disturbance in their rhythmic vibration is the root cause of disease. The musical notes restore their normal rhythm, there by bringing about good health.

Now coming to the Sapta swarms of Sa Re Ga Ma Pa Dha (Suddha) Ni (Kaisika) plus 5 additional second swaras of Re (Chatusruthi) Ga (Antara) Ma (Prati) Dha (Chatusruthi) Ni (Kakali) are added which comes to total 12 signs. Wherein Sun and Moon have got each one swara and one sign in the zodiac and other 5 planets Budha, Sukra, Kuja, Gujru & Sani have got two Swarms each has created the total swarms which forms part of different Ragas in the Classical Music. Hence as per Vedic texts there is a nexus between the Music and Zodiacal signs as depicted hereunder. Thus we can correlate music to astrology. In Astrology each Ascendant has got certain planets are helping and some are detrimental hence by identifying these swarms we can identify which classical Raga would help each Ascendant in getting good health and moods.

In this connection a great stalwart in Carnatic Veena Music Sri Ayyagari Syamasunder who retired as Principal of Ghantasal Musical & Dance College Vijayawada has kindly consented to share his knowledge of Carnatic Classical Music for our Medical Astrology write ups. Central Sangeet Natak Akademi awardee 2011, "Mahathi Kalanidhi" Sri Ayyagari Syama Sundaram, is an exponent and highly reputed professional Veena Vidwan of Andhra Pradesh, learnt Vocal from "Sangeetha Kalanidhi" Sri Nedunuri Krishna Murthy garu. Best Veena performance award from the prestigious Madras Music Academy & Krishna Gana Sabha 1978 & 79, Ugadi Puraskaram conferred by the Government of Andhra Pradesh 2011, and The Visishta Prathibha Puraskar bestowed by the Telugu University of Andhra Pradesh 2011. He is an Asthana Vidwan of Kanchi Kamakoti Peetham of Tamilnadu. Sri Ayyagari Syamasundaram received The Prestigious Sangeet Natak Akademi Award 2011 for his contribution to Carnatic Instrumental Music.

MUSIC AND ASTROLOGY

As we know there are 7 Suddha and 5 vikut swarm total 12 and signs in zodiac are also 12. The sun rules Leo and moon Cancer, only one sign allotted to them, remaining 10 signs distributed to five planets.

Gemini and Virgo to Mercury,
Taurus and Libra to Venus,
Aries and Scorpio to Mars,
Sagittarius and Pisces to Jupiter,
Capricorn and Aquarius to Saturn,

Sa and Pa are always Suddha. Sa Shadajamam is the main swarm from where all swarms can generate so it is the Sun (Leo) base of solar system, then Pa Panchamam is Moon (Cancer), the Sun and Moon are never retrograde and both have only one sign.

Sometimes Moon may be invisible so some Ragas are without Panchamam (Panchamam Varjitham).

Re Rishabh—Budha Mercury lord of Gemini (Suddha) and Virgo (Chatusruthi) Ga Gandhar-Shukra Venus lord of Taurus (Antara) and Libra (Sadharana) Ma Madhyam-Mangal Mars lord of Aries (Suddha) and Scorpio (Prati) Dha Dhaivat-Guru Jupiter lord of Sagittarius (Suddha) and Pisces (Chatusruthi) Ni Nishad— Sani Saturn lord of Capricorn (Kakali) and Aquarius (Kaisika)

Now we are trying through this medium to understand the effects of these swarms on different Ascendants basing on Astrology through Planets of Yogis and Ava Yogis on large scale and bring to the notice of Medical Fraternity. *We request all the Astrologers to test these samples on Charts / Natives who are suitable for this research work and get the feedback to: ovnmurthy@gmail.com / 944 177 8427 the efficacy of these Ragas for giving good health and moods.*

Music can play an effective role in helping us lead better, fruitful lives. Listening to specific kinds of music at specific times of the day has been shown to be helpful in maintaining good health. Indian music, with its many Ragas, is known to be particularly therapeutic value. The curative power of music emanates from the resonance of certain ragas on hormonal and glandular functions which produce secretions that keep the body balanced and infection free. (*Sairam T V 2007 Self- Music Therapy, Chennai: Nada Centre for Music Therapy.)*
Music therapy is a scientific method of effective cures of disease through the power of music. It restores, maintains and improves emotional, physiological and psychological well being. The articulation, pitch, tone and specific arrangement of swars (notes) in a particular raga stimulates, alleviates and cures various ailments inducing electro magnetic change in the body.
Music therapy has long history dating back to ancient Orphic school in Greece. Pythagorus, Plato and Aristotle, all were aware of the prophylactic and therapeutic powers of music. Even the old testament mentions music therapy where King David is said to have cured an illness by playing on the harp. Hippocrates, the father of modern medicine, used music to cure human diseases. In ancient Egypt music was used to lessen the pain of women during childbirth. Sina, a famous Arabic writer, has written in detail on this subject. In India legend has it that Thyagaraja, the famous musician of South India,

brought a dead person back to life by singing the composition *Naa Jeevan Dhara in Raga Bihari.*

In 1729 Richard Browne, a physician wrote the famous text *Medicina Musica* which describes the use of music as medicine.

Music Therapy in Handel's England

AND
GEORGE N. HELLER

THE DEVELOPMENT OF CONTEMPORARY USES FOR MUSIC in therapy is generally attributed to the twentieth century or even the late ninteenth century; however, a text on the subject was published in 1729. The book, *Medicina Musica, or, a Mechanical Essay on the Effects of Singing, Musick, and Dancing on Human Bodies* (London: Printed for John Cooke, Bookseller in Uppingham; and Sold by J. and J. Knapton, at the Crown in St. Paul's Church, 1729), was written by Richard Browne, an apothecary in Oakham in the County of Rutland. When the book was printed, London was a city of slightly fewer than one million people, King George II was in his second year of reign, and the first performance of John Gay's *Beggar's Opera* was only one year old. Handel, who had arrived in London seventeen years earlier, was in mid-career and had not yet written his monumental *Messiah* (1741–42).

Dr. Burnell has mentioned a manuscript named Raga Chikistsa in the collections of Saraswati Mahal Library in Tanjore which deals with the various ragas that can be used for curing various ailments. What is music ? "Music is a kind of inarticulate, unfathomable speech which leads us to the edge of the infinite and lets us for a moment gaze in that" observed Carlyle. Music is basically a sound or nada generating particular vibrations which moves through the medium of ether present in the atmosphere and effects the human body. Sarangdev mentions in his Sangeet Ratnakar that ahata nada or music is always produced by striking or aghata by a living being on an instrument of any kind So music is a power or universal energy in the form of ragas.

Matanga (9-10th centurey AD) was the earliest writer to define raga. According to him "raga is that kind of sound composition consisting of melodic movements which has the effect of coloring the hearts of men." "There are four sources of raga: folk songs, poetry, devotional songs of mystics and compositions of classical musicians. While harmony is the characteristic of Western music, Indian music is pure melody. The general term for melody in india is raga or ragini."

Symphonies of raga have a definite soothing effect on the mind as well as on the body. Repeated listening to the particular raga being chosen for a particular disease produces a network of sound vibration. The muscles, nerves and the chakras of the affected part are contracted when one impulse is given and relaxed during the interval between two impulses.

Thus, during contraction of the tissue, musical notes make the blood flow out from that particular area and in the interval there is relaxation and a state of reduced pressure is produced in these areas. Thus the blood from the adjacent area will flow there. This process is repeated again and again and the blood flow and energy flow in that part is enhanced. *This makes quick, fast healing*. Energy from URF (universal energy field) to HEF (human energy field) transmitted by the strokes of the different tones of raga affects the CNS (Central nervous system) because the roots of the auditory nerves are more widely distributed and have more connections than any

other nerves in the body. Music beats have a very close relationship with heart beats. Music having 70-75 beats per minute equivalent to the normal heart beat of 72 has a very soothing effect. Likewise rhythms which are slower than 72 beats per minute create a positive suspense on the mind and body since the mind body complex anticipates that the music will speed up and this restored vital energy gives a deep relaxation to the body. Rhythms which are faster than the heart rate excite and rejuvenate the body. Hindustani/Classical musical considers ragas as depicting specific moods. An appropriate mood is to be evoked in the listener's mind before initiating the musical treatment.

Kafi Raga evokes a humid, cool, soothing and deep mood while Raga Pooriya Dhansari evokes sweet, deep, heavy, cloudy and stable state of mind. Raga Mishra Mand has a very pleasing refreshing light and sweet touch while Bagashwri arouses a feeling of darkness, stability, depths and calmness.

Music is considered the best tranquillizer in modern days of anxiety, tension and high blood pressure. Raga Darbari is considered very effective in easing tension. it is a late night raga composed by Tansen for Akbar to relieve his tension after hectic schedule of the daily court life. This raga belongs to Asavari That and is a complete raga containing all the seven notes. The seven notes are taken from various natural sounds of birds and animals. Raga Bhupali and Todi give tremendous relief to patients of high blood pressure. Raga Ahir-Bhairav is supposed to sustain chords which automatically brings down blood pressure. Raga Malkauns and Raga Asawari helps to cure low blood pressure, For heart aliments Raga Chandrakauns is considered very helpful. Raga Tilak-Kamod, Hansdhwani, Kalvati, Durga evoke a very pleasing effect on the nerves. For patients suffering from insomnia and need a peaceful sonorous sleep, Raga Bihag and Bahar have wonderful effects. Ragas are closely related to different parts of the day according to changes in nature and development of a particular emotion, mood or sentiment in the human mind.

Music therapy treatment is conducted either early morning, evening or night. One should avoid long music session on an empty stomach. Music sessions should be of one hour duration with two or three short sessions with breaks.

As indicated in previous pages 72 Melakarthas (English) picture 40 Ragas are connected to Vivadhi nature hence those Ragas are not taken up seriously by many Musicians. Only 32 Ragas were very conducive for exploration by many. These are known as Janaka (Father) Ragas and out of them good Ragas have got Janya (children) Ragas with some modifications or not to the original raga and they are also very well popular and giving good results for the society. The famous Vageyakarakas of South Indian Music are Trimurthis Thyagaraja, Muthuswamy Dixitar, Syama Sastry.

The 72 melakartas are divided into two halves. The first 36 scales all have a perfect or natural fourth (shuddha madhyama) and the scales of the second half are repetitions of the first 36 with an augmented fourth (pratimadhyama). The melakarta is also divided into 12 chakras or cycles of six

pervading causal sound that animates the universe, (2) as a general word for musical sound, (3) as a

scales are worked out like this:

Within each chakra or cycle, the second and third degree (rishabha and gandharva) are kept constant and the sixth and seventh degree (dhaivata and nishada) keep changing, resulting in six scales in each cycle. Since it is worked out with a formula, one can figure out the notes of a particular malakarta if given its number in the scheme. The 72 melakartas are as follows:

RAGA & THERAPY

One of the unique characteristics of Indian music is the assignment of definite times of the day and night for performing Raga melodies. It is believed that only in this period tha Raga appears to be at the height of its melodic beauty and majestic splendor.

There are some Ragas which are very attractive in the early hours of the mornings, others which appeal in the evenings, yet others which spread their fragrance only near the midnight hour.

This connections of time of the day or night, with the Raga or Raginis is based on daily cycle of changes that occur in our own body and mind which are constantly undergoing subtle changes in that different moments of the day arouse and stimulate different moods and emotions.

Each Raga or Ragini is associated with a definite mood or sentiment that nature arouses in human beings. The ancient musicologists were particularly interested in the effects of musical notes, how it affected and enhanced human behaviour. Music had the power to cure, to make you feel happy, sad, disgusted and so on. Extensive research was carried out to find out these effects. This formed the basis of time theory as we know it today.

It is believed that the human body is dominated by the three Doshas - Kaph, Pitta and Vata. These elements work in a cyclic order of rise and fall during the 24 hour period. Also, the reaction of these three elements differ with the seasons. Hence it is said that performing or listening to a raga at the proper allotted time can affect the health of human beings.

.Raga Chikista:

Raga Chikitsa, an extinct sanskrit treatise, as its name implies dealt with curative ragas and suggested specific ragas with specific therapeutic and mood enhancing characteristics suggested to be used in clinical settings are still more to be tested and validated. (Varadalakshmi, 1948), (Sairam, 2005). (Sairam, 2006) in his study on designing training methods for the mentally retarded (MR) children prescribed baseline rules for treating MR children as – (1) Beta music with rapid fire orchestral rhythms to activate participation and

anger management, to gear up physiological activities and alertness in mind, (2) Alpha music without rhythms to induce relaxation and (3) repeated rhythmic experience to regulate the wavering emotions and to bring regularity by his experimental observations during music therapy sessions with mentally retarded children

A modified version of the earlier documented raga chikitsa approach evolved by the author using karnatik ragas for music therapy intervention could be used in clinical set ups (Sumathy Sundar, 2006) catering to the individual needs of the clients, taking into consideration, factors like music preferences, the listening pattern, the socio-economic background and the level of exposure to classical music. The raga-based approach broadly involves application of musical pieces with a specific emphasis on swara patterns, embellishments and appropriate rhythms. This approach being both melodic and rhythm depends on the intended music function and the therapeutic objective identified. Raga-s with swaras having short or long intervals and different embellishments, could be chosen with the appropriate slow, medium or fast tempo, with or without technical virtuosity.

The applications would vary for different music functions identified a) audio analgesic, anxiolytic or sedative b) to be stimulating and energizing) to be an active focus of attention etc.

Indian music therapy is an integration of ancient healing practices and musical traditions coupled with the recent modifications derived based on the modern day practice and the knowledge gained by current clinical studies undertaken. Indian music therapy is based on long empirical traditions not proven in the western sense of empiricism but it is unique and is cultural and throws open great scope for further prove and studies.

Progression in KP

Progression
As said in "*Krishnamurti Padhdhati, Vol. II*", Sagar Publications, 1966, page 383/ KP Reader III, page 481, progression has been found useful only to help the Vimshottari dasa system which gives astoundingly accurate results when KP is applied, as found in the following two articles.

However it is found 'not' to be a common practice in the KP literature.

1. "*The Journey's End, Horary*", by K.S. Krishnamurti, Astrology & Arthrishta February 1970 issue, page 31 (timing of death)

The horoscope erected for the number '121' and the moment of query (9-58 a.m. at Delhi on Sunday, the 28th September, 1969) is given below:

VII 23.20	Chandra 10.58 Sani (R) 14.24 VIII 22.10	IX 22.10	X 24.10
Rahu 26.58 VI 26-10	Number : 121 (out of 249) 9-58 A.M. (IST) Delhi Sunday, 28—9—69		XI 26.10
V 26.10			Sukra 12.48 XI 26.10 Kethu 26.58
IV 24.10 Kuja 11.0	III 22.10 Nept 3.19	II 22.10	Ura. 11.6 Sur. 11.32 Mud. (R) 14. Guru 20.33 Lag. 13°.20'

Balance of Kethu Dasa at the time of query: 1 y. 2 m. 27 days. Now running Kethu Dasa, Sani Bhukti, Rahu Anthra up to 5-11-1969; Guru Anthra upto 28-12-1969.

For the number 121, the lagna happens to fall in Virgo (Kanya) at 23 deg. 20 minutes. The sign (Rasi) is governed by Mercury (Budha), the constellation by Mars (Kuja) and the sub also owned by Mars. Adding the Ayanamsa of 23 deg. 20 minutes (for 1969) and referring to the Table of Houses by Raphael, the cusps of the other houses are noted according to the Sayana system. Then again deducting the Ayanamsa

[illegible] will not give the mind to marry at this fag end of life, though born a wrestler or sportsman. Further, you have already stated what the query was about."

The 7th house indicates, among other matters, maraka (negation of longevity being in 12 to 8 which is the house of longevity). Saturn (Sani) is also in the same 7th marka-house and is retrograde. Saturn by slow retrograde motion and Moon by faster direct motion mutually apply to a conjunction at 3-59 P.M. to-day (28-9-69). Although I do not always follow this method for prediction, yet it is so striking in the present case that it is wise to take this method first. The time now is 9-58 A.M. Hence, in another 6 hours and 1 minute, Sani and Moon will conjoin in the 7th house. According to the 'day for a year' progression, this time is equivalent to 3 months and a few hours. That is to say, the matter in question should be over by 28-12-1969."

"Is his life to end so shortly?"

"That is what it is?

According to my method, the horary lagna has fallen in a common sign (ubaya rasi). Hence the 7th house is bhadaka sthana also. For Ubaya rasi born people, the 7th house is Maraka sthana, Bhadhaka sthana and Kendra sthana. So, it is very evil. Apart from 7, the other maraka house 2 (which is the 12th house or the house of negation to the 3rd ruling longevity) should also be perused.

It is worthy to note Judith Hill's reminder in her book - not to think "oh my God, Saturn is conjunct my Sun therefore I am about to die!!!" It take several strong aspects to cook the goose, astrologically speaking. (*Medical Astrology*, Stellium Press, 2004, page 109)

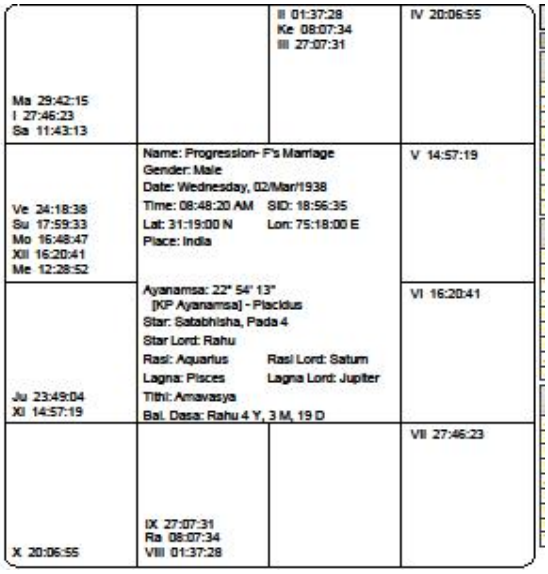
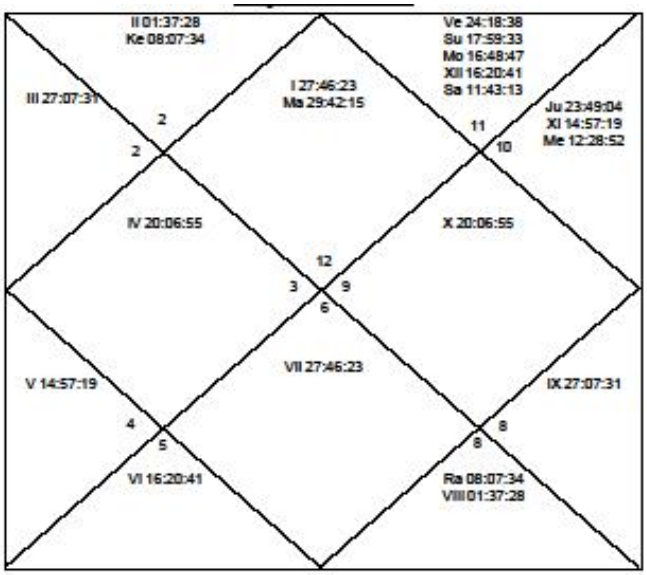
Progression

Whenever Sun by progression conjoins the natal position of Sukra, it is indicative of marriage. In the example chart, Sun by progressing at the rate of about 1 degree per year comes to Sukra's birth position 6 years later, and so 1938+6= 1944, when the native's father got married. At this time, Moon was progressing in conjunction with the radical Ketu in 6 (to 9) and opposing radical Rahu in 12 (to 9). The lady to whom father was married passed away after a brief span of 5 years of married life.





Progressed Dasa Chart Study

Based on the article "*Deeper Implications of KP Revealed through Progression under Vimshothari Dasa System*" by K. M. Subramaniam and V. Mohan, in K.P. & Astrology Year Book 1999, pages 6-12, the progressed dasa charts (calculated by KPAstro 4.1) for live events of a native are studied in comparison of his natal chart.

It is found still early to conclude about the usefulness of such progressed dasa charts.

Natal chart: Male, 8-11-1930, 10-44 AM IST, hr 5:30 e, 13 N 04, 80 E 17, KP New Ayanamsa 22-48-06, Ascendant Sagittarius 25-41-16, Moon Dasa Balance 6 Y-11 M-22 D, calculated by KPAstro 4.1 (attached)

Progression - A New Method (K. P.)

RESEARCH STUDY

By T. R. RAGHUNATH, Chromepet, Madras - 44.

I had, for long, been pondering over the system of progression in vogue as a means of foretelling probable events to come upon us in our present terrestrial existence. Western Astrology is full of various methods of progression full of mathematical calculations but somehow they never got me too far in this direction of prognosticating the future.

In Hindu Astrology, VIMSHOTTARI dasa system is used as a means of foretelling the future. It is of 120 years measure-this 120 years correspond to 120 degree division of the Zodiac into three parts : 0 to 120-120 to 240-240 to 360-thus it is evident that this bears testimony to the principle "one degree of the Zodiac corresponds to one year of a Man's life". It is on this principle that our method of progression works.

For example, if you would like to know about your 37th year, you just progress the planets and cusps of your Natal chart at the rate of one degree a year-progress planets and cusps by 37 degrees. Thus you have the chart for the commencement of your 37th year, the reading of which will give you a 'bird's eye-view 'of the events to occur in that year.

This system not only serves as a method of progression but may also be likened to 'Varsha Jataka' calculation.

We shall now proceed to illustrate this system with the help of practical cases.

CASE ONE :—

Sat. 29-09 Merc 13-06 Asc. S 49 Jup. 2-34 Ven 0-21	Sun. 6-04 Moon 9-17 II 12-55 Ket. 16-12	III 12-07	IV 8-21

Kethu Dasa balance : 2 years 1 month 16 days.

Event = Marriage

Date = 23-6-1961 (23rd year of the Native's life)

Method = Add 23 degrees to all planets and cusps and obtain the chart for the commencement of 23rd year—i.e. 19-4-1962.

Note = 23rd year ends on 19-4-1962.

Name: Amit Shah
Question: What about Amit Shah's political career?
Date of Birth: 22/10/1964; Thursday, Time of Birth: 05:25:00 AM
Place of Birth: C.P.Tank-Mumbai-Maharashtra; Long/Lat: 18 N 57, 72 E 49;
Aynamsha: $23^0.16'.32"$

Hint:
If 10^{th} (one's position in politics) cusp sublord signifies 10 (one's Reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of 3, 10, 11, then success is assured.

Cuspal Sub lord:
10^{th} Cusp (Gemini $17^0.46'.23"$): The sub lord of the 10^{th} cusp is Sun. Sun is in the star of Mars and sub of own. Sun is occupant of 1, owner of 12. Star lord Mars is occupant of 11, owner of 3-8. Thus 10^{th} cusp sub lord Sun is significator of 3-8-11 and connected with 1-12. Hence good political career is sure.
I
Joint period:
At the time of judgment running dasa is Rahu up to 01-10-2021.

Dasa lord Rahu is in the star of Mars and sub of Ketu. Rahu is occupant of 9. Rahu is in Gemini sign, hence represents Mercury. Mercury is occupant of 1, owner of 1-10. Star lord Mars is occupant of 11, owner of 3-8. Sub lord Ketu is occupant of 3. Ketu is in Sagittarius sign, hence represents Jupiter. Jupiter is occupant of 8, owner of 4-7. Dasa lord Rahu signifies 3-8-11 and connected with 1-10-3-8-4-7. Thus dasa lord Rahu signifies 3-10-11, thus political career is sure.

Next dasa of Jupiter starts from 01-10-2021 to 01-10-2037.
Dasa lord Jupiter is in the star of Sun and sub of Rahu. . Jupiter is occupant of 8, owner of 4-7. Star lord Sun is occupant of 1, owner of 12. Sub lord Rahu is occupant of 9. Rahu is in Gemini sign, hence represents Mercury. Mercury is occupant of 1, owner of 1-10. Dasa lord Jupiter signifies 1-12 and is connected with 8-4-7-9-1-10. Thus dasa lord Jupiter signifies 10, so political career is sure, but at the same time signifies 9 (3^{rd} for opponent)-4 (10^{th} for opponent), thus not good for political career.

My opinion: He will have good political career till Rahu dasa ends on 01-10-2021, after that during Jupiter dasa, he will face a lot of problems in political carrier. During this time there may be end of his political carrier as well as health/longevity problem due to 8-12-7 (Maraka/Badhaka).

Question: Regarding controversies straining PDP-BJP relations in JK, will the alliance/coalition of PDP-BJP continue?
Number. 100 (out of 249)
Time of Judgment. 10-03-2015, Tuesday; 21.14.05 P.M. IST
Place of Judgment. Gomtipur- Ahmedabad
Long/Lat: 23° N 1', 72° E 37' Aynamsha 23.58.44

Hint:

Coalition/Alliance in Political Parties
If 11th (coalition) cusp sub lord (CSL) signifies 4 (relation with family), 11 (supporter/support), 7 (alliance), coalition/alliance of political parties is possible during DBAS of significators of 4,7,11.
Breaking of Coalition/Alliance of Political Parties
If 11th (coalition) cusp sub lord signifies 12 (unfortunate activity/circumstances), 8 (breaking up), 1 (interruption), breaking of coalition/alliance in political parties is possible during DBAS of significators of 1,8,12.

Cuspal Sub Lord:

11th Cusp (Gemini 24^0.42'.38"): The sub lord of the 11th cusp is Mercury. Mercury is in the star of Mars and sub of Ketu. Mercury is occupant of 6, owner of 2, 11. Star lord Mars is occupant of 8, owner 4-9. Sub lord Ketu is occupant of 7. Ketu is agent of Mars occupant of 8, owner of 4-9, Venus occupant of 8, owner of 3-10, the CSL of 2 having no planet in its stars. Thus 11th cusp sub lord Mercury is the significator of 4 (relation with family), 8 (breaking up), 11 (supporter/support), 7 (alliance), Hence chance of continued coalition/alliance is sure with trouble but not breakup.

Bhukti lord is Mars. Mars is in the star of Mercury and sub of Venus. Mars is occupant of 8, owner of 4-9. Star lord Mercury is occupant of 6, owner of 2, 11. Sub lord Venus is occupant of 8, owner of 3-10, the CSL of 2 having no planet in its stars. Thus Bhukti lord Mars is the significator of 11 and is connected with 4. Hence continuance of coalition/ alliance is sure during this Bhukti. Mars is also in the RP.

My opinion: Before 14th November 2015 all troubled controversies straining PDP-BJP relations will be resolved by both sides and coalition/alliance will be continued.

Question: Will New Zealand win the Semifinal match with South Africa in the CWC 2015 to be held on 24th March at New Zealand.
Horary No. : 9/249
Date: 23/03/2015; Day: Monday; Time: 20.53.31 PM
Place: C. T. M Ahmedabad. 23 N 00, 72 E 38; Ayanamsha: 23.58.46.

Hints: If 9th cusp sub lord signifies 2,5,10, one can win the match in the DBAS of significators of 2,5,10.

For New Zealand
Cusp- 9th (Sagittarius 06:50:15): The sub lord of the 9th cusp is Rahu. Rahu is in the star of Moon and sub of Saturn. Rahu is occupant of 6 and in the sign of Mercury, occupant of 11, owner of 3, 6. No planet is in the stars of Rahu, and Rahu is the cuspal sub lord of 3, 4, 9, 12. Star lord Moon is occupant of 1 and owner of 4, 5. Sub lord Saturn is occupant of 8 and owner of 10, 11. Thus 9th cusp sub lord indicates 5, 10, so there will be a possibility to win the match.

Opponent team: South Africa
Cusp. 9th (Gemini 06:50:15): The cusp sub lord of the 9th cusp is Rahu. The Rahu is in the star of Moon and sub of Saturn. Rahu is occupant of 12 and is in the sign of Mercury and Mercury is occupant of 5, owner of 9, 12. No planet in the star of Rahu and Rahu is sub lord of 9, 10, 3, and 6. Star lord Moon is occupant of 7 and owner of 10, 11. Sub lord Saturn is occupant of 2 and owner of 4, 5. Thus here 9th cusp sub lord indicates 2, 5, 10, so there will be a possibility to win the match.

On the day of match on 24th march the DBAS are Venus-Saturn-Moon-Venus.

Dasa lord: For New Zealand
Dasa lord Venus is in the star and sub of own. Venus is occupant of 1 and owner of 2, 7. Thus here dasa lord indicates 2, so there will be a possibility to win the match.

Opponent team: South Africa
Dasa lord Venus is in the star and sub of own. Venus is occupant of 7and owner of 8, Thus here dasa lord does not indicates any positive cusp, so there will not be a possibility to win the match.

My opinion: Dasa lord for South Africa does not indicate any positive cusp to win the match, so in my opinion New Zealand will win the match.

Actual outcome: New Zealand won the 1st semifinal CWC-2015 match.

Case of Mr. Dharam Chand
Date of Birth: 7 June, 1954, Time of birth: 7.55 pm
Place of Birth: Jaipur, Chandpholegate, Rajasthan

Back Ground :
In month of January, 2015, wife of Mr. Dharam Chand asked me a question about health of her husband as he was suffering with serious kidney problem and hospitalized. I gave my opinion when he will be discharged from hospital. That prediction came true and that was published in KPEzine Feb, 2015 issue. I also examined this case at that time and found that his demise is expected in month of April, 2015 but I did not inform her. I only replied that April, 2015 will be difficult for her husband. She should pray God for wellbeing of her husband. As the question was related to bad health I observed from Ascendant cusp sub lord to see longevity.

Ascendant Analysis:
As per his natal chart the Ascendant cusp sub lord is Venus, the lord of houses 6 and 11, posted in 7th house. Venus is in the star of Jupiter, posted in 7th and owner of 1st and 4th house. Venus is in the sub of Mercury, also posted in 7th house and owner of 7th and 10th houses. No planet is in the stars of Mercury, which is the cuspal sub lord (CSL) of 11th house. Lagna sign is Sagittarius, Maraka and Badhaka Bhava in the case is 7th house. Asc CSL signifies 1,4,6,7,10,11. End of every thing (4), Retirement from the world (10), Maraka and Badhaka (7), disease (6), 11 is positive for discharge from hospital, short recovery making Lagna weak to middle strength that means aproximately 66 years of life. Presently Mr. Dharam Chand is of 68 years which means that he has already crossed that age of 66. So I preferred to analyse houses 6, 8, 12 in reference to KP rules that the 6th house denotes disease, the 8th house indicates fatal disease like cancer, kidney failure, incurable disease and 12th house indicates the isolation or hospitalization. If these houses are connected with Maraka, Badhaka, ascendant, 6, 8 and 12, there may be serious defect or loss of life due to disease.

In this Case:
6th House: cuspal sub lord Venus is owner of 6, 11 and posted in 7, in star of Jupiter, owner of 1,4 and posted in 7, and in sub of Mercury, owner of 7, 10 and posted in 7. Thus 6th CSL is connected to 1,4,6 and Maraka and Badhaka 7th house.

8th House: cuspal sub lord is Saturn owner of 2,3 and posted in 10. No planet is in stars of Saturn, and Saturn is the CSL of 2,3,8,9.
Saturn is in star of Rahu, which represents Mars, posted in 1 and owner of 5,12, and in sub of Jupiter, posted in 7th, owner of 1,4. 8th CSL is connected to 1, (Ascendant), 2 (Maraka), 4 (end of everything) , 7 (Maraka and Badhaka), 8 (serious disease), 10 (retirement from world).

12th House: CSL is also Venus and we have discussed above.

Further more in this analysis I tried to find out most risky period of his life through the rule: if 8th CSL signifies 8, 12 and Maraka and Badhaka bhavas, then during joint dasha of Maraka and Badhaka and significators of 7, 8, 10, 12, native may face danger to his life.

In the present case running joint dasa period is as under:

Dasha of Jupiter (28.12.13 to 28.12.29): Connected to 1,4,7,12

Bukhti of Jupiter (28.12.13 to 15.2.16): Connected to 1,4,7,12

Antar of Venus (15.1.15 to 25.5.15):Connected to Maraka and Badhak 7 and 6,4,1

Sookshma of Saturn (9.4.15 to 29.4.15): This is selected because it is in the star of Rahu and in sub of Jupiter. Rahu represents Mars. Saturn, Rahu and Mars are karaka for risk of death due to disease and they are also connected to 1,4,7,10,12 in this case.

Conclusion for prediction: Most risky period for his life is 9.4.15 to 29.4.15. Later I came to know that he expired on 24.4.15. I was surprised on amazing rules of KP.

The Amazing Power of Ruling Planets

The summe Sun has been, up and high, quite early, by first March, and mercilessly heating up the surroundings....it is like having got trapped inside an oven...
On the 2nd March,2015, a Monday, at 17:18 hours, I had an urge to know when will the Rain-God send His blessings on us, the hapless humans , as rains, to quell the heat...I decided to invoke the Ruling Planets to guide me .

The lagna was passing at 119 degrees, 59 minutes, 08 seconds in Kataka rasi, Aslesha star, in the sub-portion ruled by Saturn.

The Moon was at 102 degrees, 08 minutes, 44 seconds: in Kataka rasi, Pushya star and in the sub of Mars.

The ascendant star lord Mercury is aspecting the lagna; it owns the 11th cusp and is a fast moving planet.

The star lord of Moon is Saturn and is casting its aspect on Mercury. The star lord of Moon, Saturn happens to hold the sub portion of lagna as well. Transit Moon will conjunct the lagna point soon. This planetary configuration convinced me that the Rain-God will surely smile very soon and I felt quite happy.

How soon will this very soon be?

The ruling planets were: Lagna: Moon- Mercury – Saturn
Moon: Moon- Saturn – Mars
Day lord: Moon.

The very next day is Tuesday, ruled by Mars and star is that of Mercury: Aslesha. Both are in the list of ruling planets.

Will it rain on this day?

Doubtful: Since Saturn holds the sub portion of lagna and the star position of the Moon.
The next day will be ruled by the combination of Mercury and Ketu. On the day, at the time of, analysis Ketu was in Pisces 'in the star of Mercury'.....Since Mercury is a strong ruling planet, Ketu standing as a representative for this planet, may precipitate the event. Will it happen on this day?

Doubtful: Since Ketu stands for Jupiter as well for its sign lord, who is in retro motion!
Then comes the day ruled by Jupiter and Venus: Jupiter is retrograde while Venus has not appeared in the list of ruling planets. This will not be helpful.

Next comes the day of Venus with Sun for the star lord. Both these planets are not found in the ruling planet's list. Hence rain cannot come, on this day too.
The next day is ruled by Saturn and star would be Hastha, ruled by Moon. This is the right opportune day. But we have the constellation Uthra bhadrapada, ruled by Sun till about 13:55 hours. ....and hence Rain-God will not bless till this time is over.

Therefore I concluded that, after 14:00 hours on Saturday, the 7th March of 2015, the blessings of Rain-God will be experienced, for, this is what the Ruling Plants have indicated to me.....and I waited .

Needless to say, exactly at 14:00 hours of Saturday, the 7th March-2015, the sky opened up to drench the parched earth !

Unravelling the secrets in the charts of Twin births - An analysis through KP system

It is always a puzzling question for the astrologers to read the charts of the Twin births. Many of us will have this question in our minds that children born at the same time, same date, and same place may be similar in physical appearance but when we notice that their lives are quite different, it will become an enigmatic question. This riddle has been addressed by Vedic astrology and K.P system with equal callidity.

Two different individuals do not usually take birth from the same womb at the same time in exactly the same way except the twins. A mere fractional difference in time will alter the lives of the natives. In Vedic astrology this is addressed by Divisional charts which play an important and deciding role of the variations in the fulfillment of desires, relationships, spiritual enlightenment, past life karma and its effects, next life, the carrying forward , the inner power and purity of soul, name, fame, progeny etc. May be the dexterity of studying and unearthing the secrets depend on the individual astrologer's intuitive and analytical capabilities of their brains.

The K.P system has a different approach and is unique in its applications. Here I would like to quote the famous words of Sri K.S Krishnamurthy garu…. "Again a problem arose to find out why one of the twins get married and the other remain unmarried, in spite of the planets remaining in the same degree and minute and in the same Bhava, same Navanmsa, same Astakavarga, having the same Shadbalaa and everything remaining the same. Then I found that it is the cusp of the 12 houses which vary in twin births and therefore it is the cusp which should indicate whether that house matter will suffer. Every chart has significators.significators can indicate the time. If the cusp denies, the significators cannot give. The cusp sub lord is very vital... thus I found out that the only correct Sookshma method is, judging the cusp in each bhava by considering the lord of the Sub in which it has fallen. " So though a particular matter is indicated by the constellation of the cusp, it is the cusp sub lord that decides the fructification of that particular matter and that is the specialty of the cusp sub lord in K.P system. Hence the Planet represents the *SOURCE*, that Planet's Star-Lord represents the *EFFECTS and RESULTS* and that Planet's Sub-lord gives an idea of the *FINAL DIRECTION* of that results.

To have a clear understanding about the efficacy of this technique, I would like to discuss the charts of twin sisters, whose particulars are furnished here under.

She will be receptive, pensive with deep thinking and with much subtlety in nature.
2. EDUCATION-the native did B. Tech in engineering (Electronics and Communications) in the year April 1992- that is during Mars Dasa (9,11,4), Mars bhukthi, Rahu anthara (4,9,11) and Saturn sookshma(3,4,9). 4th cusp sub lord Saturn+ signifies 4,9,10 and 12 houses. The native also did M.Tech in April 1996-that is during Mars Dasa, Mercury bhukthi (4, 11), Mars anthara and Rahu sookshma (11, and 4&9). The native also did M.sc in yoga sciences in April 2006 that is during Rahu Dasa, Saturn bhukthi, Mars anthara and Saturn sookshma. Saturn and Mars (4 csl and 9csl) indicate interest in spiritual practices. Saturn is in 12th bhava Aries and though it is a fiery and weak sign it is an exception for it and favorable for spiritual studies.	2. EDUCATION- 4th cusp sub lord is Saturn+. Saturn strongly signifies 4th. It is in the Sun star and Mars sub. The star lord Sun is the lord of 4th in 3rd house and is conjoined with Kethu. The sub lord Mars is the lord of 7 & 12 in 3rd house. Saturn signifies 3, 4,9,10 and 12. 9th cusp sub lord is Mars and it signifies 4,9,10 & 12. Third cusp significators are Moon, Mars, Venus, Sun, Merc, Kethu and Saturn. All these significators have given the native successful education up to graduation level with a specialization in Telecommunications. The native did her B. Tech Engineering in the year April 1992 that is during Mars dasa, Mars bhukthi, Rahu anthara and Saturn sookshma (13-april-1992 to 17-april-1992). Since Saturn as 4th cusp sub lord and sookshma lord signifies 3rd (negative to 4th) as the top significator it has put a full stop to the natives education.
3. SPIRITUAL INITIATION- The native took to spiritual initiation under some spiritual masters in Nov/Dec 1991- that is during Moon dasa x Sun bhukthi x Jupiter anthara x Saturn sookshma. Moon is 3rd lord, conjoined with Saturn and placed in 12th house. Moon is in Venus star and Saturn sub. Moon signifies 3 & 12 as co ruler 5 through its star and 9, 10, 12 through its sub. The signification of these houses has made the native to take spiritual initiation. The native joined Sri Ramakrishna Ashram in Oct/Nov 1992 (that is during Mars dasa x Rahu bhukthi x Jupiter anthara x Saturn sookshma) as a spiritual sadhaka and followed the path of spirituality for quite a long time by learning yoga and worked as yoga instructor too.	3.This native has spiritual inclination only.

4. PROFESSION- 10th cusp sub lord is Jupiter +. No planet is placed in Jupiter stars. Jupiter signifies 10, 11 and 7, 10, 11 through its sub Rahu. The native has established an institution called "Life Beautiful" (Pvt) ltd" at Delhi and conducting yoga classes and teaching spiritual lessons.	4. The native remained as house wife.
5. FOREIGN TRAVEL-12th cusp sub lord is Moon and it is in 12th. Moon signifies 12,3,9,10 & 6. The native travelled to foreign countries as a yoga instructor of the ashram frequently on official purposes to take up spiritual classes.	5. FOREIGN TRAVEL- 12th cusp sub lord is Mars+. No planet is in Mars stars. Mars is in Venus star and Saturn sub. Mars as the lord of 7 and 12 (both signify foreign travel) is in 3rd house indicating short trips/ journeys. Mars the 12th cusp sub lord is connected with 9th as cuspal sub co-ruler and placed in Cancer – a movable sign – has given the native frequent foreign travel to Muscat to join her spouse.
6. MARRIAGE- The native married in August 2005 – that is at the age of 35th year. 7th cusp sub lord is Venus. Venus is the lord of 1 & 6 placed in 5th. Venus is in Moon star and Venus sub. Venus signifies 5 (love & romance) and 12 (bed comforts). Venus co rules 2 (family life),7 (marriage), 8 (mangalya sthana),12 (bed comforts) and 5 (love and romance). All these significations gave marriage. It was Rahu dasa X Saturn bhukthi x Venus anthara x Rahu sookshma (August 2005).	6. MARRIAGE- 7th cusp sub lord is Venus. Venus is the lord of 1 and 6 in 5th house and conjoined with Mercury the lord of 2,5. Venus is the star of Moon and sub of Venus. The star lord Moon is the lord of 3rd, in 12th (bed comforts). The sub lord Venus signifies 5th (love and romance). Thus Venus signifies 2,5 giving her marriage on 26 Jan 1991. The period running at that time was that of Moon dasa X Venus bhukthi x Jupiter anthara x Venus sookshma (from 13 Jan 1991 to 26 Jan 1991). Moon signifies 5 and 11 by conjoined Jupiter. Venus signifies 2, 5 and Jupiter signifies 5, 11. Venus signifies 2, 5. Since the 10th cusp (for profession) sub lord Jupiter did not signify either 6 or 7th she remained as a house wife. The 7th cusp sub lord Venus also signifies 3, 6 and 12, so the native had to remain separated temporarily for a short period from her spouse due to his official stay in foreign countries.

IMPORTANT OBSERVATIONS- When the two charts of the twins are compared with each other it is noticed that---

1) There is difference of 2 minutes and 30 seconds in the birth time.
2) All the star lords of all the 12 cusps are one and the same.
3) There is a deviation in the cuspal sub lords of the ascendant, 6th, 8th, 10th 11th and 12th.

TWINS-ELDER-ASC-MERC/ 6TH-VEN/ 8TH-VEN/ 10-JUP/ 11TH-MARS/ & 12TH-MOON.
TWINS-YOUNGER- ASC-KETHU/ 6TH-SUN/ 8TH- SUN/ 10TH-SAT/ 11TH-JUP/ & 12th MARS.

4) It is observed that the Asc cusp sub lord Mercy, 3rd and 12th cusp sub lord Moon and 10th cusp sub lord Jupiter + along with the then sookshma period of Saturn (from17 dec 1991 to 20 dec 1991) in Moon dasa x Sun bhukthi x Jupiter anthara have played a major role in changing the path of the elder's life style when compared to that of the younger.
Asc cusp sub lord Mercury signifies 3-5-11. The co rulers of the ascendant are- VEN (SGL)-MOON (STL)- MERCURY (SBL) signify 5-12- and 3 which are main houses to influence mental tendencies of the native. Moon is closely conjoined with Saturn the main planet that has given the native the spiritual bent of mind and path.

4) From the above analysis of the events of the above two twin natives it can be said that it is these cusp's sub lords that have given an entirely different style of life between these twins.

With these observations it can be once again proved beyond doubt that the sub lord theory propounded by Sri K.S. Krishnamurthy garu is unique by itself in unearthing the mysteries of astrology. My head bows with all the reverence at the feet of our astrology wizard. I express my thanks to Sri Kanak Bosmia for accommodating my article in his esteemed magazine

Background Note: On 10th March 2015, my Astro friend from Durgapur informed me that one of his client/family members is expected to deliver a baby birth on that day. He wanted to know the sex of the baby. After casting the Prashna chart, with the help of ruling planets I had judged the chart and given my opinion about sex of the child which later found correct.

Question: Sex of the child/baby?
Date & Time of Judgment: 10-03-2015, 13:58:13 Hrs.
Place of judgment: Durgapur - 23N29, 87E20, West Bengal, India.

Hints:
2nd house denotes increase in the number of the members of family due to birth of a child. 5th house considered for child birth. It indicates first conception or pregnancy, progeny or child.
8th house signifies sexual urge. 10th house indicates achievement of any undertakings. Being 10th from 8th is 5th house which indicates the result of sex. Thus 5th house stands for child or child birth.

Consider the houses 2, 5 and 11 for child birth. Cancer, Scorpio and Pieces are the fruitful signs and important for assessment for child birth matters. Jupiter is the natural significator (Karaka) of child birth.

Consider the houses 1, 4 and 10 for absence of children or for separation from children (being 12th from 2, 5 and 11 respectively). Aries, Gemini, Leo and Virgo are the barren signs. Saturn, Rahu and Ketu are the natural malefic planets for child birth.

Sun, Mars and Jupiter are male planets. Moon, Venus and Rahu are female planets. Mercury and Ketu are neutral gender. Odd number signs (1, 3, 5, 9, 11) indicate male and even number signs (2, 4, 6, 8, 10, 12) indicate female. However it is most difficult to predict about gender of child.

The Lagna of the native for which query has been asked falls in Cancer 05-13-12. And from Lagna, for child birth, 5th cusp has to be scrutinized invariably.

- The sublord of the 5th cusp is Saturn which is posited in constellation of self (Saturn). Saturn (Scorpio 10-56-09) is in female sign under Moon Hora which indicates female child. Moreover 2nd & 11th CSL is also Saturn.

- The joint rulers of 5th cusp are Mars-Saturn-Saturn. Saturn, we have to eliminate and not to consider. Mars (Pieces 20-01-49) is in female sign and posited in sub of Venus – a female planet.

My Opinion: Female child birth is indicated.

Actual Outcome: Prediction cormes true.

Question: Will I get Election-2014 Mayor Ticket from Congress?
Horary Number: 95 (out of 249) given by querent himself by Mobile SMS.
Date of Judgment: 26/08/14; Tuesday.
Time of Judgment: 08-04-51 AM IST.
Place of Judgment: Raipur (Chhatisgarh), Aynamsha: 23^0.58'.17"

Rule-1
One can be selected as a candidate for election, if Asc (tendency of people of country) cusp sub lord signifies 6 (victory), 10 (one's political position), 11 (gain).
For the opponent candidate Asc (tendency of people of country) sub lord should signify 12 (victory of opponent), 4 (opponent's political position), 5 (gain of opponent).

Analysis:
Asc cusp sub lord is Moon. Moon is in the star and sub of Venus. Moon is occupant of 1 and the owner of 12, Star and sub lord Venus is occupant of 12 and the owner of 3-10. Hence Asc CSL Moon represents 12 (victory of opponent) which are unfavorable houses for the native. But favorable house to opponent.

Rule-2
One can be selected as a candidate for election if 3rd (view of people) cusp sub lord signifies 6 (victory), 10 (one's political position), 11 (gain).
But if 9th (opposite view of people) cusp sub lord signifies 12 (victory of opponent), 4 (opponent's political position), 5 (gain of opponent), the opponent will be selected as a candidate.

Analysis:
3rd cusp sub lord is Ketu, Ketu is aspected by Jupiter. Ketu is in the star of Mercury and sub of Jupiter. Ketu is occupant of 8. Jupiter is occupant of 12 and the owner of 5 & 8. Star load Mercury is occupant 1 and the owner of 2 & 11. Sub lord Jupiter is occupant of 12 and the owner of 5 & 8. Hence 3rd CSL Ketu indicates 4-5-12 along with 8 house which are favorable houses to opponent.

Ruling Planets

	Day lord	Sign lord	Star lord	Sub lord

Moon reveals the nature of query
Moon (Aquarius 10-18-05) is in the star of Rahu and sub of Jupiter. Planet Moon is the occupant of 7, owner of 12. Star lord Rahu is the occupant of 3. Rahu represents Saturn as Rahu conjoined to Saturn. Saturn is the occupant of 3, owner of 6-7. Sub lord Jupiter is the occupant of 10, owner of 5 and 8. Moon signifies and/or is in connection with the relevant houses, hence query or urge is genuine.

Hints:
7th house is considered for business. It also indicates legal bondage for partnership which is necessarily required in a partnership business. 11th house is for success, profits/gains, fulfillment of desire of native. 7th denotes Opponent or Partner from whom we dealt partnership business. From 7th to 11th – it's 5th house which denotes success, profits & gains, fulfillment of desire of partner.

If the sublord of the 7th (Partnership Business) signifies or connected 5 (success, profits & gains, fulfillment of desire of partner) and 11 (success, profits & gains, fulfillment of desire of native), partnership business will be successful.

CUSPAL ANALYSIS
7th Cusp (Aquarius 03-40-00): The sub lord of 7th cusp Venus is in star and sub of Jupiter. Planet Venus is the occupant of 7, owner of 3 and 10. Star lord and Sub lord Jupiter is the occupant of 10, owner of 5 and 8. 7th CSL Venus signifies 5-7-10 and in connection with 7, hence partnership business is assured.

My Opinion: 7th CSL Venus signifies and is in connection with 5-7-10. 11th CSL is also Venus and further 10th (Business & Profession) CSL Jupiter also signifies 5-7. Running Dasha -Bhukti Lords are Rahu-Jupiter (up to 20-05-2013) and thereafter Saturn Bhukti (from 20-05-2013 to 25-03-2016). Rahu signifies 5-10, Jupiter signifies 5-7-10 and Saturn signifies 7. All this indicates that partnership business is good for you.

Actual Fact: Prediction comes correct. The native entered into partnership business and till date it is good going on.

Pranaam to Lord Ganesh and Guruji KSK!
Pranaam to my Guruji Sri P. Roychaudhary!

New theory for longevity with KP astrology

By: Basilioli Sandro (Vediko)

Via Nicolo'33 Isola Del Gransasso (Te),ITALY
E-mail: Vediko@libero.it

I am presenting an improvised method of a new theory for longevity calculation only for natal charts . It was written and published in another journal but it is new for KPEzine readers , so I hope it will be useful if the longevity with traditional method will not be so clear.

INTRODUCTION
KP LONGEVITY RULES
FOR LONG LIFE: Combinations of 1, 5,9,10,11 (9,11 if not Badhaka): over 66 years
FOR MEDIUM LIFE: Combinations of 1,3,5,9,10,11+ 6,8,12 : up to 65 years
FOR SHORT LIFE: Combinations of = Badhaka , Maraka+6,8,12: up to 32 years

NEW THEORY
I have tested more than 100 A-A notable horoscopes and in many cases where the lifespan was long life , it indicated medium life combinations. So I decided a new systematic way in the three level system :Planet-Star & Sub signification of Asc sub lord with a specific table of ages (CODES, Saptarishis Magazine Vol 9), to pinpoint the right period of death. This table is adapted from the original table & modified for KP. It should be used for natal horoscopes only and not for horary. It can give clue for right longevity period in those cases which you think longevity is not so clear . The table below is modified by new research.

TABLE -A

Short life	Middle life	Long life
S-S-S = 12y to 32y M-S-S = 12y to 36y L-S-S = 12y to 42y L-L-L = 72y to 100y S-M-L = 60y to 91y	S-M-M = 32,4y to 66y M-M-M= 34y to 72y L-M-S = 12y to 44y	S-L-L = 62y to 93y M-L-L = 66 to 100y L-M-M = 40y to 82y L-S-M = 33y to 70y

RULES
1): Comb= 1,3,5,10,9,11 (9,11 if not badhaka) = good
2):Comb=6,8,12,4 = neutral (6,8,12 are bad, but 6 disease, 8 incident & 12 hospital you can survive) .
3):Comb= maraka & badhaka = BAD
4): Only signs significations are used .
5): Cuspal of cups significations should not be used.
6): Aspects of Saturn 3rd & 10th, aspects of Jupiter 5th & 9th , aspects of Mars 4th & 8th should be considered, rest of the planets 7th asp accepted & for nodes no aspect is considered.
*7): Aspects are considered, by two fast planets orb up to 5°degree and by two slow planets orb up to 3°20 degree. If a slow planet conjoin or aspect a fast planet considered orb up to 5°degree , if a fast planet conjoin or aspects a slow planet considered orb up to 3°20 degree. Nodes are always in aspect even if orb is not up to 5°degrees. Aspects on cups are considered only as last signification with orb up to 3°20 degree.

If there is combination of rule 2 and 3 it gives short life, if combination of 2 and 1 it gives long life , if combination of 1 and 3 it gives medium life , if combination of only 2 it gives medium life, only 1 it gives long life and only 3 it gives short life.

The analysis alone of planet, star and sub should be done , then look at the formula of table A for longevity and if all different ,take the sub as final .
*Note: Depends if the analysis is for a slow or a fast planet in that moment.

This combination can give in a normal way a short lifespan because of presence of strong Bdk in planet and mrk in star and sub. Here you find only signification of 5 in star and sub of Jupiter. Can this give you a good idea of what's the probable longevity?. (Note: In some cases the life span was short). Lets try with new theory.

Formula Looking in table A is : L-L-L from 72 to 100.

Conclution:
It does not work very well with short life, lets say up to 27 years (still testing & some link is missing), instead with medium and long life the formula table (A) works quite well. I hope it can be useful for better prediction. Of course , it's an attempt of theory to resolve definably the mystery of longevity especially with natal horoscope when sometimes one rule may not work .

Promo on in service – KP rules

By: G.Subramanian

Email: gurusubra@yahoo.com

Everyone who enters service at a young age is keenly desirous of going up higher and higher in the official hierarchy. There is an intense urge to earn as many promotions as possible during the entire period of service subject of course to suitability on the basis of work and academic qualifications.

This is one area where the astrologers are frequently asked by the clients about the prospect of promotion and the period in which it can be expected. All K.P. Astrologers should feel immensely thankful to our Guruji Shri KSK who has formulated certain easy, unambiguous and unfailing rules for predicting promotion in service.

We summarize in a nutshell. The basic rules laid down in KP on this subject:

1. 10th house signifies employment- it may be service or business/independent profession. It is therefore the primary house to be looked into while predicting promotion.
2. If the 10th cusp prominently signifies sixth, it is a clear indication that the native will be destined to be in service-serving other for a paid salary;
3. 11th house is the house of fructification or fulfillment of oneq's desires, ambitions and achieving the cherished goals. Naturally this house plays a vital role in this issue;
4. It logically follows that if the 10th cusp sub lord signifies house 2, 6, 10, 11, then one is surely assured of promotion;
5. When the promotion will take place? For determining the timing, we have to arrive at the conjoined period of the significators of these relevant houses;

Based on the above guidelines, I am discussing in this article the horoscope of a senior citizen to demonstrate the sound applicability of these principles. The horoscope is annexed to this article and the name is withheld for obvious reasons.

Readers may note that the sublord of the 10th cusp is Venus in Lagna, lord of 6 and 11. It is in its own star and is therefore a strong significator of 1, 6 and 11. Interestingly the sixth cusp sublord also happens to be Venus. This gives the clue that this person will be in service only- under a paid job. The sub of Venus is Saturn, lord of 2 and 3 placed in 3. The significations of 2,6,10 and 11 also foretell the chances of promotion to the native during the course of his service.
The next vital step is to extract the significators of the houses 2,6,10 and 11.

It happened very recently when I was surfing through the internet and was searching different astrological sites I came across to know the details of two persons posted in the internet. One of the people was Mr. Damodar Goyal of Jaipur, Rajasthan, he had given his birth details and had written that Saturn and Moon both are conjointly posited in his 4th house and instead of "PUNARPHOO DOSHA" why did his marriage took place at an early age of 20 years?

The other person who had not mentioned his name but had referred his name in short as D.G.P. a male native from Chandigarh who had also posted his birth details had informed that his love relations have failed three times consecutively. His matrimonial alliance has broken after negotiations from matrimonial column of newspaper and another time his negotiations for marriage broke which was referred from the newspaper advertisement. He is around 35 years of age and till date he is not married as yet and why is it happening so?

He does not know that he is having a strong Punarphoo Dosha. I have created his birth chart and found the fact that it had the PUNARPHOO DOSHA.

Therefore I found this as a very interesting fact of study for analysis that both of them are having PUNARPHOO DOSHA but why one had an early marriage and in case of another it has been a fact that his marriage has not been finalised till date.

Punarphoo Dosha

Punarphoo Dosha is a concept under the KP system of astrology. Our revered Gurji Late Prof. K. S. Krishnamurti dealt with Punarphoo considering mainly from marriage perspective and talked about Punarphoo in KP fourth reader, page no. 74 (Marriage, Married Life & Children). Whenever Moon has got any connection with Saturn, there will be delays and difficulties, not only during negotiations but also at the time of fixation of marriage (engagement will get cancelled at the last moment) and even at the time of celebration of the marriage (cancellation of marriage for no reason).

Delay, dejection, disappointments, denial, etc. are caused by Saturn and if Saturn and Moon connection exists in the birth chart these effects will be more prominent and would certainly cause anxiety. This is a unique combination that affects psyche and domestic peace of native. Moon is the significator of mind and reveals the desires or emotions of human mind and Saturn is a planet of sorrow giving loneliness, delay and dejection. This connection impact on the mind of the native causes sorrow and pessimism.

I have seen many charts where there is influence of Saturn on Moon either by aspect or exchange of houses the native remains a bachelor for long period resulting in late marriage or no marriage or early marriage with an elderly person with unsatisfied marriage life, at least one break of relationship mostly found with the birth charts having this combination. I have found that not only in marriage, but in each and every aspect of human life gets affected by this combination.

If Saturn is deposited in the constellation of Moon and sub of Saturn, or if Moon is deposited in Saturn's star and Moon sub, or if Moon is in the 3rd sign or in the 10th sign from Saturn to Saturn's 3rd and 10th aspect over Moon, or if Saturn is deposited in the houses 1, 3, 5, 7 or 10 or If Saturn occupies the 5th house wherefrom it will aspect 7th, 11th and 2nd houses by its third, seventh and tenth aspects respectively then such difficulties would arise.

Whenever Saturn happens to be a significator of a particular matter (not necessarily of marriage alone but even for education, employment etc), it will not only deny but will also cause delay. If Saturn is connected with the houses 2, 7 and 11 occupying the house or owning it or situated in the star of the planet posited in any of these houses it will cause delay at every time in fixation of marriage etc. but it will not deny marital happiness. But if Saturn has no connection with houses 2,7 and 11 but only throws its aspect, this portends denial and even disappointment.

According to K.P. whenever Saturn occupies the houses 1, 3, 5, 7 or 10 without significations to 2, 7 & 11, it will delay and also deny ones marriage. So while judging a horoscope, delaying tendency of Saturn should be judged not only with reference to the position of Saturn in the houses 1, 3, 5, 7 or 10 from the lagna but also to the aspect of Saturn to respective cusps 2, 7 and 11 where this dosha is present and also conjunction of Moon & Saturn in the same house. So if Saturn forms favourable aspects to the cusps 2, 7 and 11 delaying tendency of Saturn is indicated. But if Saturn forms evil aspects to the cusps 2, 7 and 11, delaying tendency of Saturn will become weak.

Cancellation of Punarphoo Dosha

Cancellation of Punarphoo had been discussed by the late Pt. K.R. Kar in the 1996 Annual Book of KP & Astrology, (pages 69-72). Cancellation takes place briefly when:

1. Saturn or Moon are found in association with Sun, in one sign. (It could be divided into two Bhavas).
2. Sun is in the star of either of them.
3. Sun is in a star, lord of which is near either Moon or Saturn.
4. When there is any planet closer to the Moon or Saturn, if the third planet is in the star of the Sun.
5. And lastly if Saturn or Moon is in the sub-sub of the Sun.

It is hoped that the above "Cancellation of Punarphoo" theory will help readers to do more research on this interesting subject - which is full of pitfalls for the average follower of KP.

Here are two examples, one had an early marriage and in case of another the marriage of the native had not been finalised till date. Let's see how do we analyse both the charts as per K.P. rules.

This is the Horoscope of a male native. The birth chart of the native shows delayed marriage and the birth details are given below:

Name: Mr. DGP
Date of Birth: 12.10.1981
Time of Birth: 14:30 Hrs. (IST)
Place of Birth: Chandigarh (Lat/ Long: 30N42, 76E48)

Now let us see the chart no. 1. Native of this chart still remains unmarried, why? Saturn, lord of 2 (Kutumba sthana) is in Moon star and in the sub of Ketu. Ketu also deposited in Saturn sign, thus represents Saturn. Again Moon is in the star of Saturn and sub of Venus. Venus (Kalatra karaka) is aspected by Saturn in its 3rd aspect (Vedic aspect) and is also Saturn's 7th aspect over Moon. So the Punarphoo Dosha is very strong.

In this chart under discussion the 7th cusp sub lord is Jupiter with positional strength i.e. there is no planet in the stars of Jupiter, hence Jupiter is a strong significator of 7th house. Jupiter is in the star of Mars and sub of self (Jupiter). Jupiter signifies 7 & 11, so marriage is promised to the native but after long delay because of Saturn and Jupiter betrothal being in close conjunction. Planets connected with Saturn will tend to delay matters, as he is

karaka for delay and obstruction. See how the Saturn causing Punarphoo Dosha is in sextile (Western) aspect (Good aspect) of 11th house (house of fructification). Hence the Saturn-Moon combination of Punarphoo Dosha is the main cause for the abnormal delay for the marriage of the native.

The 3rd house indicates the engagements, betrothal and mutual meetings talks etc. The 3rd cusp sub lord is Sun. Sun signifies 3, 7, 8, 10 & 11, which are the favourable houses for engagements, Betrothal and mutual meetings talks etc. But Saturn's very close conjunction to Sun in 8th house is not good and all the engagement and mutual meetings talks are not favouring to the native and the marriage fails at the engagement level. This is because of the Punarphoo Dosha.

At present the Ketu dasa and Mercury bhukti are operating. But both the dasa and bhukti lord are not favouring for marriage of the native. So the marriage of the native may be in Venus dasa. So there is an abnormal delay in getting the marriage finalised due to the presence of strong Punarphoo Dosha.
This is another horoscope of a male native. The native of this horoscope got married at an early age of 20 years and his birth details are given below:

Name: Mr. Damodar Goyal
Date of Birth: 17.05.1951
Time of Birth: 09:30 Hrs. (IST)
Place of Birth: Jaipur (Lat/ Long: 26N55, 75E49)

Now let us see the chart no. 2. In this chart under discussion the 7th cusp sub lord is Sun. Sun is in self (Sun) star in 11 and in Jupiter sub, Jupiter is the lord of 7th and there is no planet in 7th house, Jupiter also aspects 2nd house by its 5th (Vedic aspect) aspect . Thus 7th CSL Sun signifies 11 and is connected to 2 & 7th houses. So marriage is promised to the native.
Now I am discussing how the Punarphoo Dosha is cancelled in this horoscope. I have solved the said horoscope in the guidelines of Cuspal Method theory advocated by Pt. K.R. Kar and tested his theory of Cancellation of ill effect of Punarphoo Dosha. Here Saturn is in close (Platic) conjunction with Moon in the 3rd house, both the planets are deposited in the constellation of Sun. Saturn's longitude is 02^0-34'-24" and Moon's longitude is 07^0-25'-41", this conjunction is adverse in nature and so the Punarphoo Dosha is nullified. The native of this horoscope therefore got married at an early age of 20 years.
So before one ventures to offer any predictions on marriages etc., one has to carefully scan the horoscope for the existence or otherwise of the Punarphoo Dosha and then only finalise the prediction. Sometimes this Dosha may not be apparently seen, that is to say Saturn may not be in Moon star or Moon sub or Saturn sub or Moon may not be in Saturn star Saturn sub or Moon sub. In that case that the sub-sub position of both Saturn and Moon has to be worked out. If either of the two is in the sub-sub of the other then the Punarphoo Dosha will be present.
Again when the Punarphoo Dosha is present, the event will not be materialised till such time when Saturn's Bhukti or Anthara period is over. The event will only be materialised in the succeeding planets period provided that the planet is the significator for that event.
It has been observed that the Punarphoo Dosha is not always being the reason for the delay in marriage negotiations but instead sometimes it helps in the settlement of an early marriage. Here I would like to advise all my astrological friends and readers that they may try and testify the above rules which has been discussed by me in my article about the "Punarphoo Dosha".

COPD stands for Chronic Obstructive Pulmonary Disease and refers to two long-term lung diseases, chronic *Bronchitis* and *Emphysema* (distention of the tissues with air). Bronchitis is an inflammation of the mucous membrane in the bronchial tubes. It typically causes bronchospasm or bronchial smooth muscle, producing narrowing of the bronchi. Emphysema is a condition in which the air sacs of the lungs are damaged and enlarged, causing breathlessness. Bronchitis is a common respiratory disease come with common cold. It comes in two forms:
1. Acute - lasting from one to three weeks which general medication can be applied for cure.
2. Chronic - lasting at least 3 months to 2, 3 years or more. But if the case is worst it runs with no cure and becomes serious long term disorder and causes for COPD.
As per the medical science, the causes for this disease are smoking, chemicals, dust, air pollution and in some rare cases genes may play a roll and lack of protein called Alpha -1. The main organ of this disease is lungs and it is incurable.

1. According to the KP literatures the main ruling house of lungs is Gemini. It governs pulmonary diseases, eosonophillia, dry Cough, pneumonia, bronchitis, pleurisy, asthma, and inflammation of pericardium, affections of the hands and tuberculosis. *(Medical Astrology for all, page 21, 4th Edition 2005)*

2. The lungs are ruled principally by Mercury and the Gemini sign, 3rd and 4th houses and are influenced or afflicted by all the common signs (Gemini, Virgo, Sagittarius and Pisces) and by the four cadent houses, when such are occupied by the planets at birth. The planetary causes for pulmonary affections are Sun, Moon, Saturn, Jupiter or Mercury in Pisces and afflicted. The Sun or Moon in the 6th house in common signs and afflicted by malefics; The Sun afflicted in Gemini or Sagittarius or in Virgo afflicted by Jupiter. *(Encyclopedia of Medical Astrology by H.L.Cornell - MD, DA. page 472)*

3. Karaka Planets of Lungs and Chest in general
Mercury - The principle ruler of lungs by lordship of Gemini and Virgo a common sign.
Jupiter - Lord of cadent houses Sagittarius and Pisces who rules lower lobes of lungs and karaka for morbid growth.
Saturn - Governor of breath & planet of contraction and obstructive in general, affecting the planets concerned.
Sun - Being the lord of Leo that rules heart including lungs

Gemini - plmonary diseases, eosonophillia, dry cough, pneumonia, bronchitis, pleurisy, asthma

6. Role of Uranus
As per "*Medical Astrology for all" by K. Subramaniam*, Uranus in Gemini produces pneumonia, bronchial affections, asthma and cough. (p 24). As well when Uranus locates any sign from Aries to Pisces, it gives bad health to the part of the body denoted by the sign as per the same literature. Hence I have drawn a special attention to Uranus in connection with
COPD.
Uranus rules Respiratory action - "*Encyclopedia of Medical Astrology" by Dr. H. L. Cornell, p 892*
Uranus diseases - spasmodic breathing, respiratory disorders, emphysema - *Ibid, pg 198, 892, 893*
Emphysema is under the rule of Uranus and Gemini sign - "The Ruler ship" by Rex E. Bills

7. Rule for Bronchitis
In Medical astrology natural Zodiac (Kalapursha), 3rd House Gemini sign (breathing), its lord Mercury (karaka), ruling lungs, Saturn, Jupiter (karaka) indicate respiratory system & pneumonia disease. Cancer sign is for lower lung, 4th Cusp (Lungs) and Moon (depositing of fluids in lower lobes of the lungs) & Sun also indicate lung infection; Rahu is also a significator of lung problems. Star Punurvasu indicates lungs, respiratory system & pneumonia. (Bill Rex's Rulership Book/ Umang Taneja's Dictionary of Significators; Dr. J. Lee Lehman's Rulerships, Judith Hill's Medical Astrology, Dr. Jagannath Rao' Medical Astrology; K. Subramaniam's Medical Astrology for All. - KPEZ - March 2010

With the above points of view, I was persuaded to find the possible KP rule(s) for COPD by the analysis of three available natal charts of the natives died by this disease as presented below.

Analysis of the charts
Chart 01
The 6th cusp of this chart is under the rule of Jupiter as sign lord, Mercury as Star lord and Venus as Sub Lord. The cusp is in Pisces sign and sign lord Jupiter is in Gemini (Breathing).

6th cuspal sub lord (CSL) Venus is in 4 (Lungs), lord of 1,8 and also the CSL of 3 (Breathing), 6 (sickness) and 10 (Treatment not effective) having no planet in its stars. This Venus is in the star of Mars in 9, in Cancer sign (Lower Lobe of Lungs), lord of 2, 7 (Maraka), and in the sub of Mercury in 6, in Pisces, lord of 9, 12 (Moksha, hospitalization). 6th CSL is connected with Maraka, 6,8,12 houses and karaka Mercury, Jupiter, watery Cancer, Pisces signs.

Chart 2
The 6th cusp is under the rule of Saturn as sign lord and Moon as star and sub lord. 6th CSL Moon is in 6 (Disease), in Cancer sign (Lower Lobe of Lungs), lord of 12 (hospitalization, terminal). 6th CSL Moon is in the star of own and sub of Jupiter in 11, Cancer sign, lord of 5,8 (serious ailment), 9 (Badhaka). 6th CSL is connected with Badhaka, 6,8,12 houses and karaka Jupiter, watery Cancer sign.

Chart 3
The Sun, Venus, and Saturn rule the 6th cusp as sign, star and sub lord. 6th CSL Saturn is in 5, lord of 11 (Badhaka), 12 (hospitalization, Terminal), in the star and sub of Venus in 10 (Treatment not effective), lord of 2 & 7 (Maraka). 6th CSL is connected with Maraka, Badhaka, 12 houses.

Conclusion
For COPD 6th cuspal sub lord is found to be connected with Maraka, Badhaka, 6,8,12 houses and karaka Jupiter, watery Cancer sign. Another interesting finding is Uranus-Rahu connection as follows:
Chart 01 - Uranus @ Pisces 21:57:01 is conjoined with Rahu.
Chart 02 - Uranus @Aquarius 8:30:55 is in the star and sub of Rahu
Chart 03 - Uranus @Aquarius 9:28:43 is in the star of Rahu.
This connection for COPD has not yet been found in any astro-medical literature and it should be added to the general rules of bronchitis and pneumonia

Background Note: I have completed the 8th month pregnancy period. Doctors have given time at the end of March 2015 through Cesarean child birth delivery. I wish to know about the gender of baby.

Name & Sex of the Querent: Mrs. XYZ, Female; Question: Gender of my baby?
Horary No.: 36 (out of 249); Date & Time of Judgment: 21-03-2015, 09:15:31 Hrs.
Place of judgment: Burrabazar (22N35, 88E21), West Bengal, India.

Hints:
2nd house denotes increase in the number of the members of family due to birth of a child. 5th house considered for child birth. It indicates first conception or pregnancy, progeny or child.
8th house signify sexual urge. 10th house indicates achievement of any undertakings. Being 10th from 8th is 5th house which indicates result of sex. Thus 5th house stands for child or child birth.
Consider the houses 2, 5 and 11 for child birth. Cancer, Scorpio and Pieces are the fruitful signs and important for assessment for child birth matters. Jupiter is the natural significator (Karaka) of child birth.
Considerer the houses 1, 4 and 10 for absence of children or for separation from children (being 1th from 2, 5 and 11 respectively). Aries, Gemini, Leo and Virgo are the barren signs. Saturn, Rahu and Ketu are the natural malefic planets for child birth.
Sun, Mars and Jupiter are male planets. Moon, Venus and Rahu are female planets. Mercury and Ketu are neutral gender. Odd number signs (1, 3, 5, 9, and 11) indicate male and even number signs (2, 4, 6, 8, 10 and 12) indicate female. However it is most difficult to predict about gender of child.
The joint rulers of 5th cusp and the star lord of the 5th CSL are responsible for determination of the sex of the child birth.

Analysis
5th Cusp (Virgo 09-41-30: Mercury-Sun-Venus): The 5th CSL Venus is in the constellation of Ketu. The joint rulers of Ketu are Jupiter-Mercury-Mercury (sign lord, star lord, sub lord).

The 5th cusp joint rulers are Mercury-Sun-Venus. (sign lord, star lord, sub lord).
Mercury is a neutral gender and posited in sub of Moon, a female planet. Sun is in sub of Mercury, a neutral gender. Venus, a female planet, is in sub of Saturn – neither Male nor female. All these indicate chance of a female baby.

The joint rulers of the star lord Ketu of the 5th CSL are Jupiter-Mercury-Mercury. Jupiter is in the sub of Ketu, a neutral gender. Ketu is rapt conjoined with Moon, a female planet. Mercury is in thesub of Moon, a female planet. All these indicate chance of a female baby

My Opinion: Female child birth is indicated.

Actual Outcome: Predictions comes true.

Pranaam to Lord Ganesh and Guruji KSK! Pranaam to my Guruji Sri P.Roychaudhary!

Introduction

I always thought it might be fitting to contribute to a magazine that provides so much dedication and patience to the science of KP. Kanak's astrological Ezine is a publication I have always wanted to do just that; contribute. In looking at the authors, despite their English language barriers, including mine for their native languages, they each make sincere and solid attempts to communicate their findings in a science they so much love.

Even though my background extends to other sciences such as numerology, tarot and classical Vedic astrology, I am still a novice by far when it comes to KP Astrology; and nothing could be better than to learn this science from such great teachers; thus I created the Novice Nook. This is a section for both the beginners and those that need a refresher of the basics.

Taking this science seriously, means working with it actively and not passively. What do I mean by that? Remember, first things first. Learn the fundamentals and then learn the steps to casting a horary map and practice! Practice! Practice! Practice! I cannot say it enough.

Sage Advice:

When studying each KP, a great approach that you may find helpful is taking one topic at a time and reading as many examples regarding that topic as possible. If you study too many different topics at one time, you will surely become an individual with some knowledge of all the topics, but a master of none.

At the end of your studies, you will need to ask yourself, have you found value for yourself or for others? For example, if you start studying longevity, then go through the many years of longevity discussions found in so many KP newsletters that Kanak Bosmia and his authors have blessed us with. Don't study wealth one minute, then longevity another day, then health another hour. Until you get the basic fundamentals down, all you will end up is confused. I can tell you from experience.

An Analogy

The same goes for when I am teaching the martial arts, many people approach me and tell me they want a black belt and ask me how long does it take to get one? I just shake my head and tell them we always start and end the class with the basics. Then they retort and tell me that they don't want the basics, but only the advanced techniques. Here they miss the whole point of what I am teaching. The same is for math. In order to become good at say Calculus III, you need to know basic math; then Calculus I and Calculus II, then you can learn Calculus III.

Same for KP Astrology. Advanced techniques, or what appears to be advanced techniques are nothing more than a combination of the basics. Like the example above, Calculus III is a mixture of basic math, Calculus I & II. Calculus III then appears to be advanced. So it goes martial arts, astrology, or any subject of study. Thus, don't miss this point - ever in

your studies! Upon this understanding, then you will advance in your studies.

What determines a master astrologer? Master is nothing more than a name or title some times so proven by a certificate; a piece of paper. Many people buy into the granting of a certificate or some other form of recognition, when in fact, when you are really proficient at what you do, there is no need to be recognized by anyone but yourself or the people you service. As we say in the martial arts, "skill is rank". Demonstrate your skill via constant contributions to what you have learned in the science or art, and you to will become a master of the craft; still with an entire journey ahead of you. Don't let a piece of paper dictate whether or not you're a master; the paper is for those not sure of themselves until they have it documented and signed by some instructor who calls themselves a guru. Study these brilliant articles in KP Ezine with love, attention and intention and you too will become a skilled practitioner with thanks to all those who came before you in this publication.

All that said: between all of the authors of this publication, if you go back to 2007 and begin to study each author's process on the same topic as you begin your journey, you will have enough information before you to become a master astrologer if that is what you desire to be. And remember, becoming a master astrologer does not mean you stop your journey there. It is a continuous journey that has no bounds and you must treat the science as you would like the science to treat you; with respect and honor. There are too many false practitioners out there that make claim of being a master. Really? Be great at what you have learned and give back.

I am creating this section of KP Ezine, calling it the Novice Nook, to be the cornerstone for novices that would like to understand the many basics, nuances and questions presented by many beginners. If you have questions, send them to me and I will do my best to also collaborate with many of the authors of this wonderful magazine and address some of the questions in future additions. This should be one of your first stops when reading this magazine if you would like to pick up some ideas, tips and theory for the beginner. Good luck on your journey and may you attain the success you deserve.

PR visa papers when?

By: Er. V.K Sharma
Superintending Engineer (Retired.),
#104, City Enclave, Zirakpur,
Mohali (Chandigarh).
Cell – 09417117370, nick0885@gmail.com

A querent who has applied for P.R. for foreign country about two years back was eagerly waiting visa papers asked me to check when he will get visa papers.

Horary number provided by the querent is 96.
Date of query: 16-11-2014;
Time of query: 07:14 PM;
Place of query: Chandigarh

Moon reveals the nature of query.
Moon is lord of 12 in 1 and it is in the star of Venus in 3 lord of 3 and 10. Further it is in the sub of Jupiter in 12 lord of 5 and 8. Hence Moon is linked with 3 (all correspondence, letter, papers, means of communication ticket, visa, work permit). 3rd house (12 to 4) also indicates change of residence. Further 12th house shows new environment and surrounding and 8 means tension. So Moon clearly shows that querent is having tension for getting the visa papers for foreign country.

Gulberga Theory
If sub lord of horary number furnished happens to be either Moon star lord or lagan star lord among the ruling planets, then query is to be answered in the affirmative otherwise not. In the case under reference sub lord of horary number is Mars and lagna star lord is also Mars Accordingly I informed the querent that answer to his query is affirmative and he will surely get visa papers.

Confirmation through Asc sublord
In the case Asc sub lord is Mars, deposited in 5 lord of 4 and 9. It is in the star of Venus in 3 lord of 3 and 10. It is in the sub of Jupiter in 12 lord of 5 and 8. Hence Asc sub lord is significator of 3, 9, 12, which shows effort of querent for getting visa papers.

Ruling Planets on dated 16-11-2014
Asc sign lord: Venus; Asc star lord: Mars
Moon star lord: Venus; Moon sign lord: Sun
Day lord: Sun

General Aspect
Matter regarding visa papers, all kinds of correspondence, letters, means of communications, ticket, certificate, work permit etc relate to 3rd house.

Rule for Visa Papers

- If the sub lord of 3rd house signifies 3 and 11, one gets desired result
- Also if the 11th cusp sub lord signifies 3 or 11, one gets positive result
- Further 3rd and 11th cusp should have linkage with house 3 or 9 or 12 for getting visa for foreign country

3rd Cusp Sub lord

3rd cusp sub lord is Mercury in 3 and lord of 2 and 11. Further it is in the star of Rahu in 2. Rahu is in the sign of Mercury in 3 lord of 2-11. It is in the sub of Sun in 3. Hence 3rd cusp sub lord signifies 3 and 11 which is conducive for getting visa papers.

11th Cusp Sub Lord

11th cusp sub lord is Moon in 1 lord of 12. It is in star of Venus in 3 lord of 3 and 10. It is in the sub of Sun in 3 lord of 1. Hence 11th cusp sub lord signifies 3 and 12 which is conducive for getting visa papers for foreign country.

Verifications of Mahadasha, Bhukti, Antra and Sookshma

On dated 16-11-2014 Mahadasha of Venus and Bhukti of Jupiter was running from 25-02-2013 to 27-12-2015.

Mahadasha Venus

Venus is in 3 lord of 3 and 10. It is in the star of Saturn in 3 lord of 6 and 7. It is in the sub of Mercury in 3 lord of 2 and 11. Hence Venus Mahadasha signifies 3 and 11 which is conducive for getting visa papers.

Bhukti Jupiter

Jupiter is in 12 lord of 5 and 8. It is in the Star of Mercury in 3 lord of 11 and 2. It is in the sub of Jupiter in 12 lord of 5 and 8. Hence Jupiter bhukti signifies 3,11 and 12 which is conducive for getting visa papers.

Antra Venus [19-08-2014 to 28-01-2015]

On the day of judgment dated 16-11-2014 antra Venus was running. As discussed above in the Mahadasha Venus it is also conducive for getting visa papers.

Sookshma

On the day of judgment sookshma Jupiter was running from 10-11-2014 to 1-12-2014. Next sookshma was Saturn from 1-12-2014 to 27-12-2014. Jupiter was already taken as bhukti lord. Saturn is in 3 lord of 6 and 7, and it is in the star of Jupiter in 12 lord of 5 and 8, further in sub of Rahu in sign of Mercury in 3 lord of 2 and 11. Hence Saturn sookshama signifies 3 and 12 which is conducive for getting visa papers. Moreover 3 and 11 are signified at sub level of Rahu. So I informed the querent that he will get his visa papers for P.R. of foreign country between 1-12-2014 to 27-12-2014 that is before the expiry of Saturn sookshma,

Fact of case

It was intimated by the querent that he received visa papers for Permanent Residency on dated 5-12-2014 which falls on FRIDAY and he has booked his seat for SUNDAY. It is pointed out that VENUS [Friday] and SUN [Sunday] come twice each in the R.P. which clearly shows that RULING PLANETS play important role in Krishnamurti Padhadhti .

My parnam to our Guru ji Sh K.S.Krishnamurti for his wonderful Padhdhati.

Selec on of Dasha periods in the birth chart

In timing events according to the birth chart, we need to select the significators we are interested in and then their activating periods according to the dasha system. In the western system of astrology, there is no dasha system as ours. However, in our eastern system, we have this method to find the time of any event according to the significators of a life event of the native.
According to Krishnamurthi Padhdhathi, the steller method propounded by our late Guruji, the Vimsoththari dasha system is utilized in timing of events. This is a timing method of total of 120 years allocated for each of the nine planets in unequal periods. This method of division for allocation of sub periods for each planet is similar to this.

The dasha of a native at the time of birth is selected according to the position of Moon in the 27 constellations of the zodiac. Moreover, according to the distance travelled by Moon in a particular constellation, the balance period of the dahsa at the time of birth is calculated.

In this birth chart, Moon is deposited in the sign Sagittarius 19.51.17. When the zodiac is divided into 27 constellations, the constellation from Sagittarius 00.00.00 to Sagittarius 13.20.00 is ruled by Kethu and the next constellation from Sagittarius 13.20.00 to Sagittarius 26.40.00 is ruled by Venus. Therefore, the native had the major dasha ruled by Venus. The Moon has travelled a distance of 06.31.17 in the constellation ruled by Venus. This distance in the constellation is equivalent to a period of Dasha balance for Venus - 10 year, 02 month and 18 days at birth.
The Krishnamurthi Padhdhathi rule for marriage is that, if the sub lord of the 7th cusp (for marriage) is a significator for 7th bhava or 2nd bhava (increase of family members) or the 11th bhava (fulfillment of expectation), the native is fortunate to get married.
This is an analysis of a birth chart to find the significators of marriage, marriage period according to dasha and sub dashas and the transit of the significators during the time of marriage.

At the time of his birth, the dasha balance for Venus is 10 years, 02 months and 18 days.
From January 1992 to January 1999, he was under the influence of Mars as dasha lord.
This dasha lord Mars is deposited in a star of Mercury, a significator for the 7th and 11th bhavas, in addition to other bhavas. Therefore this native will enjoy the results connected to 7th and 11th bhavas during the periods and sub periods of Mars.
From December 1996 to February 1998, he was under the influence of Venus as bukthi lord.
Venus is also deposited in a star of Mercury, a significator for the 7th and 11th bhavas, in addition to other bhavas. Therefore this native will enjoy the results connected to 7th and 11th bhavas during the periods and sub periods of Venus.
From 18th April to 12th May 1997, he was under the influence of Mars as antara lord.
As discussed above this native will enjoy the results connected to 7th and 11th bhavas during the periods and sub periods of Mars.
This selection of significators and timing of marriage for Mars dasha- Venus buthi- Mars anatara is done according to the rules laid in the infallible system, Krishnamurthi Padhdhathi.

GOOD LUCK.

Rumor/Message True or False

Name: Kanak Bosmia
Question: I have read on one of gambling website of UK that gambler's favorite for USA President election nomination from democratic party for election 2016 is Hillary Clinton, (I don't like to support this kind of gambling activity, thus not given name of site) Is it true?
Number. 205 (out of 249).
Date of Judgment: 19-02-2015, Thursday; Time of Judgment 12-13-25 PM IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'.
Aynamsha $23^0.58'.41"$

Hints
If the cuspal sub lord of 3 (in the star of the occupant or owner) happens to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter, it is true. And if the lord happens to be planet connected with Saturn in any manner the report is false; but if connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3^{rd}. (Aries $07^0.06'.10"$): The sub lord of the 3rd cusp is Rahu. Rahu is in the star of Moon and sub of Mercury. Rahu is in Virgo sign, thus represents Mercury. Here 3^{rd} cusp sub lord is not connected with Mars and Saturn, hence rumor/message is true.

My opinion: Yes, what I have read on one of gambling website of UK that USA President election nomination from Democratic Party for election 2016 is Hillary Clinton, is true.

ASC lords are Venus-Sun-Jupiter-Sun
MOON lords are Saturn-Mars-Moon- Saturn

Rule - 1:
Note down sub sub lord of Asc. (Horary sub sub lord A is in the sub sub of planet B, in this case B is deciding factor). Now tally planet B with Moon star lord or sub sub lord. If it tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is YES. If not, check with Asc star lord and sub sub lord, if tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
SS lord of Asc SS lord is Saturn.
Saturn is MOON's SS lord.
Rule SATISFIED.

Rule - 2:
Note down F-1, star lord of Asc sub sub lord. (Planet A is in the star of B, Please read detailed article by the same author in Feb-Mar 2007 KP Ezine issues). Now tally planet B with the Moon star lord or sub sub lord. If it tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is YES. If not, check with Asc star lord and sub sub lord. If it tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
Star lord of Asc SS lord is Mars.
Mars is MOON's star lord.
Rule SATISFIED.

Rule - 3:
Lastly check with F-3, (Planet A—sub sub lord of Asc—is in the sub sub of planet B. Planet B is in the star of Planet C. In this case, Planet C is the deciding factor). Now tally Planet C with Moon star lord or sub sub lord. If it tallies (in other words, if C is star lord or sub sub lord of MOON) the answer is YES. If not, tally with Asc star lord and sub sub lord. If tallies (in other words, if C is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
Star lord of SS lord of Asc is Saturn.
Saturn is MOON's SS lord.
Rule SATISFIED.

My opinion: 3 out of 3 rules are satisfied. Hence according to TSP, the answer is YES, rumor is true.

Background
1. In a Yahoo Jyotish discussion group, the following issue has been recently discussed: Given below is the data of known person who got an excellent job offer even under Sade Sati and the period of Chandra Shani. He has Chandra and Shani in opposition.

Male
13th July 1943; 11.14pm War Time
Latitude: 24n03; Longitude: 73e04

His Vargottam Lagna is Aquarius.; Moon sign: Scorpio; Nakshatra: Anuradha

2. He is a surgeon by profession. The Dr. surgeon was first approached in March 2014 and discussion took place almost for a year. He got offer in first week of Feb 2015 and accepted it. He joined new place on March 10th 2015.

3. Would you enlighten me what are the astrological pointers which gave him a very good offer with improvement in status and very good earning during bad Chandra mahadssha / Shani antardasha with Chandra and Shani in opposition in the Lagna chart plus having bad transit of Shani, Sade Sati period.

Basic Chart
4. Male, 13 July 1943, 23:14 pm War Time, 24 n 03, 73 e 04, India, Time Zone: hr 5:30 east plus WT hr 1 = hr 6:30 east of GMT, Sid Time 16:59:02, KP New Ayanamsa: 22:58:43, Placidus house, Mean nodes, Ascendant: Aquarius 16:38:17, Star: Satabhisha (3), Moon: Scorpio 04:44:45, Star: Anuradha (1), Balance Dasa: Saturn 16Y, 11M, 25D (365 days / year), calculated by KPAstro 4.1 SW

Hint for improvement in status
5. *If 10th (status, power, name, fame) cuspal sub lord (CSL) signifies house 6 (gain), 10 (status, fame) or 11 (achievement, fulfillment of desire), one is promised for improvement of status during the joint dasa period (DBA) of the significators of houses 6, 10 or 11.*

6. 10th Cusp: Scorpio 22:59:04 (sign lord Mars, star lord Mercury, sub lord Moon)
10th CSL Moon+ is in house 9, lord of 6, the CSL of houses 7, 10, 11 having no planet in its stars. Moon is in the star and sub of Saturn in house 4, lord of 1, 12. Thus the 10th CSL signifies all required houses 6, 10, 11 for improvement in status, along with his own effort (house 1).

Hint for very good earning
7. *If 2nd (money)CSL signifies house 2 (money), 6 (gain, device), 10 (profession) or 11 (gain, fulfillment of desire), one is promised for very good earning during the joint dasa period (Dasa-Bhukti-Antra) of the significators of house 2, 6, 10 or 11.*
8. 2nd Cusp: Pisces 25:21:08 (sign lord Jupiter, star lord Mercury, sub lord Rahu)
2nd CSL Rahu+ is in house 6, the CSL of 2, 6, 8, 12 having no planet in its stars. Rahu is conjoined with Jupiter in house 5, lord of houses 2, 11, aspected by Mars in house 2, lord of houses 3,10 and Saturn in house 4, lord of 1, 12. Rahu is in sign Cancer representing

f) Dasa agrees with transit as the DBAS lords and luminaries were transiting in the star and sub of DBAS lords or significators of relevant houses 2, 6, 10, 11.

Punarphoo dosha

10. Chandra and Shani in opposition forms Punarphoo dosha (Moon- Saturn connection) causing delay about one year in joining new place of job till (Moon Dasa) Saturn Bhukti which gives whatever it has to give by itself, not allowing other plates to give.

Sade Sati

11. Sade Sati does not matter for prosperity, for instance:
(Ref: *Is Saturn Always Malefic?* by Sumanadasa Namarathna (Sunaparantha Kalyan), KPEzine Mrach 2012 issue)

When My Daughter Will Come Back Home?

Horary Question: My daughter has run away from home? When she will come back home?
Horary No: 197/249
Horary Date: 24/02/2015
Horary Time: 20:45:37
Horary Place: Gomtipur- Ahmedabad
Long/Lat : 23 N 1, 72 E 37

Hints
If the cuspal sub lord (CSL) of 11th house be the significator of 2, 8 or 11 (reunion), a person returns home during the joint period of the significators of 2, 8 and 11.

My Analysis:
11th CSL is Venus.
Venus is occupant 2, owner 5-10, Venus is the CSL of 5,11,12 having no planet in its stars , in the star of Saturn in 10, owner 1-2, in the sub of Sun occupant 1, owner 8.
Venus signifies 2,8,11, so she will come back for sure.

Current dasa period lords are Su-Mo-Su-Ju.
Sun is occupant 1, owner 8, in the star of Rahu occupant 8, Rahu is agent of Mercury occupant 1, owner 6-9, in the sub of Saturn occupant 10, owner 1-2,
Dasalord & Antra lord Sun signifies 2,8 = OK.

Moon is occupant 4, owner 7, in the star of Sun occupant 1, owner 8, in the sub Moon occupant 4, owner 7,
Bhukti lord Moon signifies 8 = OK.

Jupiter is occupant 7, owner 3-12, in the star of Mercury occupant 1, owner 6-9, in the sub Venus occupant 2, owner 5-10, Venus is the CSL of 5,11,12 having no planet in its stars.
Sookshma lord Jupiter signifies 2,11 = OK.

Jupiter Sookshma ends on 26/2/2015, so in my opinion she will come back before 26/2/2015.

Actual Outcome: His daughter came back home on 26/2/2015 @ 6 PM.

Under medical astrology kidney problem is one of the major problems of health and K.P system has dealt in depth with all aspects of it conclusively. Now I would like to analyze, with the help of K.P system and its rules, the chart of an individual who had undergone kidney transplantation. A kidney transplant is a surgical procedure to place a functioning kidney from a donor into a person whose kidneys no longer function properly. Our kidneys remove excess fluid and waste from the blood. When kidneys lose their filtering ability, dangerous levels of fluid and waste accumulate in the body — a condition known as kidney failure. A kidney transplant is often the best treatment for kidney failure.

The disease related to kidneys and its allied problems fall mainly under the purview of Libra - the 7th house in natural zodiac. The three main planets connected with this are Venus, Jupiter and Moon. Mars governs the urinary system and Venus in specific kidneys. If Mars and Venus are adversely effected by unfavorable planets in watery signs viz., Cancer, Scorpio and Pisces, one may suffer from kidney troubles and urinary disorders. If Moon falls in 6th bhava, a watery sign and connected with Mercury which again is placed in watery sign, it will surely indicate urinary problems.

In medical astrology the main houses related to disease are 6, 1, 8 and 12 and its significators.
Ascendant- indicates physical aspects of the body. Sixth house indicates – disease. 8th house indicates danger or accident or seriousness of the disease. 12th house indicates hospitalization or treatment elsewhere.
The other related houses are 5th (12th to 6th house) indicates cure and control of the disease, 11th house indicates treatment and cure.

K.P rules say that
1) If the Ascendant cusp sub lord or 6th cusp sub lord is the significator of 6 or 8 or 12 or the star lord in which the sub lord is posited is in any way connected to 6 or 8 or 12 the disease is caused.
2) The nature of the disease is indicated by the 6th house and its cusp sub lord. If the cusp sub lord happens to be or the star lord in which the said sub lord is posited in --
A) Saturn- it indicates that the disease will be chronic, B) Mars- acuteness, C) Mercury- complications, D) Rahu- complication in diagnosis and also in the process of treatment and E) Jupiter – quick and direct in action.
3) The disease will arise during the conjoined period of the significator of 1 & 6; or 1 & 8; or 1 &12.
4) The cure will be indicated during conjoined period of the significator of 5 or 7 or 11.

Date of Birth: 30-3-1987; Time: 12.28.25 PM; Place: Cuddapah-AP

ANALYSIS OF THE CHART
1)Ascendant cusp sub lord is Saturn. Saturn co-rules 8th cusp also. Saturn is the lord of 8 and 9 and is posited in 6th – Scorpio- a watery sign and 8th in the natural zodiac. Saturn is in the star of Mercury and sub of Jupiter. The STL Mercury is the lord of 1 and 4, in 9th. The SBL Jupiter is the lord of 7 and 10, in 9th. Saturn a restrictive planet signifies 1-physical body and health in general, 6th disease or some serious health problem,

8th –seriousness in nature and suffering from fatal disease, 7th-urinary problems, 10th-experiencing the sufferings.

2) 6th cusp sub lord is Moon. Moon is a watery planet placed in Pisces a watery sign -10th houses. Moon is in Mercury star and Rahu sub. The SBL Rahu is placed in 10th with 6th cusp sub lord Moon. Thus the 6th cusp sub lord Moon signifies ascendant-physical health,
12 cusp sub lord is Venus. Venus is the lord of 5 and 12 placed in 8th house. Venus is in the star and sub of Rahu. No planet is posited in Venus stars and hence Venus strongly signifies 12th house.The STL and SBL Rahu is placed in 10th. Thus Venus signifies kidneys and 8- seriousness of the disease, 12-hospitalisation, 10- karma sthana, 5th - control of the disease, and 7th -treatment by doctors.

It is evident from the above, that the native is destined to suffer from urinary and kidneys problems, with hospitalization, treatment by doctors and cure.

Other important signs related to this disease of kidneys and urinary problems are 7th and 8th. In the native's chart the 7th cusp sub lord is Jupiter which rules Sagittarius which is also the lord of Pisces. Jupiter is karaka for kidneys and Pisces is a watery sign.

The 8th house is Capricorn which is ruled by Saturn a restrictive planet placed in 6th house. Mars the 6th lord is placed in 11th directly aspects the 6th cusp and 6th cusp sub lord Saturn.

Dasa analysis
The disease started during the main Dasa of Venus in the month of August 2007. Venus made him to be hospitalized, with all the seriousness of urinary problems (8) and kidneys (7).

The bhukthi lord Mars from Sep 2006 to Nov 2007 signifies 6, 7 and 10, all the relevant houses for the problem.

The antar Dasa lord Venus (from 6-7-2007 to15-9-2007) signifies hospitalization (12), problems and operation (8), treatment by doctors (7), medicines (2), change of medicines (3) and cure by treatment (5).

The sookshma lord Jupiter (co rules 5, 7 11) (from11-8-2007 to 21-8-2007) – a karaka planet for kidneys signifying 5 and 11 gave him cure by treatment along with suffering (9-badhaka sthana adhipathi for Gemini lagna).

Sun transited in Leo rasi on Venus star (antara lord) during said period.

Thanks to K.P system and its rules which helped me to apply the same for analyzing the chart and to de cipher reasons for and result of the said problem. My highest regards to Sri K.S.K. the founder of K.P. sub lord theory.

My sincere thanks to Sri Kanak Ji for this wonderful opportunity to submit my article for our esteemed E Zine.

According to the Universal Law, all of us have to meet with death as decided by the fate. As well, it is difficult to find any one who has not suffered from any ailment through out the life stream. Some diseases are fatal and some are curable. Most of incurable diseases cause to death. The modern medical science has concluded more than 10 diseases as incurable such as HIV, Diabetic, Cancer, Ebola, Polio, Lupus Erythematosus (skin disease), Asthma, Leprosy, Leukemia, Psoriasis etc. All these incurable diseases are not fatal and if the longevity is promised an ill fated person can live for his full life span brought by his fate. But some diseases like HIV, Ebola, and Cancer are beyond control or cure and the death is surely promised if one is attacked by such a disease according to the medical science.
But astrologically this is not always true. Whether the disease is incurable or curable, if the longevity is promised up to some extent, the native will live up to the end of the life span so promised. It may be with sufferings from the illness or with regained good health after recovery from any disease. If a native is suffering from any incurable disease listed by the medical science, and also if the native is destined to have karmic effects to be free from disease acquiring his full life span as given by his previous karma, the native will enjoy the life with good health.
The reason for giving such an explanation of diseases, recovery and possessing of Aayush with normal good health is to discuss of a native who recovered from the Cancer, a dreaded and condemnable disease.
In the previous issue of KPEZine, Apr. 2015, I have contributed an article based on a case study of dual role of Kethu. Now I am taking our esteemed readers to the next node Rahu, who too has played a dual role by giving a dreaded disease Carcinoma/ Cancer to a native during its main period and at the same time, Rahu have offered the native a happy life with good health.

History of the case
One day in 2011 August, an officemate of mine rang up me and informed that a close lady friend of my office was badly sick with Cancer disease and suggested me to pay visit to her. On our visit to her, we understood that she was suffering from lung Cancer and was under medical treatments and all the family members including her husband and only daughter were frightened with this dreaded disease. There I did some remedies by chanting some parts of Pariththa (Pirith) delivered by Lord Buddha for the protection and tied a holy thread on her hand, blessed for her early recovery and collected her birth detail as given below to see her future life.

Birth detail
Mrs. Asoka, Female, 15 Oct. 1962, 04.46 am, Mirigama Hospital, Western Province, Sri Lanka, 07N15, 80E08, Asc. Virgo, 08:58:17, Venus Vimshottari Mahadasa Balance 12Y, 03M, 14D, KP New Ayanamsa 23° 14' 50" , calculated by KPAstro 4.1

The Asc. sub Lord is Venus. Venus is in the Star of Jupiter and in the Sub of Rahu. Venus is an occupant of 2 and owner of 9 & 2. Star Lord Jupiter is the owner of 4 & 7 and occupant of 6. Sub Lord Rahu is an occupant of 11 with signification for 5 & 6. Rahu represents Moon(8-11), Mars (11-3,8) and Saturn (5,6).

As per KP rules

1. If Asc. sub lord signifies 1, 5, 9, 10 along with 3, 8 long life over 66 years up to 100 years.
2. 2. If Asc. Sub lord is in the star of the occupant of the 6th house and connected with Lagna indicates sickness.

Jupiter the Star lord of Lagna sub lord is the owner of 7 (maraka & badhaka), 4 (end of life), aspects 12 and also is the sub for 12 (hospitalization), aspects 2 (maraka) & 10 (Treatments not effective). Lungs are ruled out by Jupiter and its owned 4th house governs Lungs, Heart and Chest while 7th governs breathing.

Lagna lord Mercury, the chief governor of Lungs is in the Lagna cusp located in the sign of Virgo owned by Mercury. It is in the star of Moon in 8. Moon is a karaka planet for blood, blood circulation and carcinoma, while Cancer sign too is a karaka house for Cancer disease. The sub lord of Mercury is Rahu in 11, Cancer sign and Rahu is the star lord and sub lord for 6th. Rahu is conjoined with Mars (Blood/Acute and painful diseases) lord of 3 (Scorpio- a watery sign) and 8 (Danger to life). Both Rahu and Mars are in the star of Saturn (chronic). Saturn is the lord of 5 (Heart) and 6 (House of disease). Saturn is conjoined with Kethu in 5th that is owned by Saturn. The 6th cusp is occupied by Jupiter (Blood/ Malignancy/morbid growth), the lord of 4 & 7 (Maraka & Badhaka). Here Jupiter is playing the role of Sub lordship for 2 (Nose, Tounge), 4 (Lungs, Heart, chest), 10 (Gemini -Lungs, Blood and Breath) 12 (Hospitalization /Leo - Heart).

Planet Mars, Jupiter, Saturn, Rahu & Kethu and signs Cancer, Scorpio and Pisces are the main cause of this disease Cancer. All these planets and signs have been connected each other like a cobweb making this dreaded disease.

The symptoms of the disease have been found during the Maha Dasa of Rahu and Bukthi of Venus. Venus is an occupant in house 2 Scorpio owned by Mars and is the owner of 2 (Maraka) & 9. It is in the star of Jupiter and in the sub of Rahu. So the native was found to be a sick with dreaded disease. But here Rahu plays a dual role in this chart to give native a bed ridden period with dreaded sickness and to give her full life span as earned by her merits with a normal health in general.

On 13 Aug. 2011, I gave a short analyzing report of this birth chart with conciliation prediction to her family members as the Maha Dasa Lord Rahu is a powerful indicator of her good health free from all diseases, with its occupation in 11th, in the star of Saturn the owner and occupant of the 5th. The conjoined planet Mars is the lord of 3 & 8 (Houses for longevity) and a significator for 5 & 11.

On last 19th March 2015, I got a call from this lady with an invitation for farewell/Thanks giving party to be held on next Sunday arranged for the close office mates who have visited her while on the sick bed and blessed for her recovery.

Hints for cure of diseases and save from danger

"If the sub lord of the 6th *or* 8th *or* 12th *or* 11th cusp be the significator (In the star of the occupant or owner) of 1, 5, or 11 (1st Health, 5th is 12th to 6th absence of disease, 11th is 12th to 12th absence of bed ridden sickness or hospitalization), disease is cured or the native is saved from any danger or otherwise, during the joint period of the significator of 1, 5 and 11."

- *Further Lights on Nakshatra Chintamani, page 63, by Sri Chanrdakanth R. Bhatt*

As at today the native is still in the Maha Dasa of Rahu (5-11-5,6), Bukthi of Mars (5-11-5,6 -3,8) up to 29th Jan. 2016. The planetary positions below reveal the promise above rule for cure and save from life danger.

6th CSL Rahu - in the star of Saturn the owner of 5

8th CSL Saturn - in the star of Moon the owner of 11

12th CSL - Jupiter - in the star of Rahu an occupant of 11

11th CSL - Kethu - in the star of Moon the owner of 11.

Further KP rule says
* If 11th house is not Badhaka, it is most helpful for longevity since 1,5,11 houses are saving houses from danger to life.

* "Generally one falls ill at the time when the conjoined period of the planets connected with the 6th and the first house in any manner operates; but the cure comes only when the significator of the 5th or 11th house follows the period governed by the disease producing 6th house significator. One will survive from the disease after the cure, only when his longevity is promised." - (KP Reader VI p 158)

Today the native is free from danger to life as certified by physicians and maintaining good health. May it be up to the end of her life span earned with her previous good deeds or Karma.
How marvelously true are the principles of Sub Lord Theory in Krisnamurty Paddhati invented by Sri K.S.K with great painstaking researches?

New Delhi: Former Prime Minister Manmohan Singh said on Wednesday he was "upset" by a court here summoning him in a case relating to the allocation of coal blocks, but was "sure truth will prevail."
"Of course, I am upset but this is part of life. I have respect for the judicial process. I have stated my position before the CBI. I have issued statements also justifying what we did," he told reporters when asked about the summons issued to him by a special court here.
"I have always said I am open for legal scrutiny. I am sure the truth will prevail and I will get a chance to put forward my case with all the facts," Manmohan Singh said, adding he will discuss with his legal counsel on contesting the summons.

Special Judge Bharat Parashar, after taking cognizance of the Central Bureau of Investigation (CBI) final report in the coal block allocation case, summoned the former prime minister, industrialist Kumar Mangalam Birla and former coal secretary P.C. Parakh.
The court also summoned Hindalco officials Shubendu Amitabh and D. Bhattacharya on April 8.
The court summoned them under various sections of the Indian Penal Code dealing with criminal conspiracy, criminal breach of trust and provisions under the Prevention of Corruption Act.

Hint: Criminal Proceedings
If the sub lord of the 10th cusp (status) be the significator (in the star of the occupant or owner) of 7 (court proceedings), 8 (infamy) or 12 (crimes), the native will be involved in court proceedings relating to crimes, ill-reputed and inflicted with punishment, during the joint period of the significators of 7, 8 and 12.

Cuspal Sub Lord (Criminal Proceedings):
10th Cusp (Gemini 06°.59'.51"): The sub lord of the 10th cusp is Rahu. Rahu is in the star of Moon and sub of Saturn. Rahu is occupant of 1. No planet is in the stars Rahu and Rahu is the CSL of 4-6-8-10 having no planet in its stars. Rahu is in Virgo sign, hence represents Mercury. Mercury is occupant of 5, owner of 1-10. Star lord Moon is occupant of 3, owner 11. Sub lord Saturn is occupant of 3, owner 5-6. Thus 10th cusp sub lord Rahu is the

Ruling Planets
At the time of judgment, ruling planets are as under.

	Day lord	Sign lord	Star lord	Sub lord
Day Thursday	Jupiter	—	—	—
Asc. Aries 29°.54'.26”	—	Mars	Sun	Rahu
Moon. Scorpio 08°.47'.20”	—	Mars	Saturn	Venus

Ketu is conjoined with Mars and Venus, hence represents Mars and Venus. Thus ruling planets are Jupiter, Mars, Sun, Saturn, Venus, Rahu and Ketu.
Note: Moon is in Saturn star forming Punarphoo Yoga.

Joint period:
At the time of horary chart, Saturn dasa continues up to 01-06-2026. Joint period at the time of horary chart is Saturn-Venus up to 24-05-2017.

Dasa lord Mercury is in the star of own and sub of Sun. Saturn is occupant of 3, owner of 5 -6. Sub lord Sun is occupant of 6, owner 12. Thus dasa lord Saturn is significator of 3-5-6 and connected with 6-12. Saturn is in the RP.

Bhukti lord is Venus, but we have Punarphoo yoga in the RP and chart, and also criminal proceedings cannot be finished in 2 years in India, thus I left this bhukti and go for next Sun bhukti from 24-05-2017 to 06-05-2018.

Bhukti lord Sun is in the star of Jupiter and sub of Venus. Sun is occupant of 6, owner 12. Star lord Jupiter is occupant of 11, owner 4-7. Sub lord Venus is occupant of 7, owner 2-9. Thus bhukti lord Sun is significator of 4-7-11 and connected with 6-12-7-2-9. Sun is in the RP.

My opinion: Manmohan Singh will be involved in court proceedings relating to crimes, ill-reputed and inflicted with punishment during 24-05-2017 to 06-05-2018.

One day in September 2009, I received a query as under :

"Sir, I got my daughter married on the 14th Sept, 2009. My son-in-law who is employed in Germany has already got confirmed return flight ticket for 30th of October. My effort to get visa for my daughter has not met with success to this date(20/10/2009). Will she be able to accompany her husband ? ", questioned a worried father and gave a horary number '24' for analysis.

Analysis was done : at Palghat,10*49' N / 76* 39' E
:on 21st October, 2009 ; Wednesday ; at 10 hr.30 minutes.
Horary number : " 24 " K.P. Ayanamsa : 23* 53' 42 "

Analysis :-

First of all let us check whether the desire of the father will get fulfilled or not . This can be known from the 11th house. Here, in this horary chart, the sub lord of the 11th cusp is Saturn, who is the lord of 11 as well,–indicating that he will have his wish granted since Saturn is in direct motion.

Having found that the father's desire will get fulfilled, we will analyse and cross-check the fate in store for his daughter.

We have to look at the cuspal sub lord of 12th bhaava of the horary chart erected to see whether the daughter will go abroad.

The cuspal sub lord of the 12th house is Jupiter, lord of 9,12, in direct motion and in the star and sub of Mars in 3. Thus Jupiter signifies 3 (leaving her present place of residence), 9 (long journey) and 12 (new environment of foreign land), thereby confirming that she will join her husband in his travel back to Germany.

When will this be?

The joint dasa operation of the significators of houses 3/9/12 taken together will indicate her departure.

As per horary chart, the dasa of Saturn is on. Saturn is in the sub of Mercury lord of 3. No planet is in the stars of Mercury and Mercury is the CSL of 3-9 having no planet in its stars. Bhukti period is that of Sun, who is in the star of Mars lord of 3. Antra lord Mars ends on 25-10-2009 thus I select next Rahu antra from 25-10-2009 to 16-12-2009. Rahu is occupant of 9, conjoined with Jupiter lord of 9, 12. Hence Saturn dasa, Sun bhukti and Rahu antra (25-10-2009 to 16-12-2009) is potent to cause the event happen.

So, I informed the father that she will be able to travel abroad on the 30th October along with her husband.

Hints

To win in any sort of competition
6th house stands for competition and defeat to rivals. 11th house indicates success in competition and 1st house considered for native's self-efforts towards winning in competition. 3rd house indicate one's ability and 10th house denotes position, power, respect, name & fame

In cases of any sort of competition or contest of any nature viz. sports like cricket: If the CSL (Cuspal Sub Lord) of 6th & 11th is in the constellation of a planet that signifies 6 or 11, winning or success is assured/promised during the joint period (DBA) of significators of 6 and 11.

To win toss in game
Toss in a game involves no physical competition or efforts. Only a luck matter involves in winning the competition of toss. For luck factor, we see the 9th house. Toss is conducted by the captain of opponent's team or the umpire of the match. A role of hands involves if someone ticking the coin and heads or tails is called by other. 7th house indicates opponent and 3rd house hand activities. Thus for 7th to 3rd i.e. 9th house has to be judged for toss prediction. In a game, umpires are nothing but like a guru or decision maker. Hence, the role of 9th for umpire is coming in.

Toss is nothing but a luck factor. 9th house is for luck. 11th is for success, fulfillment of desire, profits or gains. To win toss is a part of competition. 6th house stands for competition and defeat to rivals/opponents. From 6th to 11th i.e. 4th house is also important for toss.

It the CSL of 9th is in the constellation of a planet signifying 11, 4 or 9, winning toss is assured. If none of houses 11, 4 or 9 is present, then we have to proceed according to progressive houses i.e. 1, 2, 3, 6, 10, 11.

Note: It my rule regarding toss prediction which is tested and found at least 70% accuracy. Someone's opinion may vary in this regard, whether to accept it or not, and I have no objection in this regard.

Sale of house- K.P. Analysis

In recent years we have witnessed a sudden boom in real estate activity – purchase and sale of buildings and flats. In this article, I propose to discuss the question of sale of house property about which astrologers are very often approached for prediction.

It is well known that in astrology, the fourth house, apart from other significations also indicates all types of immovable property such as land /house/flat/and buildings.

The seventh house in a horoscope speaks about the person with whom we deal or transact. When a person desires to sell a house, the 7th house refers to the purchaser.

The third house in a horoscope is 12th to 4th—which means the seller losing or parting with his house property-whether it is a house or flat or building.

The fifth house is 11th to 7th (the purchaser) and it tells us about the fulfillment of the wish of the buyer and also his gain.

The tenth house being the 4th from 7th is regarding the house of the purchaser.
It can be readily seen that 5th and 10th house of the native (seller) will be the 4th and 11th of the opposite party, in this case the purchaser and 3 being the 12th to 4 signifies the disposal of the property by sale.

In K.P. astrology, the rules for sale of house property are simple and clear cut. If the sub-lord of the 10th signifies 3/5/10, the native will definitely sell his property. This event will take place during the DBA period of the significators of these relevant houses.

If by chance the 11th house is also signified in the combination of planets for sale of property, then there is no doubt that the sale will be for a profit. On the other hand, if the DBA lords signify 6/8/12—the sale is bound to result in a loss only.

Against this background let us take a sample chart to study the applicability of these rules and principles. The horoscope of a person well-known to me is appended herewith.
In the horoscope, the tenth cusp sublord is Saturn. Saturn is in 8 and it is the lord of 7 and 8.. Sublord of Saturn is Mercury in Ascendant, lord of 3 and 12. Saturn also aspects the fifth house.

In view of the significations of 3/5 /10 of the 10th cuspal sublord, it is clear that the sale of his property will take place.

For timing of the event of sale we have to extract the significators of the houses.

Rumor True or False?

Question: "Company will give bonus to employees." is true of false? (asked on 28.8.14)
Number: 128 (our of 249)
Time of judgment: 4.50 PM, Date of judgment: 29.8.2014
Place of judgment: Jaipur, Gopalpura, Rajasthan

Hints: If the sub lord of 3rd cusp is in the star of Saturn, the rumor is false, if it is Mars then it is mischievous and if it is Jupiter then it is true.
If the lord happen to be planet connected with Saturn in any manner the report comes false but connected with Jupiter, the report will be correct. This is the way to find out.

Analysis: The sub lord of 3rd cusp is Moon. Moon is in the star of Mars and sub of Rahu. Rahu is conjoined with Mars and Mercury. The 3rd sub lord is connected with Mars, hence rumor is false.

My opinion: Company will not give any bonus.

Outcome: Prediction comes true.

Thanks god and salute to Sh. Kanak ji who taught me ABCD of KP like a father who hold hand of his child to enable him to walk ahead.

This is a continuation of the previous article on the selection of significators and dashas. On the date of marriage of this native, we will see the transit of dasha, bukthi and antara lords along with the luminaries.
Transit on the day on Marriage 27-04-1997 @ 11 AM

Sun	Ar	13	14	59	Ma	Ke	Me
Moon	Sg	05	57	57	Ju	Ke	Ra
Mars[R]	Le	23	00	40	Su	Ve	Sa
Mercury[R]	Ar	10	20	01	Ma	Ke	Sa
Jupiter	Cp	25	18	43	Sa	Ma	Ra
Venus	Ar	19	37	07	Ma	Ve	Ra
Saturn	Pi	19	52	49	Ju	Me	Ve
Rahu	Vi	03	10	18	Me	Su	Sa
Ketu	Pi	03	10	18	Ju	Ju	Ra

Dash lord Mars is a significator for 12th, 11th, 7th, 10th and 5th bhavas and in a star of Mercury in the birth chart, who is a significator for 6th, 11th, 1st, 4th ,7th and 10th bhavas. This shows that the dasha lord is the source for the results of the star lord.

Transiting dasha lord Mars is a significator for 10th, 02nd, 5th, 12th, 6th and 11th bhavas and in a star of Venus, who is a significator for 10th, 05th and 12th bhavas. This transiting Mars is in square aspect to the natal Mars in the sign Scorpio in the 12th bhava and in a star of Mercury, who is deposited in the 11th bhava of the natal chart. Transiting Mars is in opposition aspect to Fortuna in both, natal and transit charts. Transiting Mars is in trine aspect to natal Moon in Sagittarius in the ascendant and in a star of Venus.

Bukthi lord Venus is transiting in Aries in the 10th bhava and in a star of its own. This Venus is in trine aspect to natal Moon in Sagittarius in the 1st bhava and in a star of Venus.

Transiting Venus is in conjunction with Sun and with opposition aspect to natal Sun in Libra in the 10th bhava.

Luminary Sun was transiting in Aries in the 10th bhava in conjunction with Mercury, who is the lord of the 7th bhava deposited in the 11th bhava of the natal chart.
This Sun is also in trine aspect to natal Moon in the sign Sagittarius in the 1st bhava and in a star of Kethu.

Luminary Moon is transiting in the sign Sagittarius in the 6th bhava and in a star of Kethu, with opposition to natal Jupiter in the 6th bhava.
From these transits we could see the activation of significators and their involvements as dasa and sub dasa lords along with the transit and aspects.

This analysis was done according to the rules laid in the infallible system, Krishnamurthi Paddhathi.

Three Pillars of KP Astrology

By: Tin Win
Email: tw853@yahoo.com

Three Pillars

1. The Hindu zodiac, Placidus house system and Vimshottari dasa system are three pillars of KP astrology since they are essential for functioning of KP. The ruling planets are not a pillar because KP can be applied without using them.

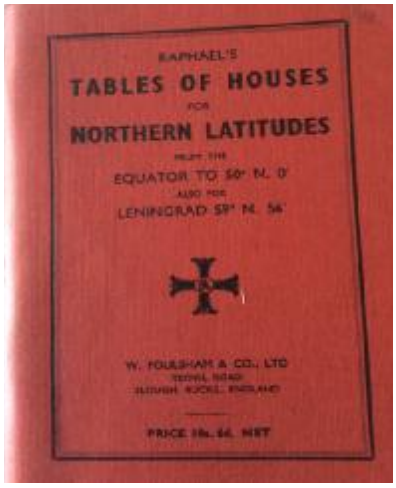
Hindu Zodiac

2. This is the foundation of a KP chart and the basis in application of sign to sign Hindu aspects which are practically used in KP. The nature of signs like dual, fruitful or fruitful signs is also considered although not so importance is not given to signs like in Vedic astrology.

Placidus Houses System

3. Theoretical and mathematical criticism is important, but experiment gets the last word. The proof is in the practice that has stood the test of time. The Placidus house system is commonly used and popular - because it actually works quite well in astrological practice. Interpretations of horoscopes bear out. Computation is quick and easy for astrologers who are not highly trained in mathematics.

4. The Placidus house system, invented by the 17th Century Italian monk Placido de Titus, gained popularity in the 19th century due to easy availability via the well-circulated and popular Raphael's Ephemeris since 1821. Raphael's ephemeris and houses had ruled the astrological world while Prof. K.S. Krishnamurti was doing research and writing KP. The most popular Placidus house system, the first to be published as Raphael's Tables of Houses (104 pages), is used in calculation of the house –bhava- based KP chart. The Placidus cusps are the basis for consideration of significators by occupation and owner of planets.



5. However nowadays the NASA based accurate Swiss ephemeris is ruling the astrological softwares, and so the Raphael's Ephemeris and Tables of Houses are just history.

6. Despite of the shortcomings in application for the higher Polar latitudes, as England's foremost Astrologer Ronald Davison has said, you can play many good tunes on a piano

whose top is defective; hence Placidus system is satisfactory.

7. The Placidus house system has been used by well known American astrologers like Noel Tyl, Liz Greene in their numerous published books. According to "Recent Advances in Natal Astrology", compiled by Geoffrey Dean, p 168, in the USA about 80% of individuals who seek help from astrologers and 90% of individuals who refer to online horoscopes prefer the system of Placidus.

8. If one has a client out of about one million people living at polar latitudes, the Topocentric house system, which has cusps remarkably close to those of Placidus, can be used.

Vimshottari Dasa System

9. Sage Maharishi Parashara clearly and precisely said in his Brihat Parashara Hora Shastra, Vol. II, trans. R. Santhanam, Ranjan Publications, 1984, Ch 46 v12-15, p 507:

" *Vimsottari Dasa*
12-14. Beginning from Krittika the lords of Dasas (periods) are the Sun, the Moon, Mars, Rahu, Jupiter. Saturn, Mercury, Ketu and Venus in that order. Thus if the nakshatras from Krittika to the Janma nakshatra (natal constellation) are divided by nine, the remainder will signify the lord of the commencing Dasa. The remaining Dasas will be of the planets in the order given above.
In Kaliyuga the natural life span of a human being is generally taken as 120 years. Therefore, Vimsottari Dasa is consideredto be the most appropriate and the best of all Dasas.
15. The periods of Dasas of the Sun, the Moon, Mars, Ralru, Jupiter, Saturn, Merury. Ketu and Venus are 6, 10, 7, 18, 16, 19, 17, 7 and 20 in that order."

10. Without knowing the rationale of sequence of planet Sun, Moon, Mars, Rahu etc. and allotted years to planets, 6to Sun, 10 to Moon, 7 to Mars, 18 to Rahu etc. , the Vimshottari dasa is the most commonly used dasa for timing of events as foreseen by Sage Parashara because it is time tested really working dasa.

11. The Vimshottari dasa system is used in KP for division of subs according to the proportion of years allotted to planets. In fixing the timing of events, the 365 days/ year Vimshottari dasa starting from Moon is used.

12. The 365 days/year Vimshottari dasa starting from Moon has been used by all well known astrologers, All well known astrologers like B V Raman, K.S. Krishnamurti, P. S. Sastri, J.N. Basin, Bepin Behari, K N Rao, Sajay Rath, V. K. Choudhry, Dr. K.S. Charak, P.V.R. Rayudu.

13. By taking a month of 30 days and a year of 360 days, one cannot go by the universally used Gregorian calendar. Mpreover, if the 360 day year rather than the 365 day year is used for the mahadasa calculation, the gap between them would become more and more divergent with the dasa period, i.e. 6.25 days (365.25-360) after 1 year, 31.5 days (6.25x6) after 5 years, about 6 months after 35 years, a whole year after 70 years, and a native may have to celebrate his 72 birthday even while he has yet to complete his 71st year under Vimshottari dasa of the 365 day/year.

14. Regarding the KP ayanmasa, the new KP ayanamsa is preferable. The value of different ayanamsa cannot significantly change the dasa balance at birth i.e. for 1 minute difference 2.70 days for Sun, 4.50 days for Moon, 3.15 days for Mars, 8.10 days for Rahu etc. only.

15. The total 120 years of Vimshotarri dasa is the natural life span of a human being as clearly said by Sage Prashara. So it may not be appropriate to apply the 120 year

Vimshottari dasa for the nation charts whose life span can be more than one circle of 120 years like USA.

16. In the case of event charts like oath taking charts of presidents, prime ministers, chief ministers for 4 or 5 year term, launching space mission for a particular period, annual chart or Hindu new year chart for one year, the application of relevant 4 or 5 year, particular period or one year compressed Vimshottari dasa is more appropriate.

Question: I have read on one of gambling websites of UK that gambler's favorite for USA President election nomination from Republican party for election 2016 is Jeb Bush, (I don't like to support this kind of gambling activity, thus not given name of site) Is it true?
Number. 32 (out of 249).

Hints
If the cuspal sub lord of 3rd house (in the star of the occupant or owner) happens to be Saturn, the rumor is false. If it is Mars, then it is mischievous. If it is Jupiter, it is true. And if the lord happens to be a planet connected with Saturn in any manner the report is false; but connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3^{rd}. (Cancer $03^0.26'.10"$): The sub lord of the 3rd cusp is Saturn. Saturn is in the star of Saturn and sub of Sun. Here 3^{rd} cusp sub lord is connected with Saturn, hence rumor/message is false.

My opinion: Yes, what I have read on one of gambling website of UK that USA President election nomination from Republican Party for election 2016 Jeb Bush is false.

ASC lords are Venus-Moon-Jupiter-Jupiter
MOON lords are Saturn-Mars-Moon-Saturn

Rule - 1:
Note down sub sub lord of Asc. (Horary sub sub lord A is in the sub sub of planet B, in this case B is deciding factor). Now tally Planet B with Moon star lord or sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is YES. If not, check with Asc star lord and sub sub lord, if tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
SS lord of Asc SS lord is Mercury.
Rule NOT Satisfied.

Rule - 2:
Note down F-1, star lord if Asc sub sub lord. (Planet A is in the star of B, Please read detailed article by the same author in Feb-Mar 2007 KP Ezine issue). Now tally planet B with the Moon star lord or sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is in YES. If not, check with Asc star lord and sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is in YES.

Analysis:
Star lord of Asc SS lord is Mercury.
Rule NOT Satisfied.

Rule - 3:
Lastly check with F-3, (Planet A—sub sub lord of Asc—is in the sub sub of planet B. Planet B is in the star of Planet C. In this case, Planet C is the deciding factor). Now tally Planet C with Moon star lord or sub sub lord. If tallies (in other words, if C is star lord or sub sub lord of MOON) the answer is YES. If not, tally with Asc star lord and sub sub lord. If tallies (in other words, if C is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
Star lord of SS lord of Asc SS lord is Moon.
Moon is ASC star lord.
Rule SATISFIED.

My opinion: 1 out of 3 rules satisfied. Hence according to TSP, the answer is YES, what I get answer by horary is right.

Question : When will the tenant vacate my house?
Number: 91 (out of 1-249); Time of Judgment: 5-04-2015, Sunday; 09-25-50 AM IST
Place of Judgment: Gomtipur- Ahmedabad; Lat/Long: 23° N 1', 72° E 37'; Aynamsha: 23.58'.48"

Hints
If the cuspal sub lord of the 9th house (Tenant house, 4th from 6th) be the significator (in the star of the occupant or owner) of 6 (Tenant), 8 (house vacate, 9th from 12th) one will be able to vacate the house off the tenant during the joint period of the significators of 6, 8.

Cuspal Sub Lord
9th cusp (Aries $07^0.16'.04"$): The sub lord of the 9th cusp is Rahu. Rahu is in the star of Moon and sub of Saturn. Rahu is occupant of 2. No planet is in the stars of Rahu and Rahu is the CSL of 3, 9 (Tenant house, 4th from 6th). Rahu is conjoined by Moon. Moon is occupant of 2, owner of 12. Star lord Moon is occupant of 2, owner of 12. Sub lord Saturn is occupant of 4, owner of 6 (Tenant), 7. Thus 9th cusp sub lord Rahu is the significator of 6 (Tenant), hence the tenant vacating the house is promised.

Ruling Planets
At the time of judgment, the ruling planets are as under:

	Day lord	Sign lord	Star lord	Sub lord
Day Sunday	Sun	—	—	—
Asc. Taurus 12° 09.47"	—	Venus	Moon	Rahu
Moon. Virgo 28° 22' 07"	—	Mercury	Mars	Saturn

Rahu is conjoined with Moon, hence represents Moon. Hence the ruling planets are Venus, Moon, Rahu, Mercury, Mars, Saturn and Sun.

Joint Period
At the time of judgment (Mars Dasa up to 14-08-2019), it was running the joint period of Mars-Saturn-Mercury dasa period up to 06-05-2015.

Dasa lord Mars is in the star of Ketu and sub of Jupiter. Mars is occupant of 9 (Tenant house, 4th from 6th), owner of 4, 9. Star lord Ketu is occupant of 8 (house vacate, 9th from 12th), Ketu is agent of Sun (8, 1), Mercury (8, 2-11). Sub lord Jupiter is occupant of 12, owner of 5, 8. No planet is in the stars of Jupiter and Jupiter is the CSL of 7,11. So the tenant vacating the house is promised during this Dasa, Mars is also in the RPs.

Bhukti lord Saturn is in the star of own and sub of Sun. Saturn is occupant of 4, owner of 6 (Tenant), 7. Sub lord Sun is occupant 8, (house vacate, 9th from 12th), 1. Bhukti lord Saturn signifies 6 (Tenant).and is connected with 8 (house vacate, 9th from 12th), So the tenant vacating the house is promised during this Bhukti. Saturn is also in the RPs.

Running Antra is Mercury. Antra lord Mercury is in the star of Saturn and sub of Jupiter. Mercury is occupant of 8 (house vacate, 9th from 12th), owner of 2, 11. Star lord Saturn is

occupant of 4, owner of 6 (Tenant), 7. Sub lord Jupiter is occupant of 12, owner of 5, 8. No planet is in the stars of Jupiter and Jupiter is the CSL of 7,11. So the tenant vacating the house is promised during this antra, Mercury is also in the RPs.

Running Sookshma is Moon. Due to Punarphoo we left Moon antra. Next Sookshma is Mars, and then Rahu. We select Rahu Sookshma and Rahu is also in the RPs.

Rahu is occupant of 2. No planet is in the stars of Rahu and Rahu is the CSL of 3, 9 (Tenant house, 4th from 6th). Rahu is conjoined with Moon. Moon is occupant of 2, owner of 12. Star lord Moon is occupant of 2, owner of 12. Sub lord Saturn is occupant of 4, owner of 6 (Tenant), 7. Thus Sookshma lord Rahu is the significator of 6 (Tenant), hence the tenant vacating the house is promised.

My opinion: The tenant will vacate the house during 11-04-2015 to 19-04-2015.

Actual outcome: Prédiction come true. The tenant vacated the house on 12th April 2015 at 9 PM.

Question: Any possibility of getting visa for Europe tour? If Yes, When?
Horary No. : 13/249
Date: 23/10/2014; Day: Thursday
Time: 12.50.05 PM
Place: C. T. M Ahmedabad. 23 N 00, 72 E 38;
Ayanamsha : 23.58.25.

Hints: If 1st (9th from 5th-Enjoyment) cusp sub lord signifies 9, 12 and be connected with 5th house, there will be possibility of getting visa in the DBAS of significators of 3, 9, 12.

Cusp. 1st (Aries 17:20:00): The sub lord of the 1st cusp is Mars. Mars is in the star of Ketu and sub of Moon. Mars is occupant of 8 and owner of 1, 8. Star lord Ketu is occupant of 12. Ketu is aspected by Mars and Jupiter, and Jupiter is occupant of 4 and owner of 9, 12. Sub lord Moon is occupant of 6 and owner of 4 and no planet is in the stars of Moon and Moon is the cuspal sub lord of 5. So here 1st cusp sub lord indicates 9, 12 and is connected with 5th house too, so there will be a possibility to get visa.

On the time of judgment the RPs are Sun, Mars, Mercury, Jupiter, Ketu, Rahu & Saturn. (Ketu is agent of Mars, Jupiter & Rahu is agent of Mercury)

Joint Period: On the day of judgment running joint dasa period is Mars/ Saturn/ Venus.

Dasa of Mars is up to 13/12/2018.
Dasa lord Mars is in the star of Ketu and sub of Moon. Mars is occupant of 8 and owner of 1, 8. Star lord Ketu is occupant of 12. Ketu is aspected by Mars and Jupiter, and Jupiter is occupant of 4 and owner of 9, 12. Sub lord Moon is occupant of 6 and owner of 4 and no planet is in the stars of Moon, and Moon is the cuspal sub lord of 5. So 1st cusp sub lord indicates 9, 12 and is also connected 5th house too, so there will be a possibility to get visa. Dasa lord Mars is in RP also.

Bhukti Saturn is from 9/05/2014 to 18/06/2015.
Bhukti lord Saturn is in the star of Jupiter and sub of Sun. Saturn is occupant of 7 and owner of 10, 11. No planet is in stars of Saturn, and Saturn is the sub lord of 2, 3, 9. Star lord Jupiter is occupant of 4 owner of 9, 12. Sub lord Sun is occupant of 6 and owner of 5. Bhukti lord Saturn is in RP too. So there will be a possibility to get visa.

Antra lord Venus is not in RP, next is Sun but due to Punarphoo, I left this antra and go for next. Next one is Moon, not in RP. So I take next Mars antra. Mars antra is from 31/01/2015 to 23/02/2015. We have discussed about Mars above. Mars is twice in the RP.

My opinion: During joint period of Mars-Saturn-Mars there will be a possibility to get visa.

Actual outcome: He got visa on 24/02/2015.

Will my love affair be materialized in to marriage? If so, when?

On 30 August 2014 an young man (distant relative of mine working in America) sought my help over his telephone on the above matter and gave me his birth details which are furnished below.
Name- Mr. Young Man. DOB-26 JULY1988. TOB-23.17.57 HOURS.
POB-HYDERABAD.

Immediately I erected an astrological birth chart (the chart is attached). As per K.P system the rules for marriage, love marriage and inter cast marriage are-

1.RULE- If the 7th cusp sub lord is a significator of 2 or 7 or 11, then the marriage is promised.
As per chart- First rule- 7th cusp sub lord is Mercury. Mercury is the lord of 4 and is the occupant of 4th. No planet is deposited in Mercury stars and hence Mercury is the strong significator of 7th. Mercury is in Jupiter star and Rahu sub. The star lord Jupiter is the lord of 10 placed in 2nd house. The sub lord Rahu is deposited in 11th house. Rahu represents Saturn. Saturn is the lord of 11 and 12, deposited in 9th house. Thus the 7th cusp sub lord Mercury signifies relevant houses 2, 7 and 11 for giving an assurance on the event of marriage.

2. RULE- If the 5th cusp sub lord is in the constellation of a planet who is the significator of the houses 7 and 11, then the materialization of love affair is promised.
As per the chart- Second Rule— 5th cusp sub lord is Moon. Moon is the lord of 5th house. No planet is deposited in Moon's stars and so Moon strongly signifies 5th house and its results. Moon is in Ketu star and Rahu sub. The star lord Ketu is deposited in 5th house. Ketu represents Sun, lord 6th , is posited in 4th house. Ketu is conjoined with Neptune who is the karaka for love and love related matters. The sub lord Rahu is deposited in 11th cusp. The sub lord Rahu represents Saturn and Saturn the lord of 11 and 12th is posited in 9th house. Thus Moon the 5th cusp sub lord signifies 5 and 11 and in turn materialization of his love affair into marriage.

3.RULE- If the 7th cusp sub lord is connected to Rahu the native will have an inter cast marriage.
As per the chart- Third rule— 7th cusp sub lord Mercury is in Jupiter star and Rahu sub. The sub Rahu will give him inter cast marriage.

Significators of the relevant houses-
2 house- Merc, Rahu, Ketu, Jup and Ven,
7 house- Ket, Ven,
5th House-Moon,
11house --Sun, Mars and Sat. (MOON And SATURN are conjoined).

Ruling Planets arrived on 30 Aug 2014 @12.42.24 P.M. @ Secundrabad are-
Ascendant-Scorpio-Mars-Sat-Jup.
Rasi-Libra- Ven-Mars-Sun.
Day lord—Sat. Rahu =Merc and Ketu=Jup.

Mars and Saturn are conjoined with Moon and so Moon is taken as R.P. (Some says that apart from the above, any planets in conjunction / in aspect to the above the ruling planets are also be considered as ruling planets and / are in the sign / star or sub of the any Ruling Planets, can be included in Ruling Planets).

COMMON FRUITFUL SIGNIFICATORS (CFS) ARE- SUN-SATURN-KETHU-VENUS- MOON-MARS.

Timing of the event—the present running Dasa lord is Sun up to 2017 September. Sun is in C F S. Sun signifies 11 and 12 and 2 and 7 at its sub lord Venus level.

The running bhukthi is Saturn from 16-7-2014 to 28-6-2015. Saturn is in C F S. Saturn signifies 2, 11 and 12 houses.
Under Saturn bhukthi period the following anthara periods are available for my assessment of the fructification of the event:

Saturn- from 16-7-2014 to 9-9-2014
Mercury- from 9-9-2014 to 28-10-2014
Kethu- from 28-10-2014 to 17-11-2014
Venus- from 17-11-2014 to 14-1-2015
Sun-- from 14-1-2015 to 1-2-2015
Moon- from 1-2-2015 to 2-3-2015
Mars – from 2-3-2015 to 22-3-2015.
I have gone up to Moon antara period because- though marriage could have been taken place in Ketu, Venus and Sun antara periods, it was not considered for our purposes as Kartheeka, Margasicra, Pushya, and Magha months are not favorable for performing marriages.

From 19 Feb 2015 Phalguna month starts which is considered auspicious for marriages. Moon antara period starts from 1-2-2015 and ends by2-3-2015. Moon is in the CFS directly as it is conjoined with Saturn and so it is taken for our purpose. And Sun transits on Moon star- Sravana- in Capricorn sign from 24-1-2015 to 6-2-2015 and Phalguna month starts from 19 Feb. Sun will be transiting in Capricorn sign on Rahu star – Satha-bhisham- from 19-2-2015 to 4-3-2015 and so I thought MOON (it will be in Saturn sign and conjoined with Sun) period will be favorable and declared that the marriage will take palce only after 19-2-2015. During the said period Rahu will be in Virgo sign Moon star.

FACTS OF THE CASE— I am informed that the marriage muhurtha is fixed for 27 Feb 2015 night at 23.00.00 hours. Marriage will take place during the period of DASA, BHUKTHI, ANTHARA AND SOOKSHMA PERIOD when the transits agree.

Dasa Lord- Sun will be transiting Saturn sign (Aquarius) Rahu star (from 19 Feb 2015 to 4th March 2015) and on 27 Feb on Rahu star- Kethu sub- Rahu sub sub. Sun signifies-2,7,11.
Bhukthi Lord- Saturn will be transiting in Mars sign(scorpio)-Saturn star-Sun sub amd Mercury sub sub. Saturn signifies-2,11,12.
Anthara lord- Moon will be transiting in Mercury sign (Gemini)-Rahu star – Rahu sub –and moon sub sub. Moon signifies 5,11,12.
Sookhma lord- Venus(23-2-2015 to 28-2-2015) will be transiting in Jupiter sign (Pisces sign)- Saturn star- Rahu sub and Venus sub sub. Venus signifies-1,11 and 2,7,11,12.

How nice it is to analyze the chart and its events with the help of K.P rules and its sub lord theory. I feel I am very indebted to Sri K.S. Krishnamurthy garu profounder of the K.P system. My sincere thanks to Sri Kanak ji who has given me this opportunity.

Hints
The 10th cusp is the primary house for power and status, and 11th for fulfillment of desires. So the 10th cuspal sublord must signify 3rd, 10th and 11th house for winning in an election.

Moon reflects the query
Let us check the Moon whether it supports the query being put up by the querent. Let us check.
Moon is occupant 11 and owner of 7 house, in the star and sub of Ketu which is occupant of 3 house. Ketu is aspected by Jupiter. Jupiter is occupant of 7 and owner of 3 and 12. Moon signifies and is connected to the 3rd and 11th house. Now we can proceed to solve the query.

Cuspal analysis
Primary Cusp:
10th cusp sub lord Mercury is occupant of 8 and owner of 6 & 9. Star lord Sun is occupant and owner of 8. Sub lord Venus is occupant of 7 and owner of 5 & 10. So Mercury is signifying and connected with 10th house.

Supporting Cusp:
3rd cusp sub lord Rahu is occupant 9. Rahu is conjoined with Mercury. Mercury is occupant of 8 and owner of 6 & 9. Star lord Mars is occupant 10 and owner of 4 & 11. Sub lord Jupiter is occupant of 7 and owner of 3 & 12. Rahu signifies 10th and 11th houses strongly. So it is indicating favourable for the querist.

11th cusp sub lord Venus is occupant of 7th house, owner of 5 & 10. Star lord Ketu is occupant of 3. Ketu is aspected by Jupiter. Jupiter is occupant of 7 and owner of 3 and 12. Sub lord Sun is occupant of 8 and owner of 8. So Venus is signifying and connected with 3rd and 10th house strongly.

Ruling planets
Lagna: Saturn-Jupiter-Jupiter
Moon: Jupiter-Ketu-Ketu
Day lord: Mercury
Looking at the Ruling Planets, Saturn, Jupiter and Ketu, RPs are signifying 3rd house and Mercury indicates 10th.

In the delineation of a birth chart, we need to select the significators for the particular bhava we are interested in.
According to Krishnamurthi Padhdhathi, the steller method propounded by our late Guruji, the significatros for a bhava in the birth chart is selected as follows;

1) Lord of the bhava,
2) The planets deposited in the constellations of the lord of the bhava,
3) The planets occupying the bhava,
4) The planets deposited in the constellations of the occupiers, and
5) The planets who are in aspects with the above planets.

The following birth chart has been analysed to find the period of marriage of the native. In analyzing a birth chart on a special matter, we need to find that the native is destined to enjoy that result. As for marriage, it is to see whether the native is destined to get married. If the answer is yes only, we could proceed further. If the native is denied of marriage, there is no point in finding the period of the event.

This nirayana bhava chart is prepared using Placidus house divisions and planetary positions using KP ayanamsa (new), as advised by our Guruji.

The Ascendant at the time of birth is Sagittarius 16.31.48 and the 1st bhava is extending up to Capricorn 16.16.09. The planet Moon is in Sagittarius 19.51.17 and thus, it is in the 1st bhava.

The 2nd bhava is commencing from Capricorn 16.16.09 and extending up to Aquarius 18.21.40 enclosing the 2nd bhava. The planet Saturn is in Aquarius 17.23.26 in retrograde motion. He belongs to the 2nd bhava.

The 3rd bhava is from Aquarius 18.21.40 to Pisces 21.11.57 and no planets are deposited in this bhava.

The 4th bhava is from Pisces 21.11.57 to Aries 21.54.11 and no planets are deposited in this 4th bhava also.

From Aries 21.54.11 to Taurus 19.45.56 is the 5th bhava and Rahu is deposited in Taurus 12.40.54 and belongs to 5th bhava.

From Taurus 19.45.56 to Gemini 16.31.48 is the 6th bhava and Jupiter is in Gemini 07.05.40 and belongs to 6th bhava.

From Gemini 16.31.48 to Cancer 16.16.09 is 7th bhava, from Cancer 16.16.09 to Leo 18.21.39 is the 8th bhava and from Leo 18.21.39 to Virgo 21.11.57 is the 9th bhava respectively. No planets are deposited in these bhavas.

From Virgo 21.11.57 to Libra 21.54.11 is the 10th bhava. Sun is deposited in Libra 13.16.29 and thus occupying the 10th bhava.

From Libra 21.54.11 to Scorpio 19.45.56 is the 12th bhava. Mercury and Kethu are occupying Scorpio 02.32.21 and 12.40.54 respectively in the 11th bhava.

From Scorpio 19.45.56 to Sagittarius 16.31.48 is the 12th bhava. The planets Mars and Venus are in Scorpio 25.26.13 and 29.36.21 respectively in the 12th bhava.

The Krishnamurthi Padhdhathi rule for marriage is that, if the sub lord of the 7th cusp (for marriage) is a significator for 7th bhava or 2nd bhava (increase of family members) or the 11th bhava (fulfillment of expectation), the native is fortunate to get married.

This is an analysis of a birth chart to find the significators of marriage period according to dasha and sub dashas and the transit of the significators during the time of marriage.

In this birth chart the 7th cusp is in Gemini, a sign of Mercury and in star Rahu. The sub lord of the 7th cusp is Venus. This Venus is deposited in a star of Mercury. The sub lord of the 7th cusp Venus is the owner of 6th and 11th bhavas and occupying the 12th bhava. Mercury is the owner of 7th and 10th bhavas and deposited in the 11th bhava. Accordingly this native is destined to get married.

Now we will find the significators for 2nd, 7th and 11th bhavas,

The 2nd bhava is falling in the sign of Capricorn owned by Saturn. Saturn is deposited in Aquarius in the 2nd bhava. Kethu is deposited in a star of Saturn.

The 7th bhava is in the sign of Gemini, also owned by Mercury. No planets are occupying this bhava. Mars and Venus are deposited in the stars of Mercury. No planets are occupying this bhava.

The 11th bhava is in Libra owned by Venus. Mercury and Kethu are occupied in this bhava. Moon is deposited in a star of Venus. Mars and Venus are deposited in the stars of Mercury. No planets are occupying the stars of Kethu.

Accordingly, the bhava significators for marriage are:

2nd bhava Saturn and Kethu.
Saturn is in trine aspect to Sun and in sextile aspect to Moon.

7th bhava Mercury. Mars and Venus.
Mars and Venus are in conjunction.

11th bhava Venus. Mercury, Kethu, Moon and Mars.

These planets are again- Saturn, Kethu. Sun, Moon. Mercury. Mars and Venus are the significators for marriage of this native.

This selection of significators has been done according to the rules laid in the infallible system, Krishnamurthi Padhdhati.

GOOD LUCK.

Can I Have a Press of My Own?

In March 2012, a gentleman from my area visited me and asked to go through his horoscope to check weather he is eligible to start a printing shop as his career. In our friendly discussion, he disclosed that he had been employed as manager in a printing business. But he resigned from the same to start his own printing press as he was unable to maintain his family with lower remuneration there. So I proceed with natal chart analysis as below.

Mr. Mahinda, Male, 14th Sept. 1968, 12.25 pm, Kurunegala, North Western Province, Sri Lanka, Lat. 07.28.00 N, Long. 80.21.00 E, Asc. Sagittarius, 01° 19' 22", Moon Vimshottari Maha Dasa Balance 00Y 11M 30D, KP New Ayanamsa 23° 19' 48", Calculated by KPAstro 4.1

KP rule to have own press:
"Press is indicated by Mars, Mercury and Jupiter. Therefore if the sub Lord of the meridian is deposited in the constellation of a planet, which is the significator of at least one of the three houses 2, 6 & 10 and also if it is connected with Mars and Mercury, one will have one's own press."
- KP 6th Reader, page 306, June 2007 Edition.

My first attempt was to check the chart for promise to have his own press as per the above rule.

The cuspal sub lord (CSL) of 10th and 6th houses Saturn is in the star of Kethu and sub of Venus. Saturn is lord of house 2 and also the CSL of houses 4, 6, 10, 12 having no planet in its stars, and located in the sign of Aries of Mars. Star lord Ketu is an occupant of 10th house and conjoined with Mercury in 10, lord of 7,10 and Venus in 10, lord of 6,11.

So the 10th CSL Saturn signified houses 2, 6, 10 and is connected with Mars and Mercury, indicating promise of own press to the native, and I declared my opinion to the native.

The native was happy and made a mouthful smile and began to talk. "Sir, I am not a wealthy man. I don't have a good capital to invest for a big industry. I have my own skill and experience of more than 15 years in the printing field but I have an old Duplo Machine only. With that machine and my ability I wish to start my own printing business if you can recommend". With this innocent request, I casted his chart for his successfulness if he starts the business.

If the native is going to start a new business, other two KP rules must be also satisfied in the natal chart for his success in the business. One is planetary chances for starting a new business and the next is to check the gain in business and the support of the Dasa, Bukthi and Anthar lords operating for both at the time of starting the business.

+ These planets do not have any planets in their stars.

business or profession is promised during the joint period of the significators of house 2, 7 and 10.

As discussed above the 10th cuspal sub lord Saturn is the significator of house 2,7,10 and connected with Mercury the planet of trade. At the time of this interpretation he was under the rule of Saturn (10, 2) as Maha Dasa and Bukthi lord. Hence the rule was agreed in all manners to start a new venture.

2. Hints for gain in business:

If the cuspal sub lord of the 7th be the significator of house 2, 10 or 11, gain in business is promised during the joint period of the significators of house 2, 10 and 11.

The 7th cuspal sub lord is Mercury in the star and sub of Mars (press). Mercury is in 10, lord of 7, 10. Star and sub lord Mars is in 9 (easy gain), lord of 5, 12. The 7th CSL Mercury's connection to 2 (money income) is sufficient enough for his success in business. Running Saturn Dasa and Bukthi at the time of analysis agreed with the rule. Because Saturn is lord of 2 and the cuspal sub lord of 10 having no planet in its stars, signifying the required houses 2,10.

After the study of above three rules I boldly advised him to go ahead with his plan in printing business. But according to him he didn't have enough capital to invest for the business but with a solid determination with his high mind and mental intuition (9th Cusp) he asked for an immediate auspicious moment to start the printing business using a Duplo machine. Accordingly I gave him a Muhurat time on 5th April 2012. The native opened his printing shop on the date given with the Duplo Machine only. During that period he had undertaken any type of printing job and had completed them by way of third party printing press and has gathered a good customer base. Gradually he had uplifted his business and purchased an Electric Paper Cutter Machine and essential tools for printing business on 16th August 2013. During the Bhukti period of Mercury in the Saturn Dasa, and on 6th March 2015 he bought an Off-Set printing machine completing his final ambition. At the moment he is working day and night to comply with his unlimited customer orders.

Before I finish this story, it is better to discuss of his Ascendant. It is Sagittarius, lord of which Jupiter tenanted in 9th (Fate, Good Luck, Higher Mind, Mental intuition) also the lord of 4 is in the star of Venus the lord of 6 (Job, Service, Gain, Opponent's loss)11 (Fulfillment of desire, Accumulated wealth gain) in 10 (Career, Reputation). According to House Grouping Paart I of Sri Tin win ji, if Lagna lord occuping any of the houses 2, 3, 9, 10, 11, 4 and tenanting in the star of the occupant or owner of 2, 10,11 it is very strong Lagna lord. So I trust he may never be failed and wish him all success.

This is an admirable evidence for high scientific reading with accurate results of Stellar Astrology propounded by Sri K.S. Krishnamurti ji.

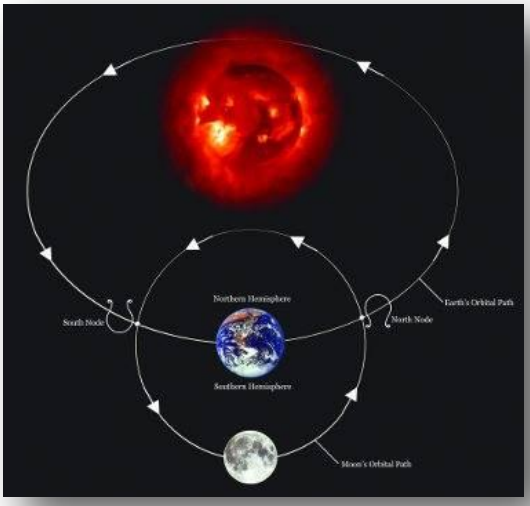
Good Luck

Prac cal Significators of Rahu/Ketu in KP

By: Tin Win
Email: tw853@yahoo.com

No Aspects of Rahu/Ketu

The Moon's nodes, Rahu and Ketu, are not physical planetary bodies which can be seen through a telescope as we can see all the other planets. They are the imaginary points of intersection between the Sun's apparent orbital path around the earth, the ecliptic, and the Moon's orbital path around the earth. So logically these imaginary points of intersection, the nodes, cannot aspect any planet or house, and they are called shadowy planets.



Maharshi Parasara did not mention the nodes' aspects in his classic *Brihat Parasara Hora Sastra* .In the BPHS translated by R. Santhanam, Rajan Publications, page 255, chapter 26: "Evaluation of Planetary Aspects", verses 2-5: *"All planets aspect the 7th fully. Saturn, Jupiter and Mars have special aspects respectively on 3rd and 10th, 5th and 9th , and 4th and 8th "*. Sage Varahamihira also did not exclusively touch Rahu/Ketu in his classic *Brihat Jataka*.

Classical Signification of Rahu/Ketu

The classical signification of Rahu/Ketu as understood by K.S. Krishnamurti (KP Reader II, 1971 edition, page 315) is as follows:

"Radu or Ketu will act as a strong agent to the planets to which they are conjoined. If they are not conjoined with any planet, then they give the results of the planet which aspects them. Only when they are neither conjoined with, nor aspected by any planet, they represent the lord of the house. (Uthrakalamrita -- Khanda VI Sloka 14 onwards)"

Practical Signification of Rahu/Ketu in KP

By taking into consideration of Rahu/Ketu's occupation and star lord, the following significators of Rahu/Ketu are practically applied in the KP Readers depending on relevance to the event under consideration regardless of their sequence of order (Rahu/ Ketu Rules in KP, in KPE-Zine, May 2007 issue):

1) House occupied by Rahu/Ketu,
2) Planet in conjunction with Rahu/Ketu,
3) Planet in aspect to Rahu/Ketu,
4) Star lord of Rahu/Ketu and
5) Lord of sign occupied by Rahu/Ketu.

Hindu conjunction in the same sign regardless of planetary positions from the beginning to end of sign and Hindu sign to sign aspects without taking consideration of orb are to be applied.

The signification of planets in conjunction and in aspect, star lord and sign lord (significators 2-5) are generally to be considered by occupation and lordship of the relevant planet only i.e. not to go further up to the signification at star and sub levels.

It is reasonable to consider the star lord of Rahu/Ketu only when Rahu/Ketu is a planet. Otherwise it will be consideration of the star lord of star lord in the case of Rahu/Ketu as star lord, and taking the star lord of sub lord in the cause of Rahu/Ketu as sub lord is the practice of 4-step method.

Rahu/Ketu acts as agent of planets in conjunction and in aspect and its sign lord (significators 2,3 & 5). But it is not reasonable to say that Rahu/Ketu acts as agent of its star lord because it does not make sense to say that Rahu is agent of Rahu when Rahu is in the star of own or Rahu is agent of Ketu when Rahu is in the star of Ketu.

In the computer printout of planet-wise grade A to D significators table, only Rahu/Ketu's occupation and its star lord's signification by occupation and lordship are included. So the signification of planets in conjunction or in aspect to Rahu/Ketu (significators 2 & 3) is also to be considered by occupation and lordship.

Of course Rahu/Ketu can give the result of a house by occupation 'very strongly' only when there is no planet in the stars of Rahu/Ketu. In this case Rahu/Ketu also will become the strong significator of houses for which it is the cuspal sub lord.
The following practice is not within the framework of the above practical significators - 1 to 5: " Rahu/Ketu will offer the results of a planet which is deposited in the Rahu/Ketu star, eg. if Mars is deposited in the Rahu star, Rahu will offer the results of Mars by occupation and lordship." So it is not to apply this rule.

One Way Signification of Rahu/Ketu
In the case of planets in conjunction or in aspect (significators 2 & 3), Rahu/Ketu will give whatever the conjoined or aspecting planet is to give but the planet does not give whatever Rahu/Ketu is to give. This is one way signification of Rahu/Ketu as a result of not aspecting other planets as shadowy planet or imaginary point of intersection.

New rules for sport competition:

1): 1st , 6th and 11th cusp sub-lord must signify 1,6 or 11th houses.
2): 6 is stronger than 1 & 11 and 11 is stronger than 1.
3): The 6th cusp SBL must signify 6 more than 1 or 11.
4): If in both sides all the three cusp SBL 1st 6th & 11th signify at least one of 1,6,11 , the Dasha periods are the deciding factor.

In many cases, Dasha lord will give victory to opponent if it does not signify 1,6 or 11 house, same for sookshma lord.

5): If in both sides there is a little difference or balance and both 6th cusp SBL signifies 6, find the probably winner in this manner:

A= 6,11 & B = 6,1 = A is stronger.
A= 6 & B= 1,6 or 11,6 = B is stronger.
A= 1 & B= 11 = B is stronger.
Count also the DBAS level and decide the winner.
If there is totally equal results, it could be a draw or a victory for the strong one.

Analysis
The cusp analysis shows that Juventus will go through towards the final. Real Madrid's 1st and 11th cusps do not signify 1,6 or 11, so there is no need to check the DBAS levels.

Whether the eye-surgery will get done tomorrow? - Ruling planets reveal!

I had the septuagenarian guest staying with me, who has already undergone an eye-surgery on his left eye, in a famous eye-hospital here very recently. With perceptible improvement in the eye-sight, he was much enthused to get back improved sight in the other eye (right) as well and was insisting on the second surgery at the earliest. After completing all the required preliminary tests the hospital authorities have given him the word that very soon, may be within the next two days, the operation could be done. But on the 21st of September, 2010, after his hospital visit when he returned, things were sounding not so encouraging, as the hospital authorities have told him that 'since we have not got the sanction signal from the concerned insurance office, we may have to postpone the operation to some other day, probably next week'.....this indeed was a depressing news for him. He fell into a sulky mood that got me worried, pretty much.

The next day, on the 22nd September,2010, I got an urge to invoke the ruling planets to know whether the eye-surgery, on his right eye, would get done tomorrow, the 23rd , to be in tune with his urgent need .

The time was 13:01:00 hours. Place: Palakkad- Kerala (10*46' N).
KPAyanamsa : 23*55'00"

Ruling Planets:
Lagna was transiting 251*22'04": Jupiter– Ketu – Saturn
Moon was transiting 323*30'59": Saturn – Jupiter –Saturn
Day Lord: Mercury

The right-eye is denoted by the 2nd cusp in a chart, and here, its lord Saturn is receiving aspect from the lagna lord, Jupiter. Saturn is in association with the natural significator for eye-sight/SUN and is returning the aspect to the lagna-lord. The 2nd cusp is under the aspect from the natural significator for surgery/MARS.

In this chart, Mars is holding the 12th cusp, representing 'Hospital' and is conjunct the lord of the house of illness, the 6th, and that of relief, the 11th /Venus. Besides, the other house of relief from sickness, the 5th cusp, is owned by Mars, who has to offer the solution to the problem, for, he is the karaka planet for surgery, and is seen casting his aspect on this cusp too, indicative of the outcome. The 12th house is receiving aspects, both from the lagna lord and the 2nd lord as well.

The ruling planet lagna star lord Ketu too is under aspect from Saturn, the lord of the 2nd house (the house in question where the action/event is expected to take place/effected), who has appeared as the holder of sub-portion, on both the ruling planet lagna as well as Moon.

Thus the indications are that the planets are in favour of the event....on a day decided by their combination. .....which would be that day?

The day of analysis was ruled by Mercury as its lord, and (retrograde) Jupiter as the day's constellation lord...on repeated contact, at different times of the day, the hospital

authorities still maintained that they are yet to hear from the insurance firm and hence, it seems, there would be delay.....see the play of effect from Saturn, as the sub lord for both Moon and ascendant!

The very next day is a Thursday, coming under the ruler ship of Jupiter. The constellation on this day would be, (as the Moon would be joining with Jupiter, the Moon star lord among the ruling planets), Uthrabhaadrapada, coming under the ruler ship of Saturn! It seems the planets have decided on this date only.

I consoled the old man that there would definitely be a positive outcome on his expectation and desire.

The 23rd September, 2010, Thursday, dawned. I can see that the affected person has not had 'a good night sleep' and he looked worried. At 09:50 hours, people from the hospital still maintained their stand as of yesterday that they are yet to get information on sanction....Time ticked by.

At 11:10 hours, the telephone rang. At the other end was the hospital authority, asking for the patient to rush immediately, now that they received the sanction a few minutes ago and they can undertake the action! The septuagenarian was in cloud nine!

I thanked the Ruling Planets profusely for their unerring guidance and recorded my pranams to KSK!.

Father's Death from Son's Horoscope

By: G.Subramanian

It is an accepted principle in astrology that if the horoscope of an elderly person is not available, still it is possible to predict major events in his life from the available horoscopes of his son or daughter as the case may be.
In recent years, many articles have appeared in astrological magazines to establish the validity of this concept.
As an ardent enthusiast of astrology, I was also tempted to check this with regard to the death of a senior member of our family.

The old gentleman passed away on the 5th of November 2002 around 6 A.M. I was able to locate his son's horoscope from my records. I attempted to find out the occurrence of this sad event by suitably rotating the horoscope in such a way that the ninth house (which represents the father) becomes the Ascendant of the departed soul.

The original chart of the son is appended herewith for the study of our esteemed readers.
At this juncture, it is worth recapitulating that houses 1, 3 and 8 are the primary houses for predicting the longevity of a person. We are also aware that the 12th to any house negates the results of the concerned house. Therefore, 12, 2 and 7, being 12th to the above houses are unfavorable houses for longevity known as Maraka houses. For Movable houses, 11th house is termed 'Badhaka'-, meaning death-inflicting house.

Readers may note that houses 10, 3, and 8 of the original chart are houses 2, 7 and 12 of the rotated chart (treating the 9th as Ascendant).
On a thorough examination of the rotated chart, it was clearly seen to belong to the category Of Poorna Ayush (Long Life) with longevity between 66 to 100 years.
The significators of the Maraka and Badhaka (11) houses are as given hereunder in order of priority (planet in the star of occupant, occupant, planet in the star of owner, and house owner):

House	Planet in star of occupant	Occupant	Planet in star of owner	Owner
2	–	–	Sun, Venus	Saturn
7	–	Rahu	Saturn	Moon
11	–	–	Kethu	Mars

The old gentleman breathed his last when his son was running Dasa, Bhukthi, Antara of Saturn-Kethu-Moon which are the prominent significators in the above tabulation.

On the date of death, the luminaries and the period lords were transiting as follows:
Sun in Rahu star Moon sub (Libra)
Moon in Jupiter star Jupiter sub(Libra)
Saturn in Mars star Venus sub (Gemini)
Kethu in Saturn star Jupiter sub (Scorpio)
I wondered how Jupiter finds a place in the above transits. After a little thought it occurred to me that Jupiter is a significator of the 12th house as a planet in the stars of owner, and house owner (12th house is for the end of life and Moksha).
What an amazing system of prediction is K.P. system of astrology! We bow with deep reverence and gratitude to our revered and beloved Guruji Shri.K.S.K.

Name: Kiran Bedi
Question: What about Kiran Bedi's political career?
Date of Birth: 09/06/1949; Thursday, Time of Birth: 14:10:00 PM
Place of Birth: Amritsar -Punjab; Long/lat: 31 N 34, 74 E 56;
Aynamsha: $23^0.03'.40"$

Hint:
If 10th (one's position in politics) cusp sublord signifies 10 (one's refutation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of significators of 3, 10, 11, then success is assured.

Cuspal Sub lord:
10th Cusp (Gemini $18^0.16'.08"$): The sub lord of the 10th cusp is Moon. Moon is in the star and sub of Saturn. Moon is occupant of 2, owner of 11. Star and sub lord Saturn is occupant of 11, owner of 5-6. Thus 10th cusp sub lord Moon is the significator of 5-6-11 and connected with 2-11. Hence good political career is sure.

Joint period:
At the time of judgment running dasa is Sun up to 16-06-2016. Joint period running is Sun -Mercury up to 9-2-2015.

Dasa lord Sun is in the star of Mars and sub of Rahu. Sun is occupant of 9, owner of 12. Star lord Mars is occupant of 8, owner of 3-8. Sub lord Rahu is occupant of 7. Rahu is in Pisces sign, hence represents Jupiter. Jupiter is occupant of 4, owner of 4-7. No planet in the stars of Jupiter and Jupiter is the CSL of 3-6-12. Dasa lord Sun signifies 3-8 and is connected with 9-12-7-4-3-6. Thus dasa lord Sun signifies 3, so political career is sure, but at the same time signifies 9 (3rd for opponent)- 4 (10th for opponent)- 8 (delay, hard) which is not good for political career.

Next dasa of Moon starts from 16-06-2016 to 16-06-2026.
We have discussed about Moon above. Moon is the significator of 5-6-11 and connected with 2-11. This dasa is very good for her political career.

Next is Mars dasa starts from 16-06-2026 to 16-06-2033.

Dasa lord Mars is in the star of Sun and sub of Mercury. . Mars is occupant of 8, owner of 3 -8. Star lord Sun is occupant of 9, owner of 12. Sub lord Mercury is occupant of 9, owner of 1-10. Dasa lord Mars signifies 9-12 and is connected with 8-3-9-1-10. Thus dasa lord Mars signifies 3-10, so political career is sure.

My opinion: She will have very good reputation in politics, maybe she will get good position in politics and get higher post during Moon dasa from 16-06-2016 to 16-06-2026. This period will be very good peak period for her in politics to get very good reputation.

Background Note: I have a neck pain problem since last 3-4 months. Sometimes I feel very acute pain and I am not able to tolerate it. Due to this I cannot rotate my neck and thus am facing many problems in my routine works. Doctor has advised me for surgical operation to adjust the gap between bones wherein some nervous are creating the problems. I want to know whether surgical operation is beneficial to cure disease or not?

Name & Sex of Querent: Mrs. K. Biyani, Female.
Question: Whether surgical operation is beneficial to cure disease or not?
Horary Number: 168 (out of 249).
Date & Time of Judgment: 29-03-2014, 11:38:40 Hrs.
Place of judgment: Hind Motor - 22N41, 88E20, Hooghly, West Bengal, India.

Hints:
Consider the houses 6-8-12 and Mars-Ketu for surgery or operation. The 6th house indicates disease. The 12th house denotes hospitalization. Mars and Ketu are the natural karaka of surgery or operation. The 8th house and Mars-Ketu indicate surgery or operation.
Consider the houses 1-5-11 and Jupiter for cure of disease. The 1st house is judged for health & longevity prospects. The 5th house, being 12th from 6th, denotes cure from disease. The 11th house, being 12th to 12th, signifies success towards recovery from disease. Jupiter is the natural karaka for recovery from sickness or disease and thus for a good health.
The 8th house indicates operation or surgery of any nature. If the CSL (cuspal sub lord) of 8th is in constellation of a planet signifying 6 or 8 or 12 and/or connected with Mars or Ketu, surgery or operation is promised.
The 6th house indicates disease of any nature. If the CSL (cuspal sub lord) of 6th is in constellation of a planet signifying 1 or 5 or 11 and/or connected with Jupiter, disease will be recovered safely.

Moon reveals the nature of query.
Moon (Aquarius 24-11-31) is in star of Jupiter and sub of Mercury. Moon is the occupant of 3, owner of 8. Jupiter is the occupant of 7, owner of 1-4. Mercury is the occupant of 3, owner of 7-10. Moon connects to the houses 1 and 8, hence query or urge is genuine.

CUSPAL ANALYSIS
Significators in respect to (A)-(B)-(C)-(D)
A = Planets in Occupant's Stars
B = Occupant of Houses
C = Planets in Owner's Stars
D = House Owner

8th Cusp (Cancer: 02-34-04): The 8th CSL Rahu is posited in constellation of Mars, the occupant of 10, owner of 5,12. So Rahu signifies the houses 10, 5-12.

6th Cusp (Taurus: 06-53-58): The 6th CSL Mercury is in constellation of Jupiter. Jupiter is the occupant of 7, owner of 1 and 4. Thus Mercury signifies houses 7,1-4.

11th Cusp (Libra: 11-06-03): The 11th CSL Saturn® is in constellation of Jupiter. Jupiter is the occupant of 7, owner of 1 and 4. Saturn is in the sub of Venus occupant of 2, owner of 6 -11. So Saturn signifies the houses 7, 1-4, 2-6-11.

Ruling Planets at the time of judgment	
Ascendant	Mercury – Jupiter
Moon	Saturn – Jupiter
Day Lord	Saturn
Nodes	Rahu – Ketu

Concluding points

- 8th CSL Rahu is in constellation of Mars itself. Mars is the lord of 12, hence surgery or operation is promised.

- 6th CSL Mercury is in constellation of Jupiter. Jupiter is the lord of 1, hence recovery or cure from disease is promised.

- 11th CSL Saturn is in constellation of Jupiter. Jupiter is the lord of 1, hence recovery or cure from disease is promised.

- At the time of judgment, 11th CSL Saturn is retrograde but its star lord Jupiter is direct. It indicates some delay and when Saturn will turn direct i.e. from 21.07.2014, possible recovery from disease is seen.

- At the time of judgment, the running DBA are Jupiter-Mercury-Ketu (from 14-03-2014 to 01-05-2014). The Anthra lord Ketu (karaka of surgery or operation) is in self-star and acts an agent of Mars signifying 12. Ketu also acts as an agent of Saturn (karaka of disease) which is present under ruling planets. Thus in Ketu Anthra, surgery or operation is promised.

- After Ketu, Anthras of Venus (from 01-05-2014 to 16-09-2014) and Sun (from 16-09-2014 to 27-10-2014) will follow. Venus signifies 5-11 as well as 6-12. Thus in Venus Anthra, both treatments for disease and recovery will be carried on. After Venus, Anthra of Sun will follow. Sun signifies 3-9-11, which are the progressive houses in terms of health & longevity for dual-sign (dwiswabhava) Lagna.

Transit

During the Ketu Anthra from 14-03-2014 to 01-05-2014, Sun will be transiting in Ketu star from 14-04-2014 to 27-04-2014.

My Opinion: Surgery or operation is seen in Ketu Anthra (14-03-2014 to 01-05-2014). More precisely it may be the period from 14-03-2014 to 27-04-2014. There may be slow recovery of disease. During the Sun Anthra up to 27-10-2014, full recovery from disease is indicated.

Actual Outcome: Prediction comes true. Surgery/operation was successfully conducted on 25-04-2015 when Sun was transiting in Ketu star (Ashwini). Doctors had strictly given instruction of taking one month complete bed rest, and thereafter 5 months of treatment to cure the disease fully.

Will my office boss help me financially?

Background Note: Last year once I was in dire need of financial assistance. I did not know how to solve that financial problem or as to where and when would I get that financial assistance. I was just wondering as to how I can manage the requirement of the additional fund, suddenly I remembered that my office boss Mr. U. K. Basu manages an emergency "Staff Welfare Fund" for the staffs of the company but this is 'NOT' official fund, it is exclusively managed and disbursed upon on the self discretion of the boss.
I made a K.P. horary chart upon the sanction of this emergency fund by the boss to help me with my emergency financial crisis.
The question is whether a particular person (here it refers to my office boss) will help me financially or not? I at first casted the horary chart. The chart should be casted with divine number (horary or seed number between 1 to 249) depending upon my (astrologer's) preference according to the knowledge, belief, experience and situation.

According to KP, we know that the houses 2-6-11 are concerned with finance (money). 2nd house represents cash & bank balance, jewelry and ornaments etc. and thus denotes money or liquid wealth. 6th house indicates money earned through hardship. And 11th house is considered for the fulfillment of desire, success of any kind of event, profit or gains.

As the horary query is pertaining to success towards getting financial help from a particular person (say office boss), so the role of 11th house (fulfillment of desire) will come.

- If in horary chart, the sub-lord of the 11th cusp is not retrograde or not deposited in constellation of a retrograde planet; and be the significators of 2, 6 or 11, one will get help financially from a particular person (say my office boss) during the joint period of significators of 2-6-11.

Again the other person (here my office boss) is judged from the 7th house. In KP, 7th house is considered for opponent. As my office boss is the lender of the money, for his financial matter 2nd cusp and its sub-lord will be scrutinized invariably. And accordingly thof 8th house (being 2nd from 7th – opponent) will come. We can cross-verify the event with the help of 8th cusp too..

- If in horary chart, the sub-lord of the 8th cusp (finance or money of the opponent and also unearned income) be the significators of 2-6-11 (being 12th to 8-12-5 counted from 7th as these houses are concerned with financial gain of the querent and loss to the opponent), one will get the financial help from a particular person (say office boss during the joint period of significators of 2-6-11.

Let me try to explore my views with the help of a horary chart. In horary chart, it is always mandatory to focus on the questions asked by querent and accordingly one should rotate the chart or not; as the case may be.

In the given below example, I self-asked that whether I will get the financial help or not from my office boss? If it is yes, then further query would be when? As the question was self-asked, there is no need to rotate the chart as the question is pertaining to myself only. Following are the details –

Horary Number: 113 (out of 249, on behalf of self)
Date & Time of the Judgement: 05-08-2014, 09:08:25 Hrs., (IST)
Place of judgment: Durgapur (Long / Lat: 23N29, 87E20)
Ayanamsa: KPNA 23:58:14

Analysis:
In this particular horary chart, the 11th cusp (Cancer 12-01-33) sub-lord Moon is in the star of Jupiter and sub of Rahu. Planet Moon is the occupant of 2, owner of 11. Star lord Jupiter is the occupant of 10, owner of 4 and 7. Sub lord Rahu is the occupant of 1. Rahu is deposited alone in sign Virgo (lord: Mercury) and thus acts as an agent of Mercury. Mercury is the occupant of 11, owner of 1 and 10.

- The sub-lord of 11th cusp Moon is not retrograde and not deposited in constellation of a retrograde planet (Jupiter); and
- The sub-lord of the 11th cusp Moon signifies 2-11 and is in connection with 11.

Cross-Verification
The 8th cusp (Aries 10-01-35) sub-lord Saturn is in the star of Jupiter and sub of self (Saturn). Planet and sub lord Saturn is the occupant of 2, owner of 5 and 6. Star lord Jupiter is the occupant of 10, owner of 4 and 7. Thus, the 8th CSL Saturn signifies and is in connection with 2-6.

Significators of 2, 6, 8 & 11 houses in respect to grade A, B, C & D:
A = Planets in Occupant's Stars
B = Occupant of Houses
C = Planets in Owner's Stars
D = House Owner

Houses	A	B	C	D
2	Rahu, Mercury, Jupiter	Mars, Saturn, Moon	-	Venus
6	-	-	Mercury, Jupiter	Saturn
8	-	-	Rahu	Mars
11	Sun, Ketu	Sun, Mercury	-	Moon

The significators of 2, 6, 8 & 11 are: Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu & Ketu.
I would like to stress the point here that only after this stage of examination it is reached that we will have to seek the help of the Ruling Planets.

Ruling Planets (05-08-2014, 09:08:25 Hrs., Durgapur - 23N29, 87E20, West Bengal)

Lagna (Virgo 11-06-40)	Mercury – Moon – Mars
Moon (Scorpio 02-17-43)	Mars – Jupiter – Rahu
Day Lord (Tuesday)	Mars

The fruitful (common) planets amongst the 2, 6, 8, 11 significators and the ruling planets at the time of the judgment are: Moon, Mars, Mercury, Jupiter & Rahu.

Now I am facing the greatest challenge in which joint period the event will be materialised. Before I present the DBA analysis I want to present here how result to be given by Dasa, Bhukti and Antara Lords.

As per Tin Win ji (KP-Ezine, January 2009) under the title 'KP for Beginners-Part 10– Result to be given by Dasa / Bhukti / Antara Lords'. "By occupation and lordship, the Dasa lord and its star lord indicate the houses, whose matters will be enjoyed during the Dasa period. The sub lord of the Dasa lord will indicate whether the results indicated by the Dasa lord and its star lord will be positive or negative".

DBAS ANALYSIS:
Present Dasha Lord: Jupiter (from 01-11-1999 to 01-11-2015)
Jupiter (karaka of money) is a fruitful (common) planet. Jupiter is the occupant of 10, but within the orb of 3^0-20' with 11^{th} cusp and owner of 4, 7. Jupiter in the star of Saturn in 2^{nd}, lord of 5, 6. Jupiter is in the sub of Sun. Sun is the occupant of 11, owner of 12. Thus Jupiter signifies 2, 6, 10 & 11 and connected with 11. Hence Jupiter Dasha is taken into consideration for financial help.

Present Bhukti Lord: Rahu (from 09-06-2013 to 01-11-2015)
Rahu is a fruitful (common) planet. Rahu is deposited in Virgo sign, thus Rahu acts as an agent of Mercury. Mercury is the occupant of 11, owner of 1, 10. Rahu in the star of Mars in 2^{nd}, lord of 3, 8. Rahu is in the sub of Saturn, the occupant of 2, owner of 5, 6. Thus Rahu signifies 2 and is connected with 11. Hence, Rahu Bhukti is taken into consideration for financial help.

Present Anthra Lord: Mercury (from 01-07-2014 to 02-11-2014)
Mercury is a fruitful (common) planet. Mercury is in the star of Saturn and sub of Rahu as discussed above. Thus Mercury signifies 2, 6 & 11. Hence during Mercury Anthra, there may be chances of financial help, if transit agrees.

In this horary chart the 11th CSL is Moon. a quick and fast moving planet which indicates that the native's (myself) query would be fulfilled within a very short period of time i.e. within a few days. As per K.P. theory we know when the event is to happen i.e. within a few days, the Moon's transit is to be taken and the Moon should move to the star and sub positions of the significators and when Moon transits a position in the Zodiac which is ruled by the ruling planets, then the event will soon fructify.

Moon transits through the Cancer on 22.08. 2014 in Jupiter star and Rahu sub. Jupiter and Rahu are amongst the ruling planets and both of them are simultaneously Dasha and Bhukti lords. Therefore, it is expected that the native (myself) will get the financial help from my office boss on 22.08.2014.

My Opinion: As the csupal sublord of the relevant houses promising the event and as the current DBA lords (Joint Period Rulers) Jupiter-Rahu-Mercury (from 01-07-2014 to 02-11-2014) are fruitful (common) planets, I (native) will surely get the financial help from my office boss.

Actual fact: Here the prediction comes true. Actually the native (myself)) has received the money from our 'Staff Welfare Fund' on 22.08.2014 at around 5 P.M., when the Moon was in Cancer and transits in the sign of Moon (self) (RP Lagna Star Lord) and in star of Jupiter (Dasha Lord +RP Moon Star Lord) and in sub of Rahu (Bhukti Lord + RP Planet).

At the conclusion of this article, I would like to convey my pranams and regards to Lord Maha Ganapati and to our great Guruji Late Prof. K.S. Krishnamurti. I would also like to convey my regards to my Guru, Shri Rabindranath Ghosh Mahasoy of Kolkata.

A native came to me on 10/4/2013 to ask what is good for him job or business and gave his birth chart details as shown under.

Question: I am doing business since 01/01/2013, not doing well, now my question is what is good for me job or business?
Date of birth. 16/09/1986, Tuesday; Time of birth. 14-00 P.M.I.S.T.
Place of Birth: Ahmedabad Lon/Lat: 23° N 2', 72° E 37'. Aynamsha $23^0.34'.53"$

Hints (For Job)
If the cuspal sub lord of the 6th or 10th house be the significator of 2, 6 or 10, service or earning is promised during the joint period of the significators of 2, 6 and 10.

Hints (For Business)
If the cuspal sub lord of the 10th house be the significator of 2, 7 or 10 an independent business or profession is promised during the joint period of the significators of 2, 7 and 10.
If the cuspal sub lord of the 7th house be the significator of 2, 10 or 11, gain in business is promised during the joint period of the significators of 2, 10 and 11.

Cuspal sub lord
Cusps 6 (Taurus $16^0. 34'. 31"$): The sub lord of 6th cusp is Saturn. Saturn is in the star of own and sub of Sun. Saturn is occupant 11 and owner of 2-3. Sub lord Sun is occupant of 9 and owner of 9. Thus 6th cusp sub lord Saturn is the significator of 11, 2, 3 and connected with 9. Hence service is promised.

Cusps 10 (Virgo $22^0. 49'. 21"$): The sub lord of 10th cusp is Sun. Sun is in the star of own and sub of Rahu. Sun is occupant 9 and owner of 9. Sub lord Rahu is occupant of 4. Rahu is agent of Mars occupant of 1, owner of 5-12. So 10th cusp sub lord Sun is significator of 9 and connected with 4, 1, 5 and 12. 10^{th} sub lord does not indicate 2-7-10 at all. Hence business is not promised.

Joint Period
At the time of judgment Jupiter dasa is running
Dasa lord Jupiter is in the star of own and sub of Saturn. Dasa lord and star lord Jupiter is occupant 3 and owner of 1, 4. Sub lord Saturn is occupant of 11 and owner of 2, 3. So dasa lord Jupiter is the significator of 3, 1, 4 and connected with 11, 2, 3. Thus job is promised during this dasa.

Opinion: I advise native not to do business and to join job, but he is not ready to accept my reading because a famous Vedic astrologer advises him to do business.

Outcome: Native called me to inform that from January 2015 he closed his own business with loss and joined job.

CWC -2015 Semi final match- Australia v/s India

Question: Who will win the 2nd semifinal match between Australia and India in the CWC 2015 held on 26th March at Sydney in Australia?

Date: 26/03/2015; Day: Thursday; Match start time: 14:30:00 PM
Place (Match ground): Sydney cricket Ground, Moore Park, New South Wales.
Longitude/Latitude: - 33°53' S, 151°13' E
Ayanamsha: 23.58.46.

Hints: If 9th cusp sub lord signifies 2-5-10, one can win the match in the joint period of significators of 2-5-10.
Who ball first will be considered as Ascendant.

For India
Cusp. 9th (Pisces 20:28:36): The cusp sub lord of the 9th cusp is Venus. Venus is in the star of own and sub of Moon. Venus is occupant of 9 and owner of 4-11. Sub lord Moon is occupant of 11 and owner of 1. So 9th cusp sub lord does not indicate any positive cusp of 2-5-10, so there will not be a possibility to win the match.

Opponent team: Australia
Cusp. 9th (Virgo 20: 28: 36): The cusp sub lord of the 9th cusp is Venus. Venus is in the star of own and sub of Moon. Venus is occupant of 3 and owner of 5-10. Sub lord Moon is occupant of 5 and owner of 7. So 9th cusp sub lord indicates 5-10, so there will be a possibility to win the match.

My opinion: Since no positive cusp is indicated for India there is no chance to win the 2 nd semifinals CWC -2015 match against Australia.

Actual outcomes: Australia won the CWC - 2016 2nd semifinal match.

Name: Female
Question: Will misunderstanding between the two families make effect on marriage of their daughter and son that is to be materialized on 10 March 2015?

Background: One of my known Mrs. X came to me and asked about a problem regarding a matrimonial matter related to her family. She told that the bridegroom family had got email from an unknown about affair of bride. Mrs. X belonged to bride family. Bridegroom family just shared this email with bride family. Bride family got into anxiety and mental agony too. Bride was not actually in any affair after deciding to marry with present one. Marriage date was already decided on 10 March 2015. So Mrs. X was worried whether this misunderstanding will cancel the decided marriage ceremony. She had great curiosity about KP astrology answer, so she asked question whether marriage will be solemnized or not. Question was related to an event which was to be happened or not happened in a few days.

My View: I reframed the question. Firstly that whether both the families will be agreed or not on their decision to remain firm on decision of solemnized marriage on 10 March 2015. For that both the families need to talk on the issue and decide before 10 March 2015. I decided to do it with help of ruling planets because this was an event which will be answered by yes or no within a week from the date of question.

Ruling planets at 15.45.45 on 28-02-15 Place: Jaipur-Rajasthan

Asc sign lord– Moon

Asc star –Saturn

Moon sign –Mercury

Moon star lord–Rahu

Day lord–Saturn

Rahu is agent of Mars.

Analysis: If both family negotiate and discuss to clear their views on the issue within 4-5 days, only then it could be decided whether marriage will take place or not. I preferred to analyse it as event of yes or no that is supposed to be decided actually in 7 days. So I took day lord 'Saturn' as most important planet and deciding factor.

Hints: Event which is to be occurred or not occurred, then on day of Asc sign lord planet from the day of day lord planet, the event will take place. Question was asked on Saturday which is the day of day lord Saturn.

Asc sign lord is Moon. Day of Moon is Monday. I guessed on coming Monday means on 2.3.15 it will be decided to cancel or not to cancel the marriage. I also cross checked Sun transit on these dates. Sun is in kumbh sign of planet Saturn. Presently Sun is going through satabhisha star of Rahu i.e. RP and that will remain there by 4 March 2015. Then Sun will go through star P. Bhadra of Jupiter.

Jupiter is not in R.P. So I analyzed that negotiation will be successful if it is done in the period before 4 March 2015 and after 2 March 2015 , not before that date and not after that date. 2 March was also the day of Moon Asc sign lord. So I advised them to sit together on 2.3.15 to get final position for yes.

Final outcome: I came to know on 3.3.15 that both families sat together on 2.3.15 and clarified the issue. Now there was no misunderstanding. Marriage was decided for the same date. I also came to know that bride family followed my advice not to talk with bridegroom family on Sunday on 1 March 2015. Despite so much anxiety and agony they preferred 'Monday' to talk. Ruling planets played charismatic role. I am amazed.

Thank god and Sh. Kanak Bosmia my first teacher of KP who extended his warm blessings upon me to share my experience with readers.

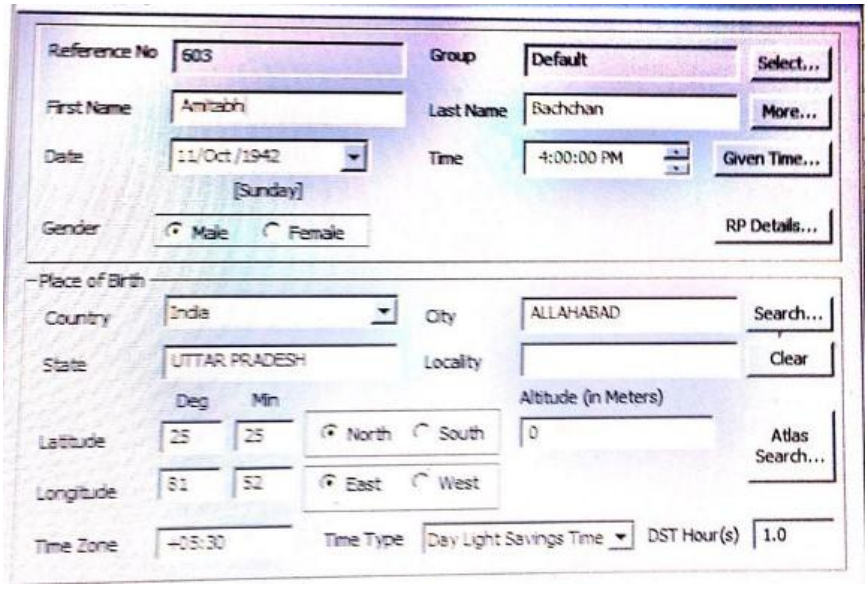
Question -1: Daylight Savings Time or War Time Correction in Casting Horoscopes
War Time 6.5 hrs correction for Amitabh Bachchan's chart is reliable or not?
http://www.astrosage.com/cel.../amitabh-bachchan-horoscope.asp

Answer -1:
1.As per suggestion at the link below, the War Time 6.5 hrs correction is applied to the charts of Rajiv Gandhi and Amitabh Bachchan for reliability.
https://groups.yahoo.com/.../k_p_s.../conversations/topics/44274

2. The main reasons of WT correction are as follows:

War Time Adjustment for Indian Charts
3. The SWs equipped with ACS atlas (Astro Calculation Service) will do "automatic" adjustment for War Time or Daylight Savings Time (DST), and also will provide location of cities all over the world, after entering the chart details (DOB, TOB, POB):
http://www.astrocom.com/astrology/software/acs-atlas-software

A) paid KPAstro 4.1 automatically shows Time Zone 5.5 hrs plus DST (for WT) 1 hr making War TZ as 6.5 hrs, giving Asc. Aq 2° 4' 4" (KP new ayanamsa 22°58' 5").



B) free Astrodienst (www.astro.com) automatically shows time zone: 6 h 30 min east, Daylight Saving T (for WT) making War TZ as 6.5 hrs, along with - "ATTENTION: British prescribed war time, observed by Europeans only." and and giving Asc. Aq 1° Aq 56'52" (Lahiri ayanamsa 23°03'28).

4. References for manual adjustment are as follows:

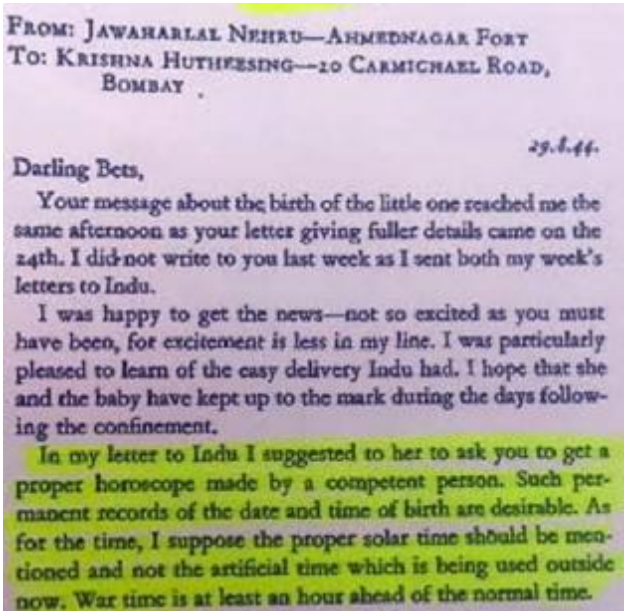
a. During World War II, from September 1, 1942 to October 14, 1945 (both days inclusive), all over pre-independence India, i.e. present day India, Pakistan and Bangladesh, clocks under Indian Standard Time were advanced by one hour, calling it as War Time. ("*Astrology: How to Cast Your Own Horoscope*", by Dhamankar & Lagu, Madhusudan P. Lagu, Jaico Publishing House, 1984, pages 108 & 170)

b. http://www.wikiwand.com/en/Time_in_India

c. From 1st September 1942 to 14th October 1945, the Indian Standard Time was advanced by one hour all over India including modern Bangladesh and Pakistan for purposes of daylight saving during the period and was thus 6h 30m ahead of G.M.T. Any recorded time of this period should therefore be reduced by 1 hour to get I.S.T. (Lahiri's "*Indian Ephemeris*", page 7, 2009 or any year under "Time reckoning in India")

5. Rajiv Gandhi's Chart in Particular

Jawaharlal Nehru's Letter No. 74 to make sure that war time should be adjusted properly, for 8.11 am (wartime) to 7.11 a.m. IST (corrected wartime).



FROM: JAWAHARLAL NEHRU—AHMEDNAGAR FORT
TO: KRISHNA HUTHEESING—20 CARMICHAEL ROAD, BOMBAY

29.1.44.

Darling Bets,

Your message about the birth of the little one reached me the same afternoon as your letter giving fuller details came on the 24th. I did not write to you last week as I sent both my week's letters to Indu.

I was happy to get the news—not so excited as you must have been, for excitement is less in my line. I was particularly pleased to learn of the easy delivery Indu had. I hope that she and the baby have kept up to the mark during the days following the confinement.

In my letter to Indu I suggested to her to ask you to get a proper horoscope made by a competent person. Such permanent records of the date and time of birth are desirable. As for the time, I suppose the proper solar time should be mentioned and not the artificial time which is being used outside now. War time is at least an hour ahead of the normal time.

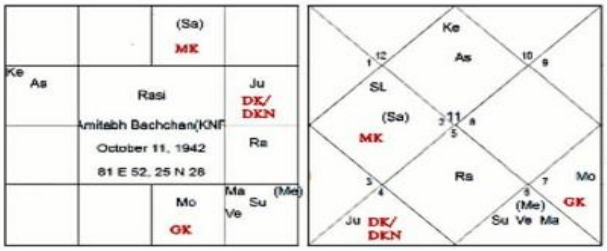
6. Amitabh Bachchan's Chart in Particular

Jyotish astrologer K.N. Rao got birth time (in War Time) from his mother late Smt. Teji Bachchan over thirty years ago. There is no doubt at all that such a leading astrologer KN Rao should make sure what kind of birth time he got from Amitabh Bachchan's mother, standard time or war time. Source is his mother, that is end of story! http://www.journalofastrology.com/article.php?article_id=319

His horoscope was given to me by his mother late Smt. Teji Bachchan and I had written about it in my article in the Astrological Magazine twenty six years ago discussing his accident in July 1982 about which I had given a forewarning to his mother. That prediction was based on Vimshottari dasha. Let me discuss more events of his life through my tested method of Chara dasha and show many more events.

Oct 1942, 14:50:30 Corrected War Time, Allahabad, UP, India.

The sequence of dasha in his case is:
Aquarius 11-10-1942, **Pisces** 1951, **Aries** 1959, **Taurus** 1964, **Gemini** 1968, **Cancer** 1971, **Leo** 1980, **Virgo** 1991, **Libra** 2003, **Scorpio** 2014



Birth of his sibling
In Kumbha mahadasha and the antardashas of Simha and Kanya his only sibling, Ajitabh Bachchan was born in May 1947. Kanya has his Bhatrikaraka, Mars. Meena 1951 to 1959. Mesha

7. Grade A Birth Time

Amitabh Bachchan's birth time got from mother's memory is Grade A birth time.

Formal definitions of Rodden Ratings

These are all based on objective evidence about the source of the data.

AA	**Accurate** **accurate**	Data as recorded by the family or state. This includes **BC** (birth certificate), and **BR** (birth record), that which is not an official document but a quote of the birth record from the Registrar or Bureau of Records, the baptismal certificate, family Bible, or baby book. These data reflect the best available accuracy. Taeger data groups: $1^{*},1^{F}$
A	**Accurate**	Data as quoted by the person, kin, friend, or associate. These data all come from someone's memory, family legend, or hearsay. The quote may be substantiated by a qualifying statement such as, "My grandfather wanted me to be born on his birthday and my mother said that I almost made it. I was born three minutes before midnight." When the information comes from an astrologer's client, it is considered reliable, since a client is investing money for the astrologer's time and expertise. When the quote is from a public figure given in public, it may be questionable. Please keep in mind that public figures, especially politicians, answer a question in public to be accommodating; therefore, the time given may not be accurate. When the quote is from one of a group of people who were asked casually, it might be questionable. Rounded-off time such as 6 AM or midnight might also be questionable. Taeger data groups: $2^{M},2^{F},2^{P},2^{R}$
B	**Biography**	Biography or autobiography. When these data are substantiated by a quote that qualifies the information, they are considered reliable. An example: "His grandmother arrived at 9 in the morning and barely had time to remove her coat before mother gave birth." Or, "Though she claims to have been born in 1946, state records clearly give September 5, 1942" or, "family legend reports 'before noon'." When the quote is vague, such as, "It was a wild and stormy night," a specific time may simply reflect the biographer's literary license. At times public figures lie about their age. Biographers who market scandal and gossip may actually create misinformation for the sake of book sales. When data from books are specifically attributed to birth records, they are given a Rodden Rating of "AA".

Question -2: Rule for Deafness and Dumbness
Please explain the astrological pattern for deafness and dumbness with an example chart.

Answer -2:
Hints for Disease
In case of defective speech and sense of hearing (deafness and dumbness) the cuspal sub lord (CSL) of 6th ,8th , 12th houses signifies house 2 (speech), 3 (hearing), 6 (disease), 8 (danger, serious ailment), 12 (defect) and is connected with Mercury (speech and hearing) and mute signs, (Cancer, Scorpio, Pisces for dumbness)
OR. The cuspal sub lord of 2nd house (speech) and the 3rd house (hearing) is connected with the Maraka, Dadhaka, 6,8,12 houses.
Hint for Cure from Disease:
If the cuspal sub lord of 6th , 8th , 12th house signifies houses 1, 5, 11 (if not Badhaka), then native can be cured from disease during the joint dasa period (Dasa/Bhukti/Antra) of significators of house 1, 5, 11.

Example Chart: Female, 24 September 1985, 19:45 PM IST, 22n18, 73e12, KPNA 23:34:03, Ascendant: Aries 02:53:32, Bal. Dasa: Moon 4Y, 10M, 12D

Cuspal Analysis
6th and 12th CSL Mercury+ is in house 6, owner of houses 3,4 and the CSL of houses 3, 4, 6, 10, 12 having no planet in its stars. Mercury is in the star of Sun in house 6, owner of house 6, and sub of Venus in house 5, owner of houses 2, 7. Thus 6th and 12th CSL signifies houses 2, 3, 6,8,12 and is connected with Mercury for deafness and dumbness.
It is also connected with Jupiter (manifesting the sound).

8th CSL Saturn+ is in house 7, owner of houses 11, 12 and the CSL of houses 2, 8 having no planet in its stars. Saturn is the star of Jupiter in house 10, owner of houses 9, 10 and sub of Mars+ in house 5, owner of houses 1, 8. The 8th cusp and Saturn are placed in the mute sign Scorpio. So Thus 8th CSL signifies houses 2, 8,12 and is connected with the mute sign Scorpio for deafness and dumbness. Connection with Mars and Saturn also indicates seriousness and long term nature of disease.

2nd CSL Saturn, as discussed above, signifies Maraka (2,7), Badhaka (11), 8, 12 .
3rd CSL Mercury, as discussed above, signifies Maraka (2,7), 6, 8, 12 .

Rules for deafness and dumbness are generally satisfied.

Prospect for cure:
6th and 12th CSL Mercury, as discussed above, signifies house 5 only for cure.
8th CSL Saturn, as discussed above, signifies house 1, 5 for cure since house 11 is Badhaka.
Jupiter Dasa will be running from 6 August 2015 to 6 August 2031.
Dasa lord Jupiter is in house 10, owner of house 9,10, in the star of Mon in house 10, owner of house 5 and sub of Rahu in 1, in sign Aries representing Mars+ in house 5, owner of 1,8, signifying houses 1,5 for cure, along with very strong house 10 (12th to 11 – treatment not effective).

Chance for cure is indicated but treatment may not be so effective.

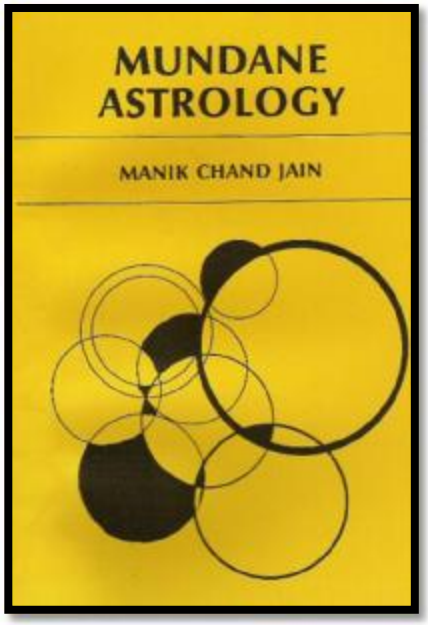
Mundane Astrology
by: Manik Chand Jain
Sagar Publications, 1978, reprint 1992,. . . , 2007, pages 176

This book "*Mundane Astrology*" by Manik Chand Jain is a free gift received along with Dr. Ravi Rao's "*A Nation's Prophecy, Inclusive Methodology of Mundane Astrology*" and other books which were ordered from Sapta Rishi Astrology online book store.
http://shop.saptarishisastrology.com/index.php?prod=76&cat=63&page=details&sub=More+Information



This is the second book which has been strangely found to be a word-for-word copy of a Western astrological book. The first book is "*Dictionary of Significators in Astrology*" by Umang Taneja & P K Sarna, 2000, 235 pages, which is a word-for-word copy of Part One, An Alphabetical Listing, pages 3-163 of "*The Rulership Book, A Dictionary of Astrological Correspondences*", by Rex E. Bills, American Federation of Astrologers, Inc., 1971, reprint 2007, 440 pages. (Book Review, KP-Ezine January 2010 issue) In this Taneja's book there is not much significant addition to Bills' original.

The core of Jain's "Mundane Astrology" is also a word-for-word copy of Raphael's Mundane Astrology, first published in 1910. Raphael's original covers the fundamentals and a comprehensive guide to the classic rules of Western mundane astrology. Raphael organizes his book house by houses telling how mundane houses work when planets are in them. In addition, he also deals with solar and lunar eclipses and earthquakes.

Raphael's Mundane Astrology is a part of the combined volume of three classical books on "*Mundane Astrology, the Astrology of Nations and States*" by H.S. Green, Raphael and C.E.O. Carter, Astrological Center of America, 2004, 308 pages overall. (Book Review, KP-Ezine November 2012 issue)

The entire text of *Jane's Mundane Astrology* has been carefully reformatted from Raphael's original. Here are some additions like Pluto to Raphael's original saying in page 12 that Pluto is not a nice-seeming planet, but apparently we need his influence to 'round out' our lives - natal writing; a brief note on Rahu and Ketu, in page 13, which stand for plots, seditions, lectures, underworld activities etc.; nature of zodiacal signs (Capricorn- Places signified: barren, brushy, thorny places, fallow ground, etc. in page 26); rulership, exaltation, detriment and fall, as well as keywords of planets (for Sun- Keywords: power, vitality, self-expression and natal descriptions: superior or proud and haughty persons . . "Good": deal with superiors etc.) in pages 4-5; some data and examples in IST in pages 51-58, 60-61, 112, 156-159 etc. But natal writing is not relevant for mundane astrology and Raphael's original has not been significantly changed by including above facts and figures.

Will my lost answer sheets be found? If so, when?
On 9th Feb 2012, Thursday, at 15 hours-25 minutes, I received a phone call from a known teacher requesting for a solution for her problem. She posed a question stating that she has lost corrected answer sheets of her class students somewhere in the school and she is unable to find them. She also said that she has to hand over the same on the same day to the headmaster before she leaves the school. She sounded panic and worried. When I asked her to give a number within 1 to 249, she without any hesitation spelled out number 5. Immediately I worked out the chart for the given number at 15H.27m.19sec. @ Secunderabad

1) As per the Gulbarga Theory "If the sub lord of the horary number furnished by the querent is also either the star lord of the ascendant or of the Moon star lord among the ruling planets, the result is YES".
As per the horary chart the sub lord of the horary number furnished is Mars. The star lord of the ascendant in the ruling planets is Rahu, and Rahu represents Mars. (Rahu is aspected by Mars and it is also posited in Mars sign Scorpio).
So the answer for the query is YES, that is to say the answer sheets will be found.

2) As per K.P. rules in horary- if the 11th cusp sub lord signifies 11th and relevant houses under consideration the fructification of the event is promised.
As per the chart 11th cusp sub lord is Rahu which signifies 11th at both levels and thereby it confirms that there is a promise of the event under consideration.

3) As per K.P. rules, for predicting the event that has to happen within 24 hours, we can fix it by using the ruling planets.
A) Lagna point must contain the R.P. only.
B) The lagna sign lord, star lord and sub lord should be chosen according to the "first come first served" basis depending upon the hierarchy in which they appear in the R.P. list at the time of judgment.
C) A ruling planet is strong by virtue of its level of appearance and not by the number of times it has appeared.
D) However when the R.P. repeats itself- lagna point should also contain the same repetition.

R.Ps. mean in the descending order of power:
Asc Sub lord→ Asc Star lord→ Asc. Sign lord
Moon Sub lord→ Moon Star lord→ Moon Sign lord → Day lord.

For pinpointing the events that are expected to take place within 24 hours, we need to see when a proper lagna sign, star and sub arrive that contain in it the Ruling Planets that we received at the time of judgment. In other words if one is expecting something to happen within next 24 hours, our focus should be to trace the Asc. that will comprise of the sign Lord, Star Lord and Sub Lord which were found in the list of R.Ps. at the time of judgment.
As per the chart the Ruling Planets at the TOJ are:
Lagna-Gemini—Merc-Rahu-Mars
Rasi- Leo- Sun-Ven-Sun

Day Lord – Jupiter
Kethu represents Venus and Rahu represents Mars. Mars is in retrograde motion, but it is the star of Sun. So it will not hinder the result in any manner. So the R.Ps. are – Sun (appeared twice), Rahu, Ven, Mars, Jupiter and Mercury.

Now I have to move the lagna on the sensitive zone of the RPs.
The first lagna that rises at 02.03.02 PM is Gemini.
The next lagna that rises is Cancer from 04.15.18 PM to 06.27.29 PM, whose sign lord is Moon. Moon is not in the R.Ps.
The next lagna is Simha from 06.27.29 PM to 08.34.12 PM, and the sign lord is SUN which is a powerful R.P. So the Lagna must be Simha. The stars that appear in Simha are Ketu, Venus and Sun.
Kethu star is not in the list of R.Ps.
Venus star is in the list of R.Ps. and so it is chosen for arriving at the time of result.
In the sign Simha the Venus star starts at 13.20.00 degrees longitude at 19.24.23 hours.
So I thought that the result should come only when the Simha lagna falls on Venus star after 19.24.23 hours. At 19.29.51 hours the lagna comes on 14.37.41 degrees longitude and the exact cusp falls on Sun (Sign Lord)- Venus (STL)- Venus (SBL)- Jupiter (SSBL). All are in the ruling planets.

So I telephoned the teacher at 4.30.00 P.M. and stated that the answer sheets will be traced only after 19.30.00 hours and that too with the help of the another teacher since the Moon is aspected by Jupiter by its 5th aspect.

I received a phone call from the teacher at 19. 45 .00 hours confirming the retrieval of the answer sheets. It was a wonderful experience for me to see that my third attempt in solving a problem with the help of K.P. horary system was a success. My head bows with all the reverence at the lotus feet of the great wizard of astrology for giving such a wonderful K.P. horary system. I also owe my sincere thanks to Sri Kanak Ji for his unstinted support in shaping my articles and publishing them in K.P. Ezine.

Once a lady from Sri Lanka, a new subscriber of KPEZine and a student of KP, had sought my astrological reading in connection with the health condition of a baby girl by writing the question, *"I want6th CSL Venus is in house12, owner of house 6, in the star of Mars in house 12, owner of house 12, sub of Saturn in house 6, owner houses 9, 10. to know whether this native has any disease and does she has to suffer from any disease during on going Sun dasa?"*

Birth details:
Baby Romaya, Female, 24 Sept.2014, 10.40 am, Castle Hospital, Colombo, Western Province, Sri Lanka, 06.54N, 79.53E, Asc. Scorpio 15° 16' 58", Sun Vimsottari Maha Dasa Balnce 01 Y, 06 M, 07 D, KP New Ayanamsha 23° 58' 21" , calculated by KPAstro 4.1

As the question is regarding the health matter of the native, I directly looked at the Ascendant sub lord and found Jupiter is ruling the sub division of Lagna having the lordship of 2 (Maraka) & 5 (Free from diseases), located in the 9th, Badhaka house for the natives born in Scorpio fixed sign, and Jupiter is in the star of Mercury lord of 8 (Danger to life) & 11 (Recovery from ill-health) in 11. Jupiter is in the sub of Venus+, the lord of 7 (Maraka) & 12 (Moksha/Renunciation/Hospitalization/Terminal/Untreatable), in the sign Leo (Heart) and falls in 10th (Treatment not effective/Retirement from this World) house. With these detrimental connection and signification of the Lagna sub lord Jupiter for 9, 8, 2, 7, 12 indicates that the native is not in a good health condition in the on going birth Maha Dasa of Sun, which is in own star Sun in 10, lord of 10 and in the sub of Ketu in sign Pisces representing Jupiter in 9 (Badhaka), lord of 2, 5.

Before scrutinizing the 6th cusp for diseases, a thorough check of Asc. cusp sub lord Jupiter has been done to find any clue for the ill-health of the native. The house where Jupiter is at the time of birth is Cancer, the 4th house of the natural Zodiac that is the seat of the heart and in the natal chart it is 9th Badhaka house. The star lord of Jupiter is Mercury. Although Mercury is a significator for 11 as owner and depositor, it is also a disease maker ruling the chest, lungs, veins and gall bladder. The star where Jupiter locates is Ashlesha, which rules lungs, stomach, esophagus, diaphragm, pancreas and liver. The sub of Jupiter is Venus in the 10th Leo, which rules heart, gall bladder.Based on these findings I concluded that something is wrong with any organ/s of the chest of the native.

Hint for bad health
If the sub lord of the Ascendant be the significator (in the star of the occupant or owner) of the house 6 (Disease) or 8 (Danger to life) or 12 (Hospitalization), it is not good for health. (Horoscope and Diseases by Sri C.R. Bhatt)

House of disease
The 6th cusp sub lord Mars, also the lord of Lagna & 6 (Disease), rules blood and gall bladder is in the 12, in the star of Saturn another ruler of gall bladder and the lord of 3 (away from home), 4 (End of life) in 12 (Hospitalization, Moksha). The sub of Mars is Rahu+ in the 11th Gemini (Lungs). Rahu represents Sun & Moon (Heart) for 10 (Treatment not effective) and connected with 9 (Badhaka) by being its sub lordship. Mars is aspected by

Badhaka lord Moon (9,10), Sun (10 & connected with 12 being sub of 12th, Jupiter (2 Maraka, 9 (Badhaka). Hence 6th CSL Mars is connected with 6, 8, 12, Maraka and Badhaka, and so the native is destined for ill health as well as danger to life.

Conclusion of Disease

1. Lagna cusp sub lord Jupiter rules blood, liver, brain, lungs, kidney and spleens. It is the lord of Sagittarius a bilious sign and by being in the badhakasthana, Jupiter is connected with Moon (heart, bile) and Saturn (2, 12, & Bile) and Mercury (lungs, gall bladder);
2. Saturn the bile forming planet is in the 12th, under the star of Jupiter (Badhaka) and in the sub of Kethu a planet of mitigating, that too in the sign and sub of Jupiter;
3. The 6th (disease) cusp is in the sign of Aries, a fiery sign, which rules bile and is under the rule of adversely affected Mars (12, 4, 6) and Venus (10,7,12);
4. The Leo, another fiery sign for bile control, is also under the rule of Sun (10) and Venus (10, 7, 2);
5. Jupiter is in the star of Ashlesha, which rules breathing troubles, phlegm, jaundice and nerves indigestion;
6. The 9th (Badhaka) cusp is in the Cancer sign, the lord of which Moon is also responsible for bile making;
7. Mercury and Rahu are in the star of disease maker Mars. Mercury is in the sub of Venus (10-10-10-7,12) while Rahu is in the sub of Jupiter in Badhakasthana. Both Mercury and Rahu have double significations for 11 (Good health) but it is outweighed to help;
8. The Sun for 10 and the Moon for 9 & 10 are aspecting Kethu in the 5th. So Ketu in the 5th (Recovery from the ill-health) is overwhelmed by negative effects of Sun and Moon as per the rules of nodes;
9. All the bilious signs of the natal chart i.e. Aries, Leo and Sagittarius are adversely effected by detrimental cusps therein each sign and their rulerships.
10. Aries - House of disease: 6th cusp falls here and is under the rule of Mars (12-1-3,4-1,6) and Venus (10-10-10-7,12);
11. Leo - The 10th cusp (12th to 11) is rule by Leo lord Sun (10-10-10-10) and Venus as above;
12. Sagittarius - Cusp 2 Markasthana falls here and rule by Jupiter (11-9-8,11-2,5) and Venus as above.

It is to be well noted that the harmful role of Venus for all fiery signs with its lordship as star or sub.

As per the above revelations, I concluded that the native is suffering from an irregular functioning of the gall bladder.

Reference:

1. The Bile is ruled by Saturn, Mars, Mercury and the Leo & Scorpio sign. The Gall Bladder, the reservoir of the Bile is ruled by Saturn and as a receptacle by the Moon.

Can this baby survive her life?

In this connection it is important to analyze the lagna, 3rd and 8th cusp sublords.

1. Lagna cusp sub lord Jupiter is connected with 8, 12 and Badhaka;
2. 3rd cusp sub lord Rahu is connected with 1, 6, 12;
3. 8th cusp sub lord Mercury is connected with Lagna, 6, 7, 8, 12;
4. The currant running Vimshottari Dasa lord Sun has the ownership and placement of house 10 (Treatment no effective, Retirement from this world) and Sun has become as Badhka, Maraka planet by being in the sub of Ketu in Pisces representing Jupiter in 9, owner of 2.

Hence I conclude that short life (alpaush) is indicated.

Actual outcome as informed by the querist on receipt of my short analysis:

1. Bile duct has been transplanted by a surgery.

2. At the moment of my analysis on 26 Apr. 2015, the baby was hospitalized in critical condition and under treatment.
3. *Intake foods were discharged as undigested materials due to blockage of bile to the intestines.
2. The doctors have revealed the nature of illness as Billiary Attrasia.
3. Baby died on the 07th May 2015 at 10.40 am (This is same time as of birth time)

DBAS and transit at the time of death
DBAS at the time of death are Sun, Venus, Venus & Jupiter.
1. At the time of the death of this native, VM Dasa lord/ luminary Sun was transiting in the house of disease, over the star of Venus, Bukthi and Anthar lord, that signified 10, 7, 12 and in the sub of Saturn the lord of 4 (End of Life) in 12 (Moksha, Terminal) in the natal chart.
2. Luminary Moon (Lord of Badhaka) was transiting in the Ascendant over the star of Mercury (6,7,8,12) and in the sub of Saturn (4,12).
3. Bukthi and Anthar lord Venus was transiting in the 8th house over the star of Mars (12, 4, 1, 6) and in the sub of Sun (9 - Badhaka, 10)
Shooksma lord Jupiter, lord of 2 (Maraka) in 9 (Badhaka) was transiting in the 8th over the star of Mercury and sub of Venus.

Note:
The above lady, the grand mother of the diseased infant, has informed me that she has sought astrological guidance and any remedy from several astrologers in Sri Lanka including a KP tution master, but no one had predicted the critical health condition and the longevity of the baby. Luckily she has found the URL of KPEZine, while searching the NET for more information of the symptoms of the said disease for her knowledge as a KP student. If she had not come across the link for KPEzine and to contact me, it would have been a reason for her to condemn the subject of astrology including KP system and leave the subject.

Hints:
If the sub lord of the Ascendant (deal/transaction) cusp be the significator of 3 or 9 or 11, then native will success in compete dealing, during the joint period of significators of 3, 9, 11.

Cuspal Sub Lord
Ascendant: (Libra $05^0.33'.20"$): The sub lord of the Ascendant is Moon. Moon is in the star and sub of Saturn. Moon is occupant of 2, owner of 10. Star and sub lord Saturn is occupant of 2, owner of 4-5. So Ascendant sub lord Moon is the significator of 2-4-5 and connected with 2-10. Ascendant sub lord dose not indicate 3 or 9 or 11 at all.

My Opinion: Ascendant sub lord does not indicate 3 or 9 or 11 at all, thus I don't see any deal to happen.

Outcome: Prediction comes correct

Royal Baby Princes Charlotte's Horoscope

By: Tin Win

Email: tw853@yahoo.com

Princes Charlotte Elizabeth Diana was born on May 2, 2015 at 8:34 A.M., DST 1 hr east of GMT, at St. Mary's Hospital, London, 51° n 31', 00° w 10', as per KP new ayanamsa: 23° 58' 51", making her a 11° 35' 33" Gemini rising Ascendant, with a 26° 45' 36" Virgo Moon and a 17° 36' 51" Aries Sun (like her Grandmother, the Queen) and having Balance Dasa: Mars 5 Y, 2 M, 12 D, calculated by KPAstro 4.1 .

The name Princess Charlotte Elizabeth Diana of Cambridge for the newly born royal baby princess, the fourth in line to the throne, seems to pay apparent tribute to the baby's great-grandmother, Queen Elizabeth II, to her late grandmother, Princess Diana and to her paternal grandfather, Prince Charles as Charlotte is the feminine form of Charles.

She will be attractive with considerable physical beauty as her 1st cuspal sub lord (CSL) Saturn is in the sub of Venus (beauty) and the Ascendant lord Mercury is conjoined with Venus in Taurus sign.

She is destined to become a people's princess. Because her tenth house Neptune @ Aquarius 15° 23' 06", like her grand mother Lady Diana, indicates that she will be popular. Moreover, her Sun is in the eleventh house which is considered as house of 'love received'. This is reinforced by Uranus @ Pisces 23° 54' 47" in her 11th house giving her drive, charisma and vitality. For another thing her Uranus is in the sign of Pisces, which is very compassionate and caring.

However sometimes the opposition between her 5th lord Mercury and 9th, 10th lord Saturn may lead to negative thinking and communication with people despite of her considerable intellectual ability.

Her Moon (mind) is opposed to Uranus (rebellion) @ which is also square her Ascendant in Gemini. Such double whammy Uranus will make her unpredictable and prone to rebellion to go her own way which may be against royal tradition.

The signification of 10th house (public duty, profession and reputation) by the 1st and 10th CSLs indicates a royal and her popularity, but not a ruler in any way after looking at her horoscope as a whole.

1st cuspal sub lord (CSL) Saturn is in house 6, owner of houses 9,10, in the star of own Saturn and sub of Venus in house 12, owner of house 6.

10th CSL Rahu+ is in house 5 and the CSL of houses 3,4,10 having no planet in its stars, conjoined by Moon in house 5, owner of house 3, and in the sign of Virgo representing Mercury in house 12, owner of houses 1,2,5. Rahu is the star of Moon in house 5, owner of house 3, and sub of Jupiter+ in house 3, owner of houses 7,8,11, being the CSL of house 9 having no planet in its stars.

1st CSL and career planet Saturn's placement in her 6th house (health and service) indicates a life of service, supported by aspecting Jupiter from house 3 (ability). Neptune is conjunct the 10th cusps to be compassionate and service oriented. With these three planets in her twelfth house, she will be very compassionate and pour much energy (Mars), thought (Mercury) and love (Venus) into helping and serving (12th house) those in need. However sometimes she may be in seclusion away from public view. The repeated signification of houses 3,5 and 11 and 10th house Neptune indicate her talented potential in the fields of artist and sports. Rahu conjunct Moon in the 5th house provides mental energy along with highlighting the 5th house affairs – intellect, creativity, artist, sports etc. It is supported by the 5th CSL Moon's signification of houses 3,5,11 too.

5th CSL Moon is in house 5, owner of house 3, in the star of Mars in house 12, owner of 12, and sub of Jupiter+ in house 3, owner of houses 7,8,11, being the CSL of house 9 having no planet in its stars.

She will have love marriage as 7th CSL Mercury signifies marriage houses 2,7,11 and 5 (love) and 5th CSL signifies house 7. Although the 7th CSL is connected with dual planet Mercury and dual sign Pisces, the legal second marriage may not be possible because the 2nd CSL Venus does not signify house 7 (legal marriage). However married life may not be in harmony as the 11th CSL Venus signifies houses 6, 10 (12th to houses 7,11) and 12 (separation).

7th CSL Mercury (dual planet) is in house 12, owner of houses 1,2,5, in the star of Sun in house 11, owner of house 4, and sub of Ketu+ in house 11, in sign Pisces (dual sign) representing Jupiter in house 3, owner of houses 7,8,11, being the CSL of house 9 having no planet in its stars, signifying houses 2,7,11 for promise of marriage.

2nd , 6th and 11th CSL Venus is in house 12, owner of house 6, in the star of Mars in house 12, owner of house 12, and sub of Saturn in house 6, owner of houses 9,10.

In KP 2nd, 6th and 11th houses are deem to be connected by being in the same sub Venus, and 2nd and 11th CSL Venus also signifies the favorable house 6 for financial gain. So despite 12th signification for loss and spending easy wealth is promised for her as shown by connection of Uranus in 11th house with 11th lord Jupiter.

The most worrisome aspect in this horoscope is the indication of poor health by 1st and 6th CSLs' strong signification of house 6 (sickness, disease) and 12 (hospitalization, defect).

Good luck to the newly born Princess!

Will Salman Khan be jailed in the hit and run case?

My humble offering to all the senior astrologers here. Please guide me to continue to make accurate predictions.
I am trying to forecast the outcome of a celebrity case that has lingered on for years. After too many twists and turns, I read that the verdict will be declared in the case on May 6, 2015. The basic details of the case can be found here:
http://www.thehindu.com/news/cities/mumbai/salman-hitandrun-case-court-to-deliver-verdict-on-may-6/article7126121.ece

I got details of Salman Khan's birth from:
http://www.astrosage.com/celebrity-horoscope/salman-khan-birth-chart.asp

The chart details is as given below:
Name: Salman Khan DOB: 27-12-1065, Time: 02.30 PM, Place: Indore

As we all know, Salman has been facing serious legal troubles for some time now. Hence it was surprising for me to note the following significations in his ongoing DBA:

Sa(11, 10-11) is in the star of Ra(1), Ra is agent of Ve+(10, 2-7, [2, 3, 8]) in the sub of Mo (10, 4).)

Ma(10, 1-8) is in the star of Su(8, 5), in the sub of Ve+(10, 2-7, [2, 3, 8]).)

Ra(1), Ra is agent of Ve+(10, 2-7, [2, 3, 8]), in the star of Su(8, 5), in the sub of Ve+(10, 2-7, [2, 3, 8]).

The presence and frequency of the houses 6 8 12 in the DBA (of which at least one planet is RA/KE/SA) determines the severity of litigation. A charge of culpable homicide not amounting to murder does not seem supported by the above significations. At best these stray indications of a 6 here or a 6 8 there talk of a litigation with 2-3 court dates, a small penalty etc with no fear of imprisonment. In this case the facts tell us otherwise. Whatever may ultimately happen, a case of culpable homicide is by no means a small affair.

So I thought to check if his horoscope is accurate. The ruling planets at the time I started analyzing the horoscope (21/4/2015, 6:14:02PM, Pune) were DL: Mars; Asc: Mercury-Mars; Moon: Venus-Moon in the descending order of strength. The planets ruling the ascendant cusp for the kundali available were MA-VE-SA. Of this while MA and VE belong to the ruling planets at the time of the judgment, SA is the outsider. I adjust the time to 14:13:19 to get the combination of MA-VE-MA that ties up with the ruling planets. A big thank you, to the ruling planets that have guided me!

The new significations of DBA are:

Sa(11, 10-11) is in the star of Ra(1), Ra is agent of Ve+(10, 2-7, [6, 12]) in the sub of Mo(10, 4).

Ma(10, 1-8) is in the star of Su(9, 5), in the sub of Ve+(10, 2-7, [6, 12]).

Ra(1), Ra is agent of Ve+(10, 2-7, [6, 12]) in the star of Su(9, 5), in the sub of Ve+(10, 2-7, [6, 12]).

The presence of two of the litigation karaka houses together in SA (nakshatra level) and Rahu (planet level) indicate litigation of some seriousness, which matches with the reality as we see it. Another check is the high prevalence of the house combinations 3 6 8 which suggests that Salman Khan has no inclination towards education. This is evidenced by the reality of his leaving schooling at HSC level as per this link: http://starsunfolded.com/salman-khan-height-weight-age/

Here is the complete list of significators:

It is necessary for either RA/ KE/ SA to be in DBA for litigation to occur. So it makes sense that the event (hit and run) that triggered the litigation happened in September 2002, just as the Shani Dasha began after the Jupiter dasha ended in the second half of August. Litigation is triggered with the houses 6 8 12 are represented in the DBA.

The houses for imprisonment are 2 (worry to family), 3 (away from residence), 8 (insult, loss of reputation) and 12 (confinement).

As on May 6th, 2015, Salman will be running the DBA of SA-MA-RA. RA Antara ends on 11 June and the next one is of Jupiter which is from 11 June to 04-08-2015. As can be seen from the significators table, between the DBA lords, the houses 2 3 8 12 are not signified completely. At most the houses 2 3 and 8 are signified. This suggests that while the court may fine Salman and he may even face loss of reputation (presence of house 8) , actual confinement will not happen.

Note also the presence of 6 11, 1 6, 6 10 which also suggests a sort of a victory for Salman Khan in the litigation. At this level, him not being found guilty of a non-bail able offence should be considered victory enough. The presence of 5 and 9 houses in both Mars and Rahu suggest that there is an element of "out of court settlement" that may have happened. The houses of victory are also the houses for bail (6 10/ 10 11/ 6 11/ 11/ 10), so for any lesser offense that Salman may be found guilty, bail will be readily available.

Note: I am not aware if speculating via amateur astrology on a court case that has been in the public domain for years together is an offense. If so, my apologies. Causing offense is not intentional. I am only learning astrology and putting up my predictions to help the education process. I do not represent the above post, or indeed any post, as infallible. I am not going into the morality of the things that have happened. If someone is guilty he will be punished, either formally by a court of man or by karma. That is just how it is.

Aftermath: This was a tough study for a student like me, because I saw the combination of loss of face (8) but did not see any actual confinement. This was odd, because if he were found guilty, there had to be a prison term, so how could guilt + no jail go hand in hand?! I surmised that while he may not be found guilty of culpable homicide he would be found guilty of a lesser offense that would make him eligible for immediate bail (less than three years prison sentence). But the stars had something even more astounding in store! He was found guilty of the whole nine yards. But the electricity failed in the court house and he was unable to get a full copy of the judgment. This (as per news reports) was used as the basis by his counsel Mr. Harish Salve to argue successfully for his bail! The stars wrote a script that would have made even Salim Khan proud.

Further Education

On 19-04-2015, Sunday, the grand-parents of Mr. Desai Naga Sai Satya Ram came to me for consulting about their grand-son's further education along with his natal (K.P.) chart which was erected by me.

Name of the nativity:- Mr. Desai Naga Sai Satya Ram;
DOB=19-04-2000; Wednesday; TOB=11-30-00 AM; POB= Kurnool (A.P).
K.P. Ayanamssa = 23-46-16;
Rahu dasa balance at birth= 11 Years- 01 month- 07 days.
Lagna= Gemini 26-47-05.

Let us examine the educational houses first.
4th Cusp=Virgo=23-15-27=Merc/Moon/Sun.
9th Cusp=Aquarius=21-17-58=Sat/Jup/Jup.
11th Cusp=Aries=26-06-09=Mars/Ven/Ketu.

The 4th CSL Sun(10-3) is in the star of Ketu(7) Ketu represents Saturn(11-8,9) and in the sub of Rahu(1). Rahu represents Mars(11-6,11) and Moon(4-2).

The 9th CSL Jupiter+(10-7,10) is in the star of Venus(10-5,12) and in the sub of Rahu(1). Rahu represents Mars(11-6,11) and Moon(4-2). Jupiter is a self-strong significator for 3-6-9-12 houses as he does not have any planets in his stars and holds the cuspal sublordship of 3-6-9-12.

The 11th CSL Ketu(7) Ketu represents Saturn(11-8,9). Ketu is in the star of Sun(10-3) and in the sub of Mercury(9-1,4).

Mercury is the karaka (significator) for education. In this natal chart Mercury(9-1,4) is in the star of Saturn(11-8,9) and in the sub of Jupiter(10-7,10). Jupiter is a self-strong significator for 3-6-9-12 houses also.

Thus as mentioned above, all the educational cuspal sublords (Sun, Jupiter and Ketu) as well as the chief karaka for education Mercury are signifying 4,9,11(educational houses) and also 10th (house of profession) along with 3-6-9-12. It indicates that this native is having a very good education along with professional courses. There are plenty of chances for this native to go abroad for his studies along with foreign assignment.

I strongly believe that this native will become a scientist. The reasons are mentioned below:-

1) 10th /6th Cusp Sublord should signify 2-6-10.
2) 10th /6th Cusp Sublord should signify 8-9-12.
3) 10th /6th Cusp Sublord should be well connected in any manner to Saturn.
4) Saturn should signify 2-6-10 in every birth chart of a Scientist.
5) Ascendant Sublord should be either Saturn or whoever he may be, well connected to Saturn and Ascendant Sublord should signify 2-6-8-10-12.
6) The 9th Cusp Sublord should be either Saturn or who ever he may be well connected in any way to Saturn and the 9th Cusp Sublord should signify 2-6-8-9-12.

7) The 12th Cusp Sublord should signify 6-8-9-10-12 and also it should be well connected to Saturn in any way.

NOTE:- The readers are requested to go through my article on Scientists for full detailed explanation which is published in K.P. & Astrology Year Book 2014 (from page 177 to 233 page) edited by Prof. K. Subramaniam, S/O. Late Sri. K.S.K ji.

Now let us examine the above mentioned rules step by step.

1) 10th CSL Moon(4-2) and in the star of Rahu(1) Rahu represents Mars(11-6,11) and Moon(4-2). and in the sub of Saturn(11-8,9). 6th CSL Jupiter(10-7,10) is in the star of Venus(10-5,12) and in the sub of Rahu(1). Rahu represents Mars(11-6,11) and Moon(4-2).
2) 10th CSL Moon(4-2) and in the star of Rahu(1) Rahu represents Mars(11-6,11) and Moon(4-2). and in the sub of Saturn(11-8,9). 6th CSL Jupiter(10-7,10) is in the star of Venus(10-5,12) and in the sub of Rahu(1). Rahu represents Mars(11-6,11) and Moon(4-2).
3) 10th CSL Moon is in the sub of Saturn(11-8,9). Both Moon and Saturn are in the sub of Saturn.
4) Saturn(11-8,9) is in the star of Venus(10-5,12) and in the sub of Saturn(11-8,9).
5) Saturn is in the star of Venus who is the Ascendant Sublord. The Ascendant Sublord Venus(10-5,12) is in the star of Mercury(9-1,4) and in the sub of Sun(10-3). 2nd CSL Moon is in the sub of Saturn and she is aspected by Saturn also.
6) 9th CSL Jupiter and Saturn are in the star of Venus. Thus both Jupiter and Saturn are well connected through a third planet Venus. 9th CSL Jupiter(10-7,10) is in the star of Venus(10-5,12) and in the sub of Rahu(1). Rahu represents Mars(11-6,11) and Moon(4-2).Jupiter is in the star of Venus who is the cuspal sublord of 8th cusp. Jupiter is aspecting Moon who is the 2nd Cuspal Sublord. Jupiter himself is a strong cuspal significator of 9th cusp as he is not having any planets in his stars. Thus Jupiter, the 9th Cuspal sublord signifies 2-6-8-9-12.
7) The 12th CSL Jupiter+(10-7,10) is in the styar of Venus(10-5,12) and is in the sub of Rahu(1). Rahu represents Mars(11-6,11) and Moon(4-2). Saturn is aspecting Jupiter from Aries. Both Saturn and Jupiter are in the star of Venus(3rd Planet connection). Venus is the CSL of 8th cusp.

If the 9th cuspal sublord signifies 4 & 11, One will be successful in his Phd.
In this natal chart 9th CSL Jupiter+ is in the sub of Rahu Who represents Mars(11-6,11) and Moon(4-2). Thus 9th CSL Jupiter as said above signifies 4 and 11. So this native will be successful in his Phd. Definitely he will achieve the Doctorate.

If the 9th CSL signifies 10th , one will be awarded.
In this natal chart, 9th CSL Jupiter(10-7,10) is in the star of Venus(10-5,12). So there is no wonder if this native gets the noble prize or national or international prizes.
If the sub lord of 9th cusp is linked with houses 1 & 10 then one can attain status through higher education.

In this chart, Jupiter the 9th CSL(10-7,10) Is in the star of Venus (10-5,12) and in the sub of Rahu(1)

After considering all the above mentioned astrological points, I came to a conclusion and declared boldly that this native will definitely become a Great Scientist. Hence I suggested the parents of this native to admit their son into M.P.C group. As per my instructions this boy is admitted into Narayana College, Kurnool, with M.P.C. group Intermediate Course.

Hints
For job or business we check 2, 6, 10. 12th from above cusp 1, 5, 9 are negative cusp for 2, 6, 10. 12th bhava indicates loss, thus for retirement from job or business we have to consider cusps 1, 5, 9, 12.
If the sub lord of the 10th or 6th cusp be the significator of 1, 5, 9 or 12 the querent can retire from service during the joint period of the significators of 1, 5 or 9. These significators are generally connected with the houses of service 2, 6 or 10.

If the cuspal sub lord of the 6th or 10th be the significator of 2, 6 or 10 service or earning is promised during the joint period of the significators of 2, 6 and 10.

Cusp 6th (Scorpio 02°.57'.31"): The sub lord of the 6th cusp is Rahu. Rahu is in the star of Mars and sub of Saturn. Rahu is occupant of 5. Rahu is in Virgo sign, hence Rahu represent Mercury. Mercury is occupant of 1, owner of 1-2-5. Star lord Mars is occupant of 5, owner of 6. Sub lord Saturn is occupant of 5 owner of 9-10. Thus 6th CSL Rahu is signifies 5-6 and connected with 5-1-2-9-10. Hence, leaving the present job and joining another one is sure.

Cusp 10th (Aquarius 23°.56'.29"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Rahu and sub of Venus. Mercury is occupant of 1, owner of 1-2-5. Star lord Rahu is occupant of 5. Rahu is in Virgo sign, hence Rahu represent Mercury. Sub lord Venus is occupant of 1 owner of 12. Thus 6th CSL Mercury signifies 1-2-5 and is connected with 5-1-2-12. Hence, you will leave present job and join another one, it is sure.

Joint Period
At the time of judgment, the querent is running Sun dasa up to 05-05-2018. Running joint period is Sun-Jupiter-Saturn up to 17-08-2014.

Dasa lord Sun is in the star and sub of Saturn. Sun is occupant of 2, owner of 4. Star and sub lord Saturn is occupant of 5, owner of 9-10. Dasa lord Sun signifies 5-9-10 and is connected with 2-4. Thus dasa is OK, and dasa lord Sun is also in the RP.

Bhukti lord Jupiter is in the star of Saturn and sub of Mercury. Jupiter is occupant of 2, owner of 7-8-11. Star lord Saturn is occupant of 5, owner of 9-10. Sub lord Mercury is occupant of 1, owner of 1-2-5. Thus bhukti lord Jupiter signified 5-9-10 and is connected with 2-7-8-11-1-5. Thus bhukti is OK, also bhukti nath Jupiter is in the RP.

Antra lord Saturn is not in RP, hence I go for next antra Mercury. But Mercury is also not in the RP, next one is Ketu from 28-09-2014 to 15-10-2014.
Antra lord Ketu is in the star of Mercury and sub of Saturn. Ketu is occupant of 11. Ketu is aspected by Jupiter. Jupiter is occupant of 2, owner of 7-8-11. Star lord Mercury is occupant of 1, owner of 1-2-5. Sub lord Saturn is occupant of 5, owner of 9-10. Thus antra lord Ketu signifies 1-2-5 and is connected with 11-2-7-8-5-9-10. Thus antra is OK, also antra nath Ketu is in the RP.

My opinion: You will change job during 28-09-2014 to 15-10-2014.

Outcome: Prediction comes correct.

Welcome back to another edition of the Novice Nook. Let's get right to it. In the last issue, I demonstrated a chart with a question about longevity. How long will the person represented in the chart live?

For those of you that have some experience in KP, I filled in many of the fields but with numbers and planets that were intentionally incorrect. The exercise was for you to substitute the fields with the correct numbers and planets. After going over the chart, you would have thus realized how to fix it for yourself. True, it was a challenging test.

For those of you that are totally new to KP, I filled in the fields with the corresponding planets and numbers in this edition along with the steps and small explanations. Take a look at the chart Ref #1216 and let's begin.

Notice the set of six fields labeled Longevity. You will notice on the far left in the first field the numbers 6, or 8 or 12. These houses of significance are representative of the second field regarding to the life span of a person. Thus, if the cuspal sublord would be the significator of these three houses 6 or 8 or 12, the life span of the person will be approximately 33 years of age.

If you look at the next two fields you will find the listing of the houses of 1 or 5 or 9 or 11 (in another article, we will also discuss the checking of the 3rd and the 8th house) If the cuspal significator represents one of these above houses, the life span of person would approximately be about 66+ years of age.

In the last two fields, if the cuspal significator represents the 6th or 8th or 12th and 1 or 5 or 9 or 11, the life span the individual will be about 66 years.

Several things have been demonstrated without explanation. It would take an entire book to explain everything including the nature of planets. This is where your own research will uncover some of the things you don't understand. For instance, if you are not sure what Moksha or Maraka means, then you will have homework. If you are not sure what the difference between conjoined and conjunct or even what an aspect is, then you have more homework to do. If I give you everything, you would never appreciate this science as much and have nothing to share with the rest of the readers. If you discover or see something, email me a tdestechpress@aspoonful.org .

Now, below, see each field in descending order represents a step in determining how to understand the chart you are reading.

Example-1 Longevity
Name: Female
DOB: 19-01-1997. Sunday: TOB: 11:59:00 AM I.S.T.

Longevity

6 or 8 or 12	About 33 years	1 or 5 or 9 or 11 (also check 3 and 8th)	+ 66 years	6 or 8 or 12 and 1 or 5 or 9 or 11	Medium = about 66 years

There is a second phase to this which covers the Joint Period. The Joint Period is another important aspect to determining the results of the individual or what some astrologers call the native. Brace yourself though, there are certainly more than eleven steps you need to know. Not that it is hard to learn, but we only have so much space in which to condense all this information in. So remember, if you have any questions, please don't hesitate to contact me.

In the next edition, I will discuss the Joint Period in full. I created this chart to make it easy for you to fill in for other charts for horoscopes that you cast. In time, we will add a few fields now and then. The end result for this individual represented in the above chart, was that the person was still-born. Until next month, keep working at this.

Question- 1: Transit in KP

Can you explain how to use transit for timing of event . Suppose for marriage we get 7 significators. Dasha bhukti is also of any of these 7 significators. How to decide the time of fructification of this event. CR Bhatt ji's book says that in transit DBAS planets and or sun , moon - will be in star or sub of these same dbas planets .(or these significators of events). If star level is not necessary and the event can happen if transit is in fruitful sub of significator or dbas, then we will get many transit sensitive points. How to decide the right time ? Thanking you .

Sir, i have a question regarding transit. For pinpointing timing after successfully clinching DBAS significators, the transit of significators including Su & Mo be in the cusps of the natal or horary chart or rashi? Becauz, cusps wld be overlapping the rashis?
For ex. For a transit in 2nd cusp, as 2nd 3rd rashi may be having 2nd cusp, so can transit go up to 3rd rashi also, if star and sub corroborate the event?
Appreciate your answer on my query.

Answer - 1:

In KP the cuspal sub lord indicates whether a matter is promised or not. The significators point out the time of event. Both dasa and transit must agree.

Here are selection methods of fruitful significators:

1) Significators of planets with no planets in their stars, which are the strongest significators of houses under consideration by sub lordship to them (same as in Golden Rule: to take the planets which are posited in the sub of significators whose constellations are not tenanted.);
2) Significators whose sub lords are the significators of houses under consideration;
3) Significators which are the cuspal sub lords of houses under consideration;
4) Significators appearing many times amongst significators.

The DBA can be fixed by two ways. The first one is to check whether marriage is favorable starting from the current running Mercury Dasa (for marraigable age). If it is favorable, to check the current running Bhukti Jupiter and if the Bhukti is also favorable to choose the most favorable Antara Moon, and so on. If the current Dasa or Bhukti is not favorable, to move to the next or other favorable one. This is also the way done by KP astrologers without using the RPs, and the same way is applied in the four step method. This is also a KP usual way, not advancement to KP as some are saying.

After fixing the DBA or DBAS, it is to check whether the chosen DBAS agree with the transit by the KP way.

Generally an event happens during the joint DBAS period of the significators when transit agrees. Particularly at the time of event happening Sun, Moon and joint period DBAS lords are generally found to be transiting mainly in the star or sub of the same joint period DBAS lords or the significators of the event by the natal chart.
Note: The significators of the star and sub in which the DBAS lords are transiting should be according to the bhava-based natal birth chart.

In the KPAstro 4.1 SW developer Rangarajan Krishnamoorthy's computer analysis of 1005 (one thousand & five) TOB AA rated marriage charts collected by Kanak Bosmia, transit DBAS lords, Sun, Moon are found transiting in the star & sub of DBAS lords by 79% (Dasa lord), 76% (Bhukti lord), 76% (Antara lord), 76% (Sookshma lord), 79% (Sun), and 80% (Moon) respectively on the date of marriage, in line with KP transit.

For accurate timing, it is to choose the transiting Sun and Moon, which are mostly found in the star or sub of Sookshma lord at the time of event. For slow moving planets, in addition to stars and subs, the bhavas they are transiting may be also taken into account and needless to say the subs will decide the signification of transiting planets.

In using the sensitive points, for the chosen DBA of fruitful significators for an event to materialize, say conjoined period of Sun, Venus, Mercury, then Sun sign, Venus star, Mercury sub; Venus sign, Sun star, Mercury sub, and Mercury sign, Sun star, Venus sub are the three sensitive and fruitful positions, which will be transited by Ascendant, Luminaries and the planets ruling the Dasa, Bhukti and Anthara. The sensitive positions when transited by the Ascendant degree, the exact hour and minute of the event can be told. If Moon is moved to that sensitive degree the day of the event can be arrived at. If the Sun, then month. If Jupiter, then the year can be arrived at.

Fast or short predictions can be given just based on the Ruling Planets directly. A timing of an event can be fixed by using only the Ruling Planets calculated at a particular moment of time without resorting to the Natal or Horary chart as follows:

1) If an event is likely to take place within a few hours, move the Ascendant counting from the Ascending degree of the moment of judgment to the sensitive zone where one ruling planet becomes the sign lord, second ruling planet becomes the star lord and third ruling planet become the sub lord;
2) If the event is expected to happen within some days, move the Moon to such a sensitive zone; or
3) If it is to take place in some months, move the Sun; or
4) If it is to happen in some years, Jupiter should be moved to find out the time of event.

Question- 2: Fruitful Significator

As regards the sub lord of a planet for selecting the fruitful significator. Should we see only the lordship and placement of the sublord. Eg Moon is sub lord of Sun. Sun is significator of 2,7. Moon is placed in 6 lord of 1. Also if we see the starlordship of Moon, say it is in Venus star lord of 11. Then do we take Sun as a fruitful significator or not. Because at planet level Moon is showing 1 , 6 only. But if we take star level of Moon , then it shows 11. Please guide. What is your experience in this?

In the chart attached, Jupiter is significator of 3,2,7,8,9,12. It is in the sub of Moon placed in 1, lord of 4. Do we consider Jupiter as a fruitful significator for getting a job. (note : I have seen only the planet level for the sub of a planet - Moon. If we see the star of Moon which is Sun who is lord of 5 placed in 11. Then we get 11 as well. There we can say that Jupiter is a fruitful significator.) Now my question is, do we consider Jupiter to be fruitful significator for job or not?

Answer - 2:
Getting a job: required houses to be signified 2,6,10;
Getting promotion: required houses to be signified 2,6,10,11;

It should be checked at all three levels of planet, its star and its sub according to the KP fundamental rule: "The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not."

Planet Jupiter is in house 2, lord of houses 8-9-12;
Jupiter is in the star of Mars in house 3, lord of house 7;
Jupiter is in the sub of Moon in house 1, lord of house 4.

House 2 is signified at grade B level, and so Jupiter is a significator for job.
But Jupiter is in the sub of Moon 1, negating 2 (12^{th} to 2), and so it is not an effective "fruitful" significator for job according to the sub-used selection method without using RPs.
RP-users would generally consider Jupiter as a "fruitful" significator if Jupiter is in the RPs too.

In addition, Jupiter+ has no planet in its stars and is the cuspal sub lord of houses 5,11, and so Jupiter becomes the significator of houses 5,11.

KP is 3-step only, i.e. planet, star and sub levels, and doesn't consider 4-step. i.e. star of the sub.
Considering the star of sub, in this case sub Moon's star Sun, is K.M. Subramaniam's Sublord Speaks and now it is called 4-step method which is KP based but not KP because rules are different and the result may not be the same.

Question -3: Nodes are stronger than the planets.
To predict the time of marriage of a horoscope, the fruitful significators are Moon, Mars, Ketu and Saturn.Moon dasa is running. So we select Moon dasa. Next is to select Bhukti.Out of Mars, Ketu and Saturn , shall we select the strongest planet

for marriage out of the three planets? OR Shall we straight away select the bhukti of Ketu, as Nodes are strongest than planets as per KP system?

Answer- 3:
We select the strongest planet for marriage out of the three planets which are in the sub of marriage houses. If it is still doubtful, Ketu bhukti can be chosen, as the nodes are stronger than the planets.

Question - 4:
In KP- 5th Reader,, 9th Edition 2004, Pg, 254, under Chapter " Ashtama Sani and Honour" it is stated that;

Lord of Lagna offers grand success to a native if it would have occupied the constellation of the lords of 1, 2, 3 6, 10, or 11th house: The sub (according to Krishnamurti System) in that constellation must be ruled by one of the lords of 1, 2, 3 6, 10, or 11th house.. . Then in their conjoined period one can look for success

In the Example :
Lagna lord is Venus (21 0 Cp 25'). It is in the star of Moon, lord of 10 and is also in its own (Venus) sub.. . So Venus will contribute for success.

Does "conjoined period" mean Ve- Mo- Ve period or Mo – Ra – Mo period?
Please confirm Sir.

Next, the word ruled is confusion for me .
Suppose , Lagna-L Ve is in Sa – Mo – Ra [Ve in 12 0 CP 00']
Should we take Ra representing planets lordship for 1, 2, 3 6, 10, or 11th H
or Ra star lord's Lordship for sub-lord's Ruling-Planet

Answer - 4:
As explained there in the book, *"conjoined period" means Ve- Mo- Ve period.*
Here "ruled" means signified or connected. For Rahu it is to apply Nodes' signification rules.

Question - 5: A planet with no planet in its stars and a planet in its own stars
Planet having no planet in its stars and planet in own star: If [A] a planet is not a star lord to any one in a horoscope, [B] same planet alone in its own star, then what is the difference?

Please pass on the complete reference of where KSK or CR Bhatt has used specifically the following parameters:

a) *The sub lord of a cusp is a strong significator of that cusp, if there is no planet in the stars of that sub lord (planet).*
b) *If the planet is not the cuspal sub lord of any house, it will have only positional status, i.e. it will be the strong significator of the house occupied by that planet.*
c) *c) A planet in its own stars, having no planet in its stars, can have positional status but cannot be the strong significator of the houses under its sub lordship*
d) *A planet in its own stars also having any other planet(s) in its stars can have neither positional status nor the role of strong significator of the houses under its sub lordship*

Answer – 5:
A planet having no planet in its stars becomes the strong significator of houses for which it is the cuspal sub lord. For example, no planet is in the stars of Sun, and this Sun is the CSL of 2,5,7 houses, then Sun becomes the strong significator of these houses. This is already time tested rule practically applied by many KP astrologers.

This rule is related to the Golden Rule in KP, i.e. Take the planets which are posited in the

sub of the significators whose constellations are not tenanted. (Astrosecrets & KP, Part II, p 195)
A planet in its star cannot be the strong significator of houses for which it is the cuspal sub lord because it has give its own result.

Regarding the rule of no planet in the stars of a planet or golden rule, there is no direct spoon feeding references in the KP Readers other than the followings:

> "Besides this Mercury is also the sub-lord of Asc.,2nd , 5th , 6th , 7th , 8th ,11th and 12th cusp." (KP Reader III, page 309/ 1971 edition, practical part, page 145).

> "3rd, 7th and 9th cusps fall in the sub of Saturn. . . Hence take Saturn too as a very strong significator". (for foreign going) (KP Reader III, 1971 edition, practical part p 151) But it is rewritten in *"KP Reader III, p 316" like this:*"Please note that Saturn is the sublord of 3rd and 9th cusp and no planet is tenanted in his star except himself. So as I mentioned in the beginning of the article, Saturn has emerged as a strong significator in the above case (foreign going, by owning the sub of relevant cusps and not from analysis of bhavas".

Question – 5: Prediction with Ruling Planets Alone
I got a question in mind today. about RP.
With RP alone (without taking ANY horary number from person) can we know if the event happens.? like if some one asked about their marriage.. can we know if marriage is promised or not with RP. May be muhurtha chart helps here.. but I want to know with RP..
I have seen KSK (in Readers) or others use RP only to know 'WHEN' of a event and in fixing fruitful significators only...
Request to clarify my doubt...
Thanks in advance..

Answer – 5:
There are plenty of articles using RPs only in the "*R.P. & K.P.*" book, compiled by K. Subramaniam and H. Hariharan;
Some articles using RPs only are also available in "*Astrosecrets & Krishnamurti Padhdhati Part VI, Ruling Planet*" book, compiled by K. Subramaniam.

Question - 6: Dasa and Transit
Rule: Dasa Start and Condition of Dasa lord
If a Planet at the time of commencement of its Dasa, attains its Natal Position (Sign wise), in transit then its Dasa will prove auspicious.
The rule maybe checked, if its working!

Answer – 6:
A matter promised in the natal chart will happen during the joint dasa period which signifies the required houses for that matter when transit agrees with the joint dasa (two to four levels).

Dasa cannot give what is not promised in the natal chart. Transit cannot give what is not shown in the dasa. Horary cannot give what is not promised in the natal chart.

Of course it's not easy to see this perfect harmony among natal chart, dasa and transit.

Question - 7: Aspects in KP
Can anyone please clear my confusion about aspects in KP system? Any source which can teach me aspects is welcome. My studies have halted at aspects.

Answer – 7:
Use the rasi to rasi Hindu aspects as applied in the KP Readers. The significators by aspect or conjunction are the grade E weak significators which are used as the last resort when garde A to D significators are not available.

P R E F A C E

"I shall not waste my days in trying to prolong them. i shall use my time". These simple words were suggested in one or now popular .lames Bond novels, "You Live only once" , a fitting epitaph for him. If. therefore, any one fee's the to know his days and the ways to use them, he can consult profitably.; not only his Doctor but his Astrologer as well. There are many who do not believe in the bad effects of 'Rahukalam' but all the same do not dare to disregard it. So is the attitude of thousands to Astrology. They scoff at it. belittle it, call it quackery and superstition. They have not the patience or the fairness to give it n study and a trial before rejecting it so outright. There are still others who cannot resist the temptation to have a try at it in private due to domestic compulsion, physical or mental suffering or friendly advice.

It is not difficult for those who have belief in our Religion ant Veda to accept that "Jyotisham" is a Sastra occupying an honoured place in our System as a "Vedanga", a limb or Anga of the Vedapurusha. An astronomer is a "Jyotisha" and "Jyotis" is light and "Jyotisha" is "light of the moon or stars" or for that matter, light on the dark or out-of-sight aspects of the past, present and the future. Thus implicit in this is, that planetary' movements and positions at a given moment indicate, to a competent interpreter, the nature of the difficulties, current and to come, and the possible solutions relative to a particular time, period or aspect.

It has been rightly said that Astrology is a Science of tendencies, and a fatalistic or deterministic approach to horoscopes and events is not called for. Astrology lays no claim to infallibility but, within limits, it can compare favourably with any other science. Let us not lose what it can offer for human progress and alleviation of suffering by set notions or prejudices. Let us not also make the unpardonable mistake of transferring the admitted deficiencies or the fallibility of the practitioner to the science itself. In this respect, it is no worse or no better than other subjects which we readily accept as Sciences.

Jyotishmarthand Krishnamurti, the talented author of this work, is a tried and experienced worker and researcher in the line He has the credit of discussing frankly and fully with all persons believers and non-believers, laymen and scholars, and making out a convincing case for a scientific and sustained study, with faith and belief, of this ancient knowledge. Several of his predictions have proved true and he has established a claim to reliability.

A study of the present book will reveal the depth of his know-ledge and experience and his capacity to deal with the doubts and difficulties which a practitioner, new or old, is likely to come across and what is more, how the student should set about to resolve them. He has thus done a distinct, service -to the cause of Jyotisham and to its proper study and practice. I am sure that both lovers of Astrology and practitioners thereof, will be greatly profited by this publication which in a sense may be called the teachers' teacher.

The author has devised a patent method of his own - called after him. Krishnamurti Padhdhati - which is claimed to have attained almost the infallibility of a formula. So be it.

Of late, we are finding Astrology coming into its own ns a subject of interest to and study by eminent Scholars, Doctors of Philosophy, Literature, Medicine and Science, Astronomers and others, deeply immersed in research and modern scientific knowledge. It has also been prescribed a subject of study on a par with other sciences in Universities. Colleges of Astrology awarding of diplomas and degrees have come into vogue. One need not accept or for that matter reject ancient or traditional knowledge and books merely because they are so. Systematic, unprejudiced and scientific studies on modern lines are all to the good and are greatly to be welcomed. Books like the present one and astrologers like our author are sure to fill an honoured place in such efforts.

I have great pleasure therefore in commending the author and his work. He has laboured long and true and deserves well of us.

Dear Kanak ji,
Thank you for sending KPEZ for March 2015 and for the article of swearing in of our President, which is an eye opener of Sri Lankans.
Using and believing of Astrology is being vanished from Sri Lanka due to the partial judgement of some traditional astrologers, who appeared in the media as Rishis cheating the innocent people.

Dear Kanakji,

I am very pleased to know that you're so anxious to teach Astrology to everyone. I wish I could come in person to learn Astrology from you however I am not in India. So online is the best way to learn for me.

I was also reading one of your earlier magazines wherein you wrote to Shri Bhaskar Jyotishji how you plan on keeping the KP Ezine free and not charging people. Trust me there are so many KP Astrology magazines that are free in the market. There's JASA, Astrovision and so on. However let me tell you that you I really admire your courage and your

mindset of doing seva to the Astrologer community.

I started studying Astrology since March 7th 2011. My late father Shri Shivaji Mane was an astrologer for 35 years before he passed away in August 2009. He kept telling me to learn Astrology and told me that I could really become a good astrologer one day. Maybe this is the reason why I was able to predict the sex of the unborn baby of Kate Middleton (Prince George the first born) and the unborn baby to my brother and his wife even before my sister in law was pregnant! My father knew that I had a knack for details. I don't make compromises when it comes to research.

However I salute to your spirit of keeping KP Ezine free of charge. There are people in the world who charge money for everything. But theres one thing above money. That's doing good karma, which we Hindus call it as dharma. Hindus are born with the notion that this world is our family "Vasudhaiva Kutumbakam" meaning this entire earth is our family! People who keep on running after money, achieve nothing great as money will not help them when they are sick. Yes, in sickness too. People think if they have money then they will get cured. But that is not the case. You have to have it in your "Prarabdha" meaning in your fate, to have a cure. When I fell sick in 2011, and was in excrutiating pain, I was told by a world famous doctor, "Even after taking painkillers, you're in a pain then there's nothing that any doctor or any other medicine will do for you" This is also true for those army soldiers who are in pain all day and night and have to be put on Codeine or Morphine but still feel the pain of losing their arm or or their leg! There's no running away from your fate!

Ever since I have learned anything about astrology, I have taken an oath to help the oppressed and the unfortunate ones. I will not charge a dime to them!

Please keep this spirit of doing "seva" towards the entire KP Astrologer community.

If you like, you can print this letter in your next KP Ezine magazine.

Sincerely,

Hridaynath Mane.

Thanks Sir. Already downloaded your valuable magazine.

I pray the God to give you and the Team of KP EZine the courage to continue this work for a very long time which help the students of KP to brush up their knowledge !!!

Warm regards.

The destiny and fruitfulness of an event - Cuspal strength

By: Dr.G.K.Adith Kasinath

I herewith like to furnish my views on the study on a cusp to know its destiny level.

Normally the KP followers are just focusing on the cuspal Sublord of a particular cusp to know the destiny ie., whether the event will be fruitful or not.

As we are aware, as per KP if the Sublord is strongly connected to the favorable significations, the event is promised. But in my view it does not mean that the event needs to be fruitful completely without considering the significations of Sign and Starlord..

Only when all these three rulers (sign, star and Sublord) are favorable the event is fruitful. If not, even though the event could happen due to the favorable Sublord, the fruitfulness would vary according to the sign and star lord's significations. This decides the destiny level.

And the role of the Dasa Bukthi would further take the influence on the matter but within the limit fixed by the cuspal rulers.

Now I like to explain this concept with an Example as given below:

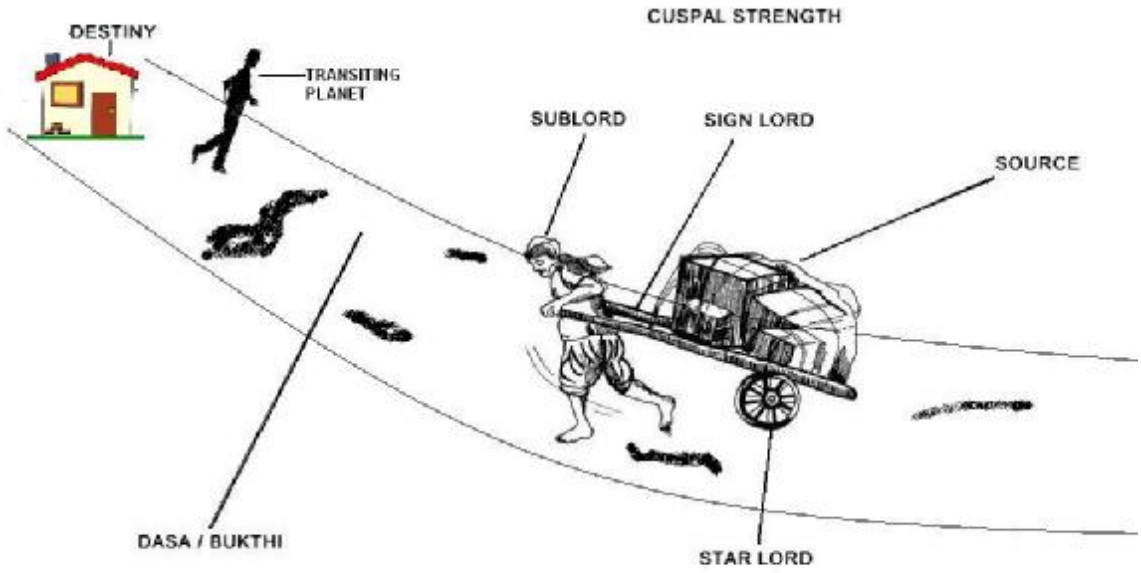
I COMPARE A CUSP WITH A CART WITH SOME STUFF ON IT WHICH IS MANUALLY DRIVEN BY A MAN.

Let's assume as follows:

- "The CART" = "The SIGN LORD"
- "The WHEELS of the Cart which are important = "The STAR LORD"
- "The MAN who pulls the Cart to deliver the stuff who is most important = "The SUBLORD"
- "The Road" that the Man comes across while taking the cart = "DASA / Bukthi/ Anthra and so on".

Now the Man (SUBLORD) has to take the Stuff to the Destination by pulling the cart (Signlord) with the help of the wheels (Starlord) on the Road (Dasa Bukthi)

On next page ⟹



For instance if the Man is strong enough, he can pull the cart and deliver the stuff to the destination. But the ultimate benefits of the stuff can be lesser if the cart, wheels and the road are weak.

Similarly, even if the Cart, the Wheels and the roads are favorable, if the Man is completely weaker (drunk and unconscious or severely sick etc.,), he can not pull the cart at all.

Hence the Destiny can experience different results according to the strength of the cuspal rulers.

I have listed below the major possible combinations and the expected results one can experience: (the given examples are just for understanding purpose only)

1)
Sublord = Man : Strong
Starlord =Wheel: Strong
Signlord = Cart Strong
Dasa/Bukthi = Road Strong

Result : The Man can easily take the cart to the destiny on the road and deliver the source/ stuff satisfactorily. The event will be fruitful.
2)
Sublord = Man : Strong
Starlord =Wheel: Strong
Signlord =Cart Weak
Dasa/Bukthi = Road Strong

Result : The Man can take the cart to the destiny on the good road and deliver source. The quantity or level of benefits could be lesser as Cart is not strong enough to carry more weight

3)
Sublord = Man : Strong
Starlord =Wheel: Strong

Signlord =Cart Weak
Dasa/Bukthi = Road Weak

Result: The Man has to take more effort to take the weak cart on the weak road and deliver the source . The benefit level will be less with more wastage. But he will deliver some thing.

4)
Sublord = Man : Strong
Starlord =Wheel: Weak
Signlord =Cart Strong
Dasa/Bukthi = Road Strong

Result :
The man has to put more effort to pull the cart as the wheels are weak. He would deliver with great obstacles. There will be some wastage also.

5)
Sublord = Man : Strong
Starlord =Wheel: Weak
Signlord =Cart Strong
Dasa/Bukthi = Road Weak

Result :
If the wheels are completely damaged, the man can not easily pull. He may fail to pull the cart if the Road is also weak. Even a strong man can not help it.

6)
Sublord = Man : Strong
Starlord =Wheel: Weak
Signlord =Cart Weak
Dasa/Bukthi = Road Strong

Result : When Cart and also wheels are weak, the Man can take the cart with hard effort and losses with the support of the good road and deliver, But as the cart and wheels are weak he can not take more quantity and there will be spillage or wastage also on the way. So less benefit only.

If the wheels are more damaged, he could find difficult to pull the weak cart with the weakest wheels even on the strong road. The impact depends on the level of damage.

7)
Sublord = Man : Strong
Starlord =Wheel: Weak
Signlord =Cart Weak
Dasa/Bukthi = Road Weak

Result: The man would some how take the cart to the destiny. But the benefits would be very less as the cart has less sources and the weak wheels and weak road would further cause wastage. So very less benefit only.

If the Wheels are completely damaged, even the strong man would find very difficult in taking the weak cart on the weak road. The impact depends on the level of damage.

8)
Sublord = Man : Weak
Starlord =Wheel: Strong

Signlord =Cart Strong
Dasa/Bukthi = Road Strong

Result : When all the other three are strong except the man , the weak man can not pull the cart and take it to the destiny successfully.

If he is completely weak, he can not move at all. So the Event won't occur at all.

POINTS TO REMEMBER:

- If the Man is strong he can pull the cart and can handover the benefits to the destiny. But the level could vary according to the strength of the cart, wheels and also the road.

- If he himself is weak, he can not deliver properly. If he is completely weak, he can not move at all.

- If he is strong, but the cart is damaged and also the wheels, even if the road is favorable, he can somehow pull the cart with great effort and deliver to the destiny, Event would occur but the fruitfulness of the event will not be so good.

- Hence though the Man the Sublord is the one who takes and deliver the sources on the cart to the destiny, the success would be to the maximum desired level only when the cart, wheels and also the roads are good.

- Otherwise, the event would happen, but the fruitfulness would vary depending on the level of weakness of the Signlord, star and also the Dasa periods.

- Suppose if the starlord itself is completely damaged and the road is also weak, even a strong Sublord can not pull the cart to the destiny.

- In such situations, the transit of planets which is like the people that are passing by could either help the Sublord (man) or disturb him in his effort.

My Conclusion:

- The level of destiny or strength of an event pertaining to a cusp has to be ascertained by the cumulative study on all the rulers of the cusp and not just on the Sublord alone.

- Though the Sublord is the prime factor to decide if the event is promised or not, the complete fruitfulness of the event is not based only on the signification of Sublord but on the combined significations of the rulers (Signlord, starlord and Sublord) of the cusp. This is Destiny.

- Meanwhile if the cuspal Signlord is weak and the Starlord is completely detrimental, even a strong Sublord could find difficulty to fructify the event itself. Because the Sub-lord (division of the Starlord) can not give the result which is completely negated by the starlord.

- Hence it is advisable to study the Signlord, starlord and then the Sublord of a particular cusp to know the exact destiny level before proceeding to the Dasa Bukthi. And not just jump into Sublord to decide. Of course the significations of Karaka planet also to be studied.

- And the level would differ according to the Dasa Bukthi but within the limit fixed by the said destiny.

- The role of Transit of planets which is like the people that are passing by could either help the Sublord (man) or disturb him in his effort.

- And considering the important Vedic points, karakathwa of the bavas and planets, the aspects and the conjunctions during the interpretation along with our KP principles would bring out a complete and fruitful interpretation and predictions.

The above view is based on my own practical experience only .

My Pranams to our Guruji Shri.KSK !

A lady asked me, "My brother (younger) is missing since three days, will he return? If so, when?" She gave a horary number 4/249 on 20 March 2015. Immediately I erected the horary chart at 13:16:45 hours at Secunderabad, which is attached.

1) For younger brother the chart is rotated to third house as lagna and the remaining houses follow.

2) Moon speaks the mind of the querent (as per the original chart)— Moon is the lord of 5 placed in 12. It is in Saturn star and Saturn sub. Saturn is the lord of 11-12 in 8 (anxiety, worry and tensions).

(3) Longevity of the missing person—for Mithuna lagna 7th is the badhaka sthana and its lord is Jupiter.
Ascendant cusp sub lord is Mercury lord of 1-2 in 9th. Mercury is in Rahu star and Venus sub.
STL Rahu is in 4, representing Sun, Moon, Mars & Mercury.
Sun is the lord of 4 in 10, Moon is the lord of 3 in 10, and Mars is the lord of 6 - 11 in 10.
SBL Venus is the lord of 5 - 12 in 11. Thus Mercury signifies 1 & 9, 5 & 11 which assure good longevity.

(4) For a missing person to return home -- we have to see if the 11th cusp sub lord signifies 2 and 8, then he will return home.

As per the rotated chart 11th cusp sub lord is Moon, lord of 3 placed in 10 with lord of 4 and 11 & 6- Sun and Mars respectively. Moon is in Saturn star and sub. Saturn is the lord 9-10 placed in 6th. So Moon signifies 4 (family), 11 (fulfillment of ones' desire), 3 (away from home) , 9 (involving long journey), 10 (pertaining to his profession) and 6 (office duty/ work).

8th house is unoccupied. Its lord is Jupiter lord of 7th (immediate boss) placed in 2nd. No planet is in the stars of Jupiter, and so Jupiter strongly signifies 2.

2nd house is occupied by Jupiter+. Jupiter as lord of 7 and 8 is in 2nd.

All these assure his home coming which is imminent.
Lagna is in Mercury sign and it is in Rahu star. Both jointly signify North (Merc) and West (Rahu). So he might have gone towards North West to Hyderabad.

Significators of - 2nd house—JUP-MARS-KETHU-MERC. 8th house- JUPITER. 11TH- VEN-MARS.
JUPITER+ is in Mer STL (11) and Kethu SBL(11,2,8).

MARS+ is in Merc STL(11) and Jup SBL(2-8).

KETHU is in Merc STL & SBL (1,2,11).

MERCURY is in Rahu STL(2,4) and Venus SBL9(2 &11).

VENUs+ is in KethuSTL(11) and Saturn SBL(6,9,&10).

RULING PLANETS ARRIVED AT13-16-45 hours AT SECUNDERABAD ON 20 MARCH 2015.
ASC-GEMINI-MERC-JUP- MERC. RAASI-JUP-SAT-SAT. DAY LORD – VENUS.
RAHU =SUN-MOON-MARS-MERCURY. KETHU=SUN-MOON-MARS-JUP.
COMMON FRUITFUL SIGNIFICATORS—MERC-JUP-VEN-SAT-RAHU-KETHU.

The present period is of Saturn (dasa) x Saturn (bhukthi) x Venus (anthara) X Saturn sookshma(from 17 March 2015 to 15 April 2015).

MY JUSTIFICATION FOR SELECTING THE SOOKSHMA PERIOD---

[1) In considering the selection of Sookshma period-- Since Saturn has appeared twice as SUB LORD and STAR LORD, I have given first preference for it.

2) next Mercury has appeared twice as SUB LORD AND SIGN LORD I have given second preference.

3) next Jupiter has appeared twice as STAR LORD and SIGN LORD 3rd preference has been given to it.

4) next comes Nodes and then VENUS.

As per this I expect that the boy should return home before 15 April 2015 positively.

Actual fact visa--vis— my prediction--TODAY THAT IS ON 28 MARCH 2015 THE MOTHER (OF THE MISSING BOY) INFORMED ME OVER TELEPHONE THAT HER SON IS AT AJMEER WITH HIS BOSS ON SOME OFFICE WORK AND WOULD RETURN VERY SOON. (THE BOY WORKS IN RAILWAYS ON TRAINS IN A.C /FIRST CLASS COACHES AS A HELPER on CONTRACT BASIS).
Incidentally Ajmeer (the place where the boy went) falls in north west direction to Hyderabd.

On 2nd April 2015 the querent came to me and informed happily that her brother came back home safely after 13-00-00 hours of 2 April 2015.

2-4-2015 was –Thurs day—(Jupiter), Moon was transiting in Leo(sun)- Venus Star-Saturn sub –Saturn sub sub up to 16-04 hours.(Jupiter, Venus are in CFS and R.Ps . though Sun was not in CFS and R.Ps directly it is conjoined with Mercury).

Sun was transiting in Pisces sign (Jupiter)- Mercury Star , Mercury sub and Rahu sub sub. (all are in CFS and R.Ps).

(A positive note for information of the readers--I got inspiration from Sri Kanak JI's articles on his application of not considering the retrogration factor of R.Ps, with which I fully concur and applied here . And I found the result to be positive in this event. My sincere thanks to him.)

Biliary Atresia - KP Reveals

In my article "Infant Mortality" appeared in the KPEZine, June 2015 issue, I had discussed about a chart of an infant who died by the disease Biliary Atresia. The lady student of KP, also KPEZine reader, who gave me the chance to analyze the chart of the above baby, has sent me some more charts of the victims of above disease to analyze and find a KP rule for the same.

Before I commence the analysis, I wish to give a brief introduction about Biliary Atresia to readers. The BILE also known as GALL, a product of liver is an essential fluid for digestion of foods intake. Bile makes cholesterol, fats, fat-soluble vitamins A, D, E & K and also destroys excess cholesterol and bilirubin. The reservoir of the bile made by the liver is called Gallbladder a small sack beneath the liver. When intake foods enter into the small intestine, a hormone called cholecystokinin secreted by the cells in the duodenum is released signaling the Gallbladder to pass the bile or gall to small intestine through the bile duct. If there is any obstruction in this biliary system or passing gall to the small intestine is called "Biliary Atresia". This disorder represents the most common surgically treatable cause of cholestasis (a condition where bile cannot flow from the liver to the duodenum) encountered during the newborn period. But this is a life threatening condition for infants in which the bile ducts inside or outside the liver don't have normal opening.

With Biliary Atresia, bile becomes trapped, builds up, and damages the liver. The damage leads to scarring, loss of liver tissue, and cirrhosis. Cirrhosis is a chronic, or long lasting liver condition caused by scar tissue and cell damage that makes it hard for the liver to remove toxins from the blood. These toxins build up in the blood and the liver slowly deteriorates and malfunctions. The ultimate result of this dreaded disease is at the Karma of the native. Now let's discuss astrologically about three died babies and one alive baby suffering from this disease.

Name: Male
Question 1: I am planning to buy a villa and settle in Baroda by next year- Will it be successful?
Date of birth. 15/4/1956, Sunday; Time of birth. 22:50:00 PM IST
Place of Birth: Solapur-Maharashtra Lon/Lat: 17° N 41', 75° E 55'.
Aynamsha 23^0.09'.24"; Dasa days: 365.25

Hints
If the cuspal sub lord of the 4th (Land/Building) be the significator of 4 (Land/Building), 11 (Success/Fulfillment of desire) or 12 (Investment), one will have his own building during the joint period of the significator of 4, 11 and 12.

Cuspal Sub Lord:
4th Cusp (Pisces 06^0.34'.33"): 4th cusp sub lord is Mercury. Mercury is occupant of 5, owner of 8-10. Star lord Ketu is occupant of 6. Ketu is conjoined with Venus. Venus is occupant of 6, owner of 6-7-11. No planet is in the star of Venus and Venus is the CSL of 3-9. Mercury is in the sub of own. Thus 4th cusp sub lord signifies 6-7-11-3-9 and connected with 5-8-10. Thus 4th sub lord Mercury indicates 11.

He have asked for "Villa" which means luxurious type, thus it needs to check 11th cusp sub lord also.

11th Cusp (Libra 07^0.27'.16"): 11th cusp sub lord is Rahu. Rahu is in the star and sub of Mercury. Rahu is occupant of 12. No planet is in the star of Rahu and Rahu is the CSL of 2-5-11. Rahu is conjoined with Saturn. Saturn is occupant of 12, owner of 3. Star and sub lord Mercury is owner of 5 and occupant of 8-10. Thus 11th CSL Rahu is signifies 5-8-10 and connected with 12-2-5-11-3. Thus indication is 11 also here.

Joint period:
At the time of judgment, you are running Mercury Dasa from 06-05-2011 to 06-05-2028. You are running the joint period of Mercury-Venus up to 31-07-2017.

Dasa lord Mercury is in the star of Ketu and sub of own. Mercury is occupant of 5, owner of 8-10. Star lord Ketu is occupant of 6. Ketu is conjoined with Venus. Venus is occupant of 6, owner of 6-7-11. No planet is in the star of Venus and Venus is the CSL of 3-9. Dasa lord signifies 6-7-11-3-9 and is connected with 5-8-10. Thus this dasa lord indicates buying a Villa.

Bhukti lord Venus is in the star of Moon and sub of Mercury. Venus is occupant of 6, owner of 6-7-11. No planet is in the star of Venus and Venus is the CSL of 3-9. Star lord Moon is occupant of 7. Sub lord Mercury is occupant of 5, owner of 8-10. Thus bhukti lord Venus signifies 7 and is connected with 6-7-11-3-9-5-8-10. So this bhukti indicates buying a Villa.

My opinion: You will buy a "Villa" by next year for sure.

Outcome: Prediction comes correct.

Remarkable Horoscope of King of Thailand

By: Tin Win

Email: tw853@yahoo.com

Bhumibol Adulyadej, King of Thailand, was born on Monday, 05/Dec/1927, 08:45 AM, TZ hr 5 west, Cambridge, Massachusetts, USA, 42n22, 71w06, KP New Ayanamsa: 22° 45' 39", Lagna: Sagittarius 12:06:57, Bal. Dasa: Ketu 3 Y, 10 M, 7 D, calculated by KPAstro 4.1.

Thailand's revered King Bhumibol Adulyadej is the world's longest-reigning and richest monarch. He is the only monarch older than Queen Elizabeth II. His $30 billion wealth in May 2014 makes Saudi Arabian King Abdullah's $18 billion looks modest by comparison, and Queen Elizabeth's estimated $500 million seems like pocket change. While he is a constitutional monarch with no formal political role, King Bhumibol is widely revered and regarded as the country's sole unifying figure.

How has he astrologically been the world's longest-reigning monarch after coming to the throne on 9 June 1946?

1. Because his 10th (power, success) cuspal sub lord (CSL) Rahu signifies "mainly" beneficial houses 1 (self effort), 2 (wealth, self acquisition), 3 (ability), 5 (skills for political maneuverings), 6 (gain), 10 (power, success), 11 (gain, success).

10th CSL Rahu+ has no planet in its stars and is the CSL of 10 (power, success), 11 (gain, fulfillment of desire) and is located in house 6 (gain), in Taurus sign representing Venus+, the CSL of house 6 (gain) having no planet in its stars, lord of houses 5 (skills for political maneuverings), 6 (gain), 10 (power, success). Rahu is in the star of Mars in house 11(gain), lord of houses 4,11 (gain), 12 and in sub of Jupiter in house 2, lord of houses 1 (self effort), 3 (ability).

2. Seven planets, Sun, Moon, Mars, Mercury, Jupiter, Saturn and Rahu are in gaining houses 2,3,6,10,11, and Venus in 9 (higher mind for creation, religious, fortune) and Ketu in 12 (loss). Nevertheless Venus is in the star of Mars located in house 11 and Ketu in the star of Mercury in house 10. These planetary positions make him able to engage in sustained ruling over a long period of consecutive dasa periods.

3. Five gaining planets Sun, Mars, Mercury, Saturn and Ketu are in the long lasting fixed sign Scorpio opposing the fixed and earth sign Taurus (permanence or durability) where Rahu is located. Saturn is also the planet of concentration, permanence, ambition, and productivity.

How has he astrologically been the world's richest monarch?

1. Because his 2nd (wealth) CSL Sun signifies "mainly" gaining houses 2 (wealth, self acquisition), 6 (gain), 10 (success), 11 (gain) and 5 (skills for financial maneuverings).

2nd (wealth) CSL Sun+ has no planet in its stars and so becomes the significator of house 2 (wealth, self acquisition). This Sun is in the house 11 (gain, profit), in the star of Mercury in house 10 (success, profession), lord of houses 7,9, and in sub of Venus+ which is the CSL of house 6 (gain) having no planet in its stars, in house 9, lord of houses 5 (skills for financial maneuverings), 6 (gain), 10 (success, profession).
2. In addition, his 2nd house lord Saturn is conjoined with Mercury in house 10, Sun and 11th lord Mars in house 11, and Ketu in house 12. These conjoined five planets are aspected by wealth karaka Jupiter from house 2. Ketu is in the star of Mercury in house 10.

Why has the 87-year-old King be astrologically in and out of Thai hospitals with various ailments since 2009?

1. Because his Saturn Dasa started from 12 October 2008 and Dasa lord Saturn signifies death inflicting Maraka, Badhaka houses at all three levels of planet Saturn, it's star and sub, along with life saving house 11.

Current running (from 12-Oct-2008 to 12-Oct-2027) Dasa lord Saturn is in house 11 (cure, life saving), lord of 2 (Maraka), in the star and sub of Mercury in house 10 (treatment not effective - 12th to 11, retirement from this world- death), lord of houses 7 (Maraka/Badhaka), 9 (luck).

2. Current running Bhukti Ketu till 04 August 2015 may be critical for his health as the Bhukti lord Ketu indicates death inflicting houses Maraka, Badhaka, Moksha (end of life), and 4 (death), 10 (death), along with life saving houses 1,11.

Current running (from 25-Jun-2014 to 04-Aug-2015) Bhukti lord Ketu is in house 12 (Moksha, end of life), conjoined with Sun+ in house 11 (cure, life saving), the CSL of houses 2 (Maraka),12 (Moksha) having no planet in its stars , Mars in house 11 (cure, life saving), lord of houses 4 (end of everything- death),11 (cure, life saving), 12 (Moksha, end of life), Mercury in house 10 (treatment not effective - 12th to 11, retirement from this world- death), lord of houses 7 (Maraka/Badhaka),9, and Saturn in house 11 (cure, life saving- 12th to 12), lord of house 2 (Maraka). This Ketu is in the star of Mercury in house 10 (treatment not effective - 12th to 11, retirement from this world- death), lord of houses 7 (Maraka/Badhaka),9 (luck), and in sub of Jupiter in house 2 (Maraka), lord of houses 1 (life saving- 12th to Maraka 2), 3 (unfavorable for health).

3. If the current running Ketu Bhukti could be survived, the next coming Bhukti Mercury would be not so critical for longevity that we wish "Long Live the King" to survive the current running Bhukti Ketu till 04 August 2015.

Next coming Bhukti lord Venus (04-Aug-2015 to 04-Oct-2018) is the CSL of house 6 (sickness) having no planet in its stars, in house 9, lord of houses 5 (cure- 12th to 6),6,10, in the stars of Mars in house 11, lord of houses 4,11,12, and in sub of own Venus.

Good luck!

Prediction of pregnancy through KP

Female: Mrs Neha
Date of Birth: 9 July 1984,
Time of Birth: 4:20 pm
Place of Birth: Manawar, M.P.
Question: When I will be pregnant ?
Date of Judgment: 27.9.14

Hints: 5th cusp sub lord should signify 2, 5, 11 facilitator houses for pregnancy and delivery would be possible during DBA of significators of 2, 5, 11.

5th cusp: Sun is the sub lord of 5th cusp. Sun is owner of 10th and occupies 8th house. No planet is in the stars of Sun, and Sun is the cuspal sub lord of 5th house. Sun is in the star of Jupiter. Jupiter is posited in 2nd and the owner of 2nd and 5th houses. Sun is in sub of Saturn. Saturn is posted in 11th and owns 3rd and 4th houses.

Thus 5th cusp sub lord is connected with 2, 3, 4, 5, 8, 10, 11, so delivery of child is promised. Also connection to 4, 8, 10 may cause of miscarriage or abortion in DBA of significators of 1, 4, 10. I came to know that there was a medical history of Mrs Neha that she had miscarriage earlier. Significator as per four fold table, for 2,5,11 are Sun, Venus, Mars, Jupiter, Mercury, Moon, Ketu. Rahu represents Mars in the birth chart. So Rahu is also a significator.

Selection of significator: In beginning, as a student of KP, I always adopted a set procedure of selection of significators. That was as under:

Step 1: Calculation of four fold table significator planets for obtaining result for concerned houses
Step 2: If number of significator planets are more than 3 or four, then use of RP
Step 3: Finding the common planets between planets found from Step 1 and Step 2.

This procedure helps in reducing the number of resulting planets and helps to select Bhukti and Antar. But I observed that reducing the significators may not give accurate predictions always or often. So, by practicing I came to know that significators should be in the star of concerned or resulting houses too, at least in birth chart, if we do not consider transit. So ensuring the rule of KP that sub lord works for the houses of the planet in its star. I also found that the preference should be given to the planet in the star of the occupant planet in the house i.e. Class A significator for making an event happens for concerned houses. In this case, I selected Sun, Venus, and Mars for getting results for 2nd and 5th houses. Mercury, Ketu and Moon result for the 11th house. Jupiter is Karaka planet for result, so it will also be considered. Saturn is left. But Saturn will work when the other planet is in the star of Saturn. Rahu will also be a significator as it represents Mars. Mars is the significator of 2 and 5.

Running Dasha was under on the day of judgement (i.e. on 27.11.2014)
Dasha of Ketu (18.6.11 to 18.6.18)
Bhukti of Rahu (19.5.14 to 6.6.15)

Antar of Mercury (4.9.14 to 28.12.14)
Next Antar of Ketu (28.12.14 to 20.1.15)
Next Antar of Venus (20.1.15 to 25.3.15)

Dashanath Ketu is in the star of Saturn and sub of Sun. Dasha nath is connected to 2, 5, and 11.

Bhukti nath Rahu is also strongly connected to 5 and 11. Ketu is in Scorpio representing RP Mars and Rahu is in Virgo representing RP Venus.

Running antra is Mercury, in this chart Moon is in Saturn star hence Punarphoo yoga. Thus I left this antra and go for next Ketu we have selected Ketu as a dasa lord, so I go for next Venus. I selected the Antra of Venus for predicting pregnancy in the period between 20.1.15 and 25.3.15. Venus is connected with 2-5-11.

Prediction came true as Mrs. Neha got pregnant in the month of February 2015 after waiting for a long period of time after marriage.

When I will get a job?

By: Er. V.K Sharma

Superintending Engineer (Retired.),
#104, City Enclave, Zirakpur,
Mohali (Chandigarh).
Cell – 09417117370, nick0885@gmail.com

A querent from Australia who was in search of job contacted me by telephone to check astrologically, "When he will get a job." The details are as under:

Horary number provided by querent: 26 (1 to 249)
Place of judgment: Chandigarh
Date of judgment: 6-4-2015
Time of judgment: 5:19 PM
Ayanamsa: 24.03.32 (KP Straight Line)

Moon reveals the nature of query.
Moon lord of 4 is in 6, its star lord is Rahu in the sign of Mercury deposited in 11 lord of 2, 3 and 6. It is in the sub of Ketu in 11 and Ketu is conjoined with Mercury in 11 lord 2 and 3 and 11. So Moon has linkage with 2 (financial benefit), 6 (job/service), 11 (fulfillment of desire). Hence Moon shows querent's mind regarding getting job/service and fulfillment of desire for the same.

Gulberga Theory
If sub lord of horary number furnished happens to be either Moon star lord or Lagna star lord among the Ruling Planets, then query is to be answered in the affirmative otherwise not. In the case under reference sub lord of horary number furnished is Mercury whereas Moon star lord is Rahu which lies in the sign of Mercury. So answer to the query is an affirmative. Accordingly I told the querent that he will get a job as per his desire.

Fulfillment of Desire
11th cusp sub lord is Sun in 11. It is in the star of Mercury in 11 lord of 2, 3 and 6. Further Sun is in sub of Moon in 6 lord of 4. Hence 11th cusp sub lord is the significator of 2, 3, 6, 11 and 4. So I told the querent that he will get job near his home (4) in a local place/nearby (3).

K.P. Rule for Employment
If the cuspal sub lord of 6th or 10th be the significator of 2, 6 or 10, job or earning is promised during the joint period of the significators of 2, 6 and 10.

Cuspal sub lord

10th cuspal sub lord:
10th cuspal sub lord is Mercury in 11 lord of 2, 3 and 6 and it is again in the star and sub of Mercury. Hence 10th cuspal sub lord is the significator of 2, 6 and 11 which fulfills the necessary condition for getting service or employment near his home town(4) and nearby his home (3) short journey from house.

6th cuspal sublord
6th cuspal sublord is Rahu in 5. Rahu is in the sign of Mercury in 11 lord of 2, 3 and 6. Rahu is in the star of Moon in 6 and lord of 4. It is in the sub of Saturn in 7 lord of 10 and 11. Hence 6th cusp sublord signifies 2, 3, 4, 6, 10 and 11 which fulfills the necessary con-

Hints
If the cuspal sub lord of the 11th be the significator of 2, 6 or 10, 11, promotion in service is promised during the joint period of the significators of 2, 6 and 10, 11.

Cuspal sub lord

Cusps 11th (Aries 01^0.35'.53"): The sub lord of the 11th cusp is Venus. Venus is in the star of Rahu and sub of Mercury. Venus is occupant of 1, owner of 5-12. No planet is in the stars of Venus and Venus is the CSL of 10-11. Star lord Rahu is occupant of 5. Rahu is in Virgo sign, thus Rahu represents Mercury. Mercury is occupant 1, owner of 1. Sub lord Mercury is occupant 1, owner of 1. Thus 11th cusp sub lord Venus is the significator of 5-1 and connected with 5-12-10-11-1. Hence, signification of 1-5-9 indicates no promotion.

My opinion: I do not see any promotion in the near future.

Question – 1: Birth Time Rectification

Sir, I am a beginner in KP field and I am very confused about BTR process in KP as KP is purely based on sub lord and the sub lord is very sensitive changing in approx 3 min, so it is very difficult to calculate without point error birth time, normally people don't have this accurate recorded time.

Secondly BTR process is purely based on ruling planets and on accessing it by different astrologers. We always get different RPs so it is quite difficult to get accurate sub lord of ascendant.

Moreover I personally concern with two different KP astrologers and both give me different readings.
First one gives 15:08, Asc in Cancer-Saturn-Ketu
Other one
14:45, Cancer-Jupiter-Rahu sub

Answer- 1:

KP is the sub lord theory and accurate birth time is required as Lagna moves 1 degree per 4 minutes, and as the shortest time, Sun sub can change by (800 X 6)/120 = 40 minutes, i.e. by time of 2 minutes 36 seconds.

However astrology is divine science, and so recorded birth times are used in the solved examples of the KP Readers without any prior birth time rectification (BTR).

Finding accurate birth time may be like a wild goose chase only, and anybody can apply any rule that works for him since even the moment of birth is not known for sure whether it is the time of taking the first breath or the time of the head emerging from the mother's body or the time of the first cry or the time the whole body emerging out of the mother's body or the time of cutting the umbilical chord.
https://groups.yahoo.com/neo/groups/k_p_system/conversations/messages/34875

Under these conditions, if and only if the birth time is doubtful by the consultant, the birth time rectification (BTR) is to be done by the help of well tested ruling planets (RPs)-based BTR method with verification.
https://groups.yahoo.com/neo/groups/k_p_system/conversations/messages/30596

Otherwise the astrologer might be responsible for mental damage caused by the controversial prediction as a result of unnecessary and unreliable BTR by adding some more drops in the ocean of uncertainties.

Because RPs cannot help an astrologer all the time, and depending on astrologers, methods, time and space, the RPs and consequently rectified birth time can be different for the same native, as in the case of Indira Gandhi's birth time, and so the rectified birth time is given grade C only after grade AA, A and B.

“Note the sub lord of the sixth (6th) cusp. This needs correct moment of birth. If it is not available, then if you want to know the sub of the sixth, you take ruling planets at the moment when you have the urge to put the query. Mysteriously God will help you by eliminating the previous and the next sub to the one which you have to select.” (Astrology & Athrishta 1970 January issue, page 27, `Astrology and Disease' by Prof. K.S. Krishmamurti/ also reprinted in KP Reader III, page 281/ 1971 Edition, Practical Part, page 1 1 8)

“To find birth time, there are various rules given in Hindu Traditional System; the Westerners follow pre-natal approach. All these methods are useless for such customers. Only the Ruling Planets at the moment of judgment will be useful and innumerable instances are given in the magazine "Astrology & Athrishta". (KP Reader VI, page 138)

The BTR is not written in the KP Readers as mandatory. In contrary, only 'at the end' of his Krishnamurti Padhdhati Vol. 2 of 1966 Sagar Publications or KP Reader III, the sole forceful words user Prof. K.S. Krishnamurti said in a lower tone, "I shall give some of the methods which are available.. How far you can rely on them, is entirely to you, to the readers and scholar and to the research scholars.”

The only one BTR article by Prof. K.S. Krishnamurti is rectification of Indira Gandhi's birth time in July 1971 issue of Astrology & Arthrishta where he rectified the TOB and dealt at length with about a dozen of events in her past life. Rectification was done on 3 May 1971 at 13:08 IST at Delhi and the rectified birth time was 11:39:36 PM for Indira Gandhi, born on the 19th November 1917 at Allahabad. This birth time is significantly different from the commonly used 11:11 PM IST as shown in the bellow. This article is not found reprinted in any collection of refreshing old articles done by his second and third sons, even not in the Astrosecrets and KP Part IV: Birth Time Rectification.

Question- 2: Dr. Kar's Theory of Short Prediction (TSP)
In TSP by Dr. Kar, what to be taken (location) 82.30 + our location (say I'm from Hyderabad which comes to 17.46 degrees approx) or only Hyderabad planets at 5.30. Which location to consider? Request you to throw some light on this.

Whether the effects of Saturn has to be considered always? Please guide.

Answer- 2:

In casting the TSP chart (1-249) or (1-2193), to take the Time always at `5:30AM IST' of the day of judging the query, irrespective of whatever time of judging on that day, ie. 00:00 GMT for casting the chart outside India.

For location, place of judgment is to be taken, in this case Hyderabad .

Regarding Saturn's effect, it depends on one's practice or belief like retrogression whether to consider or not. In some Kanak Bosmia's failed 2008 cricket world cup predictions, not consideration of Saturn's effect is found to be a reason of failure.

Question- 3: Casting a Horary Chart
I would be grateful if someone would clarify about this. In the present time of fast and easy communication it is not uncommon for the questioner (consultant) and the person who does the analysis to be in different locations, often in different zones. The questioner gives a number between 1 and 249. When the horary chart is drawn by the analyzer (living in different time zone) should he use his own local time and location or should he use the time and location of the questioner ?

Also, should the time at which the questioner gives the number or the time at which the analyzer begins the analysis is used for drawing the chart?

Answer- 3: In a horary chart, time of judgment is the time at which the astrologer or analyzer casts the chart to begin the analysis, not the time at which the questioner gives the horary number.

In casting a horary chart, the astrologer or analyzer should use his own local time and location, not the time and location of the questioner.

Question- 4:
I am learning KP astrology, I have some doubts about conjunction & aspects, so please clarify.
Suppose the 4th bhava is in Tula at 26⁰ & the 10th bhava is in Mesha at 26⁰.
Guru at Tula 22⁰, Rahu at Tula 14⁰ & Kuja at Tula 06⁰
Sukra at Mesha 18⁰, Ketu at Mesha 14⁰ Buda at Mesha 29⁰ & Sun at Taurus 2⁰
Please explain about conjunction & aspects among these entire planets.

Answer- 4: Aspects and Conjunction in KP
In KP, as applied in the solved examples of the KP Readers, Hindu conjunction in the same sign regardless of planetary positions from the beginning to end of sign and Hindu sign to sign aspects without taking consideration of orb are applied.

Guru at Tula 22⁰, Rahu at Tula 14⁰ & Kuja at Tula 06⁰ are considered to be conjoined as all these planets are in the same Tula sign.

Sukra at Mesha 18⁰, Ketu at Mesha 14⁰ Buda at Mesha 29⁰ are also considered to be conjoined as all these planets are in the same Mesha sign.

Kuja aspects Sukra, Ketu and Budha by 7th aspect and Ravi by 8th aspect.
Guru aspects Sukra, Ketu and Budha by 7th aspect.
Sukra aspects Guru, Rahu and Kuja by 7th aspect.
Budha aspects Guru, Rahu and Kuja by 7th aspect.

Aspect of Rahu/Ketu is not applied in KP. The Moon's nodes, Rahu and Ketu, are not physical planetary bodies which can be seen through a telescope as we can see all the other planets. They are the imaginary points of intersection between the Sun's apparent orbital path around the earth, the ecliptic, and the Moon's orbital path around the earth. So logically these imaginary points of intersection, the nodes, cannot aspect any planet or house, and they are called shadowy planets.

The Hindu zodiac is used to consider the Hindu conjunction and aspects, and the bhava chart with Placidus cusps are used to consider the bhava occupied by planets.
If *the 4th cusp is in Tula at 26⁰* Guru at Tula 22⁰, Rahu at Tula 14⁰ & Kuja at Tula 06⁰ are the occupants of 3rd house.
If *the 10th cusp is in Mesha at 26⁰ Sukra at Mesha 18⁰, Ketu at Mesha 14⁰* are the occupants of 9th house and *Budha at Mesha 29⁰* is the occupants of 10th house.

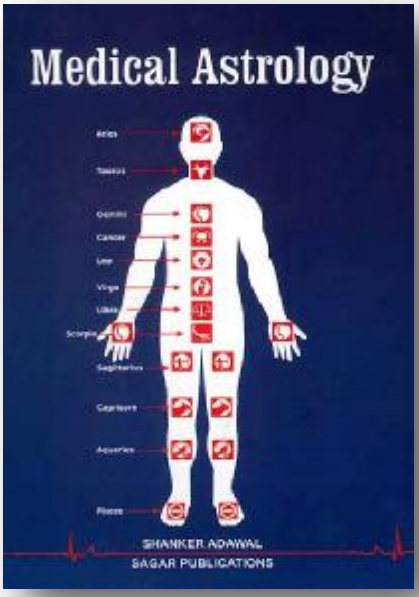
Medical Astrology
by Dr. Shanker Adawal
Sagar Publications, 2008, 479 pages

This book 'Medical Astrology' is a collection of materials composed by various authors who have worked in this field and the author has tried to build it up gradually so that the compilation can be understood of this complex topic. All the subjects discussed in this book are based on the fundamental and basic cannons of the Indian and western Astrology.



A wide area of medical astrology is covered in this book, as shown in the contents. The indicators of planetary combination for diseases have been provided in chapter 22: 'Astrology Significatiors of Health Problems' (pp 153-201). Important diseases have been explained elaborately in chapter 23: 'Case Studies of Disease Through Medical Astrology' with support of many illustrations from actual life (pp 202-297).

In his studies and research the author has found that astrology can point to chronic health problems usually indicated by the Sun, Ascendant, 6th house and the signs associated with them. If one has Venus in poor aspect and poorly placed, as well as on the cups of the 6th house, well then, watch the sweets or one will end up a diabetic, especially if the Moon is added to the mix. Venus rules sweets and the kidneys. The Moon rules fluids, including to some extent the blood. If you have a Leo Ascendant with the Sun in the 6th, look out for heart and back problems.

Neptune rules things that are hidden. The author finds Neptune/Pisces prevalent with cancer diagnoses or other hard to diagnose illnesses until which time they are found. Jupiter can also be a cancer indicator when there is a tumor involved due to its association with excess growth. Mars and Neptune, or Aries and Pisces are often times found in charts of violent suicide. The act (for instance, a gun to the head) is easy to see in hindsight with Mars being the violence and Neptune being something done in secret. Mars in the 1st house is a dangerous placement for head wounds, but can also denote great athleticism and a courageous soul.

Neptune is far more ominous and can include ailments pertaining to drug use, drowning, and with Gemini pneumonia. Cancer as a disease is often associated with Neptune because it quietly and insidiously destroys cell tissues. If Neptune is prevalent in the chart, look at its sing placement and be cognizant of changes in the area of the body ruled by that sign. Early detection is often the greatest hope for people with cancer. Cancer, as a sign, and the Moon, when associated with Neptune are the rulers of communicable disease like tuberculosis, AIDS, Ebola and other scary transmutable.

Uranus rules the Electrolyte dysfunction can be a problem or carpel tunnel syndrome, because of Uranus' association with computers. Uranus is indicative of sudden onset of health problems and can be a progenitor of accidents. People with Uranus in aspect to Mars or Mercury are prone to auto accidents.

Ousted Sri Lankan Leader Angles for a Comeback
Ex-President Rajapaksa leads ethnically charged campaign, vows closer ties to China

NAULA, Sri Lanka—Flanked by saffron-robed Buddhist monks, former Sri Lankan President Mahinda Rajapaksa exhorted a crowd of more than a thousand supporters at a weekend election rally, saying: "We saved this country. Don't let it be divided again."
The 69-year-old politician, ousted by voters earlier this year, is seeking a return to office—this time as prime minister—in an ethnically charged campaign mixing economic promises with warnings of resurgent terror by minority Tamils, defeated six years ago after a long civil war.

If Mr. Rajapaksa and his allies win next month's parliamentary elections, he has vowed to tighten internal security and restore strong ties with China, which wants to boost its influence in the Indian Ocean region and was a major funder of development projects undertaken by the ex-president.
Lionized by the Sinhalese Buddhist majority for his government's crushing 2009 defeat of the Tamil insurgency, Mr. Rajapaksa saw his support erode in recent years after what his critics painted as a turn toward authoritarianism, corruption and family rule.
A broad opposition coalition, led by people who used to be some of Mr. Rajapaksa's closest associates, defeated him in a January presidential election, after pledging to probe human-rights abuses and graft, restore rule of law and promote reconciliation.
'We saved this country. Don't let it be divided again.'
—Mahinda Rajapaksa, former president of Sri Lanka

The new government under President Maithripala Sirisena has also moved to reset the foreign policy of the island nation, which occupies a strategically important spot south of India, strengthening ties with the U.S. and other Western powers as well as India.
That is a sharp shift from Mr. Rajapaksa's embrace of China, which extended billions of dollars in loans for Sri Lankan infrastructure projects and reaped geopolitical benefits: Last year, Chinese submarines made two port calls in the Sri Lankan capital, Colombo—a move that raised concerns in New Delhi and Washington.

Mr. Sirisena's government has cast doubt on the wisdom of some of the projects, such as a port and airport in Mr. Rajapaksa's hometown in the country's south. It has suspended a Chinese-backed development project that involves creating a massive landfill in the ocean off Colombo.

There is little independent public-opinion polling in Sri Lanka, making it hard to predict who will win.
A Rajapaksa victory would be a political irony.
After his ouster, the new government, seeking to trim the powers of what they had come to see as an imperial presidency, amended the constitution to weaken it and strengthen the hand of the prime minister, now Ranil Wickremesinghe.
For the ex-president, the election battle "is a fight for political survival," said Paikiasothy Saravanamuttu, executive director of the nonprofit Centre for Policy Alternatives in Colombo. "Rajapaksa Inc., the dynastic project, can't stay out of power too long or it risks destruction."

When Mr. Rajapaksa was president, a younger brother, Gotabaya, served as defense secretary; another, Basil, was minister of economic development. Mr. Rajapaksa's older brother was speaker of Parliament and a son was a national lawmaker. Both are seeking re-election.

Gotabaya Rajapaksa is under investigation by anticorruption authorities. Prosecutors have charged Basil Rajapaksa with corruption-related offenses. He was jailed for weeks before being released on bail.
Both men have denied any wrongdoing. "What they have done was take political revenge," said Gotabaya Rajapaksa. "There are so many investigations" of allegations against the Rajapaksa family, he said. "All are baseless."
Sri Lankan Foreign Minister Mangala Samaraweera said Colombo is working with World Bank investigators and other nations to trace "billions" of dollars that he said had been "siphoned off" during Mr. Rajapaksa's term. He said the process is time consuming and arduous.

"It's a lot of money, especially for a small country like ours," Mr. Samaraweera said. But, he added: "We have to make sure due process takes place."
Results of another investigation into the conduct of Mr. Rajapaksa's government, by the office of the United Nations High Commissioner for Human Rights, which probed alleged war crimes and rights abuses during the last phase of the civil war and its aftermath, are due to be released in September.

Mr. Samaraweera said Sri Lanka is working out the details for a domestic mechanism to weigh the U.N.'s findings and "take action accordingly." He added: "Those who suffered in the war also expect justice."
Gotabaya Rajapaksa, the former defense secretary who oversaw the final campaigns of the war, said the U.N. investigation process is "very, very unfair" and relied on evidence from biased parties. "How can you say they are credible when we can't cross-examine them," he said.
"There may have been certain instances," involving troops, the ex-defense secretary said. But "you can't generalize and say the whole military is involved in war crimes." People need to realize "what kind of enemy we were facing," he said.
Among other things, Tamil militants used suicide bombers to assassinate Sri Lankan leaders. Thousands of government soldiers died in the war. A U.N. report estimates that up to 40,000 Tamil civilians were killed as the conflict ended, a figure the Rajapaksa government said was significantly exaggerated.

Gotabaya Rajapaksa said he and his brother, the former president, support postconflict reconciliation and worked toward it while in office. But he said it would be a mistake to ease up on precautions. "You can't say, 'our emphasis is on reconciliation, not security.' That is wrong."
"Within a five-year period, you can't expect everyone to be de-radicalized," he said. He said some Tamil politicians, many of whom are seeking greater autonomy for the Tamil community in Sri Lanka's north, were saying things that could "encourage radical elements."
"If you relax these things, you are asking for trouble. You open up a window for people who want to create trouble," he said. "Intelligence agencies, the police, the military must be given freedom, with a legal framework, to do their work," he said.

In the central Sri Lankan city of Kurunegala, the war remains fresh in voters' minds. "A lot of people will vote for" former President Rajapaksa, said G.M. Siriyalatha, 35. "He did many great things. He ended the war," she said. One of her brothers was a soldier killed when his post was overrun by Tamil guerrillas in 1998. Another was seriously injured in a different attack.

Others are more focused on what came after. "People were scared. They were scared of the white vans"—vehicles human-rights groups say were used by security forces to abduct opponents of the government, said Abeysiri Pallemalla, 62. "It was like a dictatorship. Now there is law and order."
—Uditha Jayasinghe contributed to this article.

I have already predicted 85 advance predictions by my rule below and got 61 correct i.e. 71.76% rate of success, and not 50-50 chance at all in election predictions as some KP astrologers has said about this rule. This is first time in history of KP astrology that someone is doing 85 advance predictions by using the same NEW rule.

Hint:
If 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal sub lord for Mahinda Rajapakse:
10th Cusp (Capricorn 26°.15'.06"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Ketu and sub of Sun. Jupiter is occupant of 4 owner of 8-9. Star lord Ketu is occupant of 11. Ketu is in Pisces sign, hence represents Jupiter. Jupiter is occupant of 4 owner of 8-9. Sub lord Sun is occupant of 3, owner of 5. Thus 10th cusp sub lord Jupiter is the significator of 11-4-8-9 and connected with 4-8-9-3-5. Hence, the wining in election is sure.

Cuspal sub lord for opponent:
10th Cusp (Cancer 26°.15'.06"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Ketu and sub of Sun. Jupiter is occupant of 10 owner of 2-3. Star lord Ketu is occupant of 5. Ketu is in Pisces sign, hence represents Jupiter. Jupiter is occupant of 10 owner of 2-3. Sub lord Sun is occupant of 9, owner of 11. Thus 10th cusp sub lord Jupiter is the significator of 5-2-3-10 and connected with 2-3-10-9-11. Hence, the wining in election is sure.

Joint dasa period for Mahinda Rajapakse:
On the day of election, (18th August 2015) the running joint dasa period is Venus- Venus - Venus -Mars.

Dasa-Bhukti-Antra lord Venus is in the star of Ketu and sub of Rahu. Venus is occupant of 4 owner of 1-6. Star lord Ketu is occupant of 11. Ketu is in Pisces sign, hence represents Jupiter. Jupiter is occupant of 4 owner of 8-9. Sub lord Rahu is occupant of 5. No planet in the star of Rahu and Rahu is CSL of 8-9. Rahu is aspected by Mars, hence represents Mars. Mars is occupant of 3 owner of 7-12. Thus dasa lord Venus is the significator of 11-4-8-9 and connected with 4-1-6-5-8-9-3-7-12. Hence, the wining in election is sure.

Sookshma lord Mars is in the star of Jupiter and sub of Sun. Mars is occupant of 3 owner of 7-12. Star lord Jupiter is occupant of 4 owner of 8-9. Sub lord Sun is occupant of 3 owner of 5. Thus Sookshma lord Mars is the significator of 4-8-9 and connected with 3-7-12-5. Hence, the wining in election is sure.

Joint period for Opponent:

On the day of election, (18th August 2015) the running joint period dasa is Venus- Venus - Venus -Mars.

Dasa-Bhukti-Antra lord Venus is in the star of Ketu and sub of Rahu. Venus is occupant of 10 owner of 7-12. Star lord Ketu is occupant of 5. Ketu is in Pisces sign, hence represents Jupiter. Jupiter is occupant of 10 owner of 2-3. Sub lord Rahu is occupant of 11. No planet in the star of Rahu and Rahu is CSL of 2-3. Rahu is aspected by Mars, hence represent Mars. Mars is occupant of 9 owner of 1-6. Thus dasa lord Venus is the significator of 5-2-3-10 and connected with 10-7-12-11-9-1-6. Hence, the wining in election is sure.

Sookshma lord Mars is in the star of Jupiter and sub of Sun. Mars is occupant of 9 owner of 1-6. Star lord Jupiter is occupant of 10 owner of 2-3. Sub lord Sun is occupant of 9 owner of 11. Thus Sookshma dasa lord Mars is the significator of 2-3-10 and connected with 1-6-9-11. Hence, the wining in election is sure.

My opinion: 10th cusp lord indicates 3-11 for Mahinda Rajapakse and 3-10-11 for opponent. DBAS indicates 3-11 for Mahinda Rajapakse and 3-10-11 for opponent. Thus there is no chance for Mahinda Rajapakse to become PM in the coming general election 2015.

Now a days heart failures, heart attacks, heart enlargements, cardiac arrests and other related heart problems are on the increase and reasons for them are innumerous. If diagnosed and addressed at the appropriate time, many precious lives could be saved. Apart from healthy living, medical advices, timely treatment, right and correct astrological advices on these lines will also go a long way in guiding the native to take appropriate action to avoid any calamities.

It is said in the "medical astrology" that the natural zodiac signs- Cancer-4th house ruled by Moon, Leo- ruled by Sun indicate the heart, and 4th cusp from the lagna in the native's chart governs heart and its related problems. When the rasi Leo, Aquarius and the 4th cusp in the natal chart is afflicted by the placement of or by any connection through Saturn & Rahu (restrictive planets), and Mars – another malefic indicates heart problems. Any sort of affliction to Cancer and Leo apart from fourth cusp from lagna would invariably lead to heart problems.

As per the "Medical astrology for All" by Sri K. Subramaniam- the sub divisions of Leo-- (1) Kethu star- sub of Kethu; Moon, Mars, Saturn and Mercury, (2) Venus star- sub of Sun, and (3) Sun's star- sub of Rahu are sensitive areas for heart diseases and the related problems.

THE PLANETS-- Moon- lord of Cancer governs chest, breast, heart, lungs, blood circulation and karaka for mind which can create tensions and in turn B.P. Mars - governs blood circulation, and if afflicted Sun, Moon in Leo / Cancer / Aquarius and connected to evil house-6, 8,& 12 would lead to heart complaints.

Sun rules over heart, lungs, stomach, blood and general vitality.

THE STARS--- Makha rules heart and spinal cord.
-- Poorva phalguni rules heart and spinal cord, B.P, swelling of heart, affected valves.
-- Uttara- pada-1(26.40 to 30.00)--B.P, clotting of blood in capillaries in the brain.
-- Uttara shada in capricorn (three padas)--palpitation of the heart and cardiac thrombosis.
-- Dhanishta-blood poisoning, heart failures, cardiac thrombosis, high B.P, palpitation.
-- Satabhisha--rheumatic heart, palpitation, and high B.P.
-- Poorvabhadra--1,2,3 padas-irregularity in the heart-beat, palpitation, dilated heart and low B.P.

SIGNIFICATIONS OF THE SUBS-- related to heart and its related problems (1) Taurus-Venus-Moon-Moon-(10.00.00 to 11.06.40)-- congestion in the heart.
(2) Leo-Sun-Kethu-Kethu-(00.00.00 to 00.46.40)-disease in the heart, palpitation and congestion.
(3) Leo-Sun-Kethu-Mars-(4.46.40 to 5.33.20)--heart disease.
(4) Leo--Sun-kethu-Saturn-(9.20.00 to 11.26.40)- rheumatic heart.
(5) Leo-Sun-Kethu-Mercury-(11.26.40 to 13.20.00)-palpitation of the heart.
(6) Leo- Sun-Venus-Sun-(15.33.20 to16.13.20)-palpitation of the heart.
(7) Leo-Sun-Vneus-Mercury-(24.00.00 to 24.53.20)-palpitation of the heart.

WHAT K.P RULES SAY -- Houses to be judged- Ascendant, 6th, 8th and 12th cusps.
-- Ascendant and its significators will indicate whether the native will maintain good health or suffer from any health problems.
-- 6th cusp indicates disease, its nature and duration of the disease.
-- 12th cusp indicates hospitalization or treatment elsewhere.

RULES—
(1) if Ascendant cusp or 6th cusp sub lord is the signifiactor of 6 or 8 or 12 or the lord of the constellation in which the 6th cusp sub lord is posited is in any way connected to 6 or 8 or 12, then the disease is caused and the native will suffer from such disease.
(2) the nature of the disease will be indicated by the 6th house.
(3) if the 6th cusp lord or the star lord in which the 6th cusp sub lord is posited happens to be---
(4) (a) SATURN- it will be chronic,
(b) MARS- it will be acute,
(c) MERCURY- it will be complicated,
(d) RAHU- complication in the diagnosis and in the process of the treatment.
(e) JUPITER- quick and direct.
(4) the disease will arise during the conjoined period of 1 & 6 or 1 & 8 or 1 & 12 houses.
(5)the cure will be indicated during the conjoined period of the signifiactors of 5,7 and 11 houses.
Keeping all the above rules and information on the subject "Heart Problems" the chart of the given native is analyzed below--

NATIVE- HEART LADY- DOB-9SEP1950/ TOB-2.43.08 A.M/ POB- KAKINADA (A.P).

Additional information on the chart--
Uranus is placed in Gemini 12th cusp on 15-48-47 longitude.
Neptune is placed in Virgo 3rd cusp on 22-51-50 longitude.

ANALYSIS OF THEC CHART-- Houses--1-6-8-12.
(A) ASCENDANT CUSP-- sub lord is Venus. Venus is the lord of 4 & 11 placed in 2nd.
LEO--Sun sign-- Kethu star--Mars sub.
(1) As per the significations of sign and sign lord Leo is one of the signs responsible for heart diseases. Leo is afflicted by the placement of Venus -badhaka sthanadhipathi (11 is the badhaka sthana for Cancer lagna) conjoined with Sun and Saturn two major malefic and restrictive planets responsible for the native's heart problems.
(2) Venus is in the star of Kethu. It is a malefic placed in 3rd house Virgo. Kethu is conjoined with Mercury lord of 3 and 12th houses.
(3) Mars the sub lord of Venus is the lord of 5 and 10 is placed in 4th house aspecting the 10th bhava. Mars is aspected by Saturn lord of 7 & 8 by its 3rd aspect.
Thus Venus the cuspal sub lord of the ascendant signifies 1,5,7,11 as co ruler; 2,3,4,11 at its star level and 4,5,10 at sub level.
As per K.P rules on longevity -if the ASC cusp sub lord or its star lord is the signifiactor of 1 or 5 or 9 -long life is indicated (except when it is badhaka sthana 10th house is considered instead of 9th for long life.)
As per the chart of the native the ASC cusp sub lord VENUS signifies 1 & 5, assures long life (above 63 years and up to 73 years). Since Venus also signifies 11th - badhaka sthana and 10 karma sthana the native has to experience the suffering due to some reason or the other.

(B) SIXTH CUSP-- Sub lord is Saturn. Saturn corules 3, 6, and 9 th cusps.
Saturn is the lord of 7 & 8 placed in 2nd house (LEO - Heart). It aspects 8th (Aquarius- heart trouble) by its 7th aspect. Saturn is placed in Sun star and Mars sub.
The star lord SUN is the lord of 2 placed in 2nd itself. The Sub lord Mars is the lord of 5 and 10 placed in 4th house and Mars is the top significator of 8th.
Saturn indicates narrowing of the heart nerves and valves causing problems in breathing, in Leo indicates heart problem, the star lord Sun indicates heart problems and the sub lord Mars indicates surgery.
Thus the 6th cusp sub lord Saturn signifies 3,6,9 as coruler,2,7,8 at star level and 4,5 & 10 at sub level. Saturn is responsible for disease (6), heart problem (4), suffering, surgery and tensions and anxiety (8- Mars connection), 5/7- cure by treatment and doctors, and 10 - experiencing the karma.

(C) EIGHTH CUSP—Sub lord is Sun.

My head bows down with all respect before the legend of astrology who predicated the K.P. system of sub lord theory and laid down its rules so clearly to enable even the upcoming astrologers to study , analyze and arrive at correct and right results. Thanks to Sri Kanak ji who is instrumental for penning my article on this subject.

"The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not." --Krishnamurti Paddhati, Vol. 2, 1966, Sagar Publications, p 41/ KP Reader III, p 136 / p 129 (1971 Edition)/ KP Reader V p 136 (1971 Edition p 129)/ KP Reader VI p 91 It is also important to note that without considering the signification of sub, it is not a KP analysis, since KP is the sub lord theory only, nothing else.

"In order to know what each planet can contribute always consider its sub lord".-KP Reader III page 362 (1971 Edition, Practical Part page 194) the occupied and owned houses of the planet, its star lord and its sub lord should be considered at all three levels. It is to stop at the 3- step,

Death of Bobbi Kristina Brown and KP Rules

The demise of Bobbi Kristina Brown happened on the 26th July 2015, according to media. I wish to draw the kind attention of KP-Ezine readers to the article published in the KP-Ezine March 2015 issue, where I had forecasted her longevity.

I am saddened to know about the death of this little girl. But I am happy to announce the validity of the KP rules to the KP followers, students and all astrologers of different systems.

I wish to go through her running DBAS at the time of the death to prove the rules appended below. (Time chart at the death of Bobbi is attached)

On the 26th of July 2015, Bobbi was under running Saturn Dasa, Jupiter Bhukti, Jupiter Anthra and Mercury Sookshama.

Dasa lord Saturn is lord of the 10th house (Retirement from this world/ death), in the star of Mars the lord of 12 (Moksha, Renunciation, Hospitalization), and in own sub Saturn. This Saturn is also aspected by Jupiter the lord of 7 (Maraka & Badhaka) and 8 (Accident, Unnatural death). This Jupiter was the Bukthi and Anthra lord, and it is in the star of Moon the lord of 2 (Maraka), and in sub of Mercury in 10 (Retirement from this world/ death), the lord of 2 (Maraka). Sookshma lord Mercury is the lord of 2 (Maraka), in 10 (Retirement from this world) and in the star of above said Jupiter for 2, 7, & 8, and in sub of Sun the lord of 4 (End of everything including life) in 10 (Retirement from this world), also the cuspal sub lord of 12 (End of life) having no planet in its stars.

Transits of DBAS Lords

On the day of death Dasa lord Saturn was transiting in its own star and sub, and in the sign Scorpio owned by Mars (12).

Bukthi and Anthra lord Jupiter was transiting in the 2 (Maraka), in the star of Ketu (12), the cuspal sub lord of 2 and 8 having no planets in its stars, and in sub of Venus (6). Sookshma lord Mercury was transiting in the star of Saturn and in sub of Mars.

Thus all the DBAS lords happened to be the significators of death inflicting houses as in the rules below:

A. KP HOUSE GROUPING – Part 1 (free KPE-zine Oct 2007)
Ref : CSL of 1

CP	Subject Matter	Houses to be signified	Joint DBA	Remark
1	Accident	8,12	8,12	Ma is karaka. If Sbl is connected with Ma, Sa, Ra, Ke
2	Danger to life / unnatural/ accidental death	(4),8,12, Badhaka, Mararka	(4),8,12, Badhaka, Mararka	Sbl connected Ma, Sa, Ra, Ke; 4= end of everything; Also consider similar signification of 3,8,12 Sbls for such danger and calamity

Question. Is there any possibility for Shahsi Tharoor to be found guilty in his wife's murder and punished by imprisonment?
Number. 246 (out of 249). (Generated random)
Date of Judgment: 30-06-2015, Tuesday; Time of Judgment: 14:21:09 PM IST
Place of Judgment: Kankariya- Ahmedabad; Lat/Long: 23° N 00', 72° E 36',
Aynamsha: 23^0.58'.59"

Hints

If the cuspal sub lord of the 12th be the significator of 3 (away from home), 8 (misfortune) or 12 (restrictions), and connected with Mars or Saturn or Rahu or Ketu, one has to be jailed during the joint period of the significators of 3, 8 and 12.

Cuspal Sub Lord

12th Cusp (Aquarius 15^0.10'.21"): The sub lord of the 12th cusp is Ketu. Ketu is in the star of Saturn and sub of Moon. Ketu is occupant of 12. No planet in the star of Ketu and Ketu is CSL of 12. Ketu is aspected by Jupiter. Jupiter is occupant of 5, owner of 1-10. No planet in the star of Jupiter and Jupiter is CSL of 11. Star lord Saturn is occupant of 8, owner of 11-12. Sub lord Moon is occupant of 9, owner of 5. 12th cusp sub lord Ketu is significator of 8-11-12 and connected with 12-5-1-10-11-9. Hence the imprisonment is sure.

Ruling Planets

At the time of judgment, ruling planets are as under.

	Day lord	Sign lord	Star lord	Sub lord
Day: Tuesday	Mars	—	—	—
Asc: Libra 06°.35'.51"	—	Venus	Mars	Moon
Moon: Scorpio 22°.13'.41"	—	Mars	Mercury	Moon

Rahu is aspected by Mars, hence represent Mars. Thus ruling planets are Mars, Venus, Moon, Mercury and Rahu.

Joint Period

At the time of judgment, Mercury dasa balance is up to 27-05-2025. At that time joint period of Mercury-Moon is running till 27-11-2016.

Dasa lord Mercury is in the star of Moon and sub of Sun. Mercury is occupant of 3, owner of 4-7. Star lord Moon is occupant of 9, owner of 5. Sub lord Sun is occupant of 3, owner of 6. No planet in the star of Sun and Sun is CSL of 2-4. Thus dasa lord Mercury signifies 5-9 and is connected with 3-4-7-6-2-4. This dasa lord indicates 3, hence indicates jail yoga. Mercury is in RP.

Bhukti lord Moon is in the star of Mercury and sub of own. Moon is occupant of 9, owner of 5. Star lord Mercury is occupant of 3, owner of 4-7. Thus bhukti lord Moon signifies 3-4-7 and is connected with 5-9. This bhukti lord indicates 3, hence indicate Jail yoga. Moon is in RP.

My opinion: Yes, Jail is sure for Shashi Tharoor before 27-11-2016.

Case: Mrs. Prerna
D.O.B: 22 August 1985, Time of Birth: 8 a.m.
Place Of Birth: Jaipur, Rajasthan
Date of judgement: 21st January 2015
Time of judgement: 2:43:45 p.m. (noon)
Place of Judgement: Jaipur, Gopalpura, Rajasthan

Rule:
If the fifth cusp sub lord signifies house 2,5,11, then there is a possibility of pregnancy or birth of first child during the DBA of significators of house 2,5,11. 7Th house will be considered for second child. But in this case pregnancy for the first child was to be predicted.

5th Cusp:
Sub lord of 5th cusp is Jupiter. Jupiter occupies 5 and owns 4, 7 & 8. Star lord Moon occupies 2 and owns 11. Sub lord Saturn which does not have any planet in its stars and is the CSL of 2 and 8, occupies 3 and owns 5 and 6. So in conclusion 5th cusp sub lord indicates 2,5,11 along with 4, 7, 8, that means child birth is sure with some obstacles during the DBA of significators of 2,5 and 11.
At the time of judgement on 21.1.15 at 2:43:45 p.m.(noon), the Ruling Planets were as under:

Asc. Sign: Venus
Asc. Star: Moon
Moon Sign: Saturn
Moon Star: Moon
Day Lord: Mercury
At this time Rahu represents Mercury and Mars. Mercury is the ruling planet, so Rahu will be considered as ruling planet. Ketu represents Jupiter (which is not ruling planet), so Ketu will not be considered as the ruling planet.

Conclusion:
Ruling Planets are Venus, Mercury, Moon, Saturn and Rahu.

Significator:
Significator of 2, 5 and 11th houses are Jupiter, Sun, Moon, Ketu, Mars, Mercury, Venus, Saturn and Rahu.

Common planets:
Common planets between significators and ruling planets are Venus, Saturn, Moon, Mercury and Rahu.

Running Dasha:
Dasha, Bhukti and Antra were running as under on 21st January 2015 (the date of judgment)

Dasha: Saturn (from 8.5.2000 to 8.5.2019)
Bhukti: Rahu (from 20.12.2013 to 26.10.2016)
Antra 1st: Saturn (from 11.10.14 to 25.3.15) left because Dasha nath Saturn is already included.
Antra 2nd: Mercury (from 25.3.13 to 19.8.15) is selected.

All the three planets (Saturn Rahu and Mercury) are significators and also fruitful common significator planets. So childbirth/pregnancy is sure during this joint DBA, while selection Sookshma Venus will be preferred, because in common significator this fruitful planet is not included so far. Sookshma Mercury was left as it is already selected. Next Sookshma Ketu (15.3.15 to 23.4.15) is neither common planet nor fruitful significator. Following Sookshma is of significator planet Venus from 23.4.15 to 18.5.15.

Prediction:
Pregnancy is possible during this period. (23.4.15 to 18.5.15)
Later Mrs. Prerna told me in the month of July 2015 that she became pregnant in first week of May 2015. The prediction came true.

Salute to KP rules and my first teacher of KP, Respected Sir Sh. Kanak Bosmia Ji who taught me KP in simplest manner.

When I will get a Married?

By: Er. V.K Sharma

Superintending Engineer (Retired.),
#104, City Enclave, Zirakpur,
Mohali (Chandigarh).
Cell – 09417117370, nick0885@gmail.com

A young boy from Indore [M.P] called me to find when he will get married .The details particulars are as under:-
Horary number supplied by the consultant: 5
Date of judgment: 11-12-2013
Time of Judgment: 5:47 PM
Place of judgment: Chandigarh

Moon Reveals the True Nature of Query.
Moon is lord of 5 in 12 and its star lord is Mercury lord of 3 and 4 in 8 and it is in the sub of Ketu which is aspected by Saturn in 7 lord 11 and 12. Hence Moon has a linkage with 7, 11, 5, 3 which reveals the mind of querent about marriage.

Gulberga Theory
If the sublord of horary number furnished happens to be either Moon star lord or Lagna starlord among the Ruling Planets, then the query is to be answered in the affirmative otherwise not.

In this case sublord of horary number is Mars and Lagna star lord of Ruling Planets is also Mars So answer to the query is affirmative.

Is Marriage Promised ?
If the cuspal sublord of 7th is the significator of 2, 7 or 11, then marriage is promised in the joint dasa period of significators of 2, 7 and 11.

Here in this case 7th cusp sublord is Venus in 10 lord 2 and 7. As Venus is not having any planet in its stars it becomes the strong significator of 5, 7 and 9 by being the sublord of 5 7, and 9th cusps. Further Venus is in the star of Sun in 8 and it is in the sub of Jupiter in 4 lord of 9 and 10. Hence 7th cusp sublord is the significator 2,7 ,5,4 which proves that querent will get married in his home city [4] with girl of his choice [5] and marriage will be arranged cum love marriage.

2nd Cuspal Sublord
2nd cusp sublord Mercury is in 8 lord of 3 and 4, and it is in the star of Saturn in 7 lord of 11 and 12 and further it is in the sub of Jupiter in 4 lord of 9 and 10. Hence 2nd cusp sub-lord signifies 7,11.3 and 4 which is conducive for marriage.

11th Cuspal Sublord
11th cusp sublord is Ketu in 1. Ketu is aspected by Saturn in 7 lord of 11 and 12, and it is again in the star of own Ketu. Further Ketu is in sub of Saturn in 7 lord of 11 and 12.

Hence 11th cusp sublord is the significator of 7,11 which promises marriage. As 11th cusp sublord Ketu is aspected by Saturn there will be delay in marriage.

Check Mahadasha and Bhukti to get timing of marriage.
On the day of judgment on dated 11-12-2013 it was running Mercury mahadasha and Ketu Bhukti.

An event takes place when Rashi (lord of mahadasha) and Nakshtar lord of Bhukti or vice versa when Nakshtar lord of Mahadasha and lord of Bhukti passes through each other. As there is no such combination in this Mahadasha lord and Bukti lord, due to Ketu being in the sign of Mars I took this combination of Mercury and Mars as both Mercury and Mars are in the Ruling Planets.

Transit of Planets
Every year Sun Transit in Scorpio sign of Mars[lagna star lord of R.P] And Jestha Nakshtar of Merc [lagna Sign lord R.P] from 3 December to 16 December.

Accordingly I informed the querent that his marriage will take place in above mentioned period between 3 -12-2014 to 16-12-2014.
Facts of Case

It was intimated by the querent that he got married in his home city with the girl of his choice on 3- 12- 2014 [Wednesday].mIt is noted that question was also asked on 11-12-2013 [Wednesday]. Mercury has appeared thrice in the Ruling Planets which has played important role in happening of event.

MAGICIANS/ CONJURORS

I am extremely happy to express that I have utilized the source and the link of www.astrodatabank.com for obtaining the birth data and biography of the magicians/ conjurors.

Magic is (sometimes referred to as stage magic to distinguish it from paranormal or ritual magic) is a performing art that entertains audiences by staging tricks or creating illusions of seemingly impossiblehttps://en.wikipedia.org/wiki/Magic_(illusion) - cite_note-1 or supernatural feats using natural means. These feats are called magic tricks, effects or illusions. A professional who performs such illusions is called a stage magician or an illusionist. Some performers may also be referred to by names reflecting the type of magical effects they present, such as prestidigitators, conjurors, Hypnotists, mentalists, or escapologists.

Many different types of effects there are. Some of these are listed below.

Production: The magician produces something from nothing—a rabbit from an empty hat, a fan of cards from thin air, a shower of coins from an empty bucket, a dove from a pan, or the magician himself or herself, appearing in a puff of smoke on an empty stage—all of these effects are *productions*.

Vanish: The magician makes something disappear—a coin, a cage of doves, milk from a newspaper, an assistant from a cabinet, or even the Statue of Liberty. A Vanish, being the reverse of a production, may use a similar technique, in reverse.

Transformation: The magician transforms something from one state into another—a silk handkerchief changes color, a lady turns into a tiger, an indifferent card changes to the spectator's chosen card.

Restoration: The magician destroys an object, then restores it to its original state—a rope is cut, a newspaper is torn, a woman is cut in half, a borrowed watch is smashed to pieces—then they are all restored to their original state.

Transportation: The magician causes something to move from one place to another—a borrowed ring is found inside a ball of wool, a canary inside a light bulb, an assistant from a cabinet to the back of the theater, a coin from one hand to the other. When two objects exchange places, it is called a transposition: a simultaneous, double transportation. A transportation can be seen as a combination of a vanish and a production. When performed by a Mentalist might be called teleportation.

Escape: The magician (an assistant may participate, but the magician himself is by far the most common) is placed in a restraining device (i.e., handcuffs or a straitjacket) or a death trap, and escapes to safety. Examples include being put in a straitjacket and into an overflowing tank of water, and being tied up and placed in a car being sent through a car crusher.

Levitation: The magician defies gravity, either by making something float in the air, or with the aid of another object (suspension)—a silver ball floats around a cloth, an assistant floats in mid-air, another is suspended from a broom, a scarf dances in a sealed bottle, the magician hovers a few inches off the floor. There are many popular ways to create this illusion, including Asrah levitation, Baldacci, and King levitation. The flying illusion is often performed by David Copperfield and more recently by Peter Marvey. Harry Blackstone floated a light bulb over the heads of the public.
Penetration: The magician makes a solid object pass through another—a set of steel rings link and unlink, a candle penetrates an arm, swords pass through an assistant in a basket, a saltshaker penetrates the table-top, a man walks through a mirror. Sometimes referred to as "solid-through-solid."

Prediction: The magician predicts the choice of a spectator, or the outcome of an event under seemingly impossible circumstances—a newspaper headline is predicted, the total amount of loose change in the spectator's pocket, a picture drawn on a slate.
Many magical routines use combinations of effects. For example, in "cups and balls" a magician may use vanishes, productions, penetrations, teleportation and transformations as part of the one presentation.
The methodology behind magic is often referred to as a science (often a branch of physics) whilst the performance aspect is more of an art form.
Membership in professional magicians' organizations often requires a solemn commitment to the Magician's Oath never to reveal the secrets of magic to non-magicians. The Magician's Oath may vary, but typically takes the following or similar form:

"As a magician I promise never to reveal the secret of any illusion to a non-magician, unless that one swears to uphold the Magician's Oath in turn. I promise never to perform any illusion for any non-magician without first practicing the effect until I can perform it well enough to maintain the illusion of magic."
Once sworn to the Oath, one is considered a magician, and is expected to live up to this promise. Magicians who reveal secrets, either purposely or through insufficient practice, may find that other magicians are unwilling to teach them any more secrets. They are then no longer eligible to join IBM (International Brotherhood of Magicians) and are banned from magic society.

Back to the Basics in KP Astrology

Thank you for all the wonderful emails I have been receiving. I do hear your requests that you would like to learn more about some of the basics before trying to understand the many different charts you are reading in the KPEzine. As you can see, the KPEzine is very powerful and contains a many diverse talents sharing with you their expertise. Thus, I am going to scale back for a moment and try to present to you some of the basics so you can get yourself on track to understanding the many different charts that are presented in each issue. Trust me, we all had to start with training wheels on our journey to casting horoscopes.

The first question I needed to ask myself was, what should I incorporate in my work to get you started? I have been very concerned about explaining concepts that were too basic, but we all must start somewhere; particularly at the beginning. I could just create a chart and have you work from there, but let's peel the onion of KP Astrology back just a little first.

Signs, Elements, Planets and More

There are 12 signs in the zodiac totaling 360 degrees. These signs are divided between 4 elements. Each element consists of 90 degrees and they are:

- Fire – The three signs under this element are: Aries, Leo and Sagittarius
- Earth - The three signs under this element are: Taurus, Virgo and Capricorn
- Air - The three signs under this element are: Gemini, Libra and Aquarius
- Water - The three signs under this element are: Cancer, Scorpio and Pisces

Zodiac is of 360 degrees. In this zodiac there are 12 signs. The 12 signs are further divided into 4 elements. Every element is made up of 90o. First element is fire. In Fire element, there are three signs :- Aries, Leo and Sagittarius. Second element is Earth Element. In Earth element, there are signs named Taurus, Virgo and Capricorn. Third element is Air Element. In it there are three signs named Gemini, Libra and Aquarius. Fourth and the last element is Water element. There are three signs named Cancer, Scorpio and Pisces.

Why is it important to know this? Because the elements and signs above represent all esoteric sciences such as tarot, eastern and western astrology, numerology etc.. You see, when you cast a chart, you can certainly understand where the planets are positioned and what cusps they fall in, but to make even greater predictions, you should understand the significance of each.

For instance, say the Moon is in the third house of a chart, any chart. Well, you may be able to determine a plausible result, but what if you find yourself unclear as to why an event happened a particular way, and not just happened? Or, you found that the horoscope of the native resulted in more turmoil and unrest than you even thought about? Remember, the Moon represents water, an emotional aspect that creates change in an event or change in mind – the so-called Royal Planet. Water is forever changing, just like the fast moving planet, the Moon. Therefore, just saying that Moon is here in this house or that house is not enough if you casted a horoscope for someone. What you need to do is explain some of the granular details to a client if necessary.

Yes, this is more information for you to know, but understanding the nature or behavior of planets, elements or signs can create that subtle result or explain that tremendous outcome; separating you from astrologers that just say an event is just going to happen, just because that is all they know about planets. When I cast a chart, I want to know why, and the knowing certainly helps me understand outcomes much better when it comes to future horoscopes that are cast, or horoscopes I read about.

Speaking of the Moon, what else could you say the planet represents for the sign? What about the fact that it is the mother-like planet that influences a sign or house with domestic comforts, milk, all things connected with the sea, clothing, textiles, hotel and food industry, all with a cold and calm aura. Furthermore, its direction represents north-east.

Now, let's pause here for a moment. When you look at any chart, split the chart in half and you will see that in conducting a chart about yourself, you will also realize that the first six houses can represent your masculine half and the second six houses can represent your feminine half. As for the direction of north-east, in a northern Indian chart, you will see that this directional territory represents houses 10, 11, 12 and 1st houses. Thus the influence of the planet actually represents whatever the houses represent in that region of a chart at the time you cast the horoscope.

Now, I don't want to confuse you, so I will not go too deeply into it at the moment, but the point is, study the basic elements of the chart, the Northern Indian chart and the elements that the chart is made up of, which includes, planets, signs, directions, elements and so forth, and you will then begin to make really accurate predictions, separating yourself from many other astrologers who just say "I don't know". Peace be with you. Until next time.

Query-Asked by Husband for Wife; Will her Thesis be submitted on 29/jun/2015 next day after my judgment?
Horary No-150
Date-28/Jun/2015; Time-06:40:59 Pm
Place-Bhopal (M.P.); Long/Lat-23'16N 77'24E

Following points must considered regarding any research submission.
1) 3rd house indicates mental inclination as well as submission of report.
2)9th house is research or discovery house.
3) 12th house is unknown or isolated place required.
4) 11th house is of success.

Here is my analysis:-
Moon is in Libra 28:26:01.
In chart Moon is placed in 12th and lord of 9th. Star is Jupiter placed in 9th and lord of 2 and 5. Sub Venus is placed in 9th and lord of 7 and 12. Here Moon strongly reflects querry.

After rotation of chart to 7th:-
Moon is in 6th and lord of 3, star lord Jupiter placed in 3rd and lord of 8 and 11 while sub lord Venus is also placed in 3rd and lord of 1 and 6. Moon signifies both 3 and 11.

Prime Cusp of Research 9th:
9th cuspal sublord Ketu is placed in 11th and aspected by Jupiter placed in 3 and lord of 8 and 11. Here 9th cusp sub lord signifies both the houses 3 and 11.

House of Success 11t:.
11th cuspal sublord Mars is placed in 2nd and lord of 7 and 12. Star lord of Ma is Rahu who is aspected by Mars and placed in 5th. Sub Jupiter is placed in 3 and lord of 8 and 11. Here 11th cuspal sub lord also signifies both the houses 3 and 11.

DBAS at time of judgment:-

Jupiter-Venus-Mercury-Venus.

Jupiter signifies 3-11 and Venus signifies 3.
Now about Mercury placed in Asc and lord of 2 and 5. Star lord Moon signifies 3 and 6, while sub lord Venus signifies 3 and 1, 6. Mercury is also karaka of writing and publishing signifies our prime house 3rd.

I predict that your wife thesis will be surely submitted on next day.

Actual Outcome: Next day in afternoon he informed me on phone about submission of thesis.

My pranam to Goddess Durga and Guruji KSK!

Fate of Mumbai Bomb Blasts Convict Yakub Memon Revealed by KP

By: Tin Win

Email: tw853@yahoo.com

Biography:
https://en.wikipedia.org/wiki/Yakub_MemonRegarding the fate of Yakub Memon, DOB: 30 July 1962 TOB: 11:30PM: POB: Mumbai, it was asked in a Yahoo Jyotish group on 26 July 2015 to give any astrological view about the following main question before judgment is announced on Monday the 27 July 2015:

Shall he be hanged or will his punishment be commuted to life imprisonment?

On 26 July 2015 the following astrology prediction for hanging was posted:
Hanging or Commutation?
1. Yakub Memon, Male, Monday, 30/Jul/1962, 11:30:00 PM IST, SID: 19:22:50, MUMBAI (BOMBAY), MAHARASHTRA, India , Lat: 18:58 N, Lon: 72:49 E, KP New Ayanamsa: 23° 14' 40", Placidus, Mean Nodes, Star: Pushyami, Pada 1, Star Lord: Saturn, Rasi: Cancer Rasi Lord: Moon, Lagna: Aries 02:51:53, Tithi: Amavasya, Bal. Dasa: Saturn 16 Y, 7 M, 10 D

2. Lagna cusp sub lord Venus is in house:6, lord of houses 2-7; in star and sub Sun in house 4, lord of house 6; Venus is aspected by Marsin house 2, lord of houses 1-8.

3. 8th cusp sub lord Saturn in 10, lord of 11 Bdk-12; in stsr Moon in 4, lord of 5; in sub Jupiter in 11Bdk, lord of 9-10; 8th cusp is aspected by Mars in 2, lord of 1-8,

4. He would be hanged since medium life with unnatural death is indicted by the signification of Maraka, Badhaka, Moksha by 1st and 8th cusp sub lords and their connection with 8th and Mars. Currently he is running Venus Dasa- Jupiter Bhukti – Mars Antra.

Hope to be wrong. Good luck!

In someone's view, the data given is quite wrong. It is not matching with ruling planets or is not supported by planetary position. Dasa lord Venus is in the star and sub of Sun in 4th house along with Moon and Rahu and Mercury indicates that he should be comfortably sitting at home not at jail. Bhukti lord Jupiter also in star of Rahu and sub of Moon in 4th house indicate a person comfortably in his own house not in jail. There are several other similar pointers, no need to discuss. Somehow, I always find problems with prominent persons charts. No need to analyse.

In this regard, on 27 July 2015, the following view was posted to confirm the above prediction: *Of course 4th house (his current home) is jail after he has been behind bars since 1994. Comfort of Venus is inflicted by aspect of Mars in house 2, lord of houses 1-8.*

Yakub Memon was hanged on 30 July 2015 early morning in Nagpur jail.

Will (UNP) UNFGG Come in Power in General

By: Sumanadasa Namarathna

Ex-Accountant, Justice of Peace

According to the Election Commissioner of Sri Lanka, the 2015 Sri Lankan parliamentary election is due to be held on 17 August 2015. Among the contesting political parties who seek the power, the battle is among only two parties, Sri Lanka Freedom Party and its co-alition parties under the name of United People's Freedom Alliance (UPFA) and United National Party, by the name of United National Front for Good Governance (UNFGG) also forming a coalition party with anti Mahinda front.

A lady interested in Sri Lanka politics wanted to know about the victory of this forth coming election in astrological aspect and asked the question below giving me a horary number.

Question: Will (UNP) UNFGG come in power in General Election 2015 in Sri Lanka?
Horary No. : 28
Date of Judgment : 15 July 2015
Time of Judgmnet : 07.11.01 pm
Place of Judgment : Veyangoda, Western Province, Sri Lanka
Lat. 07° 09' 00" Long. 80° 01' 00"
KP New Ayanamsa: 23° 59' 02"; Ascendant : Taurus 07° 46' 40";
Calculated by - KP Astro 4.1

Hint:
If 10th (one's position in politics) cusp sub lord signifies house 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal sub Lord for UNFGG (UNP)
10th Cusp - Aquarius 00° 41' 40"
The sub lord of the 10th cusp is Mercury+. Mercury is in the star of Rahu and in the sub of Moon. Mercury+ occupies the 2nd house and is the owner of 2 and 5 and the cuspal sub lord of 10 having no planet in its stars. The star lord Rahu is in 5. Rahu is aspected by Mercury (2,2-5) and Mars+ (2,7-12). The sub lord Moon is an occupant of 2 and owner of 3. Thus the 10th cusp sub lord Mercury is a strong significator for 3 & 10. Hence winning of the general election by UNFGG is indicated.

Cuspal Sub Lord of Opponent (UPFA)
10th Cusp - Leo 00° 41' 40"
The sub lord of the 10th cusp of opponent is Kethu. It is an occupant of 5. Kethu is in the star of Saturn(R) and in the sub of Sun. Star lord Saturn(R) is the owner of 3 & 4 and occupies the 12th, close to 1st cusp. The sub lord Sun is occupant of 8, close to 9th cusp and owns 10.
Here the sub lord of 10th cusp, Kethu is a significator for 3 and 10. But Saturn is in retrograde motion at the time of judgment. Hence it is not necessary to go for more significations of Kethu, through the rules of Node, as the main literature of KP Horary system, the 6th Reader says that *"If the sub Lord of the cusp under consideration is deposited in the star of retrograde planet the event cannot materialize"*.

sions of K.P. Astrology (Horary); Styanarayana Naik: K.P. Dynamics (Horary)]

Dasa of UNFGG (UNP) as on 17 Aug. 2015 at 7. am
Jupiter MD, Saturn Bukthi, Moon Anthar, Saturn Shooksma
Jupiter : 11 - 4 - - 8, 11
Saturn : 7 - 7 - 9, 10 - 9, 10
Moon : 4 - 2 - 8, 11 - 3
For UNP all the DBAS are the significators for winning houses 3, 10, 11.

Dasa of Opposition as on 17 Aug. 2015 at 7. am
Jupiter MD, Saturn Bukthi, Moon Anthar, Saturn Shooksma
Jupiter : 5 - 10 - -2 , 5
Saturn : 1 - 1 - 3, 4 - 3, 4
Moon : 10 - 8 - 2, 5 - 9

Verdict: The 10th cuspal sub lord of the opponent doesn't make any benefit for the winning and I declared that UNFGG will surely win this general election.

Sri Lanka political map is consisted with 225 electoral seats. The level of wealth of a native is indicated by the 2nd house. In mundane astrology house 2 indicates the position of political wealth i.e. number of seats won in an election.
In this horary map of the winning party, the cuspal sub lord of 2nd is Sun+. It is in the star of Jupiter and in own sub. The Sun is the lord of 4 (assets/seats), in 2 (wealth/money), in the star of Jupiter lord of 8 (loss) and 11 (accumulated wealth gain). Thus the 2nd sub lord is a significator for 2 & 11 for amass wealth (seats). When considering the loss with the signification of 8th house, the UNFGG would win 75% of seats ie; 168.

Name: Shivraj Singh Chouhan
Question 1: Will any action taken against me for involving in Vyampal scam?
Date of birth. 05/03/1959, Sunday; Time of birth. 12:00:00 PM IST
Place of Birth: Jait-MP, Lon/Lat: 12° N 57, 77° E 34'.
Aynamsha 23^0.11'.49"; Dasa days: 365.25

Hints

If the sub lord of the 10th cusp (status) be the significator (in the star of the occupant or owner) of 7 (court proceedings), 8 (infamy) or 12 (crimes), the native will be involved in court proceedings, will be ill-reputed and will be inflicted with punishment, during the joint period of the significators of 7, 8 and 12.

Cuspal Sub lord:
Cusp 10th. (Aquarius 12^0.41'.43"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Saturn and sub of own. Mercury is occupant of 10, owner of 2-5. Star lord Saturn is occupant of 7, owner of 9-10. Thus 10th CSL signifies 7-9-10 and connected with 10-2-5. Hence litigation chance is there.

Joint period:
At the time of question you are running dasa of Saturn up to 23-04-2033. Joint period running is Saturn-Saturn-Venus up to 20-11-2015.

Dasa and Bhukti lord Saturn is in the star of Ketu and sub of Mercury. Saturn is occupant of 7, owner of 9-10. Star lord Ketu is occupant of 11. Ketu is conjoined with Mercury and Venus, hence represent Venus. Mercury is occupant of 10, owner of 2-5. Venus is occupant of 11, owner of 1-6. Sub lord Mercury is occupant of 10, owner of 2-5. Thus dasa and bhukti lord Saturn signifies 11-10-2-5-1-6 and connected with. Thus during this dasa and bhukti litigation chance is there.7-9-10-2-5. Hence litigation chance is there.

Antra lord Venus is in the star and sub of Mercury. Venus is occupant of 11, owner of 1-6. Star and sub lord Mercury is occupant of 10, owner of 2-5. Thus Antra lord Venus signifies 2-5-10 and connected with 1-6-11. Hence litigation chance is there.

My opinion: Yes, there is a chance of involve in litigation but 11th signifies strongly so he will come out innocently.

Question 2: Should I have to resign from my post?

Hint:
If 10th (one's position in politics) cusp sub lord signifies 10 (one's Reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of 3, 10, 11, then success is assured.

Cuspal Sub lord:
Cusp 10th. (Aquarius 12^0.41'.43"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Saturn and sub of own. Jupiter is occupant of 10, owner of 2-5. Star lord Saturn

is occupant of 7, owner of 9-10. Thus 10th CSL signifies 7-9-10 and connected with 10-2-5. Hence indicate good political carrier.

Joint period:
At the time of question you are running dasa of Saturn up to 23-04-2033. Joint period running is Saturn-Saturn up to 26-04-2017.

Dasa and Bhukti lord Saturn is in the star of Ketu and sub of Mercury. Saturn is occupant of 7, owner of 9-10. Star lord Ketu is occupant of 11. Ketu is conjoined with Mercury and Venus, hence represent Venus. Mercury is occupant of 10, owner of 2-5. Venus is occupant of 11, owner of 1-6. Sub lord Mercury is occupant of 10, owner of 2-5. Thus dasa and bhukti lord Saturn signifies 11-10-2-5-1-6 and connected with 7-9-10-2-5. Thus during this dasa and bhukti political carrier is medium during Saturn dasa.

Antra lord Venus is in the star and sub of Mercury. Venus is occupant of 11, owner of 1-6. Star and sub lord Mercury is occupant of 10, owner of 2-5. Thus Antra lord Venus signifies 2-5-10 and connected with 1-6-11. Thus during this Antra political carrier is medium during Venus antra.

For opponent:
Dasa and Bhukti lord Saturn is in the star of Ketu and sub of Mercury. Saturn is occupant of 1, owner of 3-4. Star lord Ketu is occupant of 5. Ketu is conjoined with Mercury and Venus, hence represent Venus. Mercury is occupant of 4, owner of 8-11. Venus is occupant of 5, owner of 7-12. Sub lord Mercury is occupant of 4, owner of 8-11. Thus dasa and bhukti lord Saturn signifies 5-4-8-11-7-12 and connected with 1-3-4-8-11. Thus during this dasa and bhukti political carrier is best during Saturn dasa.

Antra lord Venus is in the star and sub of Mercury. Venus is occupant of 5, owner of 7-12. Star and sub lord Mercury is occupant of 4, owner of 8-11. Thus Antra lord Venus signifies 8-11-4 and connected with 7-12-5. Thus during this Antra political carrier is medium during Venus antra.

My opinion: Your opponent are more powerful then you thus there is a chance of resign from post of CM.

Questions & Answers

Question- 1: Signification at Three Levels of Planet, Star Lord and Sub Lord

FOR YOUR OPINION

I am a learner in KP System.

IN KP SYSTEM ,THE PLANET IS THE SOURSE OF THE MATTER. THE STAR LORD IS REVEALING THE NATURE OF RESULT OF THE MATTER. THE SUB LORD IS THE DECIDING FACTOR WHETHER THE MATTER IS FAVARABLE OR NOT.

When I am reading the books of KP/KPEZINE MAGAZINE/ASTROVISION/JASA ETC the above rule is not followed strictly.

For example:

In the books of SUB LORD SPEAKS-V0LS 1-3, edited by By Mr K subramanyam, second son of KSK. In some of the articles , it was observed that signification of SUB LORD only is taken for ,frutification of the result , even though the star lord does not signify.

In some articles, it is observed that a planet is a significator of "D" categery, out of ABCD, and it is not considered as a significator saying that it is only sign lord and not a significator for a particular house.

IN KPE ZINE SEPTEMBER 2014, HERE MARRIAGE IS PROMISED EVEN THOUGH THE STAR LORD DOES NOT SIGNIFY EITHER OF THE HOUSES 2 OR 7 OR 11. ONLY SUB LORD MARS SIGNIFY 11.

There is a contradictory statement by MR TIN WIN in his lessons- KP for beginners Part-9.

"In order to get the better prediction results all the houses signified by the planet level, star level and sub level are to be jointly considered, keeping in mind that the houses signified in the two levels opposed by the sub lord signification cannot give the desired results and the houses strongly signified at the sub level, even though not signified in the first two levels can give the desired results "

Mr TIN WIN in some other part in his lessons for beginners stated that even though star lord does not signify the matter, if signified by sub lord, the matter will be fructified with difficulty.

IN THE BOOK "THEORY AND PRACTISE OF STELLAR ASTROLOGY" by PVK Punneswararao

On page 34, it is clearly stated that star lord signification is required along with sub lord.

Again on page 40, under note:2, the statement is different. " if the sub lord or star lord is not connected to the relevant houses....."

In view of the above, I am totally confused.

What I have observed is that Predictions are given in books/magazines:

- *When both sub lord and star lord are connected.*
- *When only when star lord is connected and not sub lord.*
- *When only sub lord is connected and not star lord.*

WHICH IS CORRECT?

Answer- 1:

1. In the books of SUB LORD SPEAKS- Vols 1-3, written by K.M. Subramaniam, compiled by K. Subramaniam, second son of KSK, the author takes importance of the sub lord and he goes up to the star of sub (now called 4-step method) for better understanding of sub's

indication. KP is 3-step up to sub only. Among the grade A to E KP significators grade D significator is house(s) owned by a planet.

2. There is no contradiction in my statements. For better understanding of sub as a decider as well as a significator, please read again my article "Double Role of the Sub as a Decider as well as an Event Indicator" in the KPE-zine Sept 2014 issue.

3. In the book "THEORY AND PRACTISE OF STELLAR ASTROLOGY " by PVK Punneswara Rao, 2008 enlarged Edition, on page 34, the KP fundamental rule is mentioned like this "A planet transiting in a sign is the source of the event, the lord of the star in which the planet is transiting signifies the nature of the event according to its nature, occupation and lordship, while at the same time the sub lord decides whether the event is favorable or not according to its lordship." It doesn't mean that star lord signification is required along with sub lord. Here the double role of sub as a decider as well as a significator is to be taken into consideration. In following the KP fundamental rule, in order to avoid confusion it does not need to consider what is said on page 40, under note: 2, "If the sub lord or star lord is not connected to the relevant houses, the Rahu and Ketu representations (as explained in Chapter 11 [Note 1] can be taken".

4. All the below are correct:
When both sub lord and star lord are connected.
When only when star lord is connected and not sub lord.
When only sub lord is connected and not star lord.

The bottom line is *"In order to get the better prediction results all the houses signified by the planet level, star level and sub level are to be jointly considered, keeping in mind t*he double role of sub as a decider as well as a significator".

Question- 2: Foreign Settlement Rule

Dear Friends,
In a survey of 100 charts of foreign settlement, the Sub lord of 12th cusp of 30 charts (out of 100) is found deposited in a common sign, 28 charts (out of 100) in a moveable sign, and 42 charts (out of 100) in a fixed sign, ie. the Sub lord of 12th cusp in a moveable sign for foreign settlement is not found working. (Msg#3836)

and in the House Grouping part-4 in the KP-Ezine, it is said

CUSP	*S.NO*	*Event*	*Houses to be signified by cusp Sub-lord (Sbl)*	*DBA jointly signifying houses*	*Remark*
12	*7*	*Foreign settlement (tested rule)*	*3,9,12*	*3,9,12*	*And other 2 required conditions are: 2) Asc/its Sbl also signifying 3,9,12 & 3) 3,9,12 significators connected to each other.*

12	*8*	*Foreign settlement (other rules)*	*1,3,9,10,12*	*1,3,9,10,12*	*2) 12th cusp in movable sign indicates leaving present place and never return; 3) 11th Sblord signification of 11 & 12 houses or 4) Asc & 4th lord in 9 house indicates living in foreign place.*

sign indicates leaving present place and never return; 3) 11th Sblord signification of 11 & 12 houses or 4) Asc & 4th lord in 9 house indicates living in foreign place.

Sir, Shall I take, If 12th cusp & 12th cu. su. L in movable sign, in natal Chart, Native cannot settle at abroad or will settle at abroad & not return.
Please help me sir.

Answer- 2:
In the study of 100 foreign settlement charts, the sub lord of 12th cusp in movable, fixed or common sign is found not working. The tested rule for foreign settlement is for the 12th cusp sub lord to signify house 3,9 or12 and also jointly for the 12th cusp sub lord to signify house 3,9 or12. It is more sure if 3,9,12 significators are connected to each other.

Question – 3: Counting the Issue of Children
I am a learner in KP System.
I am going through through the " GUIDE LINES FOR PREPARING AND JUDGING A HORARY CHART AS PER KP SYSTEM OR KP PRINCIPLES" By Kuppu Ganapathy in KPEzine Feb-2007. Again - KP FOR BEGINNERS PART 11- READING KP HORARY CHART- By TIN WIN in KPEZINE-APRIL -2009.
Kuppu ganapathy article says," For the sons and daughters of the querist take 5th " Here there is no restriction like first child OR second child etc. Tin Win article says " for first child take 5th, second child take 7th ". My doubt is " WHICH IS CORRECT?" For example, if the querist refers his first issue daughter- for which house to be rotated?. refers his second issue son - for which house to be rotated?.
The funniest part is, Mr Tin WIN , in his above article referred Kuppu Ganapathy"s above mentioned article as reference.

Answer – 3:
The general rule in astrology, both KP and Vedic, is that for a female 5th house is considered for 1st child, 7th house for 2nd child, 9th house for 3rd child and so on, also counting the miscarriage(s) over three months of pregnancy. For a male it is to take 11th house for 1st child, 1st house for 2nd child and 3rd house for 3rd child and so on, and the rationale is that the 5th from 7th (spouse) house is 11th house for 1st child. (KP Reader IV, page 224)

If the querent asks a question about the matter related to somebody else, the chart is rotated according to the relation between the querent and the person in question in the solved examples of KP Readers.

Question – 4: Retrogression
Sir, I request you to give your opinion /compiled notes on retro-gradation of planets in its effects& how to apply, in horary as well as in transit....Many times I am not getting correct answer because of it...plz sir

Answer – 4:
Not Moving Backward At All: Retrogression means moving backward. The Sun and Moon never retrograde. Rahu and Ketu always move backward and so they are not considered as retrograde planets. In fact, “other planets, Mars to Saturn, also never really move back-

ward", and these planets, when retrograde, appear to be moving backward to us here on Earth from Geocentric position, i.e. taking Earth as center. This reverse motion is only a visual illusion as the slower planet coming backward due to the own motion of the Earth's orbit. Like a train passing a moving car, passengers in the train experience the illusion that the slower car is moving backward due to the speed at which the train is moving.

However, this virtual (not actual) retrogression has been stated in Western astrology and the Jyotish classic texts, Bhavatha Ratnakara, Brihat Parashara Hora Shatra, Horasara, Jataka Parijata, Jataka Tattwa, Phaladeepika, Sanketanidhi, Saravali, Uttarakalamarita and also the articles in the special issue on the role of "Retrograde Planets in Astrology" in the Dr. BV Raman's Astrological Magazine, September 1974, by Vedic astrologers, Bepin Behari, V.A.K. Iyer, Ajanta Jain, S.K. Kapoor, R. Lakshmanan, Y. Keshava Menon, , S. Jagannatha Rao, L. Narain Rao, R. Santhanam, P.S. Sastri, V.K. Sinha, B. Suryanarayan Rao, N. Wiswanathan. The editorial note on that special issue was written by Agastya, not by Dr. BV Raman as usual.

"Dr. BV Raman has been totally silent on the subject of retrogression in his writings" i.e. he doesn't apply retrogression in his way of astrological analysis.

Among divergent views one thing common is that "retrogression has been mainly considered as an indication of strength (chestabal)" because a planet, when retrograde, is nearer to Earth and can have its greater impact.

In both KP and Western astrology, there are two different views i.e. retrogression does matter in horary astrology vis retro retrogression doesn't matter at all based on study of practical charts.

As it is not yet conclusive, follow whichever gives YOU the better results based on experience or faith. I do not take into consideration of retrogression.

Question - 5: Star Lord

In KP- 5th Reader . 9th Edition : 2004, Pg, 254, Under Chapter " Ashtama Sani and Honour " it is stated that:.

Lord of Lagna offers Grand success to a native if it would have occupied the constellation of the lords of 1, 2, 3 6, 10, or 11th house : The Sub (according Krishnamurti System) in that constellation must be Ruled by one of the Lords of 1, 2, 3 6, 10, or 11th house : Then in their conjoined period one can look for success. . . . . So Venus will contribute for success.

In the Example :

Lagna = VE – MO – VE And VE is in CP - 21 0 – 25' , which is between 20 0 – 27' & 22 0 – 40 ' = SA – MO – VE & thus, Sub-L VE is ruled by MO, - lord of 10

Suppose, VE were to be in CP-18 0 – 00', which is between 17 0 – 46' & 19 0 – 40' i.e – SA – MO – ME So, ME planet is ruled by MO – Lord of 10.

Sir , the sub-L VE planet which comes after planet -ME as sub , Can we take Sub VE planet is ruled by MO- lord of 10, though VE is not in CP 21 0 – 25'

This is my humble request, Pl clarify sir.

Answer – 5:

Lagna Sub-L VE in CP - 21 0 – 25' , which is between 20 0 – 27' & 22 0 – 40 ' = SA – MO – VE (Sgl, Stl, Sbl) & thus, Sub-L VE is ruled by MO - lord of 10.

As long as Lagna Sub-L VE is in CP between 10 0 – 01' & 23 0 – 20', Sub-L VE is in the star of MO and so ruled by MO - lord of 10. But Sub-L of VE will change from MO to SU depending VE position from CP 10 0 – 01' to 23 0 – 20'.

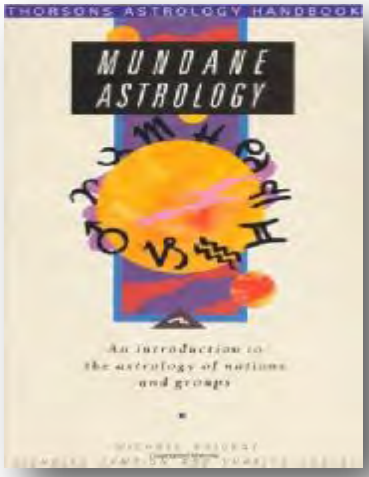
Mundane Astrology
by Michael Baigent, Nicholas Campion and Charles Harvey
HarperCollinsPublishers, 1995, 2nd Revised Edition, 523 pages



Mundane Astrology is a comprehensive and critical survey of mundane astrology past and present. It tackles the problems of formulating a practical and systematic approach to this much neglected area of astrology. It covers the history, principles, techniques and application of astrology to analyzing and forecasting trends in national, political, economic and world affairs. It shows how to work with the major and minor planetary cycles and Astro*Carto*Graphy to understand the pattern of unfolding ideas in the Collective and where they are likely to come to the fore. The authors give a comprehensive study of all known techniques for forecasting and a comprehensive bibliography and references for further study. A detailed analysis of the astrological background to World War II is used to illustrate the range of techniques. A study is given of the relationship to the charts of countries and their leaders and includes an analysis of the charts of some of the world's leading nations.
The authors start with Forward to use mundane astrology, which is presented as a valuable instrument in successfully predicting major events like the death of Brezhnev from November 1982, the dissolution of the Soviet Union from 1989, the Pakistan military coup from 6 August 1990 etc.

Part 1 – The Background
In Chapter 1 – The Development of Mundane Astrology from the Babylonians to the Arabs is a well documented essay about the early history of astrology starting from Mesopotamia through Greece, Egypt, Persia, Italy, until the Arabic world.

In Chapter 2 – The History of Mundane Astrology in Europe presents the evolution of astrology wit the conclusion is that astrology played an important role being used by the most important people in almost every period.

In Chapter 3 – Mundane Astrology and the Collective, the Jungian terms collective uncon-

scious and archetype (pattern of emotional and mental behaviour) are used to explain the psychology of masses and to give some advices about how a mundane chart can work. His conclusions are: "1. The mass can act as an individual. 2. The mass is more fated than an individual. 3. Natal and mundane astrology bear the same relationship to each other as do the individual and the mass – they are at the opposite ends of the same spectrum. 4. A state is a expression of the mass, usually centered about a leadership. 5. The birth time of a state is that point when the new leadership takes power."

In Chapter 4 – The National Horoscope: Mundane Astrology and Political Theory, the author presents different theories used to determine the appropriate time when a state is created and the natal chart can be erected.

Part 2 – The Material
In Chapter 5 – The Great Year the author shows how different cultures computed the Great Year which is the Year of the Universe by different cultures, different techniques.

In Chapter 6 – Cycles in Practice, In the first part the author explains why cycles hold such an important place in philosophy and astrology. In the second part one can find the interpretations for the major astrological cycles of planets, and also a detailed example of cycles in mundane astrology in an analysis of the assassination of J. F. Kennedy.

In Chapter 7 – The Planets and Chapter 8 – The Houses and Signs, the authors presents shortly the signification of planets, houses and signs in mundane astrology.

Part 3 – The Techniques
In Chapter 9 – Ingresses, Lunations, Eclipses, Charles Harvey states very clear that ingresses and lunations give weak results in mundane astrology. He quotes Charles Carter and Andre Barbault, two of the most important mundane astrologers, which have the same opinion. On the other side, eclipses and the natal charts are instruments much more reliable for predictions and seem to give better results.

In Chapter 10 – Where on Earth: Astrocartography, the author presents some techniques used in mundane astrology to find the place where the events will happen. The first one, Astrocartography (ACG), shows the places where a planet is on angles (ASC, MC, DESC, IC) and is pretty easy to use with a computer software. Like with ingresses and lunations, the author warns us not to expect very good results, because it is not so simple as it seems. The second method (Chapter 11) proposed by the author is to find the earth areas which correspond to every zodiacal sign. The third method (Chapter 12) is to use the charts of towns, but there is one big problem: for the most of cities we don't know the time of creation, the natal chart.

In Chapter 13 – Other Techniques, "Charles Carter considered that the chart of national leaders, together with the chart of the nation itself, where the times of these are accurately known, constitute by far the most reliable basis for mundane forecasting. They certainly represent the whole "inner" aspect of forecasting and must therefore constitute one half of the process of preparing a forecast." This is the idea accepted by the author who presents some examples for the charts of national leaders and their countries: Hitler and Germany, Kennedy and U.S.A., Margaret Thatcher and U.K. Then, are presented other techniques, not so often used, like: declination cycles, degree areas, degree symbols, fixed stars, the galactic centre, the supper galactic center, the solar apex, heliocentric astrology, asteroids, new year charts, horoscopes of centuries etc.

It is well said, "The ex post facto explanation of world events probably employs more different techniques than any other area of astrology. Retrospective analyzes of earthquakes, sudden national upheavels, and the latest eye-catching headline call out methods which are rarely heard of when forecasts are being made."

Condolence Messages

My heartiest and deepest condolences to the family members of Sri. Vaikari Rama Murthy Ji a famous profuse K.P. astro treasure who passed away on 21-08-2015 in Chennai.

I had great experiences with Sri. Vaikari Rama Murthy Ji and had personal touch with him many times. Whenever my article published in astro-magazines he used to talk personally on phone and appreciate and encouraged me a lot of times. He always suggested me to search and research the new area of K.P. astrology and to enlighten the facts and needs of astrology to each and every human being who loves astrology.

In this connection I once again express my heartfelt deep condolences to the family members of the respectable friendly unforgettable human being Sri. Vaikari. Rama Murthy Ji and I pray Almighty to rest his soul in peace.

VSN. Murthy, K.P. Astrologer, KURNOOL-518004.

My deepest condolences to the family members of Sri. V. Rama Murthy Ji a famous K.P. Astrologer who passed away on 21-08-2015 evening in Chennai.

I got a chance to meet him personally on 26 February 2014. It was a great experience with Sri. Vaikari Rama Murthy Ji. He was very humble human being down to earth, very polite and always helpful. It was my fortunate to get his blessing.

Really it is a great loss of KP community.

I express my heartfelt deep condolences to the family members of Sri. V. Rama Murthy Ji and I pray Almighty to rest his soul in peace.

Kanak Bosmia-Ahmedabad

My heart felt condolence to our beloved KP stalwart Shri.Vaikari Ramamurti ji who passed away on 21st August 2015 !

He was a direct disciple of our Guruji. KSK and he was very close to our Guruji and his family also. He had rendered his expertise to our KP astrology society through many articles directly and indirectly through the publications of the sons of Shri.KSK.

It was my great moment that I had the opportunity through Sri.Rajagopal Rao to meet and get his blessings in February this year. And I could still remember the discussion and his words to me!

He said finally " Do not give up KP. Improve it further !!"

We all miss a great person in KP !! May his soul rest in peace !!

Dr.G.K.Adith Kasinath
KP astrologer

I am deeply saddened to know that the renowned KP astrologer, author, lecturer and teacher Sri Vikari Ramamurthi ji is gone. Although I never knew him personally, I have great admiration for his contributions in KP, principally through his articles and books, which are a gold mine for current and future KP astrologers.

That level of integrity and strength of character in the search for knowledge is exceptional and very rare. He will be sorely missed by the KP astrological community but, on the bright side we're lucky to have the legacy of his writings to continue to learn KP from here on this plane.

My heart-felt condolences to his bereaved family in this time of grief!
May his soul rest in peace!

Tin Win (TW)

Shocking to hear that Shri. Vaikari Ramamurthi is no more. He contributed immensely to the KP system through his articles and talks. He was such a humble man and spontaneously helped beginners who needed advice and guidance. We will all miss him very much. May his soul rest in peace!

Regards,
Rangarajan

Tribute to Leading KP Stalwart Sri Vaikari Ramamurthy

Sri Vikari Ramamurthy was born on December 3, 1942 at 9:30 AM IST at a place, 13n30, 80e18, near Chennai, India, KP New Ayanamsa 22:58:12, Asc. Sagittarius 16:54:10, Moon Dasa balance 8Y,11M,3D, calculated by KPAstro 4.1.

For his interest in astrology, the 1st (native oneself) cuspal sub lord (CSL) Moon (mind, mental inclination) indicates house 5 (intelligence, intuition, past life credit), 8 (mysterious arts), 9 (astrology in general), 11 (success and Siddhi) and 12 (occult knowledge) by being in the star of own and sub of Mars. Moon is almost exactly conjoined with Neptune (intuition) at Virgo 8:48:24.

Regarding success in astrology in general, his 9th CSL Saturn+ (spiritual concentration) indicates house 2 (speaking ability, prediction), 3 (mental inclination), 5 (intelligence, intuition, past life credit), 8 (mysterious arts), 9 (astrology in general) and 10 (profession for counseling, name, honor) by being in the star of Mercury (chief karaka for astrology, intellectual thought-cells of a studious astrologer), and sub of own. Saturn is conjoined with Uranus (astrology) at Taurus 9:16:35. Star lord Mercury is also supported by aspect of Uranus (astrology) and Jupiter (chief karaka for higher learning and knowledge, intuition, ability to attract patronage).

In order to take profession of astrological counseling, the 10th CSL Rahu+ indicates house 2 (speaking ability, prediction), 3 (mental inclination), 5 (intelligence, intuition, past life credit), 8 (mysterious arts), 9 (astrology in general) and 10 (profession for counseling, name, honor) by being in the star of Ketu (occult knowledge, Enlightener) and sub of own. Star lord Ketu is in Aquarius (astrological sign). Fortuna is also in house 10 making this house fortunate. He entered into service on November 28, 1962 in Dasa of Rahu Dasa- Bhukti of Jupiter, significators of houses 2,10. Rahu+ in Leo represents Sun which is conjoined with Venus+ (significator of service 6,10).

For success in practicing astrology, the 11th CSL Mercury (chief karaka for astrology, intellectual thought-cells of a studious astrologer) indicates house 7 (public relations in counseling), 10 (profession for counseling, name, honor) and 11 (success and Siddhi) by being in the star and sub of own. Mercury is also strengthened by aspect of Uranus (astrology) at Taurus 9:16:35, Saturn+ (spiritual concentration) and Jupiter (chief karaka for higher learning and knowledge, intuition, ability to attract patronage).

As per the above analysis, Sri Vikari Ramamurthy can be seen as a renowned KP astrologer, author, lecturer and teacher of our time to enjoy good esteem in his life. Apart from this, he had good income from consultation from astrology. He had decent good pension. He owned a house out of his own earnings to live in although his 4th CSL is Rahu without having own house but signifying houses 2,4 and 11.

Regarding longevity, the 1st CSL's signification of favorable houses 5, 9, 11 along with undesirable house 8,12 without Maraka, Badhaka indicates long life over 66 years. He passed away on August 21, 2015 in Chennai at the age of 72 years.

On the day of death the running dasa sequence is Mercury-Venus-Venus-Mercury DBAS.

Dasa and Sookshma lord Mercury strongly signifies house 7 (Badhaka, Maraka) and 10 (retirement from this world) along with life saving 11 by being in the star and sub of own. Bhukti and Antra lord Venus+ strongly signifies house 6 (sickness), 7 (Badhaka, Maraka), 10 (retirement from this world) and 12 (Moksha, end of life) along with life saving 11 by being in the star of Mercury and sub of own. The 11th signification couldn't save the life against death inflicting Maraka, Badhaka and Moksha houses and 6, 10.

On the day of death, Dasa and Sookshma lord Mercury was transiting in the star and sub of Sun which is almost exactly conjoined with Badhaka significator Mercury in the natal chart; Bhukti and Antra lord Venus in the star of Mercury and sub of Rahu; Luminary Sun in the star of Ketu and sub of Moon; Another luminary Moon in the star of Rahu and sub of Mercury, which indicate death inflicting houses to agree with dasa.

May his soul rest in peace!

Consider the house 3, 9 and 12 for the missing person counting from his Ascendant and the houses 2, 8 and 11 (being 12 to 3, 9 and 12) for returning home.

If the cuspal sublord of 12 be the significator of 3(away from home), 9(Unknown place) or 12 a person runs away during the joint period of the significators of 3, 9 and 12.

If the cuspal sublord of 11 be the significator of 2, 8 or 11(reunion) a person returns home during the joint period of the significators of 2, 8 and 11.

Hints
3rd house indicates news and 11th house indicates fulfillment of desire.
If the cuspal sub lord of 3rd house (news) is the significator (i.e. in the star of the occupant or owner) of 3 and 11, the querent will hear the news.

The querent will hear the news when the transiting Moon passes over the same degrees as that of the significators of 3 and 11; also when Moon transits the same degrees as that of the significator of the 3rd house of the missing person.

Note: In this case question ask for Pet, thus I will check 4^{th} Cusp Sub Lord (6 is Pet and 11^{th} from 6^{th} is 4^{th})

Cuspal Sub lord

1^{st} cusp (Aquarius 06^0.40'.00''): The cuspal sub lord of the 1^{st} is Rahu. Rahu is in the star and sub of Mars. Rahu is occupant of 8. Rahu is in Virgo sign, hence represents Mercury. Mercury is occupant of 9, owner of 5-8. Star and sub lord Mars is occupant of 11, owner of 3-10. So 1^{st} cusp sub lord Rahu is significator of 11-3-10 and connected with 8-9-5. Hence there is no danger to life of missing pet.

11^{th} cusp (Sagittarius 09^0.42'.35'): The cuspal sub lord of the 11^{th} is Saturn. Saturn is in the star of Jupiter and sub of Rahu. Saturn is occupant of 9, owner of 1-12. Star lord Jupiter is occupant of 6, owner of 2-11. Sub lord Rahu is occupant of 8. Rahu is in Virgo sign, hence represents Mercury. Mercury is occupant of 9, owner of 5-8. So 11^{th} cusp sub lord Saturn is significator of 6-2-11 and connected with 9-1-12-8-5. So it is sure cat will come back.

4^{th} cusp (Taurus 15^0.15'.13''): The cuspal sub lord of the 4^{rd} is Jupiter. Jupiter is in the star of Mercury and sub of own. Saturn is occupant of 9, owner of 1-12. Star lord Mercury

is occupant of 9, owner of 5-8. Thus 4th cusp sub lord Jupiter signifies 5-8-9 and is connected with 1-9-12. So it is sure cat will come back.

Ruling Planets:

	Day lord	Sign lord	Star lord	Sub lord
Day. Saturday	Saturn	—	—	—
Asc. Aquarius 22°.49'.14”	—	Saturn	Jupiter	Saturn
Moon. Leo 06°.53'.00”	—	Sun	Ketu	Rahu

Ruling planets are Saturn, Jupiter, Sun, Rahu and Ketu.

Joint Period
At the time of judgment, balance dasa is Ketu up to 04-04-2018. At that time joint period of Ketu-Rahu-Venus-Venus up to 17-11-2014 is running.

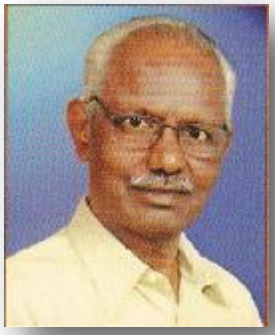
Dasa lord is Ketu. Ketu is in the star of Mercury and sub of Mars. Ketu is occupant of 2. Ketu is aspected by Mars and Jupiter. Mars is occupant of 11, owner of 3-10. Jupiter is occupant of 6, owner of 2-11. Star lord Mercury is occupant of 9, owner of 5-8. Sub lord Jupiter is occupant of 6, owner of 2-11. Hence, dasa lord Ketu signifies 5-8-9 and is connected with 2-3-10-11-6. Ketu is in the RPs and indicates 2-8-11.

Bhukti lord is Rahu. Rahu is in the star and sub of Mars. Rahu is occupant of 8. Rahu is in Virgo sign, hence represents Mercury. Mercury is occupant of 9, owner of 5-8. Star and sub lord Mars is occupant of 11, owner of 3-10. So bhukri lord Rahu is the significator of 11-3-10 and connected with 8-9-5. Rahu is in RPs and indicates 8-11.

Antra and Sookshma lord is Venus which is not in RP, hence we check next Sun starting from 09-01-2015, if cat is to be found it will be within some days otherwise not, thus no need to check period after 2 months.

My opinion: You will not get cat back.

Outcome: Prediction comes correct.



Marriage promised - But denied!
What a paradox
K.P. Unveils the secrets

As per the ancient culture, there are three objectives of the samskara of marriage. The first is to unite a man with a helpmate after he completes the study of Vedas. This helpmate is expected not only to run his household but assist him in the practice of the Vedic dharma. The second is to bring forth into this world children of noble outlook and character who are to be heirs to the great Vedic tradition, citizens of the future who will be the source of happiness in this world. The third is to create a means for women to be freed from worldly existence. A man who is not yet fully mature inwardly is assisted in his karma by his wife. By doing so, by being totally devoted to her husband, she achieves maturity to a degree greater than he does. Then there is a fourth objective which is the subordination of sensual gratification to the other three.

Such are the high ideals of the institution of marriage, which help the individual to grow as a full-fledged human being and in turn to realize the very purpose of the birth viz., self emancipation. But now a days the institution of marriage is not being properly appreciated and has become a puzzling question for many; more so for the youth. Questions like whether to marry or not and whether it would be happy experience or otherwise seem to be haunting the youth. The science of astrology, if properly analyzed and the secrets are revealed, helps to understand these subtleties to some extent.

With this background I would like to dwell upon ten cases of marriage denial for the benefit of the readers.
I have taken ten charts of individuals for my analysis whose marriage is promised but denied(in most of the cases), with the help of K.P system and their rules on it. The table of the individual charts with their birth details is furnished here under and the charts are attached.

K.P rules for Marriage—if the sub lord of the 7th cusp is a significator of or 7or11 marriage is promised and it will take place during the conjoined period of the significators of 2, 7 & 11 in their Dasa, Bhukthi and Anthara periods.

K.P rules for Denial of Marriage—Rule no.1- According to K.P. a person is denied of marriage when the sub lord of the 7th cusp is in constellation of the significator of 1, 6, and 10 houses – negative houses for marriage (2, 7 &11). (Page 105 – Reader No. 4 by Sri KSK).

RULE.NO. 1-As per KP system marriage is denied if the 7 CSL signifies negative houses 1,6 & 10 along with 2,7 & 11 houses. (Page 105- Reader 4)

Apart from these rules, there is one important factor for marriage which the individual has to have is 'desire for getting married'. This aspect is to be invariably verified by looking into the individual's chart before proceeding further. Saturn, Sun, Rahu and Kethu are the four main planets and their impact on the four important houses 2-5-7 & 8 is to be studied from this angle.

In any astrological chart 2nd house speaks of one's family, 5th house speaks of love and romance apart from progeny, 7th house speaks of marriage , and 8th house for sexual desire and desire for intimacy with the opposite sex.

Sir David Frawley in his book "Astrology for seers" says, "Sun, Saturn, Rahu and Kethu are the separative planets. They serve to separate or remove us from the things in life that they influence."
Sun creates independence or burns things up.
Saturn creates loss, alienation or detachment.
Rahu is depressing in action and gives an attraction to what is foreign or distant.
Kethu makes us contract and causes negativity.
Any of these planets if individually or collectively throw their influence on the –
--2nd house- it will not allow the individual's mind to have his or her own family;
-- on 5th house- will develop a sort of negativity on the very aspect of love and romance in the individual's mind by creating a feeling of taboo on it, there by dissuading the mind from interaction with the opposite sex;
--On the 7th house-will create an aversion for marriage; and
--on the 8th house—will develop a feeling of frigidity and keep them to be away from the opposite sex.

Now let us see how far this aspect has an influence on the above charts.

(1) Chart no. 1- A S-
---2ND HOUSE lord is Venus is in 8th house and is in Kethu star and Saturn sub. Again this Kethu is conjoined with Saturn and both are being connected by mutual aspect.
All the three planets have thrown their influence on the 12th house (for bed comforts). Sun is directly aspecting the 2nd house.
--8th house lord Mars is in 10th cusp is placed in Saturn sign, Rahu star and Venus sub placed in 8th.
Thus the 2nd and 8th are spoiled by the influence of Saturn, Kethu, Mars and Rahu jointly.

(2) Chart No. 2- K A-
--2nd house lord Jupiter is in the company of Saturn (within one degree orb) as lord of 1 &12. Kethu is placed in 1st cusp within one degree orb to 2nd cusp.
-- 5th house is aspected by Saturn by its 3rd aspect.
---8th house is under the sway of Rahu within one degree orb to 8th.7th lord Sun in 12th is aspected by Saturn by its 10th aspect.
Thus all the four houses are under the full influence of all the four separative planets.

(3) Chart no. 3-B. S --
-- 2nd lord Moon is directly aspected by Saturn.
--5th is being housed by Mars aspected by Sun- to burn down the very desire for romance and love.
--7th lord Jupiter in 11th is aspected by Mars and also is in the company of exalted and powerful Sun.
--8th house lord lord Saturn is in 4th (12 to 5th), in the star of Moon and sub of Saturn. 8th house is aspected by Mars.
Thus all the four houses and four planets have left full negative attitude towards marriage and family life of the native's mind to remain as a bachelor and to seek the path of yoga.

(4) Chart no. 4—T.L—
-- SATURN in the company of Rahu has direct and malefic impact on the house of marriage (7th). Kethu another restrictive planet is placed in 7th and all these three planets have influenced the mind of the native to develop a feeling of detachment towards worldly life (family life) and liking for the life of a monk.
- 2nd and 5th lord Jupiter is in Sun's sign –Leo in the star and sub of Kethu has shunned the native's mind from the very feeling of love and romance and gave strong attachment for detached worldly life. The native took to spiritual path and became a monk.

(5) Chart no. 5—B.N—
--2nd and 5th house lord Mercury is in the 4th cusp in the company of Kethu and Venus (lord of1&6). Saturn is aspecting 2nd and 5th house and also its lord Mercury.
--8th lord Jupiter is in company of Sun in the 4th house (negative to 5th) in the fiery sign Leo. The malefic influence of Saturn, Sun and Kethu on the houses 2nd,5th and its lord Mercury along with on 8th and its lord Jupiter made the native , never allowed the native to try seriously for marriage proposals.

(6) Chart no.6-IND---
--7TH house is aspected by Saturn (lord 7and 8th).
--2nd lord Moon is aspected by Saturn. Moon is in the company of Mars (lord of 5 &12) and both are aspected by Saturn. Mars also aspects 2nd house. -- Rahu is placed in 8th cusp.
There by 2,5,7 and 8th houses are fully influenced by the separative planets Saturn- Mars-Rahu which gave no chance for the idea of marriage , by being in monastery under the tutelage of a spiritual master.

(7) Chart no. 7—P. V---
--Saturn and Sun in conjunction with Moon are placed in 2nd cusp.
-- Kethu is in 5th cusp. Saturn aspects 5th cusp. Mars is n the company of Rahu is aspect-

ing 5th cusp. Venus lord of 2 & 8, Mercury the lord of 7th are aspected by Mars. From the above it is clear that all the four houses are fully under the sway of the four planets which has made the native to keep himself away from the institution of marriage.

(8) Chart no. 8--P.P—
--Rahu+ is placed in 2nd bhava. Rahu represents Moon, Mars, Jupiter and Saturn.
--5th house lord Venus+ is placed in lagna. Venus is in Saturn sign, moon star, (moon and mars are conjoined very closely by 2 degrees orb) and Rahu sub placed in 2nd.
--8th house lord is Sun in 11th (badhaka sthana). Sun is in Mars sign (11&4 in 9), Venus star (6&9 in 11) and Saturn sub (1&2in 3) aspecting 5th.
--12th lord Jupiter is in 8th cusp with kethu aspected by Saturn. Saturn is also aspecting 12th (house of bed comforts and sleep) along with rahu.
Thus all the 2nd (house of family), 5th (house of love and romance), 8th (house of sexual life) and 12th (house of bed comforts) are fully influenced by malefic planets – Rahu, Kethu, Mars and Saturn.

(9) Chart no. 9 –MT—
--2nd cusp is occupied by Rahu. Rahu is aspected by Saturn. Second lord is Venus is placed in 8th house (7th cusp) conjoined with Kethu. It is aspected by Mars lord of 8th and also by Saturn-badhaka lord (11th).
--5th cusp is occupied by Mars lord of 8th. Saturn is aspecting 5th cusp and Mars (occupant) directly by 7th aspect. 5th lord, Sun who is in 8th with Mercury 6th lord, is also aspected by Saturn by 10th aspect.
--8th cusp is occupied by Kethu. Saturn- badhaka lord (by 10th) and Mars 8th lord (by 8th aspect) are aspecting kethu and 8th cusp.
-- 12th cusp is occupied by Jupiter which is aspected by Saturn – badaka lord by 3rd aspect. 12 cusp is aspected Mars-8th lord by 8th aspect.
Thus all the four hoses are fully influenced by malefic

(10) Chart no.10-MSRAO—
--2nd cusp is occupied by Mars. It is Sun sign and Kethu star. It is conjoined with Saturn in Leo sign. 2nd cusp is aspected by Jupiter (badhaka lord). 2nd house is fully in sway of malefic Mars, Sun, Ketu and Saturn.
--5th cusp lord is Venus (12th lord) is placed in 6th (Scorpio sign). Venus is in Mars sign (lord of 6), Mercury star (1 & 4) and in Saturn sub (8 & 9). Venus is aspected by Mars and 5th cusp is aspected Saturn.
--8th cusp lord is Saturn is placed in 3rd with Mars. Moon lord of 2nd is placed in 8th aspected by malefic Mars and Saturn directly.
--12 th cusp lord is Venus is placed in 6th and is aspecting 12th directly. 12th cusp is aspected Jupiter –badhaka lord.

Thus all the four houses are fully under sway of malefic planets.

After studying and analyzing all the above ten charts and planetary position in it with the help K.P system and its clear cut rules on marriage, things have become very clear as to what are the factors that lead the natives to be deprived of marriage. This study proves the efficacy and supremacy of the K.P system beyond doubt.

My due respects to the astrology wizard Sri K.S.Krishnamurthy who gave this K.P system to the astrological community. My heartfelt thanks to Sri Kanak Ji for this opportunity to pen my article and to publish it in our K.P Ezine.

Basically it is to follow the following KP fundamental rule:

"The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not." --Krishnamurti Paddhati, Vol. 2, 1966, Sagar Publications, p 41/ KP Reader III, p 136 / p 129 (1971 Edition)/ KP Reader V p 136 (1971 Edition p 129)/ KP Reader VI p 91 It is also important to note that without considering the signification of sub, it is not a KP analysis, since KP is the sub lord theory only, nothing else.

"In order to know what each planet can contribute always consider its sub lord".-KP Reader III page 362 (1971 Edition, Practical Part page 194) the occupied and owned houses of the planet, its star lord and its sub lord should be considered at all three levels. It is to stop at the 3- step,

Ex-Accountant, Justice of Peace

// Ranil Wickremesinghe was sworn in on Friday as Sri Lanka's prime minister after winning a general election, and agreed with President Maithripala Sirisena's party to form a national unity government to push ahead with reforms.// http://www.reuters.com

Mr. Wickremasinghe, whose party won the majority of the seats in the parliament at the elections, held on 17 August, and secured his victory polling 500,506 votes. It is the ever recorded highest number of votes polled by a candidate in Sri Lanka's elections history.

He is a lawyer by profession, became as the prime minister for the fourth time since entering the parliament in 1977. He has also set a record of holding a MP position continuously without losing his seat in parliament for 38 years and he was first appointed as the Prime Minister from 1993 - 1994 after the assassination of former President Ranasinghe Premadasa. Also he was elected as the Prime Minister from 2001 - 2004 when the United National Front Government won the parliamentary elections in 2001. President Mr. Maithripala Sirisena appointed him as the Prime Minister in January this year for the third time in previous government.

Chart details
PM Ranil Wickramasingh's swearing-in chart, Friday, 21/Aug/2015, 10.12.49 am, h 5.30 East, (Starting Time 10.11.46 am & Ending Time 10.12.49, according to live telecast of Jathika Rupavahini TV channal), Sid. Longevity
The Lagna of Swearing-in chart of Hon. PM is Libra (Thula) Libra 06° 25' 28", and the cuspal sub lord (CSL) of Lagna is Moon+, the owner of 10, tenanted in Asc. house (Lagna Bhawa) and also the CSL of house 11, having no planet in its stars. The Moon is in the star of Rahu and in the sub of Venus. Star lord Rahu is located in the 12th cusp (Renunciation, Misfortune, and End of Office Term). As per the rules of nodes, Rahu represents only Mercury as no other planet is in conjunction or aspect. Mercury the lord of 9 and 12 is positioned in the 11 Badhakasthana and Mercury is aspecting 2 (Maraka) 5 (Poorva Punya) and 6 (Avajna - humiliation/Enemy/Disease). Hence Moon the main longevity indicator of this swearing-in chart is a significator for inauspicious houses 11, 2, 6 & 12 along with 5, 9.
The supporting longevity indicators of 3rd and 8th cuspal sub lords are further analyzed as below.
The cuspal sub lord of 3rd is Mars, the lord of 2 & 7 (Marakasthana) and deposited in the 10th house. It is in the star of Saturn the lord of 4 & 5 in 1 but very close to 2nd cusp (Maraka). The sub lord of Mars is Rahu as discussed above. Thus 3rd CSL indicates some weak significations of houses 1, 5 & 10 for saving the term of PM.
The 8th cuspal Sub lord is Mercury (11-9-12) in and in the star of Sun (6-11-11) and in the sub of Moon (12-1-10).
As per the KP rules of longevity, 1, 5, 9 & 10 are benifics and 6, 8, & 12 are malefics. Planets in the constellations or in the sub lord of 8, lord of the 8th cusp and planets in any manner connected with them are detrimental for the longevity. (KP Reader iii- pp 160 - 161/

How to judge Longevity, pp 13)
In this swearing-in chart, Venus the lord of Lagna and 8 is deposited in the star of Mercury that is the sub lord of 8th. Also Kethu in 6th house is aspected by Mercury and hence it has become more detrimental in addition to its natural signification for 6th house and representation for Jupiter in the 11th cusp.
As per the above analysis of longevity of the term of the new PM, 1st, 3rd & 8th CSLs do not indicate a long term of PM's office and he will have to face unexpected hurdles from the opposition parties (7th sub Rahu) and from the general public (Moon).

Authority
The sub lord of 10th house for the authority is Saturn. Saturn is the lord of 4 & 5 and placed in 1 but in the close proximity to the house 2, in its own star and sub. The PM will not be able to keep his authority at its high grade.

Dealing with Partners
United National Party lead by Prime Minister Mr. Ranil Wickremasinghe, won the most seats in parliament election, but fell seven seats short of an outright majority to form his own government and so invited all elected political parties to join with his administration to establish a 'government of consensuses'. Meanwhile United National Party and Sri Lanka Freedom Party have signed a Memorandum of Understanding to form a coalition government. How ever it has not been fulfilled up to the date of this write up.
What ever it is the government, the PM will have to deal with the members with different political sentiments and should have his own merits to do so. Astrologically the 7th house of the swearing-in chart indicates the matters of alliances of the government or any partner of the government as well as general public.
The CSL of 7th house of the swearing-in chart of the PM is Rahu posited in the 12 (Losses, Mishaps, Terminal), in the star of Sun the lord of 11 and a significator for the same house. It is in the sub of Venus lord of 1 and 8 (disharmony) posited in 10th house. Also Rahu acts as agent of Mercury the lord of 9 and 12 and located in the 11th house.
The 11th CSL Moon the lord of 10 in Lagna is in the star and sub of above said Rahu and Venus respectively. Thus the 7th and 11th CSLs are not clearly indicating a smooth and peaceful association with the partners.

Dasa Analysis
The currant running 5 years compressed Vimsottari Dasa is for Rahu up to 19 Nov. 2015. It is in the 12th house in a star of Sun lord of 11 in 11 and in the sub of Venus+, lord of 1 and 8 in 10 having no planes in its stars. Rahu is an agent of Mercury the lord of 9 and 12 in 10. Accordingly PM will survive the Rahu Dasa period.

Next to Rahu, Jupiter+ Dasa will come to rule the term of PM from 19 Nov. 2015 up to 19 Jul 2016. Jupiter is the lord of 3 (away from the seat) and 6 and deposited in the 11th (Badhaka) house. Jupiter is in the star of Kethu in 6, in Pisces representing Jupiter and in the sub of its own. So impossibility of taking the nation to a better destination is indicated by Jupiter to complete the first year of coalition government as he wishes and said.
I wish him all success and good luck free from any hardships.

B. 7th cusp is connected to barren sign Aries, Gemini, Leo and Virgo
C. 7th cusp is connected with Saturn, Rahu and Ketu.
D. Saturn is not connected with 2,7,11 but aspects on 7th house.
E. Sole significator of 6th house, also becomes significator of 2, 7, and 11 or sole significator of negating houses i.e. 1, 6, 10 also become significator of 2, 7 and 11.

Conclusion as a whole for remaining unmarried of a native:
Rahu or Ketu is connected to Jupiter i.e. Karkatva of marriage. This connection may be either being situated in Sagittarius or Pisces, aspected or conjoined with Jupiter.
Rule "D" is most reliable formula to identify case of a native for remaining unmarried.
Rest of the rules may differ but this is also very common in such cases that the sole significator planets of negating houses i.e. 1, 6 and 10 also become strong significators (by the position of being in star of occupant planet in the cusp) of 2,7 and 11, then too there is a remote chance of marriage.

I would also request readers to comment on the above observations and enhance knowledge on the subject by analysing the actual cases they deal with while practicing KP astrology. It's essential to keep on record for every finding to check the academic rules with practical work while doing predictions.
I bow in lotus feet of Kanak Bosmia Sir who regularly inspires his students to verify all KP readers and even his findings by regular research of all correct or incorrect predictions.

Background Note: I had appeared in CFA (Chartered Financial Analyst) Examination in May 2015 and result is awaited in the month of August 2015 in between 1st to 3rd week. Will I clear CFA exam this time?
Major question of Querent: Will I clear CFA exam in August 2015?
Name & Sex of the Querent: Ms. M. Bohra, Female.
Date, Time & Place of Birth: 21-08-1990, 03:34 Hrs., Kolkata (22N32 - 88E21), W.B., India.

Hints:

Consider the houses 4, 9 and 11 for education. 4th is the main house of education. It denotes preparation for examinations, academic qualifications and regular attendance in school or college. 9th is for deep study and higher education. 11th is for fulfillment of desire and thus indicates success in education. The 6th house shows competitive examination. It is 12th from 7th i.e. loss to others and gain to you.

Consider the houses 3, 5 and 8 for completion of education (being 12th from 4, 6 and 9 respectively).

Mercury and Jupiter are the chief governors of education.

12th house indicates loss of any nature. 8th house denotes hindrances, difficulties, obstacles. 10th house is for achieving power and position of any nature. 11th is for success in achieving desirable position.

Note: In our case, the native had already appeared in CFA examination and result is awaited in the 1st to 3rd week of August 2015. As a standard method, we have to check joint-period rulers (DBA) at the possible time of declaring result of CFA exam.

Hints:

If the joint-period rulers (DBA) lords, at the time when result of CFA Final Examination will possibly be declared or announced (i.e. August 2015 in our case), be connected with 4 (education, preparation of examinations), 9 (higher education) or 11 (success in higher education, fulfillment of desire), one will get success in examination of professional or academic nature.

JOINT-PERIOD RULERS (DBA)

During the month of August 2015, the running DBA Lords are Sun-Jupiter-Moon (from 03-08-2015 to 26-08-2015).

Dasha Lord: Sun

Sun is in star of Ketu and sub of Moon.

Step 1 Planet Sun is the occupant of 1, owner of 2.
Step 2 Starlord Ketu in 1 represents Venus in 1, lord of 4-11 and Jupiter in 12, lord of 6-9.
Step 3 Sublord Moon is the occupant of 2, owner of 1.

Dasha Lord Sun signifies 4-6-9-11 and in connection with 4-6-9-11.
Dasha Lord Sun signifies 12 and in connection with 12.

Bhukti Lord: Jupiter

Jupiter is in star of Saturn and sub of Mercury.

Step 1 Planet Jupiter is the occupant of 12, owner of 6-9.
Step 2 Starlord Saturn is the occupant of 6, owner of 7-8.
Step 3 Sublord Mercury, being untenanted, is the occupant of 2, owner of 3-12.

Step 2 Starlord Ketu in 1 represents Venus in 1, lord of 4-11 and Jupiter in 12, lord of 6-9.
Step 3 Sublord Jupiter, being untenanted, is the occupant of 12, owner of 6-9.
Jupiter is aspecting to 5-7-9 cusp.

Anthra Lord Moon signifies 4-6-9-11 and in connection with 6-9.
Anthra Lord Moon signifies 12 and in connection with 5-12.

CONCLUDING POINTS

From the above analysis, it is noted that the Dasha lord (Sun) & Anthra lord (Moon) are connected to the favorable houses; but the Bhukti lord (Jupiter) clearly restricted the matter as it strongly connected to the negative houses (i.e. 3-5-8-12) rather than positive house (s) (i.e. 6-9).

As a part of transit, during the DBA period of Sun-Jupiter-Moon (from 03-08-2015 to 26-08 -2015), Sun will transacting in stars of Mercury and Ketu. In the natal chart, Mercury is connected to the houses 3-5-12 which is negative and Ketu in transit represents Jupiter and Jupiter in chart connected to the negative houses 3-5-8-12.

My Opinion: There may be a feeble chance to clear CFA exam. But you will not get success to clear the exam this time. I will be happy to hear if my prediction went wrong.

Actual Fact: Prediction comes correct. The native informed that she was not able to clear the exam.

Hints
If the cuspal sublord of 11 be the significator of 2, 8 or 11(reunion), a person returns home during the joint period of the significators of 2, 8 and 11.

Cuspal Sub lord
1st cusp (Cancer 07^0.20'.00''): The cuspal sub lord of the 1st is Ketu. Ketu is in the star of Saturn and sub of Mars. Ketu is occupant of 9. No planet is in the star of Ketu and Ketu is the CSL of 1-7-8. Ketu is aspected by Jupiter. Jupiter is occupant of 1, owner of 6-9. Star lord Saturn is occupant of 5, owner of 7-8. Sub lord Mars is occupant of 11, owner of 5-10. So 1st cusp sub lord Ketu is the significator of 5-7-8 and connected with 9-1-7-8-6-11-5-10. Ketu indicates 7 (Maraka), 11(Badhaka) with 5-1-9. Hence danger to life is not seen.

11th cusp (Taurus 05^0.54'.48'): The cuspal sub lord of the 11th is Mercury. Mercury is in the star of Moon and sub of Mars. Mercury is occupant of 11, owner of 3-12. Star lord Moon is occupant of 7, owner of 1. Sub lord Mars is occupant of 11, owner of 5-10. So 11th cusp sub lord Mercury signifies 7-1 and is connected with 11-3-12-5-10, not 2,8 at all. So in my opinion, it is sure he will come back.

Ruling Planets:

	Day lord	Sign lord	Star lord	Sub lord
Day. Sunday	Sun	—	—	—
Asc. Cancer 03°.58'.32"	—	Moon	Saturn	Saturn
Moon. Capricorn 19°.09'.27"	—	Saturn	Moon	Mercury

Rahu is in Virgo sign, hence represents Mercury. Thus ruling planets are Sun, Moon, Saturn, Mercury and Rahu.
Note: Moon is in Saturn sign, hence Punarphoo yoga is formed

Joint Period
At the time of judgment, balance dasa is Moon up to 26-07-2018. At that time joint period of Moon-Mercury-Jupiter is running up to 06-08-2015.

Dasa lord is Moon. Moon is in the star of own and sub of Mercury. Moon is occupant of 7, owner of 1. Sub lord Mercury is occupant of 11, owner of 3-12. Hence, dasa lord Moon signifies 1-7 and is connected with 1-7-11-3-12. Moon is in RP and indicate 11.

Bhukti lord is Mercury. We have discussed above and Mercury indicates 11.

Is Mr. Donald Trump the next president of the USA?

By: Arvind Gupta

Australia

EMail: guptaa@unhcr.org

The United States of America will host elections for the Presidency in the year 2016. It is interesting to see the campaigning that has commenced and the variety of candidates that are coming forward in the running for the Presidency. Of particular interest is the possibility of Mr. Donald Trump being elected to that high office. Mr. Trump has sparked considerably controversy in the public with his very unconventional style, brash mannerism and remarks that have caused many some irritation including within the Republicans. Most recently, his remarks about a lady journalist have seen an outcry about his ill treatment of women generally. Does Mr. Trump stand a chance to occupy the powerful Oval Office?

I have taken details of Mr. Trump's birth from the Astro Databank and they have included a Rodden Rating of AA for his birth details. Which implies that his birth details, as given on that database, are as accurate as can be.

The Wikipedia article on Mr. Trump makes for an interesting reading, especially in relation to his foray into politics at different times:

"Donald John Trump (born June 14, 1946) is an American real estate magnate, television personality, politician, and author. He is the chairman and president of The Trump Organization and the founder of Trump Entertainment Resorts. Trump's branding efforts, business career, outspoken manner, media appearances, as well as his books, have made him an American celebrity. He hosted The Apprentice, a U.S. television program on NBC.

Trump is a son of Fred Trump, a New York City real estate developer. Donald Trump worked for his father's firm, Elizabeth Trump & Son, while attending the Wharton School of the University of Pennsylvania, and, in 1968, officially joined the company. He was given control of the company in 1971, renaming it The Trump Organization. Trump remains a major figure in the real estate industry in the United States and a media celebrity.

In 2010, Trump expressed an interest in becoming a Republican candidate for President in the 2012 election, but in May 2011, he announced he would not run. On June 16, 2015, Trump formally announced his candidacy for President of the United States in the 2016 election, seeking the nomination of the Republican Party. Trump's early campaigning has seen him catapult to high levels of popular support to the consternation of the Republican party leadership. Since late July 2015, he has been at the top in the public opinion polls for the Republican Party nomination.
Political involvement

A 2011 report by the Center for Responsive Politics showed that over two decades of US elections, Donald Trump made contributions to campaigns of both Republican Party and Democratic Party candidates. In February 2012, Trump endorsed Mitt Romney for president of the United States. Trump was an early supporter of Ronald Reagan for president of the United States.
In April 2011, he questioned President Barack Obama's proof of citizenship. Trump also questioned whether Obama had good enough grades to warrant entry to Harvard Law School. On April 25, 2011, Trump called for Obama to end the citizenship issue by releasing the long-form of his birth certificate. Two days later, Obama made a formal statement in efforts by the White

House to put the matter to rest with the release of the long-form of Obama's birth certificate. Trump expressed pride at his role in the release of the long-form certificate in a press conference follow-up.

Donald Trump has spoken before Tea Party supporters. In December 2008, Trump emerged as an early supporter of the 2009 government backed rescue plan for the US auto industry which by 2012 was supported by 56% of Americans (63% support in Michigan), according a Pew Research Center poll. Statements of Trump's hinting that vaccination would cause autism were subject to criticism in various media by the scientific community. He has also been criticized for climate change-denying statements, because they are discordant with the opinion of the scientific community.
Trump floated the idea of running for president in 1988, 2004, and 2012, and for governor of New York in 2006 and 2014, but did not enter those races. He ran for the presidential nomination of the Reform Party in 2000, winning the party's California primary. As Trump publicly speculated about seeking the 2012 Republican presidential nomination, a Wall Street Journal/NBC News poll released in March 2011 found Trump leading among potential contenders, one point ahead of former Massachusetts Governor Mitt Romney. A Newsweek poll conducted in February 2011 showed Trump within a few points of Barack Obama, with many voters undecided in the November 2012 general election for president of the United States. A poll released in April 2011 by Public Policy Polling showed Trump having a nine-point lead in a potential contest for the Republican nomination for President of the United States while he was still actively considering a run. His moves were interpreted by some media as possible promotional tools for his reality show The Apprentice. On May 16, 2011, Trump announced he would not run for president. Public Policy Polling described the events of May 2011 as "one of the quickest rises and falls in the history of presidential politics." In December 2011, Donald Trump was named among the top six of the ten most admired men and women living, according to a USA Today/Gallup poll.

In January 2013, Trump (who is a notably popular figure in Israel, where his name is attached to products sometimes without his permission) released a video endorsing Israeli Prime Minister Benjamin Netanyahu during the 2013 Israeli elections, stating that "A strong prime minister is a strong Israel." In 2015, Trump was awarded the 'Liberty Award' at the 'Algemeiner Jewish 100 Gala' in honor of his positive contributions to US–Israel relations. Trump stated: "I have so many friends in Israel."
In 2013, Trump was a featured speaker at the Conservative Political Action Conference (CPAC). The speech was not well-attended. He spent over $1 million to research a possible run for president of the United States. In October 2013, New York Republicans had circulated a memo suggesting Trump should run for governor of the state in 2014 against Andrew Cuomo. Trump said that while New York had problems and taxes were too high, running for governor was not of great interest to him. In February 2015, Trump opted not to renew his television contract for The Apprentice, generating speculation that he might run for President of the United States in 2016.

Presidential campaign, 2016
Trump formally announced his candidacy for president of the United States in the 2016 elections on June 16, 2015, from his headquarters in Trump Tower in New York City. Trump launched his campaign declaring the official slogan, "We are going to make our country great again" with a commitment to become the "greatest jobs president that God ever created." A survey conducted by The Economist/YouGov released July 9, 2015 became significant as the first major nationwide poll to show Trump as the 2016 Republican presidential frontrunner. A Suffolk/USA Today poll released on July 14, 2015 showed a 17% support for Trump among Republican voters, with runner-up Jeb Bush picking up 14%. A Washington Post-ABC News poll taken on July 16–19 showed Trump had 24% Republican support, over Scott Walker at 13%. A CNN/ORC poll showed Trump in the lead at 18% support among Republican voters, over Jeb Bush at 15%. In CBS news poll from August 4, Trump was again first with 24% of support, Bush was second at 13% and Walker was third at 10%."

As this Article points out, Mr. Trump has been in the public eye in politics since 1988. However, each time, as mentioned in this Article, he has either withdrawn his candidature or just not run in the elections. He has, nevertheless, supported political parties both in USA and abroad. His intention to run for the President's Office of the USA has always been there. This time, in relation to the forthcoming elections in 2016, he is once again campaigning publicly, albeit amidst controversy around his suitability for that high Office.

The present analysis is based entirely on his birth chart. It does not look into other aspects of his life such as his enormous success as a business man, his huge wealth, his multiple marriages and divorces, education, and other aspects of his life. It focuses entirely on his political ambitions and chances of success in the forthcoming elections.

Birth Chart Analysis of Mr. Trump's Political Career

In examining possibilities for a political career and success in elections, and appointments to any public offices, the essential houses of the horoscope to consider are 1, 6, 9, 10, and 11.

The planets that relate to a political career are Mars, Jupiter, Saturn and Mercury. Each of these must bear a connection with the houses enumerated.

JUPITER:
Jupiter is in 2nd and rules 5-9. It is in the Star of Mars in 1 and rules 4. It is in the Sub of Rahu in 10. Rahu represents Sun (by conjunction) and Venus (by occupation of Taurus). Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12.
Thus, Jupiter signifies 1 and is connected with 2, 6, 9, 10, 11 and Mars (as Star Lord). But, it is also connected with 4, 5 and 12 which are advantageous to the opponents.

MERCURY:
Mercury is in 11 and rules 3-11. It is in the Star of Rahu in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12. Mercury is in the Sub of Venus. Venus has no planets in its Stars. It is in 11 and rules 6-12.
Mercury, therefore, signifies 1, 6, 10, 11, and is connected with 3, 6. But, it is also connected with 12 at the Star and Sub levels, making it profitable for the opposition as well.

SATURN:
Saturn is strong with no planets in its Stars. It is in 11 and rules 6-7-8 and is the Sub Lord of houses 3 and 9. It is in the Star of Jupiter in 2nd and rules 5-9. Saturn is in the Sub of Mars in 1 and rules 4.
Saturn is, thus, signifying 2, 5, 9 and is connected with 1, 3, 4, 5, 6, 7, 8, 9, and 11, and with Jupiter (Star Lord) and Mars (Sub Lord). However, 4, 5, 7, and 8 are good for the opposition.

MARS:
Mars is in 1 and rules 4. It is in the Star of Ketu. Ketu is in 4. It represents Moon (by conjunction) and Mars (by being in Scorpio). Moon has no planets in its Stars. It is in 4 and rules 12. Moon is the Sub Lord of 8 and 11. Mars is in 1 and rules 4. Mars is in the Sub of Moon in 4 and rules 12. Moon is the Sub Lord of 8 and 11.
Therefore, Mars signifies 1, 4, 8, 11,12 and is connected with 4, 8, 12. Houses 4, 8 and 12 are definitely beneficial to the opponent.

IN THIS ANALYSIS: all the planets that contribute to a political career actually show links with the relevant houses but, simultaneously, are strongly linked with negative houses.

NOW LET US LOOK AT EACH OF THE IMPORTANT HOUSES:

Lagna:
THE LORD of Lagna is Sun. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not a sub lord for any houses. Sun is in the Star of Mars in 1 and rules 4. Sun is in the Sub of Saturn in 11 and rules 6-7-8 and is the Sub Lord of houses 3 and 9.
Sun, therefore, signifies 1, 4 and is connected with 3, 6, 7, 8, 9, 10, and 11. While 1, 6, 9, and 10 show political success, 4, 7 and 8 show benefits for the opposition.

THE STAR LORD of Laga is Ketu. Ketu is in 4. It represents Moon and Mars. Moon has no planets in its Stars. It is in 4 and rules 12. Moon is the Sub Lord of 8 and 11. Mars is in 1 and rules 4.
The star lord signifies 1, 4, 8, 11, and 12. Clearly, the Star lord signifies detrimental bhavas 4, 8, and 12, while at the same time signifying 1 and 11.

THE SUB LORD OF THE ASCENDANT is Rahu. Rahu in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12.
Sub lord signifies 1, 2, 6, 10, 11, and 12. Giving us once again very mixed outcomes. Beneficial links by 1, 6, 10 and 11, but detrimental by 12.

6TH HOUSE:
THE LORD of the 6th is Saturn. Saturn is strong with no planets in its Stars. It is in 11 and rules 6-7-8 and is the Sub Lord of houses 3 and 9. It is in the Star of Jupiter in 2nd and rules 5-9. Saturn is in the Sub of Mars in 1 and rules 4.

Saturn is, thus, signifying 6, 9, 11 and is connected with 1, 4, 5, 7, and 8 and with Jupiter (Star Lord) and Mars (Sub Lord). However, 4,5,7 and 8 are good for the opposition.

THE STAR LORD of the 6th is Sun. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not a sub lord for any houses.
The Star Lord of the 6th is positive. It signifies 1, 2, and 10.

THE SUB LORD of the 6th is Venus. Venus has no planets in its Stars. It is in 11 and rules 6-12. This sub lord again links the positive 6 and 11 as well as the negative 12.

9TH HOUSE:
THE LORD of the 9th house is Jupiter. Jupiter is in 2nd and rules 5-9. It is in the Star of Mars in 1 and rules 4. It is in the Sub of Rahu in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12.
Thus, Jupiter signifies 1 and is connected with 9, 10, 11 and Mars (as Star Lord). But, it is also connected with 5 and 12 which are advantageous to the opponents.

THE STAR LORD of the 9th is Mercury. Mercury is in 11 and rules 3-11. This is perhaps the most profitable indication at the Star level.
The star lord signifies 3 and 11. This is most positive. However, it does not link up with 10th which is the only house of politics as a career, name, fame, popularity.

THE SUB LORD of the 9th is Saturn. Saturn is strong with no planets in its Stars. It is in 11 and rules 6-7-8 and is the Sub Lord of houses 3 and 9.

The sub lord clarifies the situation of the 9th house. It is signifying the positive houses of 3, 9, 6, and 11. But, it is also showing detriment through 7 and 8.

10TH HOUSE:
THE LORD of the 10th is Venus. It has no planets in its Stars. Venus is in 11 and rules 10. It is the Sub Lord of 6 and 12.
Here, while 6, 10 and 11 show success, the appearance of 12 is indicative of the losses.
Venus is conjoined with Saturn. Saturn is strong with no planets in its Stars. It is in 11 and rules 6-7-8 and is the Sub Lord of houses 3 and 9. It is in the Star of Jupiter in 2nd and rules 5-9. Saturn is in the Sub of Mars in 1 and rules 4.
Saturn is, thus, signifying 6, 9, 11 and is connected with 1, 4, 5, 7, and 8 and with Jupiter (Star Lord) and Mars (Sub Lord). However, 4,5,7 and 8 are good for the opposition.

THE STAR LORD of the 10th is Sun. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not a sub lord for any houses. Sun is in the Star of Mars in 1 and rules 4. Sun is in the Sub of Saturn in 11 and rules 6-7-8 and is the Sub Lord of houses 3 and 9.
Sun, therefore, signifies 1 and is connected with 3, 4, 6, 7, 8, 9, 10, and 11. While 1, 6, 9, and 10 show politics, 4,7 and 8 show benefits for the opposition.

THE SUB LORD of the 10th is Jupiter. Jupiter is in 2nd and rules 5-9. The 5th negates the 6th and only 9th is supportive of politics.

FINALLY, THE 11TH HOUSE:
THE LORD of the 11th is Mercury. Mercury is in 11 and rules 3-11. It is in the Star of Rahu in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12.
Mercury is in the Sub of Venus. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12.
Mercury, therefore, signifies 1, 10, 11 and is connected with 3, 6. But, it is also connected with 12 at the sub level, making it profitable for the opposition.

THE STAR LORD of 11th is Mars. Mars is in 1 and rules 4. The 4th is good for the opposition.

THE SUB LORD of the 11th is Moon. Moon has no planets in its Stars. It is in 4 and rules 12. Moon is the Sub Lord of 8 and 11.

The Sub Lord signifies 4, 8, and 12.

AT THE END, THE 11TH SUB LORD HAS DECIDED THAT THE HIGH OFFICE OF PRESIDENT IS NOT FOR Mr. TRUMP.

NOW THE CURRENT SITUATION:

Mr. Trump is campaigning for the Presidency and the elections are due in 2016.

The significators of the houses that could bring him into politics are as follows:

1 = Sun, Rahu, Jupiter and Mars
6 = Saturn
9 = Venus, Saturn and Jupiter
10 = Mercury, Sun, Rahu and Venus
11 = Moon, Ketu, Mercury, Venus and Saturn

As can be seen, all the 9 planets are capable of bringing about Trump's entry into politics.

I have taken RPs on Sunday, 9 August 2015, at 11:04:14 am at Canberra (Australia). These RPs are:

Day Lord = Sun
Moon = Sign lord Venus, Star Lord Moon, and Sub Lord Saturn
Ascendant = Sign Lord Venus, Star Lord Jupiter, and Sub Lord Saturne

Rahu is conjoined with Sun and is in the house of Venus. Ketu is conjoined with Moon.

Thus, the RPs are Saturn, Jupiter, Venus, Moon, Sun, Rahu and Ketu. These are also the common ones from among the significators.

CURRENT DASA is of RAHU (up to 7 October 2016).
Rahu in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12. Rahu is in the Star of Mars. Mars is in 1 and rules 4. Rahu is in the sub of Jupiter. Jupiter is in 2nd and rules 5-9.

By virtue of its Star Lord, Rahu clearly signifies 1 and 4. The 4th is the 10th for the opposition. This is highly detrimental to Mr. Trump's hopes of being a political winner. The sub lord signifies 5 which is the 11th of the opposition.

The overall signification of the Dasa Lord Rahu are: 1, 4 and connected with 2, 5, 6, 9, 10, and 11. Because of the 3 level signification of 1, 6, 9, 10 and 11, notwithstanding any serious opposition to Mr. Trump's bid for a political career, if a Bhukti Lord were to support the Dasa Lord, he could still succeed, albeit with great difficulty.

CURRENT BHUKTI LORD is Mars (up to 7 October 2016).

Mars is in 1 and rules 4. It is in the Star of Ketu. Ketu is in 4. It represents Moon and Mars. Moon has no planets in its Stars. It is in 4 and rules 12. Moon is the Sub Lord of 8 and 11. Mars is in 1 and rules 4. Mars is in the Sub of Moon in 4 and rules 12. Moon is the Sub Lord of 8 and 11.

Therefore, Mars signifies 1, 11 and is connected with 4, 8, 12. Houses 4,8 and 12 are definitely beneficial to the opponent.

Bhukti lord is completely negative. It has weak significations for politics and strong significations for gains to the opposition.

Thus, until 7 October 2016, there does not seem to be any hope of Mr. Trump winning any elections or of being elected the President of the United States of America.

PAST ATTEMPTS AT ELECTIONS FOR PUBLIC OFFICE:

1) In year 2000, Mr. Trump ran for Presidential nomination of the Reform Party. But he, finally, did not make it to that office. He was Running Rahu Dasa and Rahu Bhukti at that time.

   Rahu in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12. Rahu is in the Star of Mars. Mars is in 1 and rules 4. Rahu is in the sub of Jupiter. Jupiter is in 2nd and rules 5-9.

By virtue of its Star Lord, Rahu clearly signifies 1 and 4. The 4th is the 10th for the opposition. This is highly detrimental to Mr. Trump's hopes of being a political winner. The sub lord signifies 5 which is the 11th of the opposition.

2) He again contended for the 2012 Presidential elections and came within a few points of Mr. Barack Obama. He did not run for the elections and announced his intention in May 2011.

He was then running Rahu Dasa and Venus Bhukti.

Rahu in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12. Rahu is in the Star of Mars. Mars is in 1 and rules 4. Rahu is in the sub of Jupiter. Jupiter is in 2nd and rules 5-9.

By virtue of its Star Lord, Rahu clearly signifies 1 and 4. The 4th is the 10th for the opposition. This is highly detrimental to Mr. Trump's hopes of being a political winner. The sub lord signifies 5 which is the 11th of the opposition.

Bhukti Lord Venus: Venus has no planets in its Stars. It is in 11 and rules 6-12. Venus is the sub lord of 6 and 12. Venus is in the Star of Jupiter and Sub of Rahu. Star Lord Jupiter is in 2 and rules 5-9. Sub Lord Rahu is in 10. Rahu represents Sun and Venus. Sun has no planets in its Stars. It is in 10 and rules 1-2. It is not the sub lord for any houses. Venus, too, has no planets in its Stars. It is in 11 and rules 6-12.

Venus Bhukti signified 5 at the Star level (being the 11th for the opposition) and 12 at the Sub level. Venus strongly indicates the 12th being a planet with no other planets in its Stars and being the Sub Lord of the 12th.

3) In October 2013, there were indications that Mr. Trump would run for the governor of the state of New York. He however did not do so.

Mr. Trump was running the Dasa of Rahu and Bhukti of Sun at that time. Dasa Lord Rahu has been examined before.

Bhukti Lord Sun is strong with no planets in its Stars. It is in 10 and rules 1-2. It is not a sub lord for any houses. It is in the Star of Mars. Mars is in 1 and rules 4. It is in the sub of Saturn. Saturn is strong with no planets in its Stars. It is in 11 and rules 6-7-8 and is the Sub Lord of houses 3 and 9.

Bhukti Lord signifies 4 at the Star level and 7 and 8 at the Sub level.

It is clear from the analysis of the past political attempts of Mr. Trump that the Dasa of Rahu has not been kind enough to give him a public office. The running Bhuktis have been negative and therefore, unsupportive of the Dasa Lord's positive indications.

The Rule:

The dictum is quite well settled. Bhukti Lord cannot give what the Dasa Lord does not promise to give. At the same time, even though the Dasa Lord is willing to give a benefit, it cannot do so if the Bhukti Lord is unsupportive.

In this edition of the Novice Nook, I would like to share with you the components that make up an ascendant. Many of us seek the quest of becoming competent astrologers. Whether you study KP, Classical, Western or any kind of astrology, this understanding applies to them all. In order to be competent, one must understand the combination of attributes that create an ascendant. If you fail to know some or many of these attributes, then you will eventually find yourself stumbling in creating sound predictions for yourself or your clients. Below is a list of questions you need to ask yourself in developing a sound comprehension. These questions do not just apply to the sign of Aries, the example ascendant that I used to demonstrate the attributes, but to all twelve of the rising signs.

Your task, if you choose to accept it, is to ask these questions for each rising sign and then put them into comprehensive paragraphs. Of course this will not be a quick overnight process, but through time, you will get through all the signs. When you do, you will see many more doors of the beautiful science of astrology open up to you; more than words can describe by anyone.

If you would like, send me results, and demonstrate your comprehension of the signs, feel free to send me an email at smith.davidjr@yahoo.com. Good luck!

Arrival of my brother -in -law by only ruling planets

Ruling planets are the planets that rule the moment of an event. Sri K.S. Krishnamurthy the founder of the K.P sub lord theory gave more importance to the use of Ruling Planets. To emphasize the importance of the ruling planets in K.P system it is said by many experienced astrologers "without RP there is no K.P". Highlighting the importance of the Ruling Planets, Sri C.R. Bhatt- the author of famous book "Prashna Jyotish" in his book(page no.65) says" if any question about an event may relate to a minor or major event, to happen within a short time can be answered by R.Ps. when there is strong desire, keenness, anxiousness, eagerness or urge from within to know the result about any matter, then and there only you may predict with the help of 'Ruling Planets' alone, and you may prove correct". In his famous book Reader No.6 (page 128) Sri KSK himself writes "as, invariably in all cases, without any single failure, using ruling planets one can decide correctly the nature of the event, and predict precisely the moment, what one can understand."

Drawing inspiration from the decisive statement of Sri K S K, I tried to solve one small question on horary basis using only Ruling Planets and using Sun transit only.

(This is worked out on 31 January 2015)
On 31 January 2015 evening suddenly I felt curious to find out an answer to my question *"when my brother in law, who went to his son's place Bangalore for a short stay, will come home back".* Immediately I arrived at ruling planets at 17:41:29 hours at Secunderabad and tried to solve the query only through Sun's transit.

The ruling planets on 31-1-2015 at 17:41:29 hours @ Secunderabad, Telangna state are:

	Day lord:	Sign Lord	Star Lord	Sub Lord
Day: Saturnday	Saturn			
Asc: Cancer $11^0.35'.57"$		Moon	Saturn	Moon
Moon: Gemini $08^0.38'.52"$		Mercury	Rahu	Rahu

Ketu represents Mercury who was in retrograde motion as on date.
Since Saturn was appearing twice in R.Ps I thought that there would be some delay in his arrival and since he has gone only for a short stay it may not exceed a month's time.

The sub lord of Moon who is Rahu and is powerful as a node representing Mercury is in retrograde Mercury sub, I thought the event will not materialize until Mercury becomes direct in its motion. Mercury becomes direct on 12 Feb 2015.

On 12-2-2015 Sun will be transiting in Capricorn and Aquarius on Mars star up to 19-2-2015. Saturn the sign lord is in R.P but the star lord Mars is not in R.P and so I could not consider Mars to give the result.

From 19-2-2015 Sun will be transiting on Rahu star.
Rahu is a powerful R.P which is reflected twice in the list. So I thought that Rahu should give the result. Now we are left with Mercury and Moon in R.Ps. After considering Saturn (SGL) and Rahu (as STL) from the list of R.Ps, I am left with the next fast moving planet Mercury. So I have selected Mercury as sub lord to fructify the event. Sun comes on to Mercury sub in Rahu star on 13.04.00 to 14.26.00 longitude on 26-2-2015 at 5.30.00 AM on Wednesday.

Hence I have come to a conclusion that my brother in law will come home in the early hours of 26-2-2015 by train.

Facts of the case: To my surprise my brother in law has informed me that he got a reservation in 'Bangalore- Kachiguda Express' for 25-2-2015 and confirmed his arrival. How thrilling it would be to arrive at such an accurate fructification of an event and I am sure that this is possible only through K.P system.

With all the reverence I bow my head to the august personality Sri K.S.K, who has blessed all the astrologers with such a most valuable system. My sincere thanks to Sri Kanak ji for allowing me to share my experience through our Ezine.

Question – 1: Six Fold Signification

Don't you think your bellow statement is nothing but six fold signification?

The bottom line is *"In order to get the better prediction results all the houses signified by the planet level, star level and sub level are to be jointly considered, keeping in mind t*he double role of sub as a decider as well as an event indicator".

Answer – 1:

According to the KP fundamental rule: "The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not.", when the required house(s) for a matter under study, e.g. house 2,7,11 for marriage, are indicated by the planet or/and its star, the indication of its sub is to be considered as favorable decider if it is 2,7,11, or unfavorable decider if it is 1,6,10, in selection of fruitful signficators. If the required house(s), 2,7,11, are not indicated by the planet and its star, the indication of required house(s), 2,7,11, by sub is to be taken as an event indicator.

In the six fold signification, as sub is taken as the outright significator it cannot play the role of decider as mentioned in the KP fundamental rule, and consequently sub can not be used as a tool in selection of fruitful significators without using the ruling planets. So the six fold signification is excluded in the six KP readers of 1970-71 although it appears in a few places of "Krishnamurti Padhdhati Vol. 2" of Sagar Publications in 1966.

Question -2: Double Role of Sub

I am going through your above article in KPEzine-september-2014.

I understand that we can consider sub lord as indicator (in place of star lord) as well as decider (sub lord), but not reverse as STAR LORD AS A DECIDER AS WELL AS EVENT INDICATOR.

Here I am giving some examples for marriage:

For marriage 7th sl is main. 2 and 11 are supporting houses.
1. 7th SL mercury placed in 4, is lord of 1 and 10, in the star of sun placed in 4 lord of 12 and in the sub of mars placed in 6 lord of 3 and 8.
In this case marriage is not promised as either mercury or star lord sun and sub lord mars signifying marriage houses 2,7 or 11. CLEAR CUT CASE.

2. 7th SL saturn placed in 4 is lord of 7 and 8, in the star of mercury placed in 11 is lord of 3,11 and 12, in the sub of venus placed in 12 is lord of 4.
In this case marriage is promised even though SL is not signifying required houses as SL saturn itself is signifying 7. Here star lord is signifying 11.

In this case, suppose SL saturn is not signifying 7, then, is marriage is promised?.
star lord of saturn is signifying 11 and sub lord of saturn is not signifying either of 2,7 or 11.

As I understand "DOUBLE ROLE OF SUB AS A DECIDER AS WELL AS EVENT INDICATOR "

BUT NOT REVERSE.
Sir, I request for your comments and for your corrections if I am wrong.

Answer – 2:
In checking promise of an event, as long as any of required houses, 2,7,11 for marriage is indicated at any of cuspal sub lord (planet) concerned, 7th for marriage, its star lord and sub lord. Negative houses 1,6,10,12 indicate obstacles, difficulties, separation, divorce etc.

It is true that the sub is playing the double role as a decider as well as an event indicator.

Question – 3: Dr. Kar's Sub-Sub Theory
I am a learner in KP system.
I am searching for the details of sub-sub theory.
In this connection, I found one article " the theory of sub sub " in ASTROVISION -SEP 2009.

Here it says that KP sub theory:
Planet A in the sub of planet B, planet B is in the star of planet C. If B and C signifies the required bhava, then only A is benificial.

As per the above, suppose- 7th sub lord is sun-A
A is in the sub of moon-B
Moon is in the star of Mars-c. If Moon B and Mars C are signifies 7 or required houses, then only sun is benificial.

My understanding is about KP sub theory:
Suppose 7th sub lord is sun-A
A is in the sub of moon-B
A is in the star of Jupiter-c
If B and C signifies the 7 or required houses, then only sun is benificial.
Sir, I request you to clarify, which is KP Sub theory and which to follow.

Answer – 3:
As per KP fundamental rule: "The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not." ,
KP is 3-step consideration of planet, its star and sub. Without considering the signification of sub, it is not a KP analysis, since KP is the sub lord theory only, nothing else. So going up to sub-sub of KP-based Dr. Kar's Sub Sub Theory is not KP.

"The Theory of Sub – Sub" article written by V. S. Mahesh Iyer in Astrovision September 2009 issue is about Dr. Kar's Sub – Sub Theory, particularly Multi-Stellar Theory (MST). If interested, study articles are as given under:

Question – 4: Puberty of a Girl
As a KP student, I would like to get the openion on early prediction of Puberty of a girl with an example chart analysis if possible in Q & A section on KP E-zine.

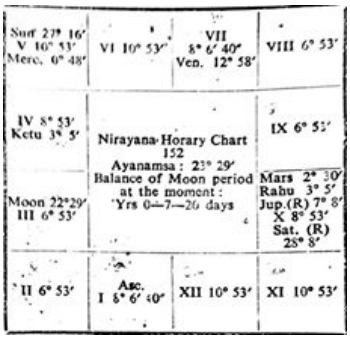
Answer – 4:
Attainment of Puberty: - The 5th cusp sub lord should be the significator of 5th or 8th or both, and Mars also should be well connected to 5th or 8th in any manner since Mars represents blood in the body. For fructification, consider the 2, 5 and 11th houses and their conjoining period as D-B-A lords for the timing of event.. (K.M. Subramaniam: Astrology & Athrishta, August 1980 issue/ Astro secret & KP Part III, page 49)

Attached is the example chart given by Shri K. M. Subramaniam regarding puberty. As the horary no. 152 is given by the father of the girl, the chart is rotated to the 5th cusp as Lagna.
Here the sub lord of 5th cusp Mercury is in house 12, in the star of Jupiter in house 5, and in sub of Mars in 5, owner of 2, indicating promise of puberty by signification of 2, 5.

The sub lord of 8th cusp Saturn is a delaying planet till her 19 years of age, but Saturn has a dual role for fructifying the matter as it owns 11. This Saturn is in the star of Sun, a depositor of Lagna, promising the fructification of the matter, and in sub of Moon, owner of 5.

Fructification, when?
For this it is to consider the conjoined dasa period of the significators of houses 2,5 and 11, together Mars , which should have some connections in some manner.
2nd house = getting status in the family members as an Adult;
5th house = getting mental status and understanding sexual expression and full matters connected to sexual organs and its functions;
11th house = desire fulfillment.

Running Moon Dasa is up to 30-11-1980. Moon is in its own star in 11, and owns 5, and in sub of Venus signifying 11 and 8 also, Moon is a ruling planet. Venus Bhukti is up to 30-5-80. Venus is in the star of Moon in 11, owner of 5, and in sub of Rahu in 5, closely conj. With Mars in 2. Venus is a ruling planet by being the sub lord of Moon and Lagna.
The matter shall fructify in the Ketu Antra from 25-4-1980 to 30-5-1980. Ketu is in 11, in the star of Mars in 5, owner of 2, and in sub of Venus signifying 11 and 8. Ketu is a ruling planet as agent of Saturn, a ruling planet, by being in Aquarius.



Puberty and Menses by Sri Bangalore Suryanarain Rao (Salient Extracts) – from his book, "Strijataka or Female Horoscopy", Raman Publications, 1964, pages 92-118, is available at the link below:
https://groups.yahoo.com/.../conversations/messages/20680

Question – 5: Aspect of Rahu and Ketu
The nodes i.e. Rahu and Ketu has aspects as per traditional system, just like Jupiter 5,7 & 9 houses aspects from its occupation. Is it applicable in KP as some of the KP astrologers are not applying as they are mathematically calculated points and not planets?

Answer – 5:
The Moon's nodes, Rahu and Ketu, are not physical planetary bodies which can be seen through a telescope as we can see all the other planets. They are the imaginary points of intersection between the Sun's apparent orbital path around the earth, the ecliptic, and the Moon's orbital path around the earth. So logically these imaginary points of intersection, the nodes, cannot aspect any planet or house, and they are called shadowy planets.
Maharshi Parasara did not mention the nodes' aspects in his classic Brihat Parasara Hora Sastra. In the BPHS translated by R. Santhanam, Rajan Publications, page 255, chapter 26: "Evaluation of Planetary Aspects", verses 2-5: "All planets aspect the 7th fully. Saturn, Jupiter and Mars have special aspects respectively on 3rd and 10th, 5th and 9th , and 4th and 8th ". Sage Varahamihira also did not exclusively touch Rahu/Ketu in his classic Brihat Jataka.

cess; Luminary Sun in the star and sub of Jupiter in house 9 and the CSL of houses 3,9, and luminary Moon in the star and sub of own Moon in house 11, lord of house 10. Thus dasa period lords and luminary Sun and Moon will be transiting in the star and sub of winning houses. In addition five planets, Moon, Mars, Jupiter, Venus and Rahu will be transiting in the 11th house of gain and success.

Election Day Chart

The election day chart is the transit chart calculated at *the beginning of the day, i.e. Sunrise time* (6:05:53 am, hr 6:30 east) of election day (8 November 2015) in the capital Yangon by its geographical coordinates.

In this chart the common practice is to take Lagna for the favorite party, NLD, and 7th house for the opponent USDP. Five planets Moon, Mars, Jupiter, Venus, Rahu and also Fortuna are all in the 11th house of gain and success for the NLD. Planet of change Uranus (Pisces 23:23:36) is also opposing these four planets Moon, Mars, Venus, Rahu and also Fortuna. No planet is in the 7th house for the ruling party USPD. Thus the election day chart is indicating a better chance for NLD to win.

Myanmar Independence Chart

The Vimshottari dasa of 120 years intended for human life is not logical to apply for the nation charts, and such charts can be longer than a cycle of 120 years, for instance USA.

Election day transit Neptune (Aquarius 12:58:57) is in the 4th house of the opposition party NLD. Transit 4th lord Saturn is in the 12th house of independence chart, i.e. 9th house from the 4th house of the opposition party NLD. Transit Jupiter is in the 10th house of the ruling party USDP; Jupiter is lord of 2nd and 5th house of independence chart, i.e. unfavorable 5th and 8th house from the 10th house of the ruling party USDP. So the Myanmar independence chart indicates a better chance for the NLD to win.

Lunar New Year Chart

The lunar or Hindu new year chart 2015 is when Sun and Moon are in exact conjunction in Pisces 5° 28' 34" on 20 March 2015 at 4:06:04 am, hrs 6:30 east, at the location of capital Yangon.

Saturn in the 4th house of the opposition party NLD; Saturn is lord of 6th and 7th house of lunar new year horoscope, i.e. 3rd and 4th house of opposition party NLD. The 4th lord Mars is in 8th, lord of lord of 4th and 9th house, i.e. 5th, 1st and 6th house from the 4th house of the opposition party NLD. No planet is in the 10th house of the ruling party USDP. The 10th lord Venus is in 9th house, lord of 3rd and 10th house, i.e. 12th, 6th and 1st house from the 10th house of the ruling party USDP. Here also 3rd, 6th and 7th indication for the NLD shows a better chance to win than 6th indication for the USDP.

NLD or USDP

On the analysis of the above four charts the opposition party NLD has much better chance to win the Myanmar Election 2015 to form the government alone or with alliances.

Troubles Ahead

However troubles and concerns are astrologically indicated by the following planetary positions:

1) In DASSK's chart, Mars of Viparita Yoga (success after pressures or someone else's loses) formed by conjunction of 6th lord Mars and 12th lord Venus appears as Antra and Sookshma dasa period lords and Mars is conjunct with Moon, Venus and Rahu in 11th house of the election day chart;
2) In Myanmar independence chart, transit Saturn is passing on Lagna (public) and aspecting 10th house (ruler) and Mars (army);

3) In the lunar or Hindu new year chart 2015, five planets Sun, Moon, Mars, Ketu and Uranus (Pisces 23:23:36) are placed in the 8th house (troubles, danger, death).

Concern for Danger to DASSK' s Life

DASSK's Lagna lord Jupiter's aspect on her Lagna from 9th house in her birth chart had saved her from danger to her life on 5 April 1989 when she courageously walked toward rifles aimed at her by soldier during election campaign in Danuphyu, and on 30 May 2003 when she and her supporters were attacked by a pro-military junta mob in the town of Depeyin.

As long as Jupiter aspects Lagna there may be no fear. (KP Reader III p. 174) Napoleon Bonaparte (15 August 1769, 11:30 am LMT, TZ 0:34:56 East, Ajaccio, France, 8e44, 41n55) with Jupiter in his Libra Lagna had fought sixty big battles and countless small ones, nineteen horses had been killed under him, and yet he had only been wounded twice.

Now transit Jupiter is back on natal Jupiter and aspecting on her Lagna to save her from danger to life.

Good luck for our Myanmar people!

Question: Will BJP and alinace (NDA) win this election?
Number. 141 (out of 249)
Date of Judgment: 12-09-2015, Saturday; Time of Judgment: 15:03:31 PM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Aynamsha 23^0.59.03"

I have predicted 86 advance predictions by my rule below and have got 62 correct, i.e. 72.09% and not 50-50 in election prediction at all as some KP astrologers say about this rule. This is first time in history of KP astrology that someone is doing 86 advance prediction by using the same NEW rule.

Hint:
If 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal Sub lord for BJP and alliance (NDA):
10th Cusp (Cancer 26^0.33'.36"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Ketu and sub of Mercury. Jupiter is occupant of 10 owner of 3-6. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Star lord Ketu is occupant of 5. Ketu is in Pisces sign, hence represent Jupiter. Jupiter is occupant of 10 owner of 3-6. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Sub lord Mercury is occupant of 11, owner of 9-12. Thus 10th cusp sub lord Jupiter is the significator of 5-3-6-10-4 and connected with 3-6-10-4-11-9-12. Hence, the wining in election is sure.

Cuspal Sub lord for opponent:
10th Cusp (Capricorn 26^0.33'.36"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Ketu and sub of Mercury. Jupiter is occupant of 4 owner of 9-12. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Star lord Ketu is occupant of 11. Ketu is in Pisces sign, hence represent Jupiter. Jupiter is occupant of 4 owner of 9-12. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Sub lord Mercury is occupant of 5, owner of 3-6. Thus 10th cusp sub lord Jupiter is the significator of 11-4-9-12-10 and connected with 4-9-12-10-5-3-6. Hence, the wining in election is sure.

Joint period for BJP and alliance (NDA):
On the day of election, (12th October 2015) the running joint period dasa is Venus-Sun-Jupiter-Mercury.

owner of 9-12. Thus Bhukti lord Sun is the significator of 1-8-9 and connected with 10-11-9-12. Hence, the wining in election is sure.

Antra lord Jupiter is in the star of Ketu and sub of Mercury. Jupiter is occupant of 10 owner of 3-6. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Star lord Ketu is occupant of 5. Ketu is in Pisces sign, hence represent Jupiter. Jupiter is occupant of 10 owner of 3-6. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Sub lord Mercury is occupant of 11, owner of 9-12. Antra lord Jupiter signifies 5-10-3-6-4 and connected with 10-3-6-4-11-9-12. Hence, the wining in election is sure.

Sookshma lord Mercury is in the star of Moon and sub of Venus. Mercury is occupant of 11 owner of 9-12. Star lord Moon is occupant of 10 owner of 10. Sub lord Venus is occupant of 9 owner of 1-8. Thus Sookshma dasa lord Mercury is the significator of 10 and connected with 11-9-12-1-8. Hence, the wining in election is sure.

Joint period for Opponent:
On the day of election, (12th October 2015) the running joint period dasa is Venus-Sun-Jupiter-Mercury.

Dasa lord Venus is in the star of Mercury and sub of own. Venus is occupant of 3 owner of 2-7. Star lord Mercury is occupant of 5 owner of 3-6. Thus dasa lord Venus is the significator of 3-6-5 and connected with 3-2-7. Hence, the wining in election is sure.

Bhukti lord Sun is in the star of Venus and sub of Mercury. Sun is occupant of 4 owner of 5. Star lord Venus is occupant of 3 owner of 2-7. Sub lord Mercury is occupant of 5 owner of 3-6. Thus Bhukti lord Sun is the significator of 5-3-6 and connected with 3-2-7. Hence, the wining in election is sure.

Antra lord Jupiter is in the star of Ketu and sub of Mercury. Jupiter is occupant of 4 owner of 9-12. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Star lord Ketu is occupant of 11. Ketu is in Pisces sign, hence represent Jupiter. Jupiter is occupant of 4 owner of 9-12. No planet in the star of Jupiter and Jupiter is CSL of 4-10. Sub lord Mercury is occupant of 5, owner of 3-6. Thus 10th cusp sub lord Jupiter is the significator of 11-4-9-12-10 and connected with 4-9-12-10-5-3-6. Hence, the wining in election is sure.

Sookshma lord Mercury is in the star of Moon and sub of Venus. Mercury is occupant of 5 owner of 3-6. Star lord Moon is occupant of 4 owner of 4. Sub lord Venus is occupant of 3 owner of 2-7. Thus Sookshma dasa lord Mercury is the significator of 4 and connected with 5-3-6-2-7. Hence, the wining in election is sure.

My opinion: 10th cusp sub lord indicates 3-10-11 for BJP and alinace (NDA) and 3-10-11 for opponent. For DBAS Sookshma lord indicate 10-11 for BJP and alinace (NDA) and only 3 for opponent. Thus BJP and alinace (NDA) will win this election.

Let me try to predict the total seat to be won by the BJP and alinace (NDA). The total seat in Bihar Vidhan Sabha is 243. I do not have much success in predicting seat of party in election but this exercise will help me to improve my work in future. Gaining the seats is wealth for any political party.

Hint:
Level of wealth:
No wealth
If 2nd (money) signifies 5 (12th from 6th daily income), 8 (financial loss, income of opponent) ,12 (loss).

Some Wealth

If 2nd (money/income) signifies 5(12th from 6th daily income), 8(financial Loss, income of opponent), 12(loss) along with 2(Income), 6 (daily income), 11 (gain).

Enormous Wealth
If 2nd (income) signifies 2(income), 6 (daily income), 10 (profession/status), 11 (gain). AND NOT CONNECTED TO 5 (12th from 6th daily income), 8(financial Loss, income to opponent), 12(loss).

*2nd cusp (Scorpio 23*0.12'.26"): The sub lord of the 2nd cusp is Moon. Moon is in the star of Venus and sub of Sun. Moon is occupant of 10, owner of 10. Star lord Venus is occupant of 9, owner of 1-8. Sub lord Sun is occupant of 10 owner of 11. Thus Moon signifies 1-8-9 and is connected with 10-11.

2nd CSL does not signifies only 5,12,8. So the condition of no wealth is not applicable in this case.
2nd CSL signifies 11 and connected with 8. So the condition of some wealth is applicable in this case.
2nd CSL does not signify only 6-2-10 and is not connected with 5-8-12. So enormous wealth condition is not applicable in this case.

The total seat is 243, so I guess that BJP and alinace (NDA) would get 50% of the total seat because we have only positive bhava. Thus in my opinion BJP and alinace (NDA) will get 122 seats.

Analysis of a horary (n0.9/249) chart
One of my friends Mr. Chandra Sekhar from Vizag telephoned and asked a querry-"will I be able to purchase a new house / flat ? if so when?". He gave me a horary number --9 at 21h-37m-21s and since I was with my lap top opened with astrology site ,immediately I erected a chart (horary) which is attached.

Horary no.09/ Date of judgment-- 22-06-2015/ Time of judgment-- 21H-37M-21S at SECUNDERBAD (TELANGANA).
MOON speaks of the querents mind--
Moon is the lord 4th placed in 5th cusp. Moon is in Venus star and Mars sub. The star lord Venus is the lord if 2 and 7 placed in 4nd cusp. The sub lord Mars is the lord of 1 and 8 placed in 2nd cusp. Thus moon clearly speaks of 4,2,7,8 houses relevant for house property and the intention of the querent is very much clear about of the nature of query.

The K.P rule says that if the 4th cusp sub lord signifies 2-financial matters,4th - house property(house/flat),11- fulfillment of ones desire and 12 -investment on property, the purchase of property is assured for the querent.

FOURTH CUSP co rulers are --MOON- JUP- RAHU.
SUB LORD Rahu is placed in 6th cusp. Rahu is in Moon star lord (lord 0f 4 in 5) and Mars sub (lord of 1&8 in 2). Rahu represents Mercury lord of 3 & 6 in 2nd.
Moon is aspected by Saturn may delay the matters for some time.
Moon aspects 11th cusp directly.
Thus the sub lord Rahu signifies 4, 5, 6 at star level and 1, 2 at sub level.

Eleventh cusp sub lord is Mercury which co rules 1st also.
Mercury signifies 2, 3,4,5,6 at its star MOON level and 4,9,12 at its sub Jupiter level.
All these assure the purchase of house property by the native.

Ruling planets at T0J are --
DAY LORD-MOON,
ASC. STAR LORD-MOON AND SUB LORD-SAT.
RASI STAR LORD --VENUS, SUB LLORD –Mars.
SUN AND MARS ARE CONJOINED AND JUPITER AND VENUS ARE CONJOINED.
SO R.Ps ARE -- MOON-SAT-VENUS-SUN-MARS-JUP.

SIGNIFICATORS OF--4-MOO-JUP-VEN-MER-RAHU-MAR.
11-SAT-KET-
12-KET- JUP.
COMMON FRUITFUL SIGNIFICATIRS ARE----MOON-VEN-SAT-JUP-MAR
Saturn retrogression is not considered while arriving at the event.
And the predicted result would be
The present dasa is VENUS(2,4,6@star AND 2,4 AT SUB) X MARS bhukthi lord (2,4,at sub) Jupiter antara(from 8june2015 to 4 august 2015) and Jupiter signifies(2,4,6,12@star and 2,6 @sub) x Mercury sookshma - from 25-6-2015 to 3-7-2015 may give the house.

This is the third continuous attempt of deliberation of a single natal chart to prove the efficacy of the KP rules and I wish to draw kind attention of readers to my articles appeared in KPEZ March 2015 and Aug. 2015 issues, where I have analyzed the fatal accident of Bobby Kristina and her death respectively. After the death of this native, a rumor has been come into the public, due to a statement of the elder sister of Kristina's father, Leolah Brown.

Leolah Brown has told INSIDE EDITION (http://news.yahoo.com/leolah-brown-bobbi-kristina-whitney-132600626.html) that she believes Bobbi Kristina Brown was murdered – and so was her mother, Whitney Houston. Further she said "This was no accident, I will never believe this was an accident... I believe that somebody killed my niece, just like they killed her mother. I don't know who actually murdered Whitney."

The exact reply for the above question of Leolah is there and can be found by only two ways. The first is, certainly if Kristina was murdered by someone, he, the murder knows it. Secondly a clever astrologer can reveal the nature of death only applying the KP rules. Of course, is she murdered?.

As per the natal chart given here Bobby Kristina is destined to a medium longevity and also accidental death as I have discussed in my previous articles. Since there was not a reason to check the natal chart for a murder at the time of the previous analysis, now the door has been opened by herown relatives to conclude the mode of death. My attempt with this 3rd article on Bobby Kristina is to see the closest reason for her death, by applying the KP rules.

Birth details: Bobby Kristina Brown, Female, Thursday 04 March 1993, 11.38 am, Livingston, New Jersey, USA. Lat. 40.48.00 N, Long. 74.19.00 W. Sid. Time 22:30:32, KPNA 23° 40' 18", Asc. Gemini 05° 58' 18", Balance Dasa Jupiter 05 Y 09 M 16 D, by KPAstro 4.1

Longevity

As per my detailed analysis of the chart appeared in the KPEZ, March 2015 issue, the life span of the native is indicated as average life span. (She died at the age of 22)

Rules for nature of death

1) 1st & 8th CSLs' signification of 8 (danger to life), 2 (Maraka), 7 (Badhaka/Maraka) houses and connection to Mars (violence, weapons, sudden death) indicates suicide.

2) 1st & 8th CSLs' signification of 4 (end of life), 6 (injury), 8 (danger to life), 12 (end of life), 2 (Maraka), 7 (Badhaka/Maraka) houses and connection to Mars (violence, weapons and sudden death) indicates unnatural/ accidental death.

3) 8th (nature of death) & 12th (homicide) CSLs' signification of 8 (danger to life), 12 (end of life), 2 (Maraka), 7 (Badhaka/Maraka) houses and connection to Mars (violence, weapons and sudden death) indicates death by murder/ assassination.

12th cusp sub lord is Sun+, the lord of 4 (End of Life/Terminal) tenanted in the 10 (Treatments not effective), aspecting 12th (Homicide), is in the star and sub of above said Jupiter (2-5-3-7,8,11).

Cuspal Significations

Lagna cusp sub lord Moon signifies 5 & 11, favorable houses for longevity along with unfavorable 2 (Maraka), 7 (Maraka & Badhaka), 8 (Danger to life), 6 (Injury). The 8th cuspal sub lord Kethu+, being in the star and sub Mars for 1, 12 and being the representative of Jupiter for 2, 7, 8 and for Venus (6 - Injury), is a strong significator for 12 (Homicide). In addition Kethu+ is the CSL for 2 (Maraka) and 8 (danger to life).

Thus 8th (Nature of death) and 12th (Homicide) cuspal sub lords are signifying houses 8 (Danger to Life), 12 (Hospitalization, Moksha, Renunciation), 7 (Maraka & Badhaka) and connected with Mars, indicating the death by murder/ assassination.

Assassination

Generally the word "Assassination" is used to express the idea of "Murder" or violent death or the action of killing someone, where "Kill" stands for dispose or get rid of life. But traditionally, the term "Assassination" means to kill for political or religious motives, as penetrated in the general public even today. According to my personal point of view, we should not adhere to this standardization of the usage of the term, because the KP rules for any type of murder or violent death could be satisfactorily applied even in the assassination as well.

Application of Assassination rules for the death of Bobby Kristina

The latest rule enunciated by Sri Kanak Kumar Bosmia, the editor of this treasured E-Magazine KPEZ, is as below.

"*If 8 or 12th sub lord signifies 8, 12 then one can be assassinated in the Dasha, Bhukti and Anthra of the significators of 8th and 12th houses.*"

As explained above, both 8th and 12th sub lords are signifying 8 & 12 houses in her natal chart. At the time of the death i.e. 26th July 2015, the native was running Saturn Maha Dasa (12), Bukthi and Anthar of Jupiter (8) and Mercury (8) Sookshama.

Also on the day of her fatal accident, falling into bath tub, she was under Saturn (12), Rahu (12 by way of Mars), Moon (8) and Jupiter (8) as DBAS. Thus the above rule can be found satisfied in both incidents under discussion, evidencing that the death is a murder.

Furthermore, I have found some similar linkages of probability of this type of brutal murders when tabulating the outcome of my research in assassination, done in 2009. Among them, the following reasons are found important to note.

1. Saturn played a detrimental role in all the natal charts and majority of the incidents have been occurred when the natives were running Saturn Maha Dasa.

(At the time of the incident of Bobby, she was running her Mahadasa of Saturn+ for 12)

2. Cross linkage of 12th cuspal sub lord with 8th house and 8th cuspal sub lord with 12th house appeared in almost all charts under study.

(In Booby's chart 12th Cuspal sub lord Sun is in the star and sub of Jupiter, the lord of 8 and 8th cuspal sub lord Kethu is in the star and sub of Mars the lord of 12 and also Kethu is deposited in the same 12th house.)

3. In the above said assassination study, connection of Uranus and Neptune to the 8th house was exposed in almost all the charts under study.

(a) "Uranus in 8th house: Transition from the physical to the spiritual world may be after long and fitful suffering or due to sudden unexpected end"- KP Reader 2, pg 479

(b) "Neptune in 8th house: Danger of drowning or through poison" - ibid pg 486

Both Uranus and Neptune are placed in the 8th house opposing the Ascendant in her natal chart.

Conclusion

According to the planetary influences as revealed above through the rules of KP, higher marks appeared in the column of "Murder" than the "Accidental Death" in the astrological post mortem score board for the reason of death of Bobby Kristina.

Physical evidences in support of this conclusion are also available in the media as under:

If 10^{th} (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of 3, 10, 11, then success is assured.

Cuspal Sub lord for Mr. Alexander Lukashenko:
10^{th} Cusp (Cancer 21^0.12'.21"): The sub lord of the 10^{th} cusp is Venus. Venus is in the star of Mercury (Retro) and sub of Rahu. Venus is occupant of 10 and owner of 1-8. Star lord Mercury is occupant of 12 and owner of 9-12. Sub lord Rahu is occupant 11. No planet in the star of Rahu and Rahu is CSL of 3-7. Rahu is conjoined with Sun and Mercury. Hence Rahu represents Sun and Mercury. Sun is occupant and owner of 11.

Mercury is occupant of 12 and owner of 9-12. Thus 10th cusp sub lord Venus is significator of 9-12 and connected with 1-8-10-11-3-7-12-9. Hence wining in election is sure.
For opponent:
Cuspal Sub lord:
10th Cusp (Capricorn 21°.12'.21"): The sub lord of the 10 cusp is Venus. Venus is in the star of Mercury (Retro) and sub of Rahu. Venus is occupant of 4 and owner of 2-7. Star lord Mercury is occupant of 6 and owner of 3-6. Sub lord Rahu is occupant 5. No planet on the star of Rahu and Rahu is CSL of 1-9. Rahu is conjoined with Sun and Mercury. Hence Rahu represents Sun and Mercury. Sun is occupant and owner of 5. Mercury is occupant of 6 and owner of 6-3. Thus 10th cusp sub lord Venus is significator of 3-6 and connected with 4-2-7-5-1-9-5-3. Hence wining in election is sure.

Joint period for Mr. Alexander Lukashenko:
On day of election (11th October 2015) running dasa is Ketu-Venus-Ketu-Mars from 9th October 2015 to 11th October 2015.

Dasa-Antra lord Ketu is in the star of Saturn and sub of Mercury. Ketu is occupant of 5. Ketu is aspected by Mars. Mars is occupant of 10, owner 2-7. No planet in the star of Mars and Mars is CSL of 1. Star lord Saturn is occupant of 1, owner of 4-5. Sub lord Mercury is occupant of 12, owner of 9-12. Hence dasa-antra lord Ketu signifies 10. Thus it indicates winning chance for Mr. Alexander Lukashenko.

Bhukti lord is Venus. Venus is in the star of Mercury (Retro) and sub of Rahu. Venus is occupant of 10 and owner of 1-8. Star lord Mercury is occupant of 12 and owner of 9-12. Sub lord Rahu is occupant 11. No planet on the star of Rahu and Rahu is CSL of 3-7. Rahu is conjoined with Sun and Mercury. Hence Rahu represents Sun and Mercury. Sun is occupant and owner of 11. Mercury is occupant of 12 and owner of 9-12. Hence bhukti lord Venus signifies 3-10-11. Thus it indicates winning chance for Mr. Alexander Lukashenko.

Sookshma lord is Mars. Mars is in the star of Ketu and sub of Sun. Mars is occupant of 10, owner of 2-7. No planet on the star of Mars and Mars is CSL of 1. Star lord Ketu is occupant of 5. Ketu is aspected by Mars. Mars is occupant of 10, owner 2-7. No planet on the star of Mars and Mars is CSL of 1. Sub lord Sun is occupant and owner of 11. Hence Sookshma lord Mars signifies 10-11. Thus it indicates winning chance for Mr. Alexander Lukashenko.

Joint period for Opponent:
On day of election (11th October 2015) running dasa is Ketu-Venus-Ketu-Mars from 9th October 2015 to 11th October 2015.

Dasa-Antra lord Ketu is in the star of Saturn and sub of Mercury. Ketu is occupant of 11. Ketu is aspected by Mars. Mars is occupant of 4, owner 1-8. No planet on the star of Mars and Mars is CSL of 7. Star lord Saturn is occupant of 7, owner of 10-11. Sub lord Mercury is occupant of 6, owner of 3-6. Hence dasa-antra lord Ketu signifies 3-10-11. Thus it indicates winning chance for opponent.

Bhukti lord is Venus. Venus is in the star of Mercury (Retro) and sub of Rahu. Venus is occupant of 4 and owner of 2-7. Star lord Mercury is occupant of 6 and owner of 3-6. Sub lord Rahu is occupant 5. No planet on the star of Rahu and Rahu is CSL of 1-9. Rahu is conjoined with Sun and Mercury. Hence Rahu represents Sun and Mercury. Sun is occupant and owner of 5. Mercury is occupant of 6 and owner of 3-6. Hence bhukti lord Venus signifies 3. Thus it indicates winning chance for opponent.

Sookshma lord is Mars. Mars is in the star of Ketu and sub of Sun. Mars is occupant of 4, owner of 1-8. No planet on the star of Mars and Mars is CSL of 7. Star lord Ketu is occupant of 11. Ketu is aspected by Mars. Mars is occupant of 4, owner 1-87. No planet on

the star of Mars and Mars is CSL of 7. Sub lord Sun is occupant and owner of 5. Hence Sookshma lord Mars signifies 11. Thus it indicates winning chance for opponent.

My opinion: cuspal sub lord of 10th signifies 3-10-11 for Mr. Alexander Lukashenko and only 3 for opponent. In joint period lords, at sookshma level it signifies 10-11 for Mr. Alexander Lukashenko and only 11 for opponent, so in my opinion Mr. Alexander Lukashenko will win this election.

Background: During month of April, May and June, every year several competitive medical colleges' entrance examinations are conducted by various universities in different states. Despite high academic score in regular school, entrants don't get admission in desired colleges. Out of great anxiety parents and students ask this question frequently whether they will get admission desired medical college. Although an astrologer has to check their success in competitive examination too. Horary charts are preferable then birth chart in such cases for prediction.

Hints: For prediction of success in competitive examination, we consider that 4th cusp which should signify 4, 9 and 11 and success can be achieved during DBA of 4, 9, and 11. Mercury and Jupiter are deciding planets.
Rule for admission in desired college:

- Separate horary charts should be drawn for each desired college admission.

4th Cusp; Sublord of 4th cusp is Venus: Venus is occupant of 3 and owns 4, 9. Venus is in star of its own and sub of Jupiter. Jupiter is occupant of 6 and owns 2, 11, and 12. Jupiter is also in retrograde motion. 4th cusp signifies 4,9-as connected to 2, 3, 4,6,9,11,12 through its star and sub. That means success in examination and college admission for higher studies is promised during DBA of 4,9,11.

11th Cusp: Sublord of 11th cusp is Sun in Pisces. Star lord of Sun is Saturn which is situated in fixed sign Scorpio but it is in retrograde motion.

means university admission is sure during DBA of 4, 9 and 11.

11th cusp: Sublord of 11th cusp is Sun in Gemini. Jupiter is in its star and Mercury is in its sub.

Conclusion: 4th cusp Sublord and 11th cusp Sublord is in direct motion. Star lord of 4th cusp is in retrograde motion. Both Sublord are in dual sign not in fixed sign means there is a remote possibility of admission in desired university.

Case 3
Querent: Male
Query: admission in desired college
Horary number: 211/249
Judgement time and date: 7:31.31 P.M, 30.3.2015
Place of Judgment: Gopalpura, Jaipur, Rajasthan

4th cusp: Jupiter is Sublord of 4th cusp. Jupiter is in retrograde motion and posted in Cancer. Jupiter is occupant of 6 and owns 2, 11. There is no planet in star of Jupiter. Jupiter is connected to 4, 8, 11. Mercury is star lord of Jupiter. It occupies 1 and owns 5 and 8. Ketu is in sub of Jupiter. Ketu is occupant of 2 and represents Sun and Mercury .Sun occupies 2 and owns 7. No planet is in the star of sun and it is connected to 1,9). 4th cusp is connected to 1,2,4,5,6,8,11.4th cusp is signifying 4,9 and 11 that means college admission is sure during DBA of 4,9,11 but with some difficulty being connected to 8.

11th cusp: Sublord of 11th cusp is Jupiter. Detail of which has already been stated.

Conclusion: Sublord of 4th and 11th cusp are in retrograde motion and posted in cancer, not a fixed sign. That means there will be no admission in desired college.

Predictions came true. Unfortunately I could not find a case for success in admission in desired college. Astrologers, especially beginners like me have to do regular research for verifying the KP rules with practical work.

I am thankful to Shri Kanak Bosmia who constantly keeps supporting his students to do continuous studies to learn more in the field of KP astrology.

A "Planned" Caesarian delivery

Every now and then a particular question comes up that is out of the ordinary, leading one to ponder over both its unusual significance and the manner in which such a question may be astrologically analysed.

Procreation is a prime function of life. Life gives rise to life. The species propogates itself. Child birth is a natural phenomenon and, as Hindu philosophy suggests, the moment of birth is pre-ordained by the almighty. The Soul takes its human body depending upon its past karmas, and the moment of birth shows, to the trained eye of an astrologer, the course of life that this Soul must take in order to fulfill its destiny before the cycle of birth repeats itself.

Can the moment of birth be pre-selected by the parents of the child? Can we as human beings "select" the exact moment for the birth our children, thereby influencing their destinies into a course that is optimum for their lives? Can human beings "interfere" with the cosmic scheme of things that, according to our beliefs, are unalterable? Can our knowledge of astrology lead us to select the "perfect moment" to "allow the perfect birth" to occur?

Indeed, if we could "choose" the right moment for all events in our life, would we not be capable of ensuring that our lives are filled with success and happiness and that we minimize, if not avoid altogether, problems and sorrows in our lives? Are we, truly, masters of our own destiny?

As KP astrologers, we have been able to predict in many instances the exact moment of birth of children. In many instances, maestros of KP Astrology have been able to cast birth charts (Nativities) based on their predicted times of birth in advance of the actual birth of the person. Masters of the Padhdhati are able to make such accurate and precise predictions because the stellar maps bear a clear relationship with the divine plan. KP is predicated on the fact that whatever is destined will happen with or without our human intervention in trying to alter it. If that was not the case, there would be no certainty of events and astrology would be futile.

This article, however, is not about the philosophy of astrology, or of karma or God's scheme for life. It is about human intervention versus God's will showing that the latter clearly overrides any effort on our part and brings about the event as per divine dictates.

Very recently, I was invited to attend a ceremony to mark the maturing of a lady's pregnancy. What would have been a normal event roused my curiosity as a KP student. I was informed by my wife that the lady in question (the sister-in-law of my wife's friend) had PLANNED TO HAVE HER DELIVERY AT THE HOSPITAL BY CAESARIAN PROCEDURES ON A PARTICULAR DAY.

What makes this case interesting is that the lady is herself a doctor. She has planned the delivery for a particular day. As of date (16 August 2015) she has about two weeks to go before that planned delivery. In the normal course, the delivery was due at a later date by natural means. However, she had had her first child delivered by Caesarian procedures.

As a doctor she had now assessed herself in consultation with her colleague doctors as likely to have the second child also delivered the same way. Together they had determined that the best course of action was to deliver the child by a caesarian procedure. For this purpose, the lady had selected the date for the procedure which fell short of the actual date of delivery by almost a week.

My wife and I were unable to ask for more information and hence we did not know the time for which the caesarian birth was planned.

What do the stars foretell? Was this "planned" delivery a challenge to nature's own determination of the right time for the child's birth? If it was indeed such a challenge, could astrology pin-point the birth and the time of the birth of the child?

With this burning curiosity in my mind, I sat down to consider a prashna chart. The number 216/249 was taken as generated randomly by the software. The Horary Chart was rotated to 9th for a little known person to me. The rotated chart is attached below for your reference.

This is the lady's second child. Hence, it was important to consider the 7th bhava (as it is the 3rd from the 5th). Therefore, child birth will be shown by the 7th CSL signifying or linking with 2nd and 11th bhavas (2,7,11) and birth would occur in these DBAS.

The Ascendant:

The Ascendant of the rotated chart falls in Libra which is a movable Sign. The CSL of the Lagna is Rahu.
Rahu is in the Star of Sun and Sub of Venus.
Rahu is placed in 12th. It is strong with no planets in its stars. It is the Sub lord for bhavas 1,7 and 10. Rahu represents Mercury (being in Virgo). Mercury is in 11 and rules 9 and 12.
Rahu is in the Star of Sun who is in 10 and rules 11.
Rahu is in the Sub of Venus in 10 and rules 1-8.

See how her self-action is reflected in the Ascendant. Rahu being a very strong significator of the Lagna (as there are no planets in its Stars) is placed in the 12th. Apart from being the bhava that signifies hospitalization and confinement, 12th is a bhava of mystery. It reflects the unusual. Clearly, the self (lagna) connects with the unusual pre-selection of the date of delivery by the method (caesarian).

The ASL signifies 10 and 11 and is connected with 7 (second child), 8 (danger and surgery), 12 (hospitalisation). Apart from these significations of the ASL, it must be noted that 7th also shows the doctors attending on her. The 10th is her own profession. The lady is a doctor by profession. 12th is where she works i.e. the hospital.

NOTE: The co-rulers of the 10th bhava are Moon (Sign lord), Saturn (Star lord) and Rahu (Sub Lord) with Rahu representing Mercury.

Moon is in Sun Sign and Venus Star;
Saturn is in Mars Sign and Saturn Star; and
Rahu is in Mercury Sign and Sun Star.
Mercury is in Sun Sign and Venus Star.

Thus all the co-rulers of the 10th are connected with Sun (the Dhanvantri or doctor of the cosmos), linked with Mercury showing her intelligence; and Venus features in the majority of the cases that give her the finesse in her profession. It must further be noted that Venus represents 'Kama' and hence the field of medicine that she must be practicing would be

maternity or related to sexual diseases (apart from other possible areas including kidneys, urino-genital system, etc).

Thus, my query about this lady is well contained in the rotated chart.

MOON:

Now let us look at the pointers that Moon provides towards the issues that are involved in this query.
The Moon is 'Mathi' the mind and, in this case, it reflects my own mind and curiosity. If I take the rotated chart, the moon should indicate my own focus on this matter, as an astrologer and because no one else has asked this question of me.

Moon is strong (no planets in its stars) and is in the 11th and rules 10. It is not a Sub lord for any houses. Moon is in the Star of Venus who is in 10 and rules 1-8. Thus, Moon shows my curiosity about the strange event (12th) i.e. planned delivery of a child by caesarian intervention (8th bhava) and the dangers linked with it. The 10th shows my apprehension about the success of the event as it is the 12th from the 11th. The 9th brings out the philosophical issues I have raised regarding human intervention in child birth. The 9th stands for 'poorvapunya' and reflects the past karmic origins of the bhagyam of the present life. I was now sure that this chart reflects my innermost reflections.

For the birth of the second child, the 7th bhava must be connected with 2nd or 11th.

The 7th CSL is Rahu.

Rahu is in the Star of Sun and Sub of Venus.
Rahu is placed in 12th. It is strong with no planets in its stars. It is the Sub lord for bhavas 1,7 and 10. Rahu represents Mercury (being in Virgo). Mercury is in 11 and rules 9 and 12.
Rahu is in the Star of Sun who is in 10 and rules 11.
Rahu is in the Sub of Venus in 10 and rules 1-8.

As in the case of the Ascendant, Rahu signifies the 11th (along with surgery and danger - 8; and 12 - hospitalization). Being a strong significator of the 7th (having no planets in its Stars and being the Sub Lord of the 7th) and signifying 11th it assures child birth.

The 2nd CSL is Venus.

Venus is in the star of Mercury and sub of Saturn
Venus is in 10 and rules 1-8.
Star Lord Mercury is in 11 and rules 9-12.
Sub Lord Saturn is in 1 and rules 4-5.
Thus the 2nd SL signifies 11,9, 12 and is connected with 1,4,5,8 and 10.

Through its signification of the 11th, the 2nd house promises increase in the lady's family. I am intrigued with the connections it has formed with 4th. If 7th is taken as the attending doctors/surgeons, their profession is indicated by the 4th (being the 10th from the 7th). Thus assistance of doctors or surgeons in child birth is reflected.

The 11th CSL is Mercury.

Mercury is in the star of Venus and Sub of Rahu.
Mercury is in 11 and rules 9-12.
Star Lord Venus is in 10 and rules 1-8.
Sub Lord Rahu is in 12th. It is strong with no planets in its stars. It is the Sub lord for bhavas 1,7 and 10. Rahu represents Mercury (being in Virgo). Mercury is in 11 and rules 9

and 12.
Thus 11th SL signifies 10,1-8 and is connected with 1,7,9,10 and 12. If 11th stands for success in all matters, then these links show that:

1) The surgery will be successful (signification of 8th);
2) Child will be born (connected with 7th);
3) Hospital treatment and procedures will be successful (connected with 12th);
4) There will be safety and cure from the procedures (connected with 1, 9).

In this light, let us look at the significators:

2= Mars
7= Mars
11= Sun, Venus, Moon, Mercury, Rahu

Thus, the significators for the event are Mars, Sun, Venus, Moon, Mercury, Rahu. Saturn may be taken as a significator as well because he aspects Moon with his 10th aspect and also causes punarphoo.

Please note how Mars is the single powerful significator of the 2nd and 7th bhavas. Mars connected would indicate surgical intervention.

Taking the RPs on 16 August 2015 at 15:20:18 pm (Canberra, Australia), these are:

Day lord = Sun
Moon Sign lord = Sun
Moon Star Lord = Venus
Moon Sub Lord = Moon
Ascendant Sign = Saturn
Ascendant Star = Sun
Ascendant sub = Saturn
Overall, the RPs are Sun, Venus, Moon and Saturn.

DBAS running:

Dasa Lord is Venus (both in RPs and significators).

Venus is in the star of Mercury and sub of Saturn.
Venus is in 10 and rules 1-8. Mercury is in 11 and rules 9-12. Saturn is in 1 and rules 4-5. Thus the 2nd SL signifies 11,9, 12 and is connected with 1,4,5,8 and 10.

Through its signification of the 11th, it promises success in the increase in the lady's family. The 4th being connected as the attending doctors/surgeons, (their profession is indicated by the 4th being the 10th from the 7th), it clearly shows the assistance of doctors or surgeons in the birth of this child.

Note: Although Venus is Retrograde at the time of judgment, it is not in the Star of a Retrograde planet. This does not disqualify Venus from providing results. Also, Venus becomes Direct in motion only on the 6th of September. However, I do not think this is a barrier to Venus as it is conjunct with Mars and Sun and has to provide their outcomes as much as it must of its own significations.

Mars is strong with no planets in its Stars. It is placed in the 9th and rules 2-7. It is not a Sub Lord for any other bhavas. It is in the Star of Saturn placed in 1st and rules 4-5; Mars is in the Sub of Sun placed in 10th and rules 11th.

Thus, Mars supports the birth of the child by signifying 1, 4 and 5 and being connected with 2 and 11.

Sun is placed 10th and rules 11th. It is in the Star of Mercury placed in 11th and rules 9-12. It is in the Sub of Saturn placed in 1st and rules 4-5.

Thus Sun, too, supports child birth by signifying 11th and connected with 1st and 11th.

Venus Dasa, therefore, is definitely going to provide the lady a successful child birth.

Bhukti Lord is Moon (both in RPs and significators).

Moon is in the Star of Venus and sub of Moon.
Moon is in 11 and rules 10. It has no planets in its stars but is not a sub lord for any houses. It, therefore, strongly signifies 11.
Star lord Venus is in 10 and rules 1-8.
Sub lord Saturn is in 1 and rules 4-5.

Bhukti Lord supports the intent of the Dasa Lord towards birth of the child.

Antara Lord is Saturn (in RPs and significator by virtue of aspect on Moon).

Saturn is in 1 and rules 4-5. It is in the star and sub of itself.
As Moon (whom it aspects), it signifies 11 and 10 (Moon is in 11 and rules10).
Thus Antara lord also signifies 11th and shows the doctors intervention through its link with the 4th.

Sookshma Lord Sun runs from 24th to 29th August. Sun is both RP and significator. The lady has planned her caesarian delivery for the 28th August. This falls within the sookshma period of Sun.

Sun is in 10 and rules 11.
It is in the star of Mercury. Mercury is in 11 and rules 9-12.
It is in the sub of Saturn who is in 1 and rules 4-5.

Thus, right up to the Sookshma level there is good indication of child birth (11th shows success), in the hospital (12th), with the intervention of doctors (4th).

<u>Looking up the transit now: On 28th August 2015 (Friday):</u>

Sun transits Leo Sign, Ketu star, Saturn sub, and Venus sub-sub.
Moon transits Saturn sign, Moon star, Rahu sub, and Mercury sub-sub.

With these favourable transits, the lagna rising at the time of birth should also reflect these significators and RPs.

Thus, *Lagna transits* Leo Sign (Sun), Star of Sun, Sub of Moon, Sub-sub of Saturn and sub-sub-sub of Venus <u>at 07:19:33 am</u>. The Day is Friday (ruled by Venus).

Let us take a look at the possible gender of the child to be born:

7th SL is Rahu (a female planet). Rahu is situated in Virgo (a female sign). It is in the Star of Sun (a male planet). But Sun is located in Cancer (a female sign).
It seems that majority indications favour the birth of a female child. Let us wait and see.

OUTCOME:

I wrote this analysis on the very day that it was made i.e. the 16th of August 2015. On Sunday, August 30, 2015 I was informed by the relatives of the lady in question that a female child was born to her on 28 August 2015 (Friday) at around 7:15 am by caesarian procedures. The time that the lady had actually chosen for the procedure to be performed on her was a time later in the afternoon.

However, this is where the Divine's plans for this child were clearly seen. With some complications arising the previous night and lasting until the morning, the doctors had to conduct the operation earlier in the morning.

NOTWITHSTANDING ALL THE PLANNING AND CHOICES MADE BY THE PARENTS AND ATTENDING DOCTORS, THE DIVINE CHOSE ITS PRE-DESTINED/PRE-ORDAINED TIME FOR THE CHILD TO BE BORN.

The will of the almighty prevailed and the prediction was fulfilled.

Guatemalan former comedian leads field in presidential election first round

A former television comic is heading for a runoff with either a wealthy businessman or a former first lady in voting for Guatemala's next president, days after the Central American country's leader resigned over a corruption scandal.
Guatemala's president spends night in jail after resignation. With more than 96% of polling stations reporting, comedian Jimmy Morales, who has never held elective office, was leading with 24% of the vote.
Businessman and longtime politician Manuel Baldizón and former first lady Sandra Torres were in a tie, each with about 19.4%. Baldizón led Torres by less than 800 votes among nearly five million votes cast. The top two finishers in the field of 14 will advance to a runoff to be held on 25 October.
Analyst Christians Castillo said Morales's surprising performance was a sign of voter discontent, "a vote of punishment" against more traditional candidates. Electoral officials estimated a nearly 80% turnout.
The candidates in Sunday's election faced an uncomfortable challenge: trying to win votes in a nation where the former president Otto Pérez Molina remains in court custody awaiting a decision on whether he will be tried on graft charges.
Most of the candidates were old-guard figures picked to run before energised prosecutors backed by a mass anti-corruption movement toppled Pérez Molina's administration. Many voters were so sceptical that they campaigned for the election itself to be postponed to give them a new crop of choices.
Morales boasted of his outsider status and said he is part of the uprising against corruption. He has promised greater transparency, including media review of government contracts.
Baldizón had led most polls with roughly 30% backing. His running mate is accused by prosecutors of influence trafficking, but as a candidate enjoys immunity from prosecution.
Baldizón has acknowledged Guatemalans' disgust with crime, corruption and impunity. His campaign website vows a "modernisation of the democratic state" to reform government and combat poverty and social inequality.
Torres divorced former president Álvaro Colom ahead of the last presidential race to try to get around rules barring presidential relatives from running, but was still ruled ineligible. A businesswoman and longtime political party figure, she is proposing a coalition government to respond to the concerns of outraged citizens.
A key question going into the election was the level of protest vote in the face of the customs corruption scandal, which also forced Pérez Molina's previous vice-president, Roxana Baldetti, to resign. She, too, is accused in the scheme. But the number of null or blank votes was minimal.
Guatemalans were also voting for vice-president, members of congress and the Central American Parliament, and local authorities for municipalities nationwide.

Election will be on 25-10-2015

Place of Judgment: Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Aynamsha: $23^0.59'.12"$

Hint:
If 10^{th} (one's position in politics) cusp csublord signifies 10 (one's Reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of 3, 10, 11, then success is assured.

Cuspal Sub lord for Mr. Jimmy Morales:
10^{th} Cusp (Pisces $10^0.27'.31"$): The sub lord of the 10^{th} cusp is Sun. Sun is in the star of own and sub of Venus. Sun is occupant of 4 and owner of 3. Sub lord Venus is occupant of 2 and owner of 5-12. Thus 10^{th} cusp sub lord Sun is significator of 4-3 and connected with 4-3-2-5-12. Hence the wining in election is sure.

For opponent:
Cuspal Sub lord:
10^{th} Cusp (Virgo $10^0.27'.31"$): The sub lord of the 10 cusp is Moon. Moon is in the star of Rahu and sub of Mercury. Moon is occupant of 3 and owner of 8. Star lord Rahu is occupant 9. Rahu is conjoined with Sun and Mercury. Hence Rahu represents Sun and Mercury. Sun is occupant 10 and owner of 9. Mercury is occupant of 10 and owner of 7-10. Sub lord Mercury is occupant of 10 and owner of 7-10. Thus 10^{th} cusp sub lord Moon is significator of 9-10-7 and connected with 2-8-10-7. Hence the wining in election is sure.

Joint period for Mr. Jimmy Morales:
On day of election (25th October 2015) running dasa is Rahu-Mercury-Sun-Rahu. From 22th October 2015 to 29th October 2015.

Dasa-Sookshma lord Rahu is in the star of Sun and sub of Mercury. Rahu is occupant 3. Rahu is conjoined with Sun and Mercury. Hence Rahu represents Sun and Mercury. Sun is occupant 4 and owner of 3. Mercury is occupant of 4 and owner of 1-4. Star lord Sun is occupant of 4, owner of 3. Sub lord Mercury is occupant of 4, owner of 1-4. Hence Dasa-Sookshma lord Rahu signifies 3-10. Thus indicate winning chance for Mr. Jimmy Morales.

Bhukti lord is Mercury. Mercury is in the star of Moon and sub of Saturn. Mercury is occupant of 4 and owner of 1-4. Star lord Moon is occupant of 9 and owner of 2. Sub lord Saturn is occupant of 5 and owner of 8-9. Hence bhukti lord Mercury not signifies 3-10-11. Thus indicate no chance of winning chance for Mr. Jimmy Morales.

Joint period for Opponent:
On day of election (25th October 2015) running dasa is Rahu-Mercury-Sun-Rahu. From 22th October 2015 to 29th October 2015.

Dasa-Sookshma lord Rahu is in the star of Sun and sub of Mercury. Rahu is occupant 9. Rahu is conjoined with Sun and Mercury. Hence Rahu represents Sun and Mercury. Sun is occupant 10 and owner of 9. Mercury is occupant of 10 and owner of 7-10. Star lord Sun is occupant of 10, owner of 9. Sub lord Mercury is occupant of 10, owner of 7-10. Hence Dasa-Sookshma lord Rahu signifies10. Thus indicate winning chance for opponent.

Bhukti lord is Mercury. Mercury is in the star of Moon and sub of Saturn. Mercury is occupant of 10 and owner of 7-10. Star lord Moon is occupant of 3 and owner of 8. Sub lord Saturn is occupant of 11 and owner of 2-3. Hence bhukti lord Mercury signifies 3-10-11. Thus indicate chance of winning chance for opponent.

My opinion: In my opinion Mr. Jimmy Morales will not win this election.

On 12th September 2015, there was a News Head Line on Sirasa TV Channel in Sri Lanka, *"A Five Year Old Baby Girl is missing from last night while she was sleeping with the mother"* and further stated that the investigations have already been made to find the Baby Girl.

On the next day, there was an announcement that the Baby girl's death body was found from nearby paddy field and the postmortem verdict found that the baby was severely raped and strangled to death by a rope.

RULES FOR LONGEVITY
The houses 1, 3, 8 are examined as the houses of longevity in judging one's longevity. However, the significators of the 8th and 3rd houses by the 1st and 8th cusp sub lord or the running DBAS lords or Transit are undesirable malefics for one's health and longevity due to chronic disease, serious accident, suicide, murder, assassination etc., as presented below:

1) In the judgement of longevity, the Ascendant cusp sub lord is mainly examined as it shows one's health, vitality, immunity and longevity. Among the significators of the Ascendant cusp sub lord, the houses 1, 5, 9, 11 (if not Badhaka) support the longer longevity and the houses 6, 8, 12 cut the lonhevity short. *(KP Reader III, pages 159, 165/ 1971 edition Practical part, pp 12,18; KP Reader VI, pp 155-159); C.R. Bhatt's Nakshatra Chintamani, p 30; Further Lights on Nakshatra Chintamani pp, 24-25; P.V.K. Punneswara Rao's Theory and Practice of Stellar Astrology, p 45)*

If the cuspal sub lord of Asc. be the significator of Badhaka and Maraka houses, there is a danger to life during the joint periods of the significators of Badhaka and Maraka houses.

If these significators be the cuspal joint rulers of the Asc. or 8th cusp, their conjoined period is very critical.

In the horoscope under study, the Asc. falls in a Fixed sign. So, 9th house is the Badhaksthana.

Hospitalization, Moksha, Homicide) and Jupiter (8: Danger to Life, Accident, 5: Life saving) and in the sub of Saturn lord of 6 (Injury, Sickness) & 7 (Maraka) in 2 (Maraka).
Lagna cusp sub lord Venus is in association with Mars the Badhakasthanadhipathi in 3rd house.

Maraka, Badhaka, 6, 8, 12 indicate short life as per the House grouping - Part I by Sri Tin Win ji.

2. The 3rd CSL is also Venus as discussed above under Lagna CSL.

3. The 8th CSL is Rahu in 5, with its representation for Moon (5: Life saving, 12: Hospitalization, Moksha, Homicide) and Jupiter (8: Danger to Life Accident, 5: Life saving). Rahu is in the star and sub of Venus in 3, lord of 3, 10.

As per the CSLs for longevity as appended above, this girl is not destined with a long life span. It shows a short life (Alpayush).

Rules for nature of death
1. Murder/Assassination
House 8 (Nature of Death), 12 (Homicide) CSLs signification of 8 (Danger to Life), 12 (End of Life), 2 (Maraka), 7 (Maraka/Bhadhaka) houses and connection to Mars (Violent/ Weapons/ Sudden Death) *indicate death by murder/assassination*.

2. Rape to Death
(No rule is to be found in KP Literature but as per Shri Tin Win Ji's view and experience the following two rules are analyzed).
A. 7, 8, 12
B. 5, 8, 12
7, 8, 12 seems more reasonable with 7 CSL connection to 8, 12 other than 5, 8, 12 with 5 CSL connection to 8, 12.

3. Strangled to death
If the 8th sub lord is Saturn, the native will be dead by strangle.
-Astro Secret I , Pg 180, 5th Edition 2008

Analyzing the rules

1) In this horoscope, 8 & 12 CSL Rahu is in 5, representing Moon & Jupiter 5, 12 & 8, 5-8 respectively) in the star and sub of Ve 3, 3-10. Venus associates with Badhaka Lord Mars. CSL of 8 & 12 Rahu's signification of 8 (Danger to Life), 12 (End of Life), 2 (Maraka), 7 (Maraka) & 9 (Bhadhaka) houses and connection to Mars (Violent/Weapons/Sudden Death) *indicatesdeath by murder.*

2) 7 CSL Ketu: 11, 2-11 in the star of Rahu 5, 5-8 (Ra represents Mo & Ju 5, 12 & 8, 5-8) in the sub of Me 1, 2-11. *Here, 7 CSL signifies 8, 12 as per the above rule No.2.*

3) Saturn is the karaka planet for strangled to death. In the natal chart Saturn is deposited in the sub of Rahu, significator of 8 and 12.
Above three rules are satisfied for the natal chart of this baby and it reveals that the nature of death is violent, raped and roped to death.

DBAS
This child faced this distressing situation during the DBAS of Ve-Ve-Ju-Sa period.

DASA & BHUKTHI LORD: Ve: 3, 3-10 is in the star of Ra in 5 (Ra represents Mo & Ju 5, 12 & 8, 5-8) in the sub of Sa: 2, 6-7. Ve is conjoined with Ma+: 3, 4-9.

ANTHARA LORD: Ju+: 8, 5-8 is in the star and sub of Sa: 2, 6-7.

SOOKSHAMA LORD: Sa: 2, 6-7 is in the star of Mo 5-12 in the sub of Ra+: 5, 5-8 (Ra represents Mo & Ju 5, 12 & 8, 5-8).

On the day of death, Dasa & Bhukthi Lord Ve was transiting in the 12th house, associating Mars as in the natal chart and both were transiting over the star of Me (2-Maraka), while Ve was transiting in its own sub and Ma on Jupiter's sub that is the natal 8 lord.

Anthara Lord Ju, that is the lord of 8 in 8, was transiting in Ke star and Me sub

Sookshama Lord Sa: (2, 7 Maraka) 12 (Moksha/Homicide), 6 (injury) was transiting in the 4 (End of life), a house owned by Mars the killer, is in own star and Me (2) Sub.
Sun was transiting in Ve star and Me sub.
Mo was transiting in Ke star and Ju sub.

Conclusion
In summarizing the outcome of this analysis, the Lagna cusp sub lord Venus, the ruler of the generative system of tamale, was in association with the Badhaka lord Mars the destroyer, from the birth to the death and also was the Maha Dasa lord at the end of the life by rape and rope. Further, all the longevity significators have indicated no support for the longevity of this baby girl by being the death inflicting significators. If the longevity is no more and life ending significators come to effect as DBAS lords, the native will have to leave this world by the reasons indicated in the chart. Here the reasons/causes for the end are RAPE & ROPE, as indicated by the respective significators.

With my limited knowledge, I have understood that the fundamental rules of KP system always prove its efficacy in any type of matter in the universe.

Will FIFA President, Mr. Sepp Blatter be prosecuted?

By: Arvind Gupta

Australia

EMail: guptaa@unhcr.org

The BBC recently carried the following headline and report:

"Sepp Blatter says he will not stand down as Fifa president because of the criminal proceedings opened against him by Swiss investigators.

The Swiss, 79, is suspected of signing a contract that was "unfavourable to Fifa" and making a "disloyal payment" to Uefa president Michel Platini.

Blatter, who had already said he will stand down in February 2016, claimed he "had done nothing illegal or improper".

Platini, 60, has written a letter to Uefa members denying any wrongdoing.

In a statement released through his lawyers, Blatter said a £1.5m payment made to Platini, the head of European football's governing body, in 2011 was "valid compensation and nothing more".

Both men are also facing investigation by Fifa's independent ethics committee over the payment, which Platini said was for work as Blatter's technical advisor between 1999 and 2002.

Platini, who was interviewed as a witness by officers from the Swiss attorney general's office, stressed that the payment had been "fully declared" to the authorities.

The Frenchman said he was "aware that these events may harm my image and reputation" and released a statement for "reasons of transparency".

http://www.bbc.com/sport/0/football/34384930

At the moment Mr. Blatter is "under investigation" and allegations have been made against him. If the investigation was to establish the facts, it could well lead to Mr. Blatter being subjected to criminal prosecution. In any case, it does malign his name and puts him to disrepute.

For examining the possibilities of criminal action, prosecution and fall from grace, loss of honour, name and fame, certain rules will have to be examined from a horary perspective:

Rules:

For inimical action against any person, the 12th must strongly signify itself.
For authorities to take action against a person, the 10th must signify 7,8 and 12.
For a person to be jailed the 12th must signify 2,3,8 and 12.

Let us look at Moon first as to whether it indicates the query in mind. The horary chart is attached below:

MOON:
Moon is in 2 and rules the 7th. It is in the Star of Jupiter in 8, and it rules 3-12. Moon is in the Sub of Venus in 7 and it rules 5-10.

Moon signifies and is connected with all the relevant houses. It is connected with 2,3,7,8, and 12 as well as 10 for profession, name, fame and honour. Thus, the horary chart accurately reflects the question.

Let us now see how these rules apply one-by-one:

1) For inimical action against any person, the 12th must strongly signify itself.

12th CSL is Jupiter in 8 and rules 3-12. Star is Venus in 7 and rules 5-10. Sub is Sun in 8 and rules 8. The 12th strongly signifies 2,3,8 and 12 (there are no planets in the 12th. Therefore, the owner strongly signifies the house of its ownership). Additionally, at the sub level, Sun is in the 8th along with Jupiter who rules the 12th.

From this perspective, the 12th house significator strongly signifies the 12th house and has led to the inimical action against Mr. Blatter. The investigation is on-going.

2) For authorities to take action against a person, the 10th must signify 7,8 and 12.

10th CSL is Saturn in 10 and rules 1-2. Starlord is Saturn itself. It is in the Sub of Mercury in 9 and rules 6-9. The 10th does not directly signify 7 or 8 or 12. However, please note that Saturn is aspected by Mars in 7 having positional status with no planet in its stars as a grade E significator. Thus, 10th CSL is connected with 7 through Mars.

Action against Mr. Blatter will include legal proceedings as well (apart from just the investigation) due to the involvement of the 7th bhava that stands for legal processes.

3) For a person to be jailed the 12th must signify 2,3,8 and 12.

12th CSL is Jupiter in 8 and rules 3-12. Its Starlord is Venus in 7 and rules 5-10. Its Sub is Sun in 8 and rules 8. The 12th strongly signifies 2,3,8 and 12 (there are no planets in the 12th. Therefore, the owner strongly signifies the house of its ownership).

The 12th CSL, therefore, signifies all the bhavas necessary for imprisonment i.e. 2,3,8 and 12. While the Sub lord of the 12th is not Rahu, Sublord Sun conjoins Rahu.

Now the question is when he could be subjected to incarceration or other penalty?

Significators are:

2 = Mercury, Moon, Ketu, Saturn
3 = Moon, Jupiter, Mars, Ketu
8 = Sun, Rahu, Moon, Jupiter
12 = Moon, Jupiter

All in all, the significators are = Mercury, Mars, Moon, Ketu, Saturn, Jupiter, Sun, Rahu. (Venus is the only planet that does not appear).

RPs are taken at 15:31:57 on 27 September 2015. They are:

Ascendant Sub lord = Jupiter
Ascendant Star lord = Rahu

Ascendant Sign Lord = Saturn
Moon Sub Lord = Venus
Moon Star Lord = Jupiter
Moon Sign Lord = Saturn
Day Lord = Sun

These are: Jupiter, Rahu, Saturn, Venus and Sun. Ketu represents Sun and is added.

Common among Significators and RPs= Jupiter, Saturn, Sun and Ketu.

DBAS:

Dasa lord currently is Jupiter.

As analysed earlier, Jupiter is the CSL for the 12th bhava and indicates all the relevant houses for imprisonment and inimical action.

12th CSL is Jupiter in 8 and rules 3-12. Star is Venus in 7 and rules 5-10. Sub is Sun in 8 and rules 8. The 12th strongly signifies 2,3,8 and 12 (there are no planets in the 12th. Therefore, the owner strongly signifies the house of its ownership).

The 12th CSL, therefore, signifies all the bhavas necessary for imprisonment i.e. 2,3,8 and 12. While the Sub lord of the 12th is not Rahu, Sublord Sun conjoins Rahu.

Current Bhukti Lord is Venus.

It runs from 1 May 2015 to 31 December 2017. Venus is not an RP. It is not aspected nor is it aspecting any significator. Thus, Venus will not lead to jail or imprisonment or punishment.

The next Bhukti Lord is Sun. It runs from 31 December 2017 until 19th October 2018.

Sun is in the significators and also in the RPs.

Sun is in 8 and rules the 8th. It is in the Star of itself (thus strongly signifying the 8th). It is in the Sub of Venus in 7 and rules 5-10. At the Sub level, Sun signifies the opposition.

From the above it is clear that Mr. Blatter could be imprisoned/punished before 19th October 2018 in the Dasa-Bhukti of Jupiter-Sun.

We will have to wait and see what the outcome is.

Question - 1: Not KP without consideration of the CSL's sub

In judging the cuspal sub lord (CSL) whether the matter concerned is promised or not, is it sufficient to consider up to only the star level of the CSL as said by K. Hariharan in his KP training workshops/seminars? or is it required to considered up to the sub level?

Answer - 1:

Only 3-step consideration of the planet, its star and sub is KP as KP is the sub lord theory only, nothing else. Without consideration of sub of the CSL, it is not KP at all.

The reasons to consider up to the sub of the CSL are as follows:

1. Judge Each planet. The planet signifies a matter. Whether it votes for the progress and prosperity or due to the "sub lord" it is not capable doing good, further it does harm to that bhava signified by the planet, is to be studied."This discovery (of sub) has crowned me with success." (KP Reader III page 144/ Original 1971 Edition, Theory Part pages 137-138; KP Reader V page 144/ Original 1971 Edition pages 137-138; KP Reader VI page 81)

2. In considering the sub of the CSL, *Venus is the sub lord of the 7th house. Venus in 12 in the star of Jupiter in 2 and "sub" of Saturn in 9. Saturn rules houses 7 and 8. So, according to Krishnamurti Padhdhati, we should hastily declare that Venus in 12 is bad. Actually, he signifies houses 2, 9, 7, 6, 8 in order of strength. Also Venus owns house 11 and is posited in 12. Hence even though matters appear unfavourable still Venus brings out success.* (KP Reader IV page 173)

3. *Whether it is a planet or CUSPAL SUB LORD (also a planet) these are 'controlled' by the relevant sub lord and its signification only. As regards to a planet, the matter is seen through the star lord of that planet and the SUB LORD of that planet 'decides' the result & how the matter is altered & enjoyed and suffered by the native.*(K.M. Subramaniam: last 60th article of 'Sublord Speaks' LX in the "K.P. & Astrology Year Book 1998" page 69/ reprinted in "SUBLORD SPEAKS" book – part 3, page 141)

4. Such consideration of sub is practiced by almost all KP article contributors in the K.P. & Astrology Year Books, whenever it is relevant.
https://groups.yahoo.com/neo/groups/k_p_system/conversations/topics/37032?threaded=1&l=1

5. It is therefore required to CONSISTENTLY consider the signification of a planet, whether it is a CSL (which is also a planet) or a Dasa/Bhukti/Antra/Sookshma lord, at three levels of planet, its star and up to its SUB, as consistently done in all solved examples of the best narrated KP books by Sri Chandrakant R. Bhatt, particularly Nakshatra Chintamani, Further Light on Nakshatra Chintamani and Prashna Jyotish.

6. Otherwise without consideration of the sub of CSL, wrong conclusion of no marriage would be taken in the following 'AA'- rated married charts (AstroDatabank 4.1, now at www.astro.com) which show that the significance of 2,7 or 11 only at the sub level of the CSL is the sole event indicator for giving the promise of marriage, without signification of 2,7 or 11 in the planet and its star level of the CSL because the star is more

important than the planet and the sub is the final decider (Here the very weak grade E significators of conjunction and aspect are not considered.):

Question – 2:
In Prashna Jyothish (even in Sri.Kanak Bosmia's narrations) it is broadly used for significations of events as -

Ex- If 10th CSL be the significator (in the star of the occupant or owner) of houses 2,6 or 10, service or earning is promised during ----. Here the KP 2 step theory is applied ie. upto star level only. Whether it still holds good as it is now clear that KP is sub lord theory (3 step) and not the stellar (2 step theory).

Would it not be sufficient to mention as CUSPAL SUB LORD BE THE IGNIFICATOR OF REQUIRED HOUSES .....
Kindly clarify.

Answer – 2:
Example 10. Employment – When shall I get a job? (Chandrakant R. Bhatt: Prashna Jyotish, pp 100-101)

Hint: - If 10th cuspal sub lord (CSL) be the significator (in the star of the occupant or owner) of houses 2,6 or 10, service or earning is promised during the joint period of significators of 2, 6 and 10.

The sub lord of 6th and 10th is Mercury. Mercury is in the star of Venus and sub of Rahu. Its star lord owns 2 and sub lord Rahu occupies 11. So Mercury is the significator of 2 and connected with 11. Hence service is promised to the querent.

As we're aware and shown above, in all Shri Bhatt's KP books, 3-step consideration of planet, its star and sub is consistently applied in judging the signification of a planet whether it is a DBAS lord or CSL (also a planet) although emphasis is given to the star lord's signification by saying "*...be the significator (in the star of the occupant or owner) of houses ..*" .

It is sufficient and practical to mention as CUSPAL SUB LORD BE THE SIGNIFICATOR OF REQUIRED HOUSES .....

Question – 3: Sayana chart and Nirayana chart
I have a question to be solved by yr honor.
When we erect KP charts, using the data of AstroDatabank (ADB), sometimes the Lagna changes with respect to the given Lagna in the ADB, with correct Sidereal Time.
Can you pl. throw me light with the reason for such changes?
Ex. 01 - Lagna given in the ADB is Cancer, where KP is Gemini.

Name 45	Collard, Cyril Gender: M
Birthname	Collard, Cyril Claude Robert
born on	19 December 1957 at 17:40 (= 5:40 PM)
Place	Paris, France, 48n52, 2e20
Timezone	MET h1e (is standard time)
Data source	Quoted BC/BR Rodden Rating **AA**
Astrology data	27°32' 08°04 **Asc.** Cn 08°52'

Ex. 02 - Lagna given in the ADB is Scorpio, where KP is Libra.

Name 54	Galindo, Rudy Gender: M
Birthname	Val Joe Galindo
born on	7 September 1969 at 11:28 (= 11:28 AM)
Place	San Jose CA, USA, 37n20, 121w53
Timezone	PDT h7w (is daylight saving time)
Data source	Quoted BC/BR Rodden Rating **AA**
Astrology data	14°56' 29°26 **Asc.** Sc 12°02'

Answer – 3: In subtracting KP ayanamsa from the ADB Western sayana chart, to get the KP Eastern nirayana chart, KP Lagna sign will change one sign backward if the sayana Lagna degree is less than KP ayanamsa; Lagna sign will be the same if the sayana Lagna degree is less than KP ayanamsa.

In example 1, in the ADB Western sayana chart, Lagna is Cancer 08°52', by substrating KP ayanamsa 23:10:47, we get the KP Eastern nirayana chart, Lagna Gemini 14:41:13.

In example 2, in the ADB Western sayana chart, Lagna is Scorpio 12°02', by substrating KP ayanamsa 23:26:36, we get the KP Eastern nirayana chart, Lagna Libra18:41:24.

Question -4: Partnership

I am a beginner in KP astrology. I shall be grateful if you kindly let me know the House Grouping for "Successful implementation of the Joint Venture Agreement between Landlord and Promoter."

Answer – 4:

If the 7th cuspal sub lord be the significator of houses 7, 11, partnership or joint venture will be successful during the joint dasa period of significators of houses 7, 11.

Question – 5: Clarification of chart

In KP- 5th Reader . 9th Edition : 2004, Pg, 254, Under Chapter " Ashtama Sani and Honour " State that .

Lord of Lagna offers Grand success to a native if it would have occupied the constellation of the lords of 1, 2, 3 6, 10, or 11th house : The Sub(according krishnamurthy system) ..... Here; Venus – Sukra – is the Lord of Lagna. It is in the Constellation of Moon , Lord of 10 .....

Sir , IF VE is lord of Lagna in Constellation of MO means , Lagna Should be TA , & MO will be lord of 3 , How he can become Lord of 10 . To become lord of –10 , lagna should be LI & VE will be in Constellation Of MA or RA or JU

Please clarify sir.

Answer- 5:

The write up is about the chart on page 252. *"VE is lord of Lagna in Constellation of MO" means* Venus is lord of Libra Lagna; Venus in Capricorn 21:25 is in the star of Moon; Moon is lord of 10..

Astrological Timing of Critical Illness
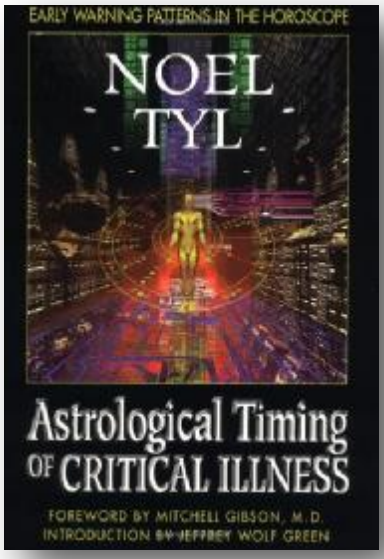
early warning patterns in the horoscope
by Noel Ty
Llewellyn Publications, 1998, 302 pages



This book is a study of early-warning patterns of serious illness in the horoscopes of consultants to seek the early medical attention that could save their lives, learn to communicate the indications of the horoscope to the client in a sensitive manner. The author explains how aspect patterns in natal/transit charts relate to the onset and development of specific body weaknesses and critical illness of congenital problems, cancer, lifestyle-related troubles like heart attack, and even suicide. The author creates acceptance for an aspect he terms the "quindecile" an aspect whose degree some other astrologers do not agree with. The history of medical astrology, and the predisposition to pathologies as indicated by the chart, are also explored. Case studies of 70 horoscopes, including those of Arnold Schwarzenegger, Ernest Hemingway, Marilyn Monroe, Betty Ford and Carl Sagan are presented with guidelines for assessing one's potential health risks. The author suggests a partnership with modern medicine, and a tactic to ward off disaster before it happens.
